Randy Mattison: Two pitchers.

13
00:02:48.180 --> 00:02:48.570
Randy Mattison: Or

14
00:02:55.470 --> 00:02:56.370
Meeting Participant: Will be done for sure.

15
00:02:59.490 --> 00:03:01.110

00:03:02.610 --> 00:03:03.300
Randy Mattison: I know mine.

18
00:03:03.750 --> 00:03:08.040
Randy Mattison: Because I unmuted myself. That's what you're recording

19
00:03:08.550 --> 00:03:10.620
Randy Mattison: No video. No.

20
00:03:12.480 --> 00:03:13.170
Meeting Participant: Religious

21
00:03:18.030 --> 00:03:19.890
Meeting Participant: stands, one nation.

22
00:03:19.980 --> 00:03:24.330
Meeting Participant: under God, indivisible, with liberty and justice for all.

23
00:03:30.990 --> 00:03:32.220
Mike Faulkner: Okay, I'm gonna lead off.

24
00:03:32.790 --> 00:03:47.430
Mike Faulkner: With a couple of things, just like I did last time I'm departmental audits will resume when we get back to normal. If we ever get there. This meeting is available to the public on the posted zoom website.

25

00:03:48.030 --> 00:03:50.040

Mike Faulkner: Amy is here and taking minutes as

26

00:03:50.040 --> 00:03:50.670

Usual

27

00:03:51.810 --> 00:03:54.750

Mike Faulkner: We will not have a public comment section at the end.

28

00:03:54.810 --> 00:03:56.640

Mike Faulkner: For Governor Cuomo directives.

29

00:03:57.660 --> 00:03:58.140

Mike Faulkner: And

30

00:03:59.340 --> 00:04:03.720

Mike Faulkner: One thing that I'm going to personally do is try to work to curtail crosstalk And

31

00:04:03.720 --> 00:04:05.130

Meeting Participant: Unnecessary common

32

00:04:05.430 --> 00:04:06.720

Mike Faulkner: So that we can move the meeting.

33

00:04:06.720 --> 00:04:09.360

Mike Faulkner: Along. So in your comments.

34

00:04:09.390 --> 00:04:10.770

Meeting Participant: So please be brief.

35

00:04:11.580 --> 00:04:11.910

Point.

36

00:04:14.460 --> 00:04:17.460

Meeting Participant: First, we can talk about the previous monthly meeting minutes

37

00:04:17.880 --> 00:04:20.700

Meeting Participant: Any comments, questions problems.

38

00:04:23.820 --> 00:04:25.320

Mike Faulkner: Have a motion to accept them.

39

00:04:27.120 --> 00:04:27.330

Meeting Participant: That

40

00:04:27.390 --> 00:04:29.040

Meeting Participant: Was motion by Randy.

41

00:04:29.910 --> 00:04:30.660

Second,

42

00:04:33.390 --> 00:04:34.380

All in favor.

43

00:04:50.490 --> 00:04:51.360

Mike Faulkner: In review.

44

00:04:52.500 --> 00:04:53.520

Mike Faulkner: Abstract number

45

00:04:53.520 --> 00:04:54.240

Meeting Participant: One.

46

00:04:54.960 --> 00:04:56.490

Which goes back to January.

47

00:04:58.110 --> 00:05:00.300

Meeting Participant: Number two, for the fire department.

48

00:05:01.140 --> 00:05:01.770

Mike Faulkner: Should have

49

00:05:01.800 --> 00:05:02.400

Mike Faulkner: Been

50

00:05:02.460 --> 00:05:07.950

Mike Faulkner: The amount should have been 50,150 \$7,100

51

00:05:09.210 --> 00:05:10.230

Mike Faulkner: That was where

52

00:05:20.580 --> 00:05:21.630

Mike Faulkner: We got that taken care of.

53

00:05:25.980 --> 00:05:28.410

Mike Faulkner: Also says the account number should be SF one

54

00:05:28.500 --> 00:05:31.140

Mike Faulkner: Dash 34 10.4 we had

55

00:05:32.220 --> 00:05:34.470

Mike Faulkner: Previously, that's just a leftover know

56

00:05:35.820 --> 00:05:38.310

Mike Faulkner: And then an abstract three the

57

00:05:38.610 --> 00:05:39.000

Meeting Participant: Summer

58

00:05:39.090 --> 00:05:39.720

Mike Faulkner: Or winter.

59

00:05:40.470 --> 00:05:42.600

Meeting Participant: I had a signed into da

60

00:05:42.600 --> 00:05:44.670

522

61

00:05:45.780 --> 00:05:48.480

Mike Faulkner: And further investigation that should have gone to

62

00:05:48.510 --> 00:05:51.240

Da 515 2.4

63

00:05:52.590 --> 00:05:53.760

Mike Faulkner: So those two corrections.

64

00:05:53.760 --> 00:05:54.660

Have been made.

65

00:05:58.200 --> 00:06:01.410

Mike Faulkner: And I think hit this point. Any questions.

66

00:06:03.960 --> 00:06:05.550

Mike Faulkner: We can move into the

67

00:06:08.700 --> 00:06:09.750

Mike Faulkner: Assignment with us.

68

00:06:12.870 --> 00:06:14.550

Herb Yerdon: I'm here. Can you hear me all right.

69

00:06:15.870 --> 00:06:16.500

Mike Faulkner: Yes.

70

00:06:19.380 --> 00:06:19.890

Herb Yerdon: Okay.

71

00:06:22.470 --> 00:06:27.000

Herb Yerdon: Wait, we've been having meetings pretty regularly with the county and

72

00:06:28.440 --> 00:06:36.690

Herb Yerdon: You're really concerned about the sales tax. They look like it could be as reduction right now like from the last

73

00:06:37.740 --> 00:06:38.880

Herb Yerdon: Seven geeks that

74

00:06:45.780 --> 00:06:46.440

You froze.

75

00:06:54.540 --> 00:06:56.070

Mike Faulkner: We've lost your herb. Can you hear me.

76

00:07:03.960 --> 00:07:11.580

Paul Baxter: Yeah, dark into a frozen I I don't see any activity from so may have to reconnect.

77

00:07:13.380 --> 00:07:13.860

Mike Faulkner: Okay.

78

00:07:14.490 --> 00:07:15.930

Mike Faulkner: Do you want to do your remarkable

79

00:07:15.960 --> 00:07:19.500

Paul Baxter: I mean, sure. I can do my report, while we're waiting for him to

80

00:07:20.550 --> 00:07:22.410

Paul Baxter: Get reconnected their resume.

81

00:07:24.750 --> 00:07:31.500

Paul Baxter: First, we're still under new dark pause and the tequila times is going out by email or on the

82

00:07:32.670 --> 00:07:46.560

Paul Baxter: Website, since we're not mailing the copies out during the work at home restrictions commissioned employees are still at work full time that we don't have access to the full range of resources we have when they're working out of the Watertown office.

83

00:07:46.770 --> 00:07:46.980

Don't

84

00:07:48.570 --> 00:07:58.740

Paul Baxter: Plug him Commission does have a list of municipal resources and references and other useful information at the tiger website and it's in the report that I emailed the copy it to unit. That's the meeting.

85

00:07:59.550 --> 00:08:14.610

Paul Baxter: I wanted to report to you that all the refunds for the 2020 local government conference have been issued. So if you haven't gotten it let me know and we'll have to follow up on that, but everybody who paid for the toggle conference should have gotten a refund by now.

86

00:08:15.480 --> 00:08:16.080

Mike Faulkner: Deadline

87

00:08:16.620 --> 00:08:24.270

Paul Baxter: Much as we could to get information was a intended for the conference available via the website of going if you go to the website, you can find it there.

88

00:08:24.840 --> 00:08:29.610

Paul Baxter: Of another way, we've tried to make training available has been through teleconferences and webinars.

89

00:08:30.480 --> 00:08:36.120

Paul Baxter: We have one setup that was intended for the local government conference set up for this Thursday at 10:30am

90

00:08:36.570 --> 00:08:51.750

Paul Baxter: On small wireless facilities and five g in New York State that would have to do with the new cellular technology coming along and we like if you could to pre register for that teleconference at the Tokyo website@www.google.org

91

00:08:52.890 --> 00:09:08.880

Paul Baxter: Um, another webinar that might be of interest is being held by the State Comptroller on Wednesday, May 20 at 1030 on policies and procedures for managing your municipality and that's the State Comptroller his website on the report that I sent you.

92

00:09:11.310 --> 00:09:16.380

Paul Baxter: Just the same way that you're doing your meeting tonight via teleconference to toggle commission itself is doing that.

93

00:09:17.580 --> 00:09:39.030

Paul Baxter: This next Monday. The 18th at 10 to 1130 and the information should be up on the target website about that and the governor did issue a new executive order on Thursday, May 7 that extends our ability to do these meetings by teleconference until June 6 so we're recovered for tonight.

94

00:09:40.320 --> 00:09:46.440

Paul Baxter: And then last but not least, the tentative tax roll has been posted to the town website and compliance with state law.

95

00:09:46.890 --> 00:10:03.180

Paul Baxter: And I understand. And notice went out from the county detailing changes in New York State law, having to do a text pairs and basic star benefits. So I posted that on your website and a bunch of other town and village websites in this area that I maintain and that would be it.

96

00:10:04.440 --> 00:10:04.800

Mike Faulkner: Thank you.

97

00:10:08.190 --> 00:10:08.400

Mike Faulkner: Do

98

00:10:09.720 --> 00:10:10.770

Mike Faulkner: These webinars that

99

00:10:10.920 --> 00:10:11.160

Are

100

00:10:13.080 --> 00:10:16.200

Mike Faulkner: We can probably find those down the road to for instance if I

101

00:10:16.650 --> 00:10:19.320

Meeting Participant: can attend the one tomorrow. I could find it later on.

102

00:10:20.220 --> 00:10:27.240

Paul Baxter: Yes. That's very true. A lot of these. They're recorded and you can play them back later on. Even if you can observe them live to be able to ask questions.

103

00:10:27.780 --> 00:10:35.790

Paul Baxter: You can you can usually pick up a recording of them later. And that night. And I should mention on the local government conference, not only and stuff from

104

00:10:36.180 --> 00:10:44.370

Paul Baxter: This year's local government conference that we intended for this year posted, but a lot of this stuff from our prior conferences to sell. If you're looking for information on a subject.

105

00:10:44.850 --> 00:10:49.920

Paul Baxter: That might be a place worth looking to see if we might have covered it in a prior local government conference.

106

00:10:51.420 --> 00:10:52.440

Mike Faulkner: Perfect. Thank you.

107

00:10:57.510 --> 00:10:58.470

Mike Faulkner: All right, we'll move on.

108

00:11:01.890 --> 00:11:05.850

Paul Baxter: Don't see him. Yeah, he's not in the waiting room and he's not on the screen so

109

00:11:07.410 --> 00:11:07.920

Let's do that.

110

00:11:10.290 --> 00:11:11.280

Mike Faulkner: Okay, well,

111

00:11:26.610 --> 00:11:28.560

Meeting Participant: Shoulders and the

112

00:11:30.210 --> 00:11:30.690

Mike Faulkner: Tree.

113

00:11:32.310 --> 00:11:32.460

But

114

00:11:34.980 --> 00:11:35.490

Other than

115

00:11:36.990 --> 00:11:37.650

Pretty much.

116

00:11:47.280 --> 00:11:48.090

That's about it.

117

00:11:51.930 --> 00:11:52.410

Right now.

118

00:12:02.010 --> 00:12:02.520

Meeting Participant: None of them have

119

00:12:06.420 --> 00:12:08.130

Mike Faulkner: come first, but

120

00:12:08.190 --> 00:12:10.200

Mike Faulkner: Them are the only spot really that we have

121

00:12:11.070 --> 00:12:13.860

Mike Faulkner: And training for the winner.

122

00:12:14.460 --> 00:12:15.690

Mike Faulkner: That's no longer going to

123

00:12:15.690 --> 00:12:16.680

Meeting Participant: Be this year.

124

00:12:19.080 --> 00:12:19.890

Mike Faulkner: Contact is

125

00:12:20.010 --> 00:12:26.910

Meeting Participant: For. So pretty much one on one training that I know and then it's true.

126

00:12:26.970 --> 00:12:27.930

Meeting Participant: Dr. Henry

127

00:12:27.990 --> 00:12:29.640

Mike Faulkner: Henry Allen that runs heavier.

128

00:12:30.660 --> 00:12:30.840

Mike Faulkner: Than

129

00:12:32.640 --> 00:12:36.360

Meeting Participant: The guy on a couple pieces of equipment that we do have to have some work on

130

00:12:37.320 --> 00:12:38.970

Meeting Participant: So basically,

131

00:12:47.400 --> 00:12:47.730

Mike Faulkner: We

132

00:12:53.910 --> 00:12:54.180

Mike Faulkner: Are

133

00:12:56.460 --> 00:12:57.480

Mike Faulkner: That truck goes up.

134

00:12:57.480 --> 00:12:58.620

Meeting Participant: For inspection.

135

00:12:58.710 --> 00:13:00.630

Meeting Participant: Or next week and i mean

136

00:13:01.590 --> 00:13:02.910

Mike Faulkner: Just, just

137

00:13:07.230 --> 00:13:08.040

Mike Faulkner: Ran out last

138

00:13:09.030 --> 00:13:10.920

Mike Faulkner: I didn't notice that I don't keep track

139

00:13:14.010 --> 00:13:14.760

Mike Faulkner: That's there.

140

00:13:16.950 --> 00:13:17.520

Mike Faulkner: So,

141

00:13:34.890 --> 00:13:35.820

Mike Faulkner: For public knowledge.

142

00:13:36.990 --> 00:13:37.530

Mike Faulkner: And then

143

00:13:37.830 --> 00:13:38.820

Talk about the

144

00:13:40.980 --> 00:13:41.790

Mike Faulkner: Chief from nine

145

00:13:43.140 --> 00:13:43.980

Mike Faulkner: So that's something new.

146

00:13:45.570 --> 00:13:45.900

Mike Faulkner: And

147

00:13:54.090 --> 00:13:54.570

Mike Faulkner: So,

148

00:13:58.590 --> 00:13:59.130

Meeting Participant: We

149

00:13:59.460 --> 00:14:00.690

Are looking for so

150

00:14:10.950 --> 00:14:11.820

Mike Faulkner: Inspections done

151

00:14:21.630 --> 00:14:21.810

Meeting Participant: With

152

00:14:22.530 --> 00:14:22.830

Lunch.

153

00:14:30.300 --> 00:14:31.140

Meeting Participant: And

154

00:14:35.400 --> 00:14:40.500

Mike Faulkner: And if there's any flaws or anything like that. That would be your responsibility.

155

00:14:40.920 --> 00:14:41.220

To come

156

00:14:45.180 --> 00:14:45.630

Rick Stowell: Which

157

00:14:47.640 --> 00:14:48.030

Mike Faulkner: Are

158

00:14:51.000 --> 00:14:51.480

Mike Faulkner: Money.

159

00:14:52.500 --> 00:14:52.980

Mike Faulkner: Then we

160

00:14:53.010 --> 00:14:53.880

Meeting Participant: Talked about a

161

00:14:54.810 --> 00:14:57.150
Meeting Participant: Little bit of money and whether they haven't done

162
00:14:58.230 --> 00:14:59.190
Mike Faulkner: That would actually help

163
00:14:59.580 --> 00:15:00.510
Meeting Participant: The bar on

164
00:15:01.530 --> 00:15:02.790
Meeting Participant: Getting more sense back

165
00:15:06.630 --> 00:15:07.050
Mike Faulkner: Because I

166
00:15:08.130 --> 00:15:08.670
Meeting Participant: Put in

167
00:15:09.570 --> 00:15:09.690
The

168
00:15:11.460 --> 00:15:13.770
Meeting Participant: Back 9% of what you put

169
00:15:13.770 --> 00:15:15.510
Mike Faulkner: Into it, so

170
00:15:21.090 --> 00:15:21.960
Meeting Participant: No longer

171
00:15:25.110 --> 00:15:26.370
Mike Faulkner: Like we can

172
00:15:27.030 --> 00:15:27.930
Mike Faulkner: We can use modal

173
00:15:28.770 --> 00:15:29.310
So,

174
00:17:07.980 --> 00:17:08.460
Rick Stowell: You asked me.

175

00:17:27.060 --> 00:17:28.200

Meeting Participant: Greetings over

176

00:17:28.920 --> 00:17:30.210

Meeting Participant: Now you

177

00:17:31.890 --> 00:17:32.220

Meeting Participant: Know,

178

00:17:33.480 --> 00:17:34.440

Meeting Participant: Where they come here.

179

00:17:34.800 --> 00:17:36.270

Meeting Participant: Because I gotta do one drink.

180

00:17:39.450 --> 00:17:41.640

Meeting Participant: Bar on both sides of the road.

181

00:17:43.980 --> 00:17:45.840

Meeting Participant: Lot, I'd like to know.

182

00:17:49.500 --> 00:17:50.280

Rick Stowell: Why

183

00:17:53.790 --> 00:17:54.360

Meeting Participant: You know,

184

00:17:57.540 --> 00:17:58.260

Meeting Participant: This year is

185

00:17:58.380 --> 00:17:59.730

Rick Stowell: Definitely no reason this

186

00:17:59.730 --> 00:18:00.090

Year.

187

00:18:16.260 --> 00:18:16.380

Meeting Participant: The

188

00:18:16.620 --> 00:18:17.880
Rick Stowell: Reason I asked that.

189
00:18:19.980 --> 00:18:21.510
Rick Stowell: Going on right now.

190
00:18:23.010 --> 00:18:23.460
Rick Stowell: It can be

191
00:18:27.210 --> 00:18:28.740
Meeting Participant: Seen for next year. Right.

192
00:18:31.290 --> 00:18:31.710
Meeting Participant: Now,

193
00:18:31.950 --> 00:18:32.820
Meeting Participant: They don't plan on

194
00:18:35.430 --> 00:18:38.700
Meeting Participant: Changing all roadsides, I know, right.

195
00:18:40.350 --> 00:18:48.120
Rick Stowell: Now is that if this can be more than just a certain time,
so be more

196
00:18:49.020 --> 00:19:00.030
Rick Stowell: money available because I don't know if everybody realized
that if you do not use that money, you don't get them right so what I
would like you to do.

197
00:19:00.930 --> 00:19:14.460
Rick Stowell: Is to get a hold of the state to see if possible. If you
spend 100,000 additional dollars this year. How much of that money would
we get back by December of this year.

198
00:19:15.870 --> 00:19:16.500
Rick Stowell: If you do that,

199
00:19:18.660 --> 00:19:27.000
Rick Stowell: Then you got to spend it in order to get any money back. So
if we don't spend any money this year, like a lot of Township moon spell.
And he said, doing

200

00:19:27.480 --> 00:19:36.120

Rick Stowell: They're not doing it because they don't have the revenue coming in. So what if you don't spend money when Steve in New York, you don't get any money back.

201

00:19:48.330 --> 00:19:51.780

Rick Stowell: Well, that's why I asked him to look into that, if you don't mind.

202

00:19:52.380 --> 00:19:53.220

No.

203

00:20:10.140 --> 00:20:14.130

Rick Stowell: Yeah, there's not enough money in that budget, there hasn't been for a lot of years but

204

00:20:21.210 --> 00:20:26.790

Rick Stowell: We're going to get the money back. That's what I'd like you to find out how much we can get back

205

00:21:04.170 --> 00:21:08.160

Mike Faulkner: What's let her know if you don't mind and herb, you want to continue with

206

00:21:08.160 --> 00:21:09.840

Mike Faulkner: Your last your last time.

207

00:21:11.280 --> 00:21:16.530

Herb Yerdon: You had a computer went, Yeah, I don't know anything about these too much.

208

00:21:18.300 --> 00:21:20.790

Herb Yerdon: Ah, I was talking about the sales tax.

209

00:21:22.230 --> 00:21:41.370

Herb Yerdon: We don't. We think that we're going to get a lot less sales tax the property tax has been coming in and pretty good. It's the sales tax. The big one and week be losing like 17% this quarter. They we really don't know. You're only guessing. But, uh,

210

00:21:42.690 --> 00:21:51.960

Herb Yerdon: But the county has taken steps there. They got proposals and the maintenance going to be on Thursday about a hiring freeze and

211

00:21:52.650 --> 00:22:00.750

Herb Yerdon: All the purchases is going to have to be frozen into and they can only be OK button. The Chairman And the leadership, so

212

00:22:01.320 --> 00:22:11.790

Herb Yerdon: Basically they're going to start really cutting down on everything. You mentioned highway or they're already and they're going to do us get to highway up and running.

213

00:22:12.390 --> 00:22:22.380

Herb Yerdon: The blacktop but they're going to do in quarters like 500,000 they're going to start off and have anything running because he

214

00:22:23.520 --> 00:22:30.210

Herb Yerdon: They don't know how much money they're going to get back. We don't know how much money we can spend so they're gonna they're going to break it down in quarters.

215

00:22:30.750 --> 00:22:38.940

Herb Yerdon: To a quarter. If everything is good, they'll do the next one is everything good they're doing that one. So that's what's happening in the highway department.

216

00:22:40.350 --> 00:22:40.740

Herb Yerdon: And

217

00:22:41.820 --> 00:22:44.310

Herb Yerdon: As far as the testing is for Koba there.

218

00:22:45.600 --> 00:22:46.110

Herb Yerdon: We

219

00:22:47.310 --> 00:22:49.380

Herb Yerdon: We should meet the criteria.

220

00:22:51.360 --> 00:23:00.600

Herb Yerdon: By Friday, the governor said we didn't come up, we were doing. We had 647 tests a day. He wanted 775

221

00:23:01.800 --> 00:23:03.420

Herb Yerdon: But now he's mandated that

222

00:23:04.470 --> 00:23:13.230

Herb Yerdon: All the adult homes and nursing homes all employees with roughly 5000 now you got to do to test on them per week.

223

00:23:14.610 --> 00:23:23.400

Herb Yerdon: And that alone would give us more than enough testers, so we can be. We should be okay for phase one, which it start on Friday.

224

00:23:24.360 --> 00:23:39.990

Herb Yerdon: And phase one means construction companies and work and start again manufacturing and wholesale supply chains retail curbside pickup agriculture, forestry and fishing as a phase one.

225

00:23:41.580 --> 00:23:41.820

Rick Stowell: And

226

00:23:42.600 --> 00:23:46.560

Herb Yerdon: They'll go to phase two. Two weeks later if everything continues.

227

00:23:47.640 --> 00:24:04.950

Herb Yerdon: And the government takes we're doing everything right. He's going to set up a control group to watch our region. And if we slept where we start getting a high peak on something you'll shut us back down again. So we got to be very careful or

228

00:24:06.090 --> 00:24:10.440

Herb Yerdon: If everything goes right we should keep on going every two weeks they'll open more

229

00:24:11.640 --> 00:24:22.680

Herb Yerdon: Phase two would be to professional services, finance, insurance retail administrative support real estate rental Lacey so

230

00:24:23.820 --> 00:24:31.560

Herb Yerdon: It keeps that phase two, phase three is going to be hotels accommodation restaurants and food services.

231

00:24:33.300 --> 00:24:44.520

Herb Yerdon: Phase four will be arts, entertainment, recreation and education. So education is the last step. So that's why it's set right now.

232

00:24:45.360 --> 00:24:56.430

Herb Yerdon: So basically the county is going to go and tighten every quarter, they can because we don't know how much money we're going to get. That's why they're going to do with the gun you know freezes.

233

00:25:00.270 --> 00:25:02.310

Herb Yerdon: And as of today.

234

00:25:03.600 --> 00:25:07.470

Herb Yerdon: We done roughly 2235 test.

235

00:25:08.850 --> 00:25:14.400

Herb Yerdon: 74 positive of all that's the total count for the since we started

236

00:25:16.560 --> 00:25:20.580

Herb Yerdon: The ones have recovered is 61 we fed three deaths.

237

00:25:22.110 --> 00:25:26.010

Herb Yerdon: We got right now. Positive cases that are active 10

238

00:25:28.860 --> 00:25:36.420

Herb Yerdon: Total negative results was 2,084% we got 71 still pending.

239

00:25:37.470 --> 00:25:41.220

Herb Yerdon: And precautionary quarantine and 61 mandatory 57

240

00:25:42.390 --> 00:26:00.330

Herb Yerdon: So the total of that's been releasing competed completed all the monitoring is 2316 so our county, I think, is doing very good as far as our numbers go so we should stay good unless we get a big spike someplace.

241

00:26:03.570 --> 00:26:04.530

Herb Yerdon: Unless hope we don't

242

00:26:06.720 --> 00:26:07.110

And

243

00:26:09.240 --> 00:26:13.260

Herb Yerdon: He'd been very really restrictive and a lot of it.

244

00:26:14.490 --> 00:26:15.390
Herb Yerdon: They got us in

245
00:26:16.590 --> 00:26:18.000
Herb Yerdon: The region with uh

246
00:26:20.400 --> 00:26:21.180
Herb Yerdon: Let's see here.

247
00:26:24.120 --> 00:26:35.400
Herb Yerdon: We're in without a dagger county Cayuga County Madison
County a swig of county courtly counties. That's a region, we're in. So
everybody in their region has gotta

248
00:26:36.420 --> 00:26:39.750
Herb Yerdon: Work to keep these triggers up or the shut the whole reason
down

249
00:26:46.590 --> 00:26:47.250
Mike Faulkner: Anything else

250
00:26:48.660 --> 00:26:54.390
Herb Yerdon: Last about his fires County is hopefully we'll get this
would be last time we use this computer.

251
00:26:55.080 --> 00:26:55.410
Yeah.

252
00:26:57.450 --> 00:26:57.930
Mike Faulkner: What a pain.

253
00:27:00.750 --> 00:27:01.830
Mike Faulkner: Questions for

254
00:27:03.420 --> 00:27:03.840
Rick Stowell: I want to

255
00:27:04.080 --> 00:27:05.220
Rick Stowell: reiterate that chip.

256
00:27:07.950 --> 00:27:09.240
Mike Faulkner: Will start painting.

257

00:27:09.690 --> 00:27:11.160

Rick Stowell: And other word by the quarter.

258

00:27:14.490 --> 00:27:18.120

Rick Stowell: I say, Did you say that you will start paving the

259

00:27:18.120 --> 00:27:19.770

Rick Stowell: County will start maybe

260

00:27:21.210 --> 00:27:24.360

Herb Yerdon: When they're going to get everything up and running. So

261

00:27:25.170 --> 00:27:45.420

Herb Yerdon: I don't know. I think they got to get it all set up to run. They've got they only got \$500,000 started off with, but they're going to do it in steps. Normally they do \$4 million worth of work over there every year far as an asphalt and so they're only going to do like 500 at a time 500,000

262

00:27:46.620 --> 00:27:52.200

Herb Yerdon: Because we don't know where to sales taxes. So we're not going to do a lot of spending until we find out where we are.

263

00:27:58.620 --> 00:27:59.430

Mike Faulkner: Okay, thanks. Her

264

00:28:00.000 --> 00:28:00.450

Okay.

265

00:28:04.170 --> 00:28:12.990

Mike Faulkner: I gave the other board members this the new fuel consumption report as we set it up through our meeting that we had a few weeks ago.

266

00:28:14.040 --> 00:28:15.930

Mike Faulkner: I believe you guys all got a copy of it right

267

00:28:18.090 --> 00:28:19.920

Mike Faulkner: Any comments or questions on it.

268

00:28:21.360 --> 00:28:21.720

Mike Faulkner: Okay.

269

00:28:23.100 --> 00:28:26.700

Mike Faulkner: Quickly, not necessarily quickly but this

270

00:28:28.440 --> 00:28:36.300

Mike Faulkner: I think I sent everybody a copy of the quote from Arapahoe to do the propane hookup for the

271

00:28:37.560 --> 00:28:53.580

Mike Faulkner: Generator at the town barn. I know we had some question and putting it out for bid, which I can do. But in talking with Aaron he negotiated a deal for the town within rabbit. Oh, since he uses so much propane.

272

00:28:53.820 --> 00:28:55.020

Mike Faulkner: With his businesses.

273

00:28:55.590 --> 00:28:57.840

Mike Faulkner: We get a great price from rabbit. I mean,

274

00:28:57.870 --> 00:29:01.200

Mike Faulkner: Nobody else could possibly touch it. As far as the opening

275

00:29:01.980 --> 00:29:04.200

Mike Faulkner: I don't know if you want me to move ahead and still

276

00:29:04.260 --> 00:29:05.430

Mike Faulkner: Try to get other

277

00:29:06.690 --> 00:29:08.700

Mike Faulkner: Quotes and that

278

00:29:09.330 --> 00:29:10.770

Mike Faulkner: I do. Okay.

279

00:29:11.580 --> 00:29:12.960

Rick Stowell: And I don't want to put it off and

280

00:29:14.310 --> 00:29:15.120

Rick Stowell: I'd like you to do.

281

00:29:16.260 --> 00:29:17.640

Rick Stowell: I don't know what the rest of the board long

282

00:29:21.690 --> 00:29:23.520

Rick Stowell: Down right now. Wait now.

283

00:29:26.550 --> 00:29:26.910

Rick Stowell: Right.

284

00:29:30.150 --> 00:29:31.320

Rick Stowell: It's not the lowest price.

285

00:29:31.710 --> 00:29:32.550

Mike Faulkner: Okay, I call

286

00:29:32.820 --> 00:29:37.470

Rick Stowell: Superior. That's a square country propane.

287

00:29:37.920 --> 00:29:43.110

Rick Stowell: One. So just document each one and what the installation costs is because everyone

288

00:29:43.800 --> 00:29:46.500

Rick Stowell: Is going to be a little bit different on installation here.

289

00:29:46.530 --> 00:29:48.210

Mike Faulkner: What are we gonna have a 500 down

290

00:29:49.590 --> 00:29:50.490

Rick Stowell: To what are you gonna have

291

00:29:50.730 --> 00:29:51.330

Mike Faulkner: To order to

292

00:29:52.500 --> 00:29:52.740

Mike Faulkner: Know,

293

00:29:55.800 --> 00:29:57.600

Mike Faulkner: Yeah, that's what they recommended to me.

294

00:29:58.410 --> 00:30:02.250

Rick Stowell: By code. I mean, it's different now. But you gotta have the, what do you call it.

295

00:30:09.030 --> 00:30:11.400

Rick Stowell: Yeah, the coating on it and so on. So,

296

00:30:18.360 --> 00:30:18.870

Rick Stowell: A lot better.

297

00:30:31.560 --> 00:30:32.220

Bye now.

298

00:30:37.980 --> 00:30:39.540

Rick Stowell: Know that i don't i don't

299

00:30:42.900 --> 00:30:43.470

Rick Stowell: Honestly,

300

00:30:43.770 --> 00:30:47.820

Rick Stowell: We're not going to be using it really well. He's gonna sit there until we

301

00:30:55.380 --> 00:30:55.890

Mike Faulkner: Get it.

302

00:30:56.850 --> 00:30:57.720

Yeah.

303

00:30:59.370 --> 00:31:02.340

Mike Faulkner: Well, I'll find out. I'll look into it. Over the next few days.

304

00:31:05.160 --> 00:31:05.760

Hey, Mike.

305

00:31:13.980 --> 00:31:15.150

Mike Faulkner: Propane usage, we have

306

00:31:21.540 --> 00:31:22.080

Mike Faulkner: Okay.

307

00:31:25.110 --> 00:31:27.540

Mike Faulkner: Next thing, the Internet.

308

00:31:27.600 --> 00:31:29.940

Mike Faulkner: For the highway barn on like

309

00:31:31.200 --> 00:31:31.650

Mike Faulkner: I get

310

00:31:31.680 --> 00:31:32.460

Mike Faulkner: Every day.

311

00:31:32.700 --> 00:31:39.180

Mike Faulkner: I get a webinar things that are pertained to Ted pertain to the highway department.

312

00:31:39.720 --> 00:31:40.980

Mike Faulkner: He has no way of doing that.

313

00:31:41.160 --> 00:31:42.390

Rick Stowell: He has no email.

314

00:31:43.080 --> 00:31:45.390

Mike Faulkner: Is no way of looking at the weather. That's coming up.

315

00:31:45.660 --> 00:31:48.210

Mike Faulkner: Which we know is pretty important to highway people

316

00:31:48.900 --> 00:31:50.970

Mike Faulkner: Just general communications. I had

317

00:31:51.720 --> 00:31:53.520

Mike Faulkner: When we had that confusion with

318

00:31:54.690 --> 00:31:55.620

Mike Faulkner: The town of LB and an

319

00:31:57.060 --> 00:32:00.390

Mike Faulkner: Awesome thing. The guy wanted email to

320

00:32:00.990 --> 00:32:02.310
Mike Faulkner: Email me everything

321
00:32:02.490 --> 00:32:04.680
Mike Faulkner: That I had to take it so

322
00:32:05.850 --> 00:32:07.860
Mike Faulkner: Just, it was my thought, actually, to get

323
00:32:16.230 --> 00:32:16.560
Mike Faulkner: Well,

324
00:32:20.100 --> 00:32:20.790
And then aiming

325
00:32:25.830 --> 00:32:25.980
Rick Stowell: For

326
00:32:29.820 --> 00:32:31.350
Mike Faulkner: Let's get into the 21st century.

327
00:32:36.840 --> 00:32:38.280
Rick Stowell: I have no problem with you.

328
00:32:39.540 --> 00:32:39.900
Rick Stowell: Know,

329
00:32:42.720 --> 00:32:43.800
Rick Stowell: I as

330
00:32:45.090 --> 00:32:45.960
Rick Stowell: They use

331
00:32:46.560 --> 00:32:47.370
Rick Stowell: In other words,

332
00:32:48.720 --> 00:32:57.930
Rick Stowell: At one meeting here. You said, I'm not going to be working on anything that's what you told me personally. So I need you to sit there and tell me

333

00:33:08.250 --> 00:33:09.570

Rick Stowell: That's not what I'm looking for.

334

00:33:35.700 --> 00:33:42.600

Rick Stowell: email account and internet yes you can communicate with this county in the state, you wouldn't have to drive over

335

00:33:43.920 --> 00:33:45.840

Rick Stowell: It's a learning. It's going to be a learning curve.

336

00:33:47.040 --> 00:33:52.590

Rick Stowell: But it's something we need. We need to get you

337

00:33:53.640 --> 00:33:55.980

Rick Stowell: To the first the 20%

338

00:33:56.370 --> 00:33:58.350

Mike Faulkner: I'm all for yo

339

00:33:58.710 --> 00:33:59.100

Long

340

00:34:00.570 --> 00:34:01.560

Mike Faulkner: Have you come right on.

341

00:34:05.400 --> 00:34:06.420

Mike Faulkner: You want to

342

00:34:07.770 --> 00:34:10.860

Mike Faulkner: Put that to a halt right now to go ahead and proceed with that.

343

00:34:28.230 --> 00:34:29.250

Mike Faulkner: What's available.

344

00:34:33.270 --> 00:34:33.810

Mike Faulkner: Yeah, that's

345

00:34:35.910 --> 00:34:36.780

Rick Stowell: The highway right now.

346

00:34:40.350 --> 00:34:40.710
Mike Faulkner: Yep.

347
00:34:42.000 --> 00:34:42.300
Mike Faulkner: Well,

348
00:34:44.490 --> 00:34:45.150
Rick Stowell: Personally, I

349
00:34:46.680 --> 00:34:47.820
Rick Stowell: Mean I have

350
00:34:49.980 --> 00:34:53.520
Rick Stowell: I would probably cheaper and faster.

351
00:34:54.000 --> 00:34:56.310
Rick Stowell: And maybe they're not all over to that.

352
00:35:00.180 --> 00:35:00.480
Mike Faulkner: Yeah.

353
00:35:01.050 --> 00:35:01.380
Mike Faulkner: I tried

354
00:35:04.560 --> 00:35:08.100
Mike Faulkner: Plus or minus \$9 a month.

355
00:35:09.210 --> 00:35:09.510
Mike Faulkner: I bet.

356
00:35:10.140 --> 00:35:10.380
You

357
00:35:15.390 --> 00:35:15.690
Rick Stowell: Know,

358
00:35:17.250 --> 00:35:17.730
Mike Faulkner: Monsters.

359
00:35:25.320 --> 00:35:29.220
Mike Faulkner: Multiple so why wouldn't I make some phone calls.

360

00:35:30.450 --> 00:35:32.550

Mike Faulkner: I'm going to spend a lot of time on the phone here coming up.

361

00:35:37.140 --> 00:35:37.440

Mike Faulkner: Right.

362

00:35:45.870 --> 00:35:48.240

Mike Faulkner: The last thing I have as far as

363

00:35:49.680 --> 00:36:01.110

Mike Faulkner: The highway department is I wanted to clear up the any confusion on the discussion about the 10 hour days I personally did speak to the business agent and

364

00:36:03.360 --> 00:36:08.100

Mike Faulkner: He was quite clear in his statement that

365

00:36:09.390 --> 00:36:10.350

Mike Faulkner: Based on

366

00:36:13.230 --> 00:36:15.000

Mike Faulkner: Clause number 13

367

00:36:16.020 --> 00:36:22.260

Mike Faulkner: In the contract maintenance of standards by past practice, they've always done pass practice.

368

00:36:22.350 --> 00:36:24.060

Mike Faulkner: And I checked on what you

369

00:36:24.360 --> 00:36:26.460

Mike Faulkner: Even said wreck about new employees.

370

00:36:27.210 --> 00:36:27.900

Mike Faulkner: It doesn't matter.

371

00:36:28.140 --> 00:36:30.330

Mike Faulkner: The day they sign up there under their contract.

372

00:36:31.470 --> 00:36:34.680

Mike Faulkner: And that's continues from there. So his

373

00:36:36.210 --> 00:36:37.530

Mike Faulkner: What he told me was

374

00:36:38.970 --> 00:36:39.450

Mike Faulkner: If

375

00:36:39.870 --> 00:36:42.210

Mike Faulkner: We don't like it if we're not happy with it. That's fine.

376

00:36:42.780 --> 00:36:50.430

Mike Faulkner: This isn't a goatee here and we should bring that to the table to negotiate what we're gonna do with that 10 hour day, whether we make a 10 and a half or whatever.

377

00:36:57.420 --> 00:36:58.350

Mike Faulkner: He said if we

378

00:36:58.830 --> 00:37:02.580

Mike Faulkner: If we find it at this point, which is our within our rights, we can do that.

379

00:37:02.970 --> 00:37:03.750

Mike Faulkner: They will agree, but

380

00:37:04.110 --> 00:37:05.460

Mike Faulkner: It'll probably go to arbitration.

381

00:37:06.390 --> 00:37:08.850

Mike Faulkner: And then we'll just have to decide if it's good for us.

382

00:37:09.150 --> 00:37:09.750

Rick Stowell: Can you

383

00:37:09.810 --> 00:37:10.530

That argument.

384

00:37:12.180 --> 00:37:18.030

Mike Faulkner: I just based on my experience from 25 years ago when I was a supervisor at Charlotte, we always lost those

385

00:37:18.120 --> 00:37:19.530

Mike Faulkner: Time arbitrations

386

00:37:20.280 --> 00:37:23.790

Mike Faulkner: So, but things changed. I mean, that was 20 years ago or morning

387

00:37:40.890 --> 00:37:41.130

Mike Faulkner: It's

388

00:37:41.220 --> 00:37:42.960

Mike Faulkner: Always been 10 hours.

389

00:37:43.230 --> 00:37:47.190

Mike Faulkner: I mean, for the last eight years it's been 6am and 4pm

390

00:37:47.730 --> 00:37:48.030

No.

391

00:37:49.290 --> 00:37:49.530

Rick Stowell: No.

392

00:37:51.510 --> 00:37:52.080

Rick Stowell: No, it's not.

393

00:37:53.910 --> 00:37:54.630

Rick Stowell: That statement.

394

00:37:56.730 --> 00:37:57.990

Rick Stowell: Always paid

395

00:37:58.350 --> 00:38:03.360

Rick Stowell: Our highway employees will not always get a paid lunch.

396

00:38:11.940 --> 00:38:12.300

Rick Stowell: Well,

397

00:38:12.480 --> 00:38:15.210

Rick Stowell: When you guys tell me that I'm going to disagree.

398

00:38:15.840 --> 00:38:16.320

Mike Faulkner: So your

399

00:38:21.720 --> 00:38:22.740

Mike Faulkner: Supervisor

400

00:38:24.750 --> 00:38:25.410

Mike Faulkner: For

401

00:38:26.730 --> 00:38:27.390

Mike Faulkner: A crown.

402

00:38:28.560 --> 00:38:30.600

Mike Faulkner: We had 10 hour days.

403

00:38:31.830 --> 00:38:32.160

Mike Faulkner: I think

404

00:38:32.430 --> 00:38:34.470

Mike Faulkner: It reason is started in some

405

00:38:35.070 --> 00:38:36.750

Mike Faulkner: Windows baby doesn't work.

406

00:38:38.220 --> 00:38:42.870

Rick Stowell: Because you can get you signed and put it comes out.

407

00:38:43.230 --> 00:38:47.310

Mike Faulkner: And took time to do that so us losing our

408

00:38:48.510 --> 00:38:49.170

Mike Faulkner: Third word

409

00:38:51.450 --> 00:38:53.790

Mike Faulkner: Foolishness our denigrating at Baker Baker.

410

00:38:55.350 --> 00:38:56.190

Mike Faulkner: And I forget what

411

00:38:56.280 --> 00:38:58.860

Mike Faulkner: It was maybe it was early summer that

412

00:38:58.860 --> 00:38:59.760

Mike Faulkner: Humor so

413

00:39:00.210 --> 00:39:00.960

Mike Faulkner: When Congress

414

00:39:11.280 --> 00:39:11.880

Rick Stowell: Original

415

00:39:20.370 --> 00:39:21.060

Rick Stowell: That's my

416

00:39:23.370 --> 00:39:23.820

Rick Stowell: Season.

417

00:39:30.120 --> 00:39:30.540

Rick Stowell: Season.

418

00:39:37.440 --> 00:39:37.890

Rick Stowell: Yes.

419

00:39:41.730 --> 00:39:42.690

Rick Stowell: Does anybody know

420

00:39:45.270 --> 00:39:45.450

Rick Stowell: I

421

00:39:46.830 --> 00:39:47.460

Rick Stowell: Started it

422

00:39:49.440 --> 00:39:55.290

Rick Stowell: Because Orwell was doing gimme, gimme thought that that would be a good idea. The problem.

423

00:39:57.270 --> 00:39:58.560

Rick Stowell: You allow that Aaron.

424

00:40:04.920 --> 00:40:11.310

Rick Stowell: A little bit early, because they had to get to the post office before it closed my writer. I know.

425

00:40:15.540 --> 00:40:17.880

Rick Stowell: Network one employee that did that.

426

00:40:19.890 --> 00:40:21.720

Rick Stowell: And in the wintertime.

427

00:40:23.400 --> 00:40:23.880

Mike Faulkner: Very

428

00:40:27.240 --> 00:40:30.090

Rick Stowell: Much as a noon to eight o'clock at night.

429

00:40:31.590 --> 00:40:31.950

Mike Faulkner: It.

430

00:40:37.140 --> 00:40:37.530

Rick Stowell: Now,

431

00:40:49.980 --> 00:40:54.180

Rick Stowell: Everybody stops when you're when you're going to slander.

432

00:40:54.480 --> 00:40:57.150

Rick Stowell: Or whatever, take a break and

433

00:40:58.740 --> 00:41:01.800

Mike Faulkner: I agree with it. I agree with you, 100%

434

00:41:05.100 --> 00:41:06.210

Rick Stowell: I don't feel

435

00:41:07.620 --> 00:41:08.040

Randy Mattison: Overwhelmed what

436

00:41:08.940 --> 00:41:09.930

Randy Mattison: Is said to me.

437

00:41:12.210 --> 00:41:15.570

Rick Stowell: Along with the lunches. The highway employees.

438

00:41:16.440 --> 00:41:18.330

Rick Stowell: And then over every quarter. The word

439

00:41:18.840 --> 00:41:21.900

Rick Stowell: Well, you know what I want one person on this board.

440

00:41:26.820 --> 00:41:27.240

Randy Mattison: For

441

00:41:28.320 --> 00:41:30.060

Randy Mattison: Women have the run, we

442

00:41:31.080 --> 00:41:32.310

Rick Stowell: Will leave it up to the people.

443

00:41:32.310 --> 00:41:32.370

Of

444

00:41:33.390 --> 00:41:34.590

Rick Stowell: The day as

445

00:41:35.790 --> 00:41:36.150

Randy Mattison: Well,

446

00:41:36.990 --> 00:41:41.040

Mike Faulkner: But that's up to you guys to where it goes. Asian time

447

00:41:44.190 --> 00:41:44.550

Mike Faulkner: For

448

00:41:46.680 --> 00:41:48.570

Mike Faulkner: Any agreement we have

449

00:41:48.690 --> 00:41:48.870

Mike Faulkner: Your

450

00:41:49.500 --> 00:41:50.640

Mike Faulkner: Best practice the

451

00:41:53.100 --> 00:41:53.520
Mike Faulkner: Better

452
00:42:04.950 --> 00:42:05.640
Mike Faulkner: Never got out.

453
00:42:05.700 --> 00:42:06.390
Of our

454
00:42:08.460 --> 00:42:09.780
Mike Faulkner: days from now.

455
00:42:10.080 --> 00:42:10.380
Right.

456
00:42:12.240 --> 00:42:12.810
Mike Faulkner: If you're working

457
00:42:13.260 --> 00:42:14.610
Mike Faulkner: On that right that's

458
00:42:15.870 --> 00:42:16.050
Mike Faulkner: Right.

459
00:42:17.940 --> 00:42:19.140
Mike Faulkner: And, well, that's a

460
00:42:21.630 --> 00:42:22.560
Mike Faulkner: Long

461
00:42:25.650 --> 00:42:26.100
Randy Mattison: Every day.

462
00:42:29.250 --> 00:42:29.610
Mike Faulkner: Okay.

463
00:42:30.000 --> 00:42:31.590
Mike Faulkner: So here's, here's my thought.

464
00:42:36.960 --> 00:42:37.530
Mike Faulkner: Sorry, girl.

465

00:42:52.470 --> 00:42:54.120

Rick Stowell: So, I mean, any place a four.

466

00:42:55.050 --> 00:42:55.770

Mike Faulkner: Hours right

467

00:43:03.750 --> 00:43:05.910

Mike Faulkner: Alright, so here's, here's the solution.

468

00:43:07.500 --> 00:43:11.610

Mike Faulkner: As of right now, they work six to 430 if they want to grieve it grieve it, we'll see what happens.

469

00:43:14.220 --> 00:43:14.700

Randy Mattison: Agree.

470

00:43:15.420 --> 00:43:16.410

Mike Faulkner: Okay, so

471

00:43:17.460 --> 00:43:21.360

Mike Faulkner: No problem, that's all i say i mean it's it's not me that

472

00:43:22.800 --> 00:43:23.520

Randy Mattison: The Union.

473

00:43:23.760 --> 00:43:34.080

Randy Mattison: In the reason why. And the reason why is I tell you right now, and their nose at night like it started to fall you guys show up at six o'clock in the morning.

474

00:43:35.970 --> 00:43:37.500

Randy Mattison: Right. A lot of times at work is not

475

00:43:37.500 --> 00:43:37.920

Really

476

00:43:40.830 --> 00:43:43.350

Mike Faulkner: We switch that to seven when fall

477

00:43:46.710 --> 00:43:47.820

Mike Faulkner: Yes. No problem.

478

00:43:48.000 --> 00:43:48.210

Mike Faulkner: All right.

479

00:43:51.300 --> 00:43:53.340

Mike Faulkner: Procedure, the other one so I

480

00:43:54.060 --> 00:43:54.480

Randy Mattison: Asked my

481

00:43:55.680 --> 00:43:55.980

Mike Faulkner: Shirt.

482

00:43:56.190 --> 00:43:57.990

Randy Mattison: On this and register section.

483

00:43:59.160 --> 00:44:12.120

Randy Mattison: Right. Why is that not under your checkoff sheet or it's been looked at doesn't have to be looked at every month, but it should get used to looking at that, if it's on the window or if it's in the glove department where everything

484

00:44:13.380 --> 00:44:19.020

Randy Mattison: That should be looked at and it should be documented on that sheet should be add to that sheet that you get a ticket system, you get

485

00:44:22.920 --> 00:44:24.390

Randy Mattison: A month or two months, you know, and

486

00:44:24.660 --> 00:44:25.860

Randy Mattison: It gets backed by the troopers.

487

00:44:33.210 --> 00:44:34.320

Mike Faulkner: I'll take the blame for

488

00:44:40.110 --> 00:44:41.040

Rick Stowell: registrations.

489

00:44:43.440 --> 00:44:44.700

Rick Stowell: Don't say you have to take it.

490

00:44:46.050 --> 00:44:46.260

Rick Stowell: You

491

00:44:52.560 --> 00:44:52.860

Rick Stowell: Know,

492

00:44:53.460 --> 00:44:54.090

Mike Faulkner: Dutch boy.

493

00:44:54.300 --> 00:44:54.660

Told

494

00:44:55.740 --> 00:44:58.560

Mike Faulkner: A lot of stuff going on. Ever since all this is all happening.

495

00:44:58.980 --> 00:45:16.260

Mike Faulkner: I mean, it was that garage and new guys. It's like when we go on, we're going shoulders and boys ever done it every move. I have to show them how we do this at all. It's a different. It's not like with them other guys if, say, Okay, we're going to shoulders Steve Reeves.

496

00:45:18.900 --> 00:45:22.800

Mike Faulkner: Really guys knew what they were doing. This is a process.

497

00:45:25.050 --> 00:45:28.860

Rick Stowell: interject for one minute, Ted. I heard what Michael said

498

00:45:29.610 --> 00:45:30.360

Randy Mattison: You and I

499

00:45:34.050 --> 00:45:34.680

Rick Stowell: Told you.

500

00:45:37.080 --> 00:45:37.260

Rick Stowell: That

501

00:45:42.390 --> 00:45:42.750

Randy Mattison: Okay.

502

00:45:42.840 --> 00:45:44.730

Rick Stowell: Good. I heard anything more about that I

503

00:45:49.920 --> 00:46:00.360

Mike Faulkner: Know it's always been 10 minutes and then, like you said, they can't buy it, you know, four o'clock because the last 10 minutes

504

00:46:00.360 --> 00:46:01.980

Mike Faulkner: Ago, because at the time the

505

00:46:02.040 --> 00:46:03.780

Mike Faulkner: Clock, the Clock is back on.

506

00:46:03.810 --> 00:46:05.940

Randy Mattison: Normal time know

507

00:46:08.850 --> 00:46:10.620

Mike Faulkner: What we came to the agreement we came to

508

00:46:12.690 --> 00:46:15.840

Rick Stowell: One of the things that I can go

509

00:46:17.010 --> 00:46:18.600

Rick Stowell: And get some

510

00:46:20.100 --> 00:46:20.700

Rick Stowell: Things with these

511

00:46:23.970 --> 00:46:24.360

Randy Mattison: Nine.

512

00:46:26.520 --> 00:46:27.000

Randy Mattison: Yes.

513

00:46:27.090 --> 00:46:27.960

Randy Mattison: Yeah, and I know that

514

00:46:30.480 --> 00:46:33.810

Rick Stowell: When you do this screen with them all day.

515

00:46:35.280 --> 00:46:36.180

Randy Mattison: Long so for

516

00:46:39.120 --> 00:46:40.380

Rick Stowell: The ocean forms.

517

00:46:41.700 --> 00:46:47.940

Randy Mattison: If you would, yeah. Because I saw that happens can say well I was never told mentor, I will

518

00:46:49.140 --> 00:46:50.970

Rick Stowell: Never comes in. I would like you

519

00:46:53.040 --> 00:46:53.370

Randy Mattison: Know,

520

00:46:54.210 --> 00:46:55.050

Rick Stowell: Three new employees.

521

00:46:55.200 --> 00:46:57.360

Rick Stowell: Right, I'll see about getting this one for you.

522

00:46:57.450 --> 00:46:57.810

Okay.

523

00:46:59.130 --> 00:46:59.400

Mike Faulkner: And

524

00:47:02.880 --> 00:47:05.070

Mike Faulkner: Nobody things for put up

525

00:47:05.940 --> 00:47:10.200

Randy Mattison: Documentation, you'll never go wrong with having the more you got the better off you're

526

00:47:10.290 --> 00:47:14.670

Mike Faulkner: Right, something happens. So I'm a firm believer with any other questions. Good.

527

00:47:17.130 --> 00:47:20.850

Mike Faulkner: Okay, this think you're already. Thank you.

528

00:47:22.380 --> 00:47:22.830

Mike Faulkner: Thank you.

529

00:47:28.290 --> 00:47:31.170

Mike Faulkner: Obviously, Steve here. He's got a co infection.

530

00:47:32.280 --> 00:47:33.270

Mike Faulkner: Been told to keep his

531

00:47:34.590 --> 00:47:35.520

532

00:47:36.600 --> 00:47:40.320

Mike Faulkner: He has revisited the town road site several times, there's

533

00:47:40.320 --> 00:47:43.890

Mike Faulkner: Been no dog and stayed a nice received no complaints. So that was

534

00:47:44.400 --> 00:47:47.700

Mike Faulkner: Basically has only report everything else is going along. Okay.

535

00:47:49.320 --> 00:47:52.350

Mike Faulkner: Any other comments on the dog Control Officer.

536

00:47:54.240 --> 00:47:55.830

541

00:48:11.850 --> 00:48:13.380

Mike Faulkner: As requested in the past.

542

00:48:13.890 --> 00:48:15.360

Mike Faulkner: Any questions regarding that.

543

00:48:18.390 --> 00:48:20.640

Mike Faulkner: Moving on to the assessor report.

544

00:48:24.930 --> 00:48:28.320

Mike Faulkner: He finally responded to me after a little prompting from air and I don't know.

545

00:48:28.320 --> 00:48:33.570

Mike Faulkner: If my stuff was going to his spam or what but he is. He is now.

546

00:48:33.960 --> 00:48:35.640

Mike Faulkner: And I think I sent everybody

547

00:48:36.030 --> 00:48:37.290

Mike Faulkner: will touch on it the Erie evaluation rate is dropping because of the

549

00:48:42.000 --> 00:48:44.310

550

00:48:45.240 --> 00:48:50.790

Mike Faulkner: Role year I have increased the assessment on the hotel considerably because of all the new construction.

551

00:48:51.600 --> 00:48:59.460

Mike Faulkner: Properties and most concerned about are the ones on the Salmon River camping sites newer homes homes with acreage and double wide owns

552

00:49:00.030 --> 00:49:01.950

Mike Faulkner: All of these have seen quite a spike in their

553

00:49:01.950 --> 00:49:03.450

Mike Faulkner: Sales in the last three years.

554

00:49:04.800 --> 00:49:06.270

Mike Faulkner: It has always been the plan to

555

00:49:06.270 --> 00:49:09.060

Mike Faulkner: Complete an update for the roll year

556

00:49:09.690 --> 00:49:11.370

559

00:49:22.860 --> 00:49:27.600

Mike Faulkner: I have stated that I will be available by phone to review any of these on the following dates.

560

00:49:27.660 --> 00:49:28.710

Mike Faulkner: He has them listed

561

00:49:29.580 --> 00:49:30.510

Mike Faulkner: And he gives his

562

00:49:31.680 --> 00:49:33.120

Mike Faulkner: phone number and email address.

563

00:49:33.810 --> 00:49:35.040

Randy Mattison: He's also has a

564

00:49:35.040 --> 00:49:36.690

Mike Faulkner: Lot of construction from Amish

565

00:49:37.920 --> 00:49:38.310

Mike Faulkner: And

566

00:49:38.340 --> 00:49:39.690

Mike Faulkner: These properties are difficult to

567

00:49:39.690 --> 00:49:40.230

Mike Faulkner: Value.

568

00:49:40.290 --> 00:49:43.320

Mike Faulkner: The absence of sales and the homes, having no modern

569

00:49:43.320 --> 00:49:44.700

Mike Faulkner: conveniences, he has

570

00:49:44.700 --> 00:49:45.480

Randy Mattison: Been working with

571

00:49:46.260 --> 00:49:47.850

Mike Faulkner: The sign up Star Trek's

572

00:49:48.870 --> 00:49:50.580

Mike Faulkner: And he has requested.

573

00:49:51.240 --> 00:49:52.500

Mike Faulkner: Based on my employer.

574

00:49:53.040 --> 00:49:53.490

Mike Faulkner: That

575

00:49:53.910 --> 00:49:57.420

Mike Faulkner: We want to have a meeting with him either July or August

576

00:49:57.450 --> 00:50:01.260

Randy Mattison: To go. He's moving forward with the assessment.

577

00:50:01.410 --> 00:50:01.830

Update.

578

00:50:03.330 --> 00:50:03.900

Mike Faulkner: So I

579

00:50:04.080 --> 00:50:04.650

Mike Faulkner: Think I sent him.

580

00:50:08.100 --> 00:50:11.880

Randy Mattison: By his record of my attention. He started about

581

00:50:11.940 --> 00:50:12.570

21

582

00:50:14.160 --> 00:50:14.850

Randy Mattison: Natural

583

00:50:14.940 --> 00:50:15.270

Mike Faulkner: Yep.

584

00:50:16.080 --> 00:50:18.150

Randy Mattison: Is he realized the chance to make that

585

00:50:19.410 --> 00:50:19.950

Randy Mattison: Assessment.

586

00:50:19.980 --> 00:50:21.240

Rick Stowell: Very Indian

587

00:50:49.470 --> 00:50:49.980

Mike Faulkner: Engine

588

00:50:52.650 --> 00:50:53.220

Randy Mattison: Work.

589

00:51:01.980 --> 00:51:03.210

Mike Faulkner: We're only in 2020

590

00:51:04.590 --> 00:51:05.280

Mike Faulkner: It's a year out

591

00:51:05.760 --> 00:51:06.240

You're saying

592

00:51:39.420 --> 00:51:40.080

Mike Faulkner: Again,

593

00:51:42.180 --> 00:51:42.660
Randy Mattison: And

594

00:51:42.690 --> 00:51:43.080
Mike Faulkner: Say that

595

00:51:43.800 --> 00:51:45.510
Mike Faulkner: Again, after

596

00:51:49.260 --> 00:51:49.590
Mike Faulkner: Time.

597

00:51:59.760 --> 00:52:01.800
Mike Faulkner: We're out here in LA.

598

00:52:04.920 --> 00:52:05.640
Randy Mattison: You can't change.

599

00:52:32.820 --> 00:52:33.270
Mike Faulkner: Wasn't

600

00:53:08.820 --> 00:53:09.810
Rick Stowell: To the month.

601

00:53:10.020 --> 00:53:12.960
Rick Stowell: It'll be back to 100% by 2021

602

00:53:13.200 --> 00:53:13.410
Mike Faulkner: Yep.

603

00:53:13.740 --> 00:53:14.970
Rick Stowell: In other words, he's got

604

00:53:17.130 --> 00:53:17.370
Rick Stowell: Right.

605

00:53:19.200 --> 00:53:21.150
Rick Stowell: No, no, that's fine.

606

00:53:21.480 --> 00:53:23.340

Rick Stowell: But if it's not by January one.

607

00:53:24.870 --> 00:53:26.040

Rick Stowell: My goal is termination dissemination.

608

00:53:28.860 --> 00:53:29.430

Randy Mattison: He can't

609

00:53:31.140 --> 00:53:32.400

Randy Mattison: Change it until

610

00:53:34.590 --> 00:53:35.880

Randy Mattison: Next better Murray.

611

00:53:36.120 --> 00:53:37.200

Randy Mattison: Is in assessing

612

00:53:38.430 --> 00:53:38.580

Or

613

00:53:39.780 --> 00:53:40.440

Randy Mattison: Even said

614

00:53:42.030 --> 00:53:42.600

Randy Mattison: Now,

615

00:54:51.780 --> 00:54:52.620

Randy Mattison: July or August

616

00:55:04.410 --> 00:55:05.220

Following year

617

00:55:19.860 --> 00:55:20.580

Rick Stowell: School November.

618

00:55:21.690 --> 00:55:23.490

Randy Mattison: It doesn't come up, you just

619

00:55:34.920 --> 00:55:35.550

Randy Mattison: The next thing.

620

00:55:40.950 --> 00:55:45.870

Randy Mattison: I believe I read things correctly in the past our members receive

621

00:55:50.940 --> 00:55:52.740

Randy Mattison: All the aggregate

622

00:56:00.180 --> 00:56:01.740

Randy Mattison: AARON Coming up in

623

00:56:01.920 --> 00:56:02.670

Addition.

624

00:56:06.540 --> 00:56:07.710

Randy Mattison: So we need to come up with

625

00:56:10.830 --> 00:56:11.190

Rick Stowell: Mean

626

00:56:50.430 --> 00:56:51.090

Randy Mattison: Well,

627

00:57:03.900 --> 00:57:05.490

Rick Stowell: Morning our

628

00:57:07.740 --> 00:57:08.070

Rick Stowell: Morning.

629

00:57:24.930 --> 00:57:25.440

Randy Mattison: Hello, and

630

00:57:31.740 --> 00:57:31.950

Rick Stowell: Good.

631

00:57:32.100 --> 00:57:32.370

Evening.

632

00:57:53.190 --> 00:57:53.730

Rick Stowell: By our

633

00:57:56.910 --> 00:57:57.690
Rick Stowell: More than one day.

634
00:58:10.470 --> 00:58:11.010
Randy Mattison: 100

635
00:58:12.240 --> 00:58:12.660
Randy Mattison: Numbers.

636
00:58:29.370 --> 00:58:30.210
Randy Mattison: All over.

637
00:59:01.290 --> 00:59:01.980
For the

638
00:59:03.480 --> 00:59:05.580
Mike Faulkner: month of April.

639
00:59:07.980 --> 00:59:12.930
Mike Faulkner: Executive Order to old two point 11 I have been inspecting

640
00:59:13.050 --> 00:59:16.260
Mike Faulkner: Places of public assembly, at least once a week.

641
00:59:17.880 --> 00:59:23.160
Mike Faulkner: Or older populations have found absolutely no violation.

642
00:59:23.820 --> 00:59:24.750
Mike Faulkner: I have had a couple of

643
00:59:24.990 --> 00:59:26.940
Rick Stowell: Places that there was some

644
00:59:27.450 --> 00:59:31.440
Mike Faulkner: Population have not found any

645
00:59:31.980 --> 00:59:33.480
Mike Faulkner: Business in the town of Albion

646
00:59:33.870 --> 00:59:36.090
Mike Faulkner: That had more people in the structure that

647

00:59:40.770 --> 00:59:41.430

Mike Faulkner: I

648

00:59:42.840 --> 00:59:43.320

Mike Faulkner: Took in

649

00:59:43.620 --> 00:59:45.270

Mike Faulkner: renewals I issued

650

00:59:45.300 --> 00:59:47.070

Mike Faulkner: For total of

651

00:59:47.100 --> 00:59:50.910

Mike Faulkner: 1200 and \$20

652

00:59:51.300 --> 00:59:53.190

Mike Faulkner: In fees.

653

00:59:53.610 --> 00:59:54.390

\$100

654

00:59:55.560 --> 00:59:57.690

Mike Faulkner: For a total of \$590

655

00:59:58.620 --> 01:00:10.050

Mike Faulkner: I used to certificates of compliance and I had one formal complaint that I am working with the property in question.

656

01:00:10.110 --> 01:00:11.430

Mike Faulkner: Getting it cleaned up.

657

01:00:12.480 --> 01:00:12.960

Mike Faulkner: Hopefully,

658

01:00:13.440 --> 01:00:14.970

Mike Faulkner: It'll be completed soon.

659

01:00:15.540 --> 01:00:18.300

Mike Faulkner: And an FYI board every month.

660

01:00:18.360 --> 01:00:19.890

Mike Faulkner: But I send out my advance

661

01:00:19.890 --> 01:00:24.210

Mike Faulkner: Copies but she goes out to the real property assessor

662

01:00:25.800 --> 01:00:26.280

Mike Faulkner: Telling

663

01:00:26.310 --> 01:00:26.670

Him.

664

01:00:27.780 --> 01:00:29.910

Mike Faulkner: The new permits telling him.

665

01:00:30.480 --> 01:00:32.220

Mike Faulkner: Of all

666

01:00:32.430 --> 01:00:38.010

Mike Faulkner: The permits that have been completed and there is a complete list of all the

667

01:00:38.100 --> 01:00:39.930

Mike Faulkner: Amish structures that are

668

01:00:40.530 --> 01:00:40.860

On

669

01:00:42.720 --> 01:00:43.230

Randy Mattison: The change.

670

01:00:44.310 --> 01:00:45.840

Mike Faulkner: Don't know. But I know that

671

01:00:46.860 --> 01:00:48.240

Mike Faulkner: All that information.

672

01:00:48.240 --> 01:00:49.800

Mike Faulkner: Available to him, and I've kept

673

01:00:51.180 --> 01:00:51.570
Mike Faulkner: Him.

674
01:00:54.210 --> 01:00:54.810
Mike Faulkner: Other than

675
01:00:55.500 --> 01:00:56.070
Mike Faulkner: Another one.

676
01:00:59.370 --> 01:01:02.610
Rick Stowell: One question I see the Dollar General has already started.

677
01:01:02.670 --> 01:01:06.360
Rick Stowell: This now about anything on the cell phone.

678
01:01:09.540 --> 01:01:10.500
Mike Faulkner: Yesterday,

679
01:01:11.640 --> 01:01:12.180
Randy Mattison: Company.

680
01:01:25.680 --> 01:01:25.950
Mike Faulkner: Night.

681
01:01:33.930 --> 01:01:34.740
The response.

682
01:01:39.990 --> 01:01:40.470
Mike Faulkner: OK.

683
01:01:40.560 --> 01:01:45.450
Mike Faulkner: The next thing under code enforcement is probably most of you are aware of the

684
01:01:46.860 --> 01:01:51.810
Mike Faulkner: The updated New York State Building and energy codes that went into effect today and

685
01:01:53.520 --> 01:01:57.780
Mike Faulkner: Vernon warned us a couple months ago thinking we were going to have to

686

01:01:58.110 --> 01:02:01.290

Mike Faulkner: Vote and approve a new local law adopting those

687

01:02:02.370 --> 01:02:03.060

Mike Faulkner: New

688

01:02:04.170 --> 01:02:04.710

Mike Faulkner: Revisions

689

01:02:05.250 --> 01:02:07.470

Mike Faulkner: But I talked to Rebecca

690

01:02:08.040 --> 01:02:09.150

Mike Faulkner: And talk to her.

691

01:02:09.900 --> 01:02:13.530

Mike Faulkner: And she suggested she does. These are several municipalities.

692

01:02:14.250 --> 01:02:16.440

Mike Faulkner: She said, as we hold off the coven

693

01:02:16.680 --> 01:02:24.510

Mike Faulkner: Threat is gone all municipalities are in the same boat. She's recommending that to all of them. And in talking with Aaron about it. He

694

01:02:25.140 --> 01:02:27.540

Mike Faulkner: He stated that he hasn't even been trained yet.

695

01:02:28.290 --> 01:02:28.950

Randy Mattison: The hobby.

696

01:02:29.430 --> 01:02:33.180

Mike Faulkner: enforce the law that you haven't been trained to enforce

697

01:02:33.540 --> 01:02:35.850

Rick Stowell: So basically, a holding pattern and

698

01:02:36.090 --> 01:02:38.040

Mike Faulkner: That's at the recommendation of our attorney.

699

01:02:39.630 --> 01:02:40.650

Mike Faulkner: Any questions.

700

01:02:43.980 --> 01:02:45.690

Randy Mattison: We just all know

701

01:02:46.230 --> 01:02:47.640

Mike Faulkner: You just sit back till

702

01:02:48.000 --> 01:02:50.010

Mike Faulkner: You either he gets trained or they decided that

703

01:03:08.220 --> 01:03:08.700

Randy Mattison: Factor.

704

01:03:25.440 --> 01:03:25.650

Mike Faulkner: Okay.

705

01:03:32.790 --> 01:03:33.300

Randy Mattison: So,

706

01:03:35.430 --> 01:03:42.240

Rick Stowell: Back to normal yet, but I was able to give the supervisor check for March finds

707

01:03:43.470 --> 01:03:44.190

Rick Stowell: April.

708

01:03:45.270 --> 01:03:45.540

Rick Stowell: He

709

01:03:45.600 --> 01:03:47.880

Rick Stowell: Allowed me to open the mail.

710

01:03:48.810 --> 01:03:50.490

Rick Stowell: Exact make it the other

711

01:03:52.170 --> 01:03:53.700

Randy Mattison: And I feel, you'll be

712

01:03:54.960 --> 01:03:55.590

Rick Stowell: Meeting with

713

01:03:56.700 --> 01:03:58.020

Rick Stowell: Structure or anything.

714

01:03:58.590 --> 01:03:59.940

Rick Stowell: So all it is is

715

01:04:00.150 --> 01:04:00.930

It when you

716

01:04:02.220 --> 01:04:02.580

Randy Mattison: Mark

717

01:04:03.630 --> 01:04:05.130

Rick Stowell: Please are still being

718

01:04:05.910 --> 01:04:10.350

Rick Stowell: Very quiet officers really anything. Nothing is

719

01:04:10.410 --> 01:04:13.470

Rick Stowell: Coming our tickets or anything. Yeah.

720

01:04:14.760 --> 01:04:16.560

Rick Stowell: I understand through

721

01:04:17.520 --> 01:04:22.620

Rick Stowell: Association here, the little situation around cemetery
sleep a little bit of a

722

01:04:24.000 --> 01:04:28.740

Rick Stowell: Discussion with some of the officers will probably know a
little bit about that.

723

01:04:31.320 --> 01:04:39.960

Rick Stowell: About a half a dozen. But anyway, so the last thing that I
would like the board to consider is this Buddhist property.

724

01:04:41.190 --> 01:04:46.020

Rick Stowell: Talking with burn, burn is keeping track of it. I've gone by a couple of times. Nothing's been done.

725

01:04:47.430 --> 01:04:53.160

Rick Stowell: Last meeting he didn't pay for the dumpster they dumped in his yard is still sitting there.

726

01:04:54.420 --> 01:05:02.940

Rick Stowell: Spinning our wheels, we might as well get the attorney to get to the Supreme Court judge and get the same taking care of our, our town guys has to do it if we want to cleaned up.

727

01:05:03.660 --> 01:05:10.380

Rick Stowell: There's no sense of keep spending money to the attorney to come here, get an agreement. He doesn't do anything. There's no repercussion

728

01:05:12.630 --> 01:05:18.660

Rick Stowell: Either he's got to start talking to mark or get the young guys to go there and clean it up and put it on his back.

729

01:05:21.420 --> 01:05:23.610

Rick Stowell: Aaron, how much money we spent when you were there.

730

01:05:25.260 --> 01:05:30.660

Rick Stowell: I think we're up around five 6000 for for what we're getting nothing. We still have enough. We still got

731

01:05:31.710 --> 01:05:34.470

Rick Stowell: sitting out there and we can't do anything until

732

01:05:48.480 --> 01:05:49.170

Rick Stowell: Status.

733

01:05:51.210 --> 01:05:51.870

Rick Stowell: Account. This

734

01:05:58.680 --> 01:05:59.280

Rick Stowell: Is not

735

01:06:00.360 --> 01:06:00.630

Rick Stowell: Bad

736

01:06:17.160 --> 01:06:17.520

Rick Stowell: Know,

737

01:06:20.160 --> 01:06:21.390

Rick Stowell: Time to get started.

738

01:06:24.840 --> 01:06:25.080

This

739

01:06:26.790 --> 01:06:28.470

Rick Stowell: Is October be two years.

740

01:06:29.940 --> 01:06:30.240

Rick Stowell: Right.

741

01:06:30.630 --> 01:06:34.530

Mike Faulkner: I'll, I'll talk to Rebecca and see you know what our next step.

742

01:06:35.520 --> 01:06:35.970

Forward.

743

01:06:43.590 --> 01:06:44.880

Mike Faulkner: Yeah, I can see that.

744

01:07:00.480 --> 01:07:02.160

Rick Stowell: We don't know we'd have to actually look

745

01:07:02.160 --> 01:07:02.370

Rick Stowell: At

746

01:07:03.060 --> 01:07:10.200

Rick Stowell: What had been done when down at the same thing with our guiding party down at the all the southern bar down there, you see.

747

01:07:11.610 --> 01:07:13.590

Rick Stowell: He when they finally definitely did

748

01:07:14.130 --> 01:07:17.070

Rick Stowell: Let the town committee can go up with taxes.

749

01:07:18.000 --> 01:07:19.740

Mike Faulkner: Don't then you

750

01:07:21.210 --> 01:07:22.950

Rick Stowell: Gotta do something this year.

751

01:07:24.870 --> 01:07:27.060

Rick Stowell: Our wheels and wasting time from the very

752

01:07:29.850 --> 01:07:31.560

Mike Faulkner: Beginning nothing. All right.

753

01:07:31.710 --> 01:07:33.570

Mike Faulkner: I'll talk to her and see how we can proceed.

754

01:07:35.100 --> 01:07:37.020

Mike Faulkner: Moving on. Any other questions for buddy.

755

01:07:38.940 --> 01:07:39.750

Mike Faulkner: Fire Department

756

01:07:41.850 --> 01:07:47.580

Mike Faulkner: Bills here tonight I'll go ahead and read his report and then I know there's a few comments that he wants to make

757

01:07:49.320 --> 01:07:49.770

Mike Faulkner: Five.

758

01:07:49.800 --> 01:07:51.270

Mike Faulkner: Calls in April.

759

01:07:53.550 --> 01:08:18.180

Mike Faulkner: In April, check register balance was \$93,015 and 95 cents monthly expenses for April were \$1,584 and 41 cents truck payment due April 2020 \$23,980 67 cents remaining balance move to May was \$67,450 and 87 cents.

760

01:08:23.580 --> 01:08:26.370

Mike Faulkner: In talking with Bill he's

761

01:08:27.480 --> 01:08:31.350

Mike Faulkner: Brought up a really good point that I wasn't even aware of. We have no

762

01:08:32.400 --> 01:08:42.120

Mike Faulkner: Fire security alarm system for this building and we could run into the same type of problem that we ran into at the highway barn. If it wasn't a good

763

01:08:42.660 --> 01:08:43.680

Mike Faulkner: Weekend or something.

764

01:08:43.980 --> 01:08:45.300

Mike Faulkner: Sit here till somebody noticed it.

765

01:08:45.720 --> 01:08:53.190

Mike Faulkner: Already burning. So, something we need to talk about whether we want to spend the money to put a fire alarm system in your

766

01:08:56.280 --> 01:08:56.970

Mike Faulkner: System here.

767

01:09:38.790 --> 01:09:39.360

Mike Faulkner: Situation.

768

01:09:41.100 --> 01:09:43.740

Mike Faulkner: As well as well and

769

01:09:46.710 --> 01:09:49.530

Mike Faulkner: It really shouldn't be an alarm cause

770

01:09:50.700 --> 01:09:51.780

Mike Faulkner: That may be something

771

01:09:52.980 --> 01:09:55.710

Mike Faulkner: You know, we, when we, when I make the calls on the

772

01:09:57.300 --> 01:10:14.730

Mike Faulkner: Way barn internet I could look into the whole system, find out you know what frontier can do for us what spectrum can do for us, that type of thing, because I know they have a dedicated phone line at the highway barn. Now for that. So we may be able to do the same thing here.

773

01:10:16.560 --> 01:10:18.960

Mike Faulkner: Any questions or comments on that.

774

01:10:21.180 --> 01:10:26.400

Mike Faulkner: Okay, I'll look into that and find out, get an idea what it's going to cost.

775

01:10:29.580 --> 01:10:29.880

Mike Faulkner: Right.

776

01:10:34.080 --> 01:10:34.410

Mike Faulkner: Okay.

777

01:10:36.600 --> 01:10:38.100

Mike Faulkner: I will move forward and try this.

778

01:10:38.970 --> 01:10:42.390

Mike Faulkner: package deal on all these phone lines and internet and all that stuff.

779

01:10:42.960 --> 01:10:44.340

Mike Faulkner: We're starting to get into quite a

780

01:10:44.340 --> 01:10:45.840

Mike Faulkner: Bit of stuff we're talking about

781

01:10:50.250 --> 01:11:06.510

Mike Faulkner: In talking with the Tokyo Commission I maybe Paul can comment on this right now the way everything is there's there's not a lot of grants available for much of anything. At least that's the impression. I've been getting. Do you have any comment on that Paul

782

01:11:07.530 --> 01:11:08.580

Paul Baxter: Yeah, that generally this

783

01:11:09.540 --> 01:11:12.660

Paul Baxter: I haven't heard a lot of grants out there, there is some money, they can get

784

01:11:13.950 --> 01:11:30.390

Paul Baxter: On favorite billowing terms through USDA. That's the best source of money for municipal buildings that I'm aware of. Right now, and

we have worked with other municipalities on Community Facilities but outright grants are are slim.

785

01:11:31.830 --> 01:11:32.100

Paul Baxter: Okay.

786

01:11:32.160 --> 01:11:33.450

Mike Faulkner: That's kind of a progression. I will

787

01:11:36.150 --> 01:11:41.070

Mike Faulkner: I will, I will forward at least get an idea of the gospel and see where we gotta go from there.

788

01:11:42.930 --> 01:11:43.620

Mike Faulkner: Thanks, Paul.

789

01:11:46.320 --> 01:11:50.670

Mike Faulkner: I know another thing that bills concerned about burns concerned about and we may be able to do

790

01:11:52.080 --> 01:11:52.560

Mike Faulkner: Is

791

01:11:52.980 --> 01:11:54.330

Mike Faulkner: The situation's we have

792

01:11:54.810 --> 01:11:55.590

Mike Faulkner: Maple landing

793

01:11:58.020 --> 01:12:03.150

Mike Faulkner: Development yeah hundred hundred and 50 \$200,000 houses.

794

01:12:03.420 --> 01:12:04.440

Mike Faulkner: In these places.

795

01:12:05.130 --> 01:12:05.640

Rick Stowell: There.

796

01:12:05.730 --> 01:12:06.840

Mike Faulkner: Are fire department isn't

797

01:12:06.840 --> 01:12:08.280
Mike Faulkner: capable of responding to

798
01:12:08.280 --> 01:12:09.360
Mike Faulkner: The roads will support.

799
01:12:09.360 --> 01:12:13.560
Mike Faulkner: The trucks. So somebody has done an air cuts themselves
with a chainsaw their house.

800
01:12:15.750 --> 01:12:17.250
Mike Faulkner: Or their Allah

801
01:12:17.610 --> 01:12:18.540
Mike Faulkner: He was describing

802
01:12:19.410 --> 01:12:20.550
Mike Faulkner: It was what they do in

803
01:12:20.550 --> 01:12:21.120
Henderson.

804
01:12:24.540 --> 01:12:25.410
Mike Faulkner: I think burns.

805
01:12:25.470 --> 01:12:27.060
Mike Faulkner: got us covered a little bit with the

806
01:12:27.060 --> 01:12:28.650
Mike Faulkner: Maple landing situation. He's

807
01:12:31.740 --> 01:12:32.220
Mike Faulkner: Already

808
01:12:33.480 --> 01:12:34.140
Mike Faulkner: The new one.

809
01:14:22.890 --> 01:14:23.280
Rick Stowell: Awesome.

810
01:15:06.270 --> 01:15:06.630

Rick Stowell: This

811

01:15:08.490 --> 01:15:10.470

Rick Stowell: One with the

812

01:15:14.460 --> 01:15:19.590

Rick Stowell: Fact that the application or a sudden

813

01:16:14.850 --> 01:16:18.450

Rick Stowell: Transformers. What's the name of our

814

01:16:25.740 --> 01:16:26.670

Rick Stowell: Staffing

815

01:16:49.980 --> 01:16:52.380

Rick Stowell: 30

816

01:17:01.950 --> 01:17:02.640

Rick Stowell: Something

817

01:17:51.450 --> 01:17:52.350

Rick Stowell: I want to sign

818

01:17:53.730 --> 01:17:54.090

Rick Stowell: Up on

819

01:17:56.460 --> 01:17:56.850

Rick Stowell: That

820

01:17:58.920 --> 01:18:00.690

Rick Stowell: Very simple sign

821

01:18:05.070 --> 01:18:05.310

In

822

01:18:08.610 --> 01:18:09.030

Rick Stowell: Person.

823

01:18:10.560 --> 01:18:12.990

Rick Stowell: Is not meaning it will not

824

01:18:15.360 --> 01:18:15.930

Rick Stowell: Fire at

825

01:18:17.100 --> 01:18:18.390

Rick Stowell: Your own documents.

826

01:18:38.760 --> 01:18:41.700

Rick Stowell: Though sign the form every

827

01:18:46.590 --> 01:18:54.060

Rick Stowell: Design anything underneath that it wasn't signed by me down born or anything like that. No, I

828

01:19:29.400 --> 01:19:30.330

Rick Stowell: Yes, yes.

829

01:19:46.890 --> 01:19:47.250

01:20:03.750 --> 01:20:04.050

Rick Stowell: Yeah.

831

01:20:39.180 --> 01:20:40.410

Rick Stowell: Everyone

832

01:23:07.860 --> 01:23:09.900

Mike Faulkner: I'm going to bother to read that whole thing right now.

843

01:23:11.850 --> 01:23:13.110

Mike Faulkner: As far as today's report.

844

01:23:15.000 --> 01:23:16.260

Mike Faulkner: I think, as with everything.

845

01:23:16.260 --> 01:23:17.520

Calls up and down.

846

01:23:20.430 --> 01:23:36.570

851

01:23:58.980 --> 01:23:59.970

Stephanie Pierce: That's

852

01:24:02.790 --> 01:24:04.170

01:24:11.250 --> 01:24:13.170

Mike Faulkner: Okay, that's a payroll thing.

855

01:24:14.730 --> 01:24:17.700

858

01:24:23.340 --> 01:24:23.700

Okay.

859

01:24:25.320 --> 01:24:29.490

Mike Faulkner: FEMA is to be giving us monies for rent and utilities.

871

01:25:46.590 --> 01:25:52.350

Mike Faulkner: And they're asking for dirt from the county and the towns for the live next to the building so that they can build on it.

872

01:25:54.630 --> 01:25:57.750

01:25:59.370 --> 01:26:01.380

Mike Faulkner: This will also be an Amish possession

874

01:26:02.730 --> 01:26:05.820

879

01:26:54.960 --> 01:26:55.650

Mike Faulkner: Come in.

880

01:26:58.680 --> 01:26:59.370

Mike Faulkner: On top of that,

881

01:27:00.780 --> 01:27:01.080

Mike Faulkner: Right.

882

01:27:06.330 --> 01:27:07.620

Mike Faulkner: Okay, moving on.

883

01:27:09.120 --> 01:27:09.990

Mike Faulkner: Time Crunch Report.

884

01:27:58.860 --> 01:28:00.060

Mike Faulkner: Questions or comments.

885

01:28:09.240 --> 01:28:09.780

Rick Stowell: Before

886

01:28:13.980 --> 01:28:19.050

Mike Faulkner: My computer automatically does you know that it doesn't know.

887

01:28:26.490 --> 01:28:27.660

Mike Faulkner: If they just changed.

888

01:28:56.070 --> 01:28:58.710

Mike Faulkner: Okay, a couple of resolutions.

889

01:29:05.160 --> 01:29:09.390

Mike Faulkner: Resolution number two of 2020 transfer funds.

890

01:29:10.410 --> 01:29:17.700

Mike Faulkner: Be it resolved soundboard of the town of lb in a suite of County, New York at a meeting of sudden board on the 12th of May 2020 as follows.

891

01:29:18.330 --> 01:29:27.120

Mike Faulkner: Whereas the town of lb in town board is found it necessary for the fiscal accuracy of the town to make a certain transfer of money and raises the amount originally appropriated

892

01:29:27.870 --> 01:29:34.380

Mike Faulkner: Now, therefore, the budget appropriated in the following the account SF one ash 34 10.4

893

01:29:34.950 --> 01:29:46.980

Mike Faulkner: Is to be raised \$3,000 and said funds are viewed to be transferred from the account a 1990 point for contingency dated this 12th day of May 2020

894

01:29:47.430 --> 01:30:01.950

Mike Faulkner: That goes back to the January sale of the heavy equipment. I mean, the heavy rescue truck where we I made the mistake of fan commission to the fire department. So I had to make up so that the account came out correctly.

895

01:30:03.810 --> 01:30:08.700

Rick Stowell: But you're going to read that by \$3,000 the next payment.

896

01:30:09.300 --> 01:30:10.590

Mike Faulkner: I did already

897

01:30:11.160 --> 01:30:14.580

Rick Stowell: Though we shouldn't have. We could have a zero balance right.

898

01:30:18.870 --> 01:30:19.140

Mike Faulkner: Right.

899

01:30:19.710 --> 01:30:21.510

Rick Stowell: Okay, that's, that's

900

01:30:22.500 --> 01:30:27.750

Mike Faulkner: Yes, it took me. It took Aaron, a few minutes to figure that one out. We. I'm like, What have I done

901

01:30:30.150 --> 01:30:30.540

Mike Faulkner: Yes.

902

01:30:32.250 --> 01:30:33.930

Rick Stowell: That's why I didn't, I didn't find it.

903

01:30:35.340 --> 01:30:36.150

I didn't understand.

904

01:30:37.890 --> 01:30:38.340

Rick Stowell: It. Yeah.

905

01:30:39.930 --> 01:30:40.770

Mike Faulkner: And the

906

01:30:44.670 --> 01:31:00.300

Mike Faulkner: The second one is the cyber security policy, Amy actually pointed this out to me reading an IoT publication that required mentioned in there that towns are required to have a cyber security policy, and we had nothing. So I contacted the

907

01:31:01.350 --> 01:31:08.340

Mike Faulkner: Rebecca and she use the template basically that many of the other small towns have locally.

908

01:31:09.390 --> 01:31:25.740

Mike Faulkner: That she takes care of and send it to us. I think you've all had a copy for at least two or three weeks. So we need to get that on the books and this will be something that is re visited every year at the organizational meeting, we can make changes as necessary.

909

01:31:27.210 --> 01:31:31.800

Mike Faulkner: But it's required that we have it based on state law, which I'll talk about here in just a second.

910

01:31:33.840 --> 01:31:43.860

Mike Faulkner: Resolution number three of 2020, be it resolved the town board of the town of lb in a swig of County, New York, and a regular meeting of sideboard on the 12th of May 2020 approved as follows.

912

01:31:54.960 --> 01:31:58.230

Mike Faulkner: In New York technology lot to away, maybe amended from

913

01:31:58.260 --> 01:31:59.070

Rick Stowell: Time to time.

914

01:31:59.250 --> 01:32:01.770

Mike Faulkner: By powerful and resolution or a little more

915

01:32:03.060 --> 01:32:09.270

Mike Faulkner: There are more the town of computer system breach notification policies paid 2020

916

01:32:09.720 --> 01:32:14.640

Mike Faulkner: And showed me visited and each year at the organizational meeting of the lb in town board.

917

01:32:23.400 --> 01:32:25.710

Mike Faulkner: Question, because I'm not certain. Do we need to vote on

918

01:32:26.130 --> 01:32:27.330

Mike Faulkner: Those resolutions.

919

01:32:33.450 --> 01:32:35.160

920

01:32:36.840 --> 01:32:37.170

Rick Stowell: Will be 70 \$97

987

01:38:00.300 --> 01:38:00.720

Mike Faulkner: And then

988

01:38:05.220 --> 01:38:06.360

Mike Faulkner: There's two phones there now.

989

01:38:14.520 --> 01:38:14.880

Mike Faulkner: Yes.

990

01:38:21.420 --> 01:38:21.930

Mike Faulkner: Same on

991

01:38:29.400 --> 01:38:33.000

Mike Faulkner: Rick has made a motion to pay the bills. A second

992

01:38:35.280 --> 01:38:36.750

Mike Faulkner: All in favor. Aye.

993

01:38:38.910 --> 01:38:39.690

Mike Faulkner: Aye way bills.

994

01:38:46.470 --> 01:38:47.580

Mike Faulkner: Motion to accept.

995

01:38:48.690 --> 01:38:49.200

Mike Faulkner: Second,

996

01:38:50.220 --> 01:38:51.030

Mike Faulkner: All in favor.

997

01:38:55.530 --> 01:38:57.420

Mike Faulkner: Okay business.

998

01:39:00.150 --> 01:39:01.740

Mike Faulkner: I have received

999

01:39:04.530 --> 01:39:06.180

Mike Faulkner: One proposal for the roof.

1000

01:39:08.730 --> 01:39:11.790

Mike Faulkner: I have had this goes backwards a little bit

1001

01:39:12.840 --> 01:39:15.270

Mike Faulkner: The proposal, we received. We were all here except

1002

01:39:15.270 --> 01:39:19.530

Mike Faulkner: Lining was for the actual roof job.

1003

01:39:19.560 --> 01:39:21.360

Mike Faulkner: From Shaffer building services.

1004

01:39:21.600 --> 01:39:23.010

Mike Faulkner: Incorporated. We were all

1005

01:39:23.370 --> 01:39:24.480

Mike Faulkner: Fairly impressed with the

1006

01:39:24.690 --> 01:39:26.040

Mike Faulkner: Presentation that he made.

1007

01:39:27.660 --> 01:39:29.130

Mike Faulkner: But backing up a little bit.

1008

01:39:29.970 --> 01:39:45.300

Mike Faulkner: I have been contacted by three different architectural and engineering firms, all of which were from Buffalo area. All three of woody withdrew their interest when they found out that we were in a swig of County and not Orleans County.

1009

01:39:46.530 --> 01:39:53.160

Mike Faulkner: So my question is, do we need to move forward with the architectural stuff because this guy.

1010

01:39:54.600 --> 01:39:55.170

Mike Faulkner: Has a pretty

1011

01:39:56.250 --> 01:39:57.120

Mike Faulkner: good handle on things.

1012

01:40:18.300 --> 01:40:20.010

Rick Stowell: I remember I asked him twice.

1013

01:40:23.010 --> 01:40:24.990

Mike Faulkner: Warranty for the installation.

1014

01:40:26.370 --> 01:40:27.900

Mike Faulkner: And then the last one, the

1015

01:40:29.070 --> 01:40:29.880

Rick Stowell: Last time

1016

01:40:30.210 --> 01:40:33.030

Mike Faulkner: He broke up with me at it. He said it.

1017

01:40:33.480 --> 01:40:34.650

And are comfortable

1018

01:40:36.240 --> 01:40:37.320

Mike Faulkner: And then there

1019

01:40:49.980 --> 01:41:02.370

Rick Stowell: 22 years

1020

01:41:02.370 --> 01:41:03.060

Honestly,

1021

01:41:06.030 --> 01:41:07.170

Rick Stowell: For the region.

1022

01:41:10.980 --> 01:41:15.990

Mike Faulkner: wrote me and you is up there like three years.

1023

01:41:17.430 --> 01:41:17.820

Mike Faulkner: Now,

1024

01:41:21.720 --> 01:41:22.260

Mike Faulkner: Wow.

1025

01:41:23.010 --> 01:41:24.660

Mike Faulkner: I don't have a flash it and bordering

1026

01:41:26.040 --> 01:41:27.090
Mike Faulkner: That's one of your biggest

1027
01:41:27.960 --> 01:41:28.410
Errors.

1028
01:41:29.460 --> 01:41:30.510
In two years.

1029
01:41:31.650 --> 01:41:32.310
Mike Faulkner: Oh, no.

1030
01:41:37.320 --> 01:41:37.650
Mike Faulkner: I

1031
01:41:39.210 --> 01:41:39.690
Mike Faulkner: Haven't

1032
01:41:40.890 --> 01:41:41.790
Mike Faulkner: Okay, we can't

1033
01:41:43.170 --> 01:41:43.920
Mike Faulkner: Let me

1034
01:41:44.970 --> 01:41:46.170
Mike Faulkner: Address that with him.

1035
01:41:47.100 --> 01:41:57.690
Mike Faulkner: I asked him that exact question. You know, you we were under the impression that it was 20 year workmanship 20 year materials and he said

1036
01:41:58.560 --> 01:42:10.050
Mike Faulkner: In his experience. It's which clearly a lot of experience any any workmanship problems are going to come up within that two years and then any problems beyond that.

1037
01:42:11.280 --> 01:42:21.990
Mike Faulkner: They will work hand in hand with the manufacturer to solve the problems to fix the problems. Now I don't have a huge amount of experience dealing with

1038

01:42:22.740 --> 01:42:39.030

Mike Faulkner: Contractors or whatever. But I know that's pretty similar to the guarantee we got last year when we did our larger building in Alaska. The, the material was warranted for 20 years workmanship was two years.

1039

01:42:58.680 --> 01:42:59.040

Mike Faulkner: They

1040

01:43:00.330 --> 01:43:01.020

Rick Stowell: Can buy

1041

01:43:04.500 --> 01:43:04.740

Mike Faulkner: Any

1042

01:43:12.600 --> 01:43:13.110

Mike Faulkner: Additional

1043

01:43:17.790 --> 01:43:18.120

Mike Faulkner: Wires

1044

01:43:20.070 --> 01:43:22.110

Mike Faulkner: All of the above. He named the third one.

1045

01:43:23.160 --> 01:43:25.020

Mike Faulkner: Can use, but he says he has he's

1046

01:43:38.790 --> 01:43:42.150

Mike Faulkner: That guy and the bow around the idea

1047

01:43:43.020 --> 01:43:43.230

Of

1048

01:43:45.450 --> 01:43:47.100

Mike Faulkner: Being in Queens faculty so

1049

01:43:48.300 --> 01:43:48.990

Mike Faulkner: Interesting.

1050

01:43:52.350 --> 01:43:54.060

Mike Faulkner: WELCOME OUR STAFF through your day.

1051

01:44:13.800 --> 01:44:15.300

Rick Stowell: Alright, so do what

1052

01:44:16.920 --> 01:44:20.910

Mike Faulkner: Do we want to read, put a bit in for the roof job and

1053

01:44:24.870 --> 01:44:25.170

Mike Faulkner: All right.

1054

01:44:45.900 --> 01:44:46.170

Mike Faulkner: Okay.

1055

01:44:57.870 --> 01:44:59.700

Mike Faulkner: I think we had to go in at one bed.

1056

01:45:05.160 --> 01:45:05.670

Mike Faulkner: The

1057

01:45:06.960 --> 01:45:07.470

Mike Faulkner: Yes.

1058

01:45:08.100 --> 01:45:08.610

There is

1059

01:45:15.720 --> 01:45:22.320

Mike Faulkner: Right, well the the architectural limit was May 15. And as I mentioned, I got three and

1060

01:45:22.320 --> 01:45:23.880

Mike Faulkner: They all pulled their interests. So

1061

01:45:24.240 --> 01:45:27.570

Mike Faulkner: We got no one that's interested in doing the architectural or engineering

1062

01:45:34.890 --> 01:45:37.110

Mike Faulkner: Right, we did. We did not put a bid for the room.

1063

01:45:47.850 --> 01:45:48.150

Mike Faulkner: Okay.

1064

01:45:48.240 --> 01:45:50.580

Mike Faulkner: So, put it in Camden and Post Standard

1065

01:45:57.150 --> 01:45:58.260

Mike Faulkner: Yeah, I can have it by

1066

01:45:58.380 --> 01:46:00.240

Rick Stowell: Before your next meeting. Right.

1067

01:46:15.390 --> 01:46:15.630

Mike Faulkner: Okay.

1068

01:46:16.530 --> 01:46:17.250

Mike Faulkner: I have

1069

01:46:19.980 --> 01:46:23.250

Mike Faulkner: Shared emails with Eric Johnson, who is

1070

01:46:26.190 --> 01:46:29.520

Mike Faulkner: Remember earlier all was talking about our USDA

1071

01:46:30.570 --> 01:46:32.490

Mike Faulkner: Either me or USDA

1072

01:46:32.490 --> 01:46:44.880

Mike Faulkner: Rep. I have not spoken to him directly, but he said that there is a possibility of low interest Rome loans for the roof job. One of the problems is we have to submit

1073

01:46:46.440 --> 01:46:51.540

Mike Faulkner: A full preliminary architectural feasibility report in order to submit a

1074

01:46:51.780 --> 01:46:53.100

Mike Faulkner: Pre application package.

1075

01:46:55.200 --> 01:46:56.280

Mike Faulkner: Without an architect.

1076

01:46:56.850 --> 01:46:58.890

Mike Faulkner: I think we're gonna have a hard time submitting that

1077

01:46:58.950 --> 01:47:03.930

Mike Faulkner: Yeah, so I'm thinking we're probably not going to be eligible for any low interest loans.

1078

01:47:04.500 --> 01:47:07.500

Mike Faulkner: And we've already been informed that there are no grants for roofing

1079

01:47:08.280 --> 01:47:08.790

Per se,

1080

01:47:11.820 --> 01:47:12.090

Rick Stowell: Right.

1081

01:47:12.600 --> 01:47:16.200

Mike Faulkner: So I'm kind of gonna let that fall by the wayside.

1082

01:47:20.370 --> 01:47:24.300

Mike Faulkner: Talked about that. Okay, we'll talk briefly about

1083

01:47:24.960 --> 01:47:25.620

Banking

1084

01:47:26.790 --> 01:47:30.240

Mike Faulkner: I have inquired in depth with key bank and then BT

1085

01:47:32.040 --> 01:47:36.330

Mike Faulkner: As far as buying getting a CD or something like that. And they both said

1086

01:47:36.810 --> 01:47:44.040

Mike Faulkner: Leave your money where it is rates are terrible. I spoke to one the investment manager for Bob center and

1087

01:47:44.160 --> 01:47:46.200

Mike Faulkner: I mean for key bank. His name is Bob planner.

1088

01:47:47.850 --> 01:47:50.100

Mike Faulkner: He said that the day that I talked to him.

1089

01:47:50.160 --> 01:47:52.740

Mike Faulkner: The rates were actually negative

1090

01:47:53.520 --> 01:47:54.270

Mike Faulkner: So he said,

1091

01:47:54.300 --> 01:47:56.610

Mike Faulkner: Just stay where you are. Because at least you're getting

1092

01:47:57.300 --> 01:47:59.760

Rick Stowell: A certain you know you're positive, you're like,

1093

01:48:00.120 --> 01:48:01.680

Mike Faulkner: That day, I think we were down to point

1094

01:48:01.680 --> 01:48:02.160

To

1095

01:48:03.510 --> 01:48:04.860

Mike Faulkner: That's what I meant when I

1096

01:48:05.070 --> 01:48:13.680

Mike Faulkner: was talking earlier, and the interest rates on the supervisors report. You'll notice they're much less than they were the previous month. And that's why with this coven

1097

01:48:13.770 --> 01:48:17.460

Mike Faulkner: And the instability in the markets. Nobody's wanting to do anything with

1098

01:48:17.460 --> 01:48:17.910

Money.

1099

01:48:19.320 --> 01:48:27.030

Mike Faulkner: You did want to say that we may want to consider US Treasury bonds. When things settle down there safe.

1100

01:48:27.090 --> 01:48:37.230

Mike Faulkner: They offer higher returns and CDs and quite often, depending on how you buy them. They can be withdrawn early with no penalty. So that's something I'll keep in mind when things kind of straight

1101

01:48:37.320 --> 01:48:37.650

Rick Stowell: Up.

1102

01:48:38.160 --> 01:48:39.450

Rick Stowell: I'll look into that again.

1103

01:48:39.600 --> 01:48:40.140

Mike Faulkner: With some more.

1104

01:48:40.320 --> 01:48:40.980

Mike Faulkner: For some money.

1105

01:48:42.540 --> 01:48:43.050

Mike Faulkner: Um,

1106

01:48:44.100 --> 01:48:48.330

Mike Faulkner: I wanted to make sure as Rick had mentioned that that information was in the minutes I

1107

01:48:48.330 --> 01:48:49.650

Mike Faulkner: Have been investigating it

1108

01:48:50.430 --> 01:48:52.200

Mike Faulkner: And that was not a good time.

1109

01:48:58.200 --> 01:49:00.420

Mike Faulkner: In between Aaron and I Rick asked

1110

01:49:00.780 --> 01:49:04.080

Mike Faulkner: A valuable question the other day that I didn't know the answer to. So

1111

01:49:05.040 --> 01:49:12.360

Mike Faulkner: I checked with Aaron, he wasn't positive, the answer. So, between the two of us. We both have managed to talk alert Petri not knowing the other was going to

1112

01:49:14.790 --> 01:49:15.660

Rick Stowell: Have

1113

01:49:19.170 --> 01:49:19.620

Rick Stowell: We

1114

01:49:20.130 --> 01:49:22.440

Mike Faulkner: Are only insured by NBC bank.

1115

01:49:23.970 --> 01:49:25.590

Mike Faulkner: For \$250,000

1116

01:49:25.920 --> 01:49:27.540

Mike Faulkner: So I heard that. Oh my gosh.

1117

01:49:27.960 --> 01:49:28.650

Mike Faulkner: Are we gonna do now.

1118

01:49:31.980 --> 01:49:34.140

Mike Faulkner: Thousand dollars total FDIC insured.

1119

01:49:34.380 --> 01:49:35.430

Rick Stowell: Got over 2 million

1120

01:49:38.490 --> 01:49:39.270

Mike Faulkner: But it's a big buck.

1121

01:49:40.320 --> 01:49:40.680

Rick Stowell: And

1122

01:49:43.140 --> 01:49:44.910

Mike Faulkner: We are insured through

1123

01:49:47.790 --> 01:49:54.510

Mike Faulkner: Through this company and why melon they ensure many men in banks.

1124

01:49:56.010 --> 01:49:57.450

Mike Faulkner: With securities, I guess.

1125

01:49:59.400 --> 01:50:02.190

Mike Faulkner: So we are covered, and I get a report every

1126

01:50:02.190 --> 01:50:04.350

Mike Faulkner: Single week that I normally throw in the garbage.

1127

01:50:04.830 --> 01:50:08.730

Mike Faulkner: In fact, I'm going to give this to you to look at. But I repeated in half. When I threw it in the garbage.

1128

01:50:09.300 --> 01:50:09.930

Mike Faulkner: Back together.

1129

01:50:10.980 --> 01:50:16.470

Mike Faulkner: So you can take a look. But it didn't listen to the assets that they cover. They are currently

1130

01:50:18.720 --> 01:50:22.470

Mike Faulkner: There emergent is 102% so I'm assuming that means

1131

01:50:23.460 --> 01:50:24.870

Mike Faulkner: They can cover our loss.

1132

01:50:37.260 --> 01:50:38.280

Mike Faulkner: So we are covered.

1133

01:50:38.610 --> 01:50:40.440

Rick Stowell: I don't necessarily need it.

1134

01:50:43.980 --> 01:50:46.020

Rick Stowell: She will definitely put it in the minutes as well.

1135

01:50:47.190 --> 01:50:47.880

Rick Stowell: We know

1136

01:50:51.630 --> 01:50:52.500

Rick Stowell: That's what I'm looking for.

1137

01:50:52.620 --> 01:50:56.790

Mike Faulkner: And also Laird sent me which any of you're perfectly

1138

01:50:57.930 --> 01:50:58.920

Mike Faulkner: Welcome to borrow

1139

01:50:59.640 --> 01:51:00.270

Mike Faulkner: But I would like

1140

01:51:01.800 --> 01:51:08.190

Mike Faulkner: Investing in protecting public funds that kinds of goes into the details of how we are covered sunset is a lot of money.

1141

01:51:09.510 --> 01:51:09.600

Stephanie Pierce: Oh,

1142

01:51:09.660 --> 01:51:10.230

Mike Faulkner: My gosh.

1143

01:51:10.320 --> 01:51:13.560

Mike Faulkner: If we're only covered for 250 grand. We got 2 million in there.

1144

01:51:20.220 --> 01:51:20.670

Mike Faulkner: We are

1145

01:51:21.450 --> 01:51:22.020

Mike Faulkner: In good shape.

1146

01:51:26.130 --> 01:51:27.360

Mike Faulkner: Stephanie, you have a comment.

1147

01:51:28.140 --> 01:51:33.360

Stephanie Pierce: YES, THAT'S WHY NOKIA has four different banks that they have their money in

1148

01:51:34.080 --> 01:51:34.380

Mike Faulkner: Okay.

1149

01:51:34.830 --> 01:51:36.570

Stephanie Pierce: So they have the insurance on it.

1150

01:51:37.620 --> 01:51:38.970

Mike Faulkner: Gotcha. Well,

1151

01:51:39.030 --> 01:51:39.390

Okay.

1152

01:51:41.760 --> 01:51:42.330

Rick Stowell: We don't have

1153

01:51:43.620 --> 01:51:43.920

Rick Stowell: Enough.

1154

01:51:49.440 --> 01:51:49.800

Mike Faulkner: I'm sorry.

1155

01:51:53.160 --> 01:51:54.840

Mike Faulkner: That's all it says. It doesn't give me

1156

01:51:56.670 --> 01:51:58.110

Mike Faulkner: A broker dealer service.

1157

01:52:01.020 --> 01:52:02.730

Mike Faulkner: Be and why melon.

1158

01:52:05.760 --> 01:52:08.730

Mike Faulkner: And as a New York. And why is a New York

1159

01:52:08.970 --> 01:52:09.510

Mellon.

1160

01:52:16.980 --> 01:52:18.150

Mike Faulkner: That's all I had under

1161

01:52:18.150 --> 01:52:21.930

Mike Faulkner: Old business. I do have a couple of things that are new businesses. Anyone else have

1162

01:52:22.110 --> 01:52:23.580

Mike Faulkner: Anything under old business.

1163

01:52:25.410 --> 01:52:29.100

Rick Stowell: You get asking about locking in low fuel costly.

1164

01:52:31.170 --> 01:52:31.770

Rick Stowell: Later on,

1165

01:52:32.190 --> 01:52:32.580

Rick Stowell: Yes.

1166

01:52:33.390 --> 01:52:36.330

Mike Faulkner: Yeah. We kind of touched on that. I just did the propane.

1167

01:52:37.620 --> 01:52:38.430

Rick Stowell: Yes, yeah.

1168

01:52:39.270 --> 01:52:40.170

Mike Faulkner: I will take that, but

1169

01:52:43.170 --> 01:52:43.500

Mike Faulkner: Right.

1170

01:52:45.630 --> 01:52:45.900

Mike Faulkner: Right.

1171

01:52:47.370 --> 01:52:51.540

Mike Faulkner: But I will also look at others but they all said

1172

01:52:52.830 --> 01:53:04.290

Mike Faulkner: Any opening that anybody that I've ever talked to in my life. They don't, they won't lock in till July 1 so that's one we're going to find out anything but I'll look into this propane thing before that.

1173

01:53:04.860 --> 01:53:09.180

Rick Stowell: And also they know they can stay well.

1174

01:53:09.600 --> 01:53:10.080

Mike Faulkner: They do a

1175

01:53:12.450 --> 01:53:13.440

Rick Stowell: Demo services.

1176

01:53:14.430 --> 01:53:14.790

Mike Faulkner: Okay.

1177

01:53:14.820 --> 01:53:16.350

Rick Stowell: In other words, contract with

1178

01:53:17.700 --> 01:53:18.030

Mike Faulkner: Patrick

1179

01:53:31.830 --> 01:53:45.000

Mike Faulkner: Okay, hundred new business. I wanted to let everyone know and I probably should have said it when Herb was still with us. He delivered over 1000 masks to us that are stored in in the office in there.

1180

01:53:46.290 --> 01:53:51.570

Mike Faulkner: Receive those from the county to aid in the reopening process.

1181

01:53:52.350 --> 01:53:54.570

Mike Faulkner: For instance, when the tail water reopens

1182

01:53:55.320 --> 01:54:00.120

Mike Faulkner: Pretty sure we're going to have some mask requirements. So we can supply the tail water with some asked

1183

01:54:00.150 --> 01:54:01.050

Mike Faulkner: We can supply

1184

01:54:02.070 --> 01:54:04.800

Mike Faulkner: A mask for his business, he's allowed to reopen

1185

01:54:12.120 --> 01:54:12.390

Mike Faulkner: Right.

1186

01:54:13.830 --> 01:54:14.340

Mike Faulkner: So,

1187

01:54:14.400 --> 01:54:23.130

Mike Faulkner: We have over 1000 masks. Well, we might have a little less than that now because I've given some to local people. Some of the people in this room.

1188

01:54:31.200 --> 01:54:33.180

Mike Faulkner: Okay. The last thing I've got which is

1189

01:54:33.480 --> 01:54:34.500

Rick Stowell: turning out to be

1190

01:54:34.980 --> 01:54:35.370

Kind of

1191

01:54:36.570 --> 01:54:38.430

Mike Faulkner: Like everybody's going to be interested in

1192

01:54:39.480 --> 01:54:48.960

Mike Faulkner: Continuing to work around this Retirement System. I've been working with Jennifer have stayed local retirement system. The system updated.

1193

01:54:49.260 --> 01:54:52.530

Mike Faulkner: And then make sure all employees have the opportunity to join.

1194

01:54:53.820 --> 01:54:59.280

Mike Faulkner: Some of the funds that have been withdrawn from employee pay over the last couple of years.

1195

01:55:00.960 --> 01:55:02.460

Mike Faulkner: Were never paid to retirement.

1196

01:55:03.510 --> 01:55:07.560

Mike Faulkner: Because the way the QuickBooks program is set up.

1197

01:55:09.300 --> 01:55:15.150

Mike Faulkner: Going back a little bit, never would have found us if Rick and Carl had another question. What for 14 age was

1198

01:55:15.930 --> 01:55:19.500

Mike Faulkner: I had no idea what it was. I looked into it says it's a retirement fund.

1199

01:55:19.800 --> 01:55:20.940

Rick Stowell: So I talked to Aaron.

1200

01:55:21.360 --> 01:55:25.350

Mike Faulkner: And he wasn't 100% sure either. So I started doing quite a bit of investigation.

1201

01:55:25.800 --> 01:55:28.320

Mike Faulkner: And found out the money that had been withdrawn.

1202

01:55:28.560 --> 01:55:32.370

Mike Faulkner: Which, in most cases, was not a lot of money. We're talking six or eight bucks.

1203

01:55:32.850 --> 01:55:33.810

Mike Faulkner: For most people,

1204

01:55:33.840 --> 01:55:35.250

Mike Faulkner: But there were a couple of guys that

1205

01:55:35.430 --> 01:55:37.980

Mike Faulkner: That are going to be impacted anyway.

1206

01:55:38.670 --> 01:55:46.290

Mike Faulkner: It was coming out of their check. But it was just sitting in trust an agency, because it never got sent to the Retirement System.

1207

01:55:47.490 --> 01:55:49.740

Mike Faulkner: It was just an overlook and

1208

01:55:50.760 --> 01:55:51.240

Mike Faulkner: I don't know.

1209

01:55:51.480 --> 01:55:55.110

Mike Faulkner: How far going back as far as supervisors, I think it was even before

1210

01:55:57.240 --> 01:56:01.440

Mike Faulkner: So when I stumbled on i by mistake. So Michelle myself and Aaron spent

1211

01:56:01.500 --> 01:56:03.630

Mike Faulkner: A fair amount of time digging.

1212

01:56:03.900 --> 01:56:05.460

Mike Faulkner: Through and Miss Jennifer has been

1213

01:56:05.490 --> 01:56:09.030

Mike Faulkner: Extremely helpful. And she said, there's really no problem.

1214

01:56:09.240 --> 01:56:10.470
Mike Faulkner: Because you can go back

1215
01:56:11.070 --> 01:56:17.490
Rick Stowell: You give them money back to the people that you took it from. They can reinvest as they want to on their own or they can just keep the money.

1216
01:56:17.550 --> 01:56:18.060
Mike Faulkner: And say,

1217
01:56:18.420 --> 01:56:19.350
Mike Faulkner: I'll say lobbying

1218
01:56:20.040 --> 01:56:21.510
Mike Faulkner: I'll use it as a bonus or whatever.

1219
01:56:25.050 --> 01:56:26.550
Mike Faulkner: And they can be offered at this

1220
01:56:26.580 --> 01:56:30.570
Mike Faulkner: Point if they still who are, however, new word for the town again.

1221
01:56:31.200 --> 01:56:33.780
Mike Faulkner: To be common that retirement system.

1222
01:56:34.530 --> 01:56:35.760
Mike Faulkner: So, I have not.

1223
01:56:36.270 --> 01:56:39.780
Mike Faulkner: Completed this process yet, but I will within the next week or

1224
01:56:39.780 --> 01:56:40.620
Mike Faulkner: Two probably

1225
01:56:41.010 --> 01:56:44.880
Mike Faulkner: So there will be some refund checks going out to a few employees that no longer

1226
01:56:44.880 --> 01:56:50.550

Mike Faulkner: Work for the town, and then the other thing I did learn is that anyone that's a full

1227

01:56:50.550 --> 01:56:51.210

Mike Faulkner: Time.

1228

01:56:51.600 --> 01:56:57.540

Mike Faulkner: 12 month employee whether their union non union, whatever else.

1229

01:56:58.080 --> 01:57:00.270

Mike Faulkner: Is mandatory that they join the retirement.

1230

01:57:00.270 --> 01:57:00.630

Mike Faulkner: System.

1231

01:57:01.350 --> 01:57:04.380

Mike Faulkner: Amy's already been through the judges already been through.

1232

01:57:05.460 --> 01:57:07.200

Mike Faulkner: Mike Maxwell is currently

1233

01:57:07.470 --> 01:57:10.110

Mike Faulkner: In the retirement system and Janice

1234

01:57:10.530 --> 01:57:14.880

Mike Faulkner: And this has already been through. She's already putting enough hears the word she doesn't have to those

1235

01:57:15.540 --> 01:57:18.600

Mike Faulkner: People do not have to contribute anymore except for Mike Maxwell.

1236

01:57:20.250 --> 01:57:25.320

Mike Faulkner: Anyone that joins from now for would be considered tier sex they will can

1237

01:57:25.380 --> 01:57:28.500

Mike Faulkner: They will contribute between three and 6%

1238

01:57:29.130 --> 01:57:31.560

Mike Faulkner: From now forever, depending on their salary.

1239

01:57:32.670 --> 01:57:36.180

Mike Faulkner: Once they hit 41,500 I believe she said it was

1240

01:57:36.690 --> 01:57:42.840

Mike Faulkner: Then it'll go up to the next level. It starts at 3% if they go above 41,300 500

1241

01:57:42.930 --> 01:57:45.600

Mike Faulkner: It goes to 5% etc.

1242

01:57:47.100 --> 01:57:51.810

Mike Faulkner: So that's where we stand. So the three new hire employees will be

1243

01:57:51.810 --> 01:57:53.940

Mike Faulkner: Members of the New York State, local, retirement.

1244

01:57:53.940 --> 01:57:54.510

Rick Stowell: System.

1245

01:57:55.020 --> 01:57:57.480

Mike Faulkner: I will have to add them Jennifer is going to help me with.

1246

01:57:57.480 --> 01:58:00.060

Rick Stowell: That and we all have the option of

1247

01:58:00.060 --> 01:58:04.020

Mike Faulkner: Joining if you want to. Although she did say elected officials.

1248

01:58:04.440 --> 01:58:05.400

Have to

1249

01:58:06.750 --> 01:58:08.220

Rick Stowell: Track their time.

1250

01:58:08.490 --> 01:58:14.010

Mike Faulkner: For three months to be able to calculate what percentage going in.

1251

01:58:16.920 --> 01:58:17.220

Mike Faulkner: So,

1252

01:58:18.480 --> 01:58:23.490

Rick Stowell: It was quite a can of worms. I spent a whole lot of time on the phone, figuring all this out. But I think we're getting there.

1253

01:58:26.370 --> 01:58:28.170

Mike Faulkner: It's just with tier six people.

1254

01:58:30.960 --> 01:58:31.560

Rick Stowell: Three months.

1255

01:58:55.440 --> 01:58:55.890

Mike Faulkner: That's true.

1256

01:58:58.530 --> 01:58:58.950

Rick Stowell: Anymore.

1257

01:59:00.540 --> 01:59:01.470

Rick Stowell: I don't think you can

1258

01:59:02.760 --> 01:59:04.350

Mike Faulkner: We have yeah you still got

1259

01:59:05.820 --> 01:59:06.690

Mike Faulkner: Up to 10 years

1260

01:59:07.260 --> 01:59:13.260

Mike Faulkner: We have no one in that category, except Mike Maxwell. He's the only one that falls into there.

1261

01:59:13.620 --> 01:59:15.360

Mike Faulkner: Because anyone that joins now.

1262

01:59:15.420 --> 01:59:17.730

Mike Faulkner: Will be tier six so

1263

01:59:18.000 --> 01:59:24.360

Mike Faulkner: They're going to be that three to 6% sliding scale anyone that was prior to that, like Amy.

1264

01:59:24.840 --> 01:59:28.770

Mike Faulkner: Jo Jalen or Janice they've already paid in their 10 years and they're done.

1265

01:59:29.130 --> 01:59:29.340

No.

1266

01:59:31.470 --> 01:59:31.920

Mike Faulkner: Matter.

1267

01:59:38.760 --> 01:59:45.840

Rick Stowell: What about the refunds that he's going to ask them to sign for you give them that they were offered me

1268

01:59:47.370 --> 01:59:48.180

Rick Stowell: Any time

1269

01:59:48.300 --> 01:59:53.040

Mike Faulkner: I haven't decided yet how the best way and I may have to include Rebecca and those

1270

01:59:54.120 --> 02:00:01.020

Mike Faulkner: You know how I word that to send back to them. She said she assumes most people will be happy to get the money back, even though

1271

02:00:01.830 --> 02:00:04.230

Mike Faulkner: Literally for there's 10 people affected.

1272

02:00:05.880 --> 02:00:08.730

Mike Faulkner: Eight of those people were talking 15 bucks.

1273

02:00:08.820 --> 02:00:16.290

Mike Faulkner: Or less, you know, two of them. One of them was 363 and one of them was a little over \$1,000

1274

02:00:17.220 --> 02:00:19.860

Rick Stowell: What they do is they go back in the research director

1275

02:00:21.660 --> 02:00:23.250

Rick Stowell: For years, and it's a lot of work.

1276

02:00:23.670 --> 02:00:24.270

Rick Stowell: Right, or you

1277

02:00:26.340 --> 02:00:37.290

Mike Faulkner: Know that was another thing. Funny you should bring that up because I look back and everybody has signed that piece of paper, however, nothing was done with it beyond that.

1278

02:00:38.430 --> 02:00:45.030

Mike Faulkner: I don't know, I again just I think an oversight. I don't think I don't know if you didn't realize

1279

02:00:45.900 --> 02:00:50.310

Mike Faulkner: You know, it was never passed on from supervisor supervisor. So it got lost in the mix.

1280

02:00:51.270 --> 02:00:56.040

Mike Faulkner: Right, so everybody's filled out that sheet of paper. Yes, I'm going to contribute. No, I'm not going to contribute.

1281

02:00:57.060 --> 02:00:58.380

Rick Stowell: So we got that record.

1282

02:00:59.100 --> 02:01:00.840

Mike Faulkner: It was never followed through.

1283

02:01:01.140 --> 02:01:07.650

Rick Stowell: Well, the only follow up would be if the return, we got a little bit and ask you that this gentleman.

1284

02:01:09.750 --> 02:01:11.850

Rick Stowell: For the town of out and is he

1285

02:01:12.930 --> 02:01:13.650

Rick Stowell: I wasn't evil.

1286

02:01:14.820 --> 02:01:19.650

Rick Stowell: For retirement and if that is if you don't have that piece of paper that takes

1287

02:01:20.820 --> 02:01:25.680

Rick Stowell: Them that that cost is going to reflect back on the taxpayers, dum, dum.

1288

02:01:26.310 --> 02:01:26.970

In the future.

1289

02:01:30.510 --> 02:01:35.370

Mike Faulkner: It's not going to really reflect back because it's still sitting there and trust an agency.

1290

02:01:35.820 --> 02:01:37.350

Rick Stowell: No, no, no, no. I mean, in future.

1291

02:01:37.530 --> 02:01:40.200

Rick Stowell: If they were to start drawing retirement system.

1292

02:01:40.710 --> 02:01:43.170

Rick Stowell: Like a fake the Allman

1293

02:01:43.680 --> 02:01:44.640

Rick Stowell: That they worked here.

1294

02:01:45.570 --> 02:01:49.860

Rick Stowell: And we never offered the Retirement System.

1295

02:01:51.240 --> 02:01:51.630

Rick Stowell: Then

1296

02:01:52.230 --> 02:01:58.140

Rick Stowell: In the past year, three, four. What eligible for that know how it's working.

1297

02:01:59.670 --> 02:02:02.250

Rick Stowell: But I don't want the taxpayers.

1298

02:02:03.030 --> 02:02:03.870

Rick Stowell: Be burdened

1299

02:02:04.650 --> 02:02:05.310

Rick Stowell: With that

1300

02:02:06.360 --> 02:02:06.630

Rick Stowell: So,

1301

02:02:07.890 --> 02:02:08.730

Rick Stowell: I would like to see

1302

02:02:11.310 --> 02:02:11.730

Rick Stowell: You next

1303

02:02:14.940 --> 02:02:15.480

Rick Stowell: Time.

1304

02:02:16.650 --> 02:02:17.010

Rick Stowell: Number.

1305

02:02:19.500 --> 02:02:22.680

Rick Stowell: Yeah, exactly. Yeah, I think it would have to be a release.

1306

02:02:26.250 --> 02:02:27.330

Rick Stowell: In the file.

1307

02:02:28.800 --> 02:02:30.600

Mike Faulkner: Yes. Yes, that's what I'm

1308

02:02:32.700 --> 02:02:33.150

Mike Faulkner: Or

1309

02:02:33.930 --> 02:02:34.320

Mike Faulkner: It is

1310

02:02:34.620 --> 02:02:36.810

Mike Faulkner: Yep. When a

1311

02:02:40.110 --> 02:02:40.740

Mike Faulkner: Payroll

1312

02:02:41.760 --> 02:02:43.710

Mike Faulkner: Right. But what I'm saying is, since

1313

02:02:44.280 --> 02:02:45.390

Mike Faulkner: Since before Aaron.

1314

02:02:46.500 --> 02:02:49.530

Mike Faulkner: It has never been added to the

1315

02:02:51.210 --> 02:02:52.590

Mike Faulkner: Know it's in the back end.

1316

02:02:53.130 --> 02:02:54.300

Mike Faulkner: It just never went

1317

02:02:54.300 --> 02:02:58.140

Mike Faulkner: To the Retirement System. You know what I mean. It never people were never added

1318

02:02:58.170 --> 02:02:58.470

Rick Stowell: Okay.

1319

02:02:58.650 --> 02:03:05.550

Mike Faulkner: It was just overlooked. So the money was coming out of their checks. It was just going into trust and agency and not everybody right

1320

02:03:06.900 --> 02:03:08.010

Mike Faulkner: That's what I mean. It was ran

1321

02:03:08.280 --> 02:03:09.180

Rick Stowell: Into with you.

1322

02:03:09.540 --> 02:03:12.540

Rick Stowell: You guys were still, you're still doing the retirement report right

1323

02:03:12.750 --> 02:03:14.340

Mike Faulkner: Yes, that's

1324

02:03:14.520 --> 02:03:17.310

Mike Faulkner: One of our partners, they remember add down there. Oh.

1325

02:03:18.000 --> 02:03:18.270

Well,

1326

02:03:20.550 --> 02:03:20.910

Mike Faulkner: Nope.

1327

02:03:22.230 --> 02:03:24.090

Mike Faulkner: Which is according to say

1328

02:03:26.010 --> 02:03:30.270

Mike Faulkner: They don't have a problem with that, that's it's okay. It was an oversight and they

1329

02:03:30.540 --> 02:03:41.640

Mike Faulkner: These people could still have the option of joining on their own, if they want to, but they don't have to. And we can refund their money to them because it was taken from their tracks.

1330

02:03:42.090 --> 02:03:43.560

Mike Faulkner: Was just never paid to retirement.

1331

02:03:45.000 --> 02:03:45.690

Mike Faulkner: So just

1332

02:03:45.960 --> 02:03:48.000

Rick Stowell: An over so they were never done before.

1333

02:03:48.810 --> 02:03:56.100

Mike Faulkner: Right there. There's four people on our report, Amy, the judge Janice and Mike Maxwell. That's it.

1334

02:03:58.680 --> 02:03:59.490

Mike Faulkner: Well, you have to go back

1335

02:04:01.620 --> 02:04:01.830

Rick Stowell: Yep.

1336

02:04:01.920 --> 02:04:04.470

Mike Faulkner: They're not on there yet. I'm still working on adding them.

1337

02:04:09.720 --> 02:04:13.920

Mike Faulkner: As of March down, she said there. That's the day they signed there in

1338

02:04:15.960 --> 02:04:19.830

Mike Faulkner: And she said, That's no problem. I can go back, I can retroactive into March.

1339

02:04:19.920 --> 02:04:22.860

Mike Faulkner: 10 and move forward from there so we

1340

02:04:24.030 --> 02:04:25.050

Rick Stowell: They used to be.

1341

02:04:25.890 --> 02:04:27.450

Rick Stowell: Really fluffy.

1342

02:04:29.580 --> 02:04:31.680

Rick Stowell: You don't have them. They have a month.

1343

02:04:31.800 --> 02:04:32.430

Mike Faulkner: Still is.

1344

02:04:32.520 --> 02:04:34.980

Rick Stowell: Still like alcohol, I would

1345

02:04:35.460 --> 02:04:36.750

Rick Stowell: I would definitely know

1346

02:04:37.200 --> 02:04:37.920

When this guy.

1347

02:04:39.420 --> 02:04:39.750

Rick Stowell: Or

1348

02:04:40.770 --> 02:04:41.790

Rick Stowell: This thing. What else

1349

02:04:42.660 --> 02:04:46.020

Mike Faulkner: Yep, and they still did well. Now they email immediately.

1350

02:04:47.970 --> 02:04:48.300

Mike Faulkner: Yeah.

1351

02:04:48.330 --> 02:04:50.130

Mike Faulkner: So that's where we stand with that.

1352

02:04:50.400 --> 02:04:54.300

Mike Faulkner: And that was my last bit, and your businesses. Anybody else have anything under new business.

1353

02:04:57.270 --> 02:04:58.950

Mike Faulkner: Can I have a motion to

1354

02:05:01.050 --> 02:05:03.240

Mike Faulkner: All in favor to end the meeting, I

1355

02:05:04.860 --> 02:05:05.490

Mike Faulkner: Thanks, guys.

1356

02:05:09.570 --> 02:05:10.320

Mike Faulkner: Thank you, Paul.

1357

02:05:11.940 --> 02:05:12.540

Paul Baxter: Thank you all.
