76

00:07:59.100 --> 00:07:59.550

Okay.

77

00:08:04.860 --> 00:08:06.510

Herb Yerdon: That's not all I got for tonight.

78

00:08:07.380 --> 00:08:07.710

Town participant: Okay.

79

00:08:08.700 --> 00:08:10.080

Mike Faulkner: Any questions for her.

80

00:08:14.040 --> 00:08:15.660

Mike Faulkner: I had a little we had a meeting.

81

00:08:15.810 --> 00:08:19.860

Mike Faulkner: Supervisors meeting and the mayor's with the county. The other night.

82

00:08:20.370 --> 00:08:22.500

Mike Faulkner: And basically talking about

83

00:08:22.560 --> 00:08:23.880

Mike Faulkner: What they're doing the reverse.

84

00:08:25.020 --> 00:08:25.590

Mike Faulkner: Reserve.

85

00:08:26.160 --> 00:08:29.490

Mike Faulkner: Money to reduce the fiscal impact of this coven

86

00:08:31.950 --> 00:08:37.890

Mike Faulkner: They've the county is reduced expenses by 11.7 million. Unfortunately, the revenues, so

87

00:08:37.890 --> 00:08:39.060

Mike Faulkner: Far have been reduced by

88

00:08:39.060 --> 00:08:40.680

Mike Faulkner: 13.3 million

89

00:08:42.150 --> 00:08:44.400

Mike Faulkner: The aim and the hospitals have been reduced by

90

00:08:44.400 --> 00:08:51.300

Mike Faulkner: 900,000 in New York State is still threatening a 20 to 50% reduction and funding to the county

91

00:08:53.880 --> 00:08:55.050

Town participant: 6.6

92

00:08:55.350 --> 00:08:57.000

Mike Faulkner: Point \$3 million loss.

93

00:08:58.260 --> 00:08:59.370

Mike Faulkner: The paving plan.

94

00:08:59.400 --> 00:09:01.320

Mike Faulkner: Is a third less than normal.

95

00:09:01.860 --> 00:09:03.030

Town participant: insurance money.

96

00:09:03.300 --> 00:09:04.680

Mike Faulkner: Is potentially facing

97

00:09:04.800 --> 00:09:06.720

Mike Faulkner: At least a 20% reduction.

98

00:09:09.810 --> 00:09:11.700
Mike Faulkner: One town asked about

99
00:09:12.000 --> 00:09:14.820
Mike Faulkner: Setting up escrow with the county for paving

100
00:09:15.150 --> 00:09:15.780
Mike Faulkner: In other words, they

101
00:09:15.840 --> 00:09:16.200
Town participant: Can pay

102
00:09:16.680 --> 00:09:23.310
Mike Faulkner: For what they want to make sure that they got done what they wanted to do, since they have extra money, they were going to check into that as a

103
00:09:23.310 --> 00:09:24.120
Possibility.

104
00:09:25.710 --> 00:09:31.830
Mike Faulkner: I think that's kind of risky because you never know the county hasn't even decided what they're going to do for sure yet so to

105
00:09:31.950 --> 00:09:34.140
Mike Faulkner: Take that risk of putting your money out there. I don't

106
00:09:34.200 --> 00:09:35.220
Mike Faulkner: Think is a good idea.

107
00:09:35.310 --> 00:09:35.640
Well,

108
00:09:37.170 --> 00:09:37.440
Town participant: I

109
00:09:37.980 --> 00:09:39.180
Mike Faulkner: Have questions asked about

110
00:09:39.180 --> 00:09:40.140
Mike Faulkner: Cancer me

111

00:09:40.320 --> 00:09:42.420

Mike Faulkner: And that will be opened up and face.

112

00:09:42.420 --> 00:09:42.870

Mike Faulkner: For a

113

00:09:43.650 --> 00:09:44.730

Mike Faulkner: Long way.

114

00:09:49.590 --> 00:09:52.800

Mike Faulkner: And that's what I learned from that meeting with the supervisors.

115

00:10:04.560 --> 00:10:07.890

Mike Faulkner: So they don't have it. Absolutely. Yeah.

116

00:10:09.240 --> 00:10:09.570

Mike Faulkner: Right.

117

00:10:11.400 --> 00:10:11.760

Mike Faulkner: Okay.

118

00:10:12.780 --> 00:10:13.620

Mike Faulkner: Thanks herb.

119

00:10:15.270 --> 00:10:16.260

120

00:10:17.400 --> 00:10:18.030

124

00:10:37.200 --> 00:10:37.470

139

00:12:47.370 --> 00:12:59.250

Paul Baxter: Finally, oh, one of the things that brought me by your municipal building today was I was making the rounds dropping off copies of the new toggle region recreation guide and I tied them to the

Town participant: We had an emergency pipe over here on the Denon

148

00:13:54.810 --> 00:14:05.190

Town participant: Mill street during that one. Watch the homeowner needs because of the beaver, just like we said before that this guy. He didn't want us to touch it, it

149

00:14:06.210 --> 00:14:08.880

Town participant: Really does give us a hard time every time we do

150

00:14:09.960 --> 00:14:10.950

Town participant: Monkey on their

00:14:12.390 --> 00:14:13.200

00:14:19.440 --> 00:14:21.060

Mike Faulkner: Oh cemetery industry now.

156

00:14:21.480 --> 00:14:25.350

Mike Faulkner: LC LC oh yeah i know is now.

157

00:14:28.710 --> 00:14:30.120

Town participant: So we end up

158

00:14:34.680 --> 00:14:36.330

Mike Faulkner: To make clothes back on.

159

00:14:37.050 --> 00:14:37.710

Town participant: What's happening.

160

00:14:37.770 --> 00:14:39.360

Town participant: Around. Yeah.

161

00:14:39.930 --> 00:14:40.500

Mike Faulkner: Before

162

00:14:40.680 --> 00:14:41.580

Town participant: You know, and

163

00:14:42.420 --> 00:14:44.100

Town participant: That's working in great

164

00:14:48.750 --> 00:14:51.330

Town participant: Shape and but it wasn't bad boy that was

165

00:14:51.720 --> 00:14:53.370

Mike Faulkner: WE WEREN'T PLANNING ON DOING book.

166

00:14:54.510 --> 00:14:54.930

Town participant: So,

167

00:14:56.700 --> 00:14:58.590

Mike Faulkner: Other than we go hold

168

00:15:01.050 --> 00:15:02.190

Town participant: On room.

169

00:15:04.620 --> 00:15:05.010

Town participant: Which

170

00:15:05.820 --> 00:15:06.810
Really helped us

171
00:15:08.250 --> 00:15:09.270
Mike Faulkner: We got the trainer.

172
00:15:11.460 --> 00:15:11.970
Mike Faulkner: Belt.

173
00:15:14.250 --> 00:15:21.060
Town participant: Moved all of our stuff around up at the barn, so that we can pull it in a pile so that we don't use it.

174
00:15:21.240 --> 00:15:22.650
Town participant: It'll be out of our way.

175
00:15:23.700 --> 00:15:29.670
Town participant: And we got them all in the mornings going now. So that's under motion.

176
00:15:31.710 --> 00:15:51.420
Town participant: So other nap. We're in decent shape. We're just waiting to see what they're going to do like Mike said with the chips. It's a hold off right now only absolutely what we have to, but keeping track of everything that we can turn in. I'm not gonna go crazy until I know for sure.

177
00:15:52.680 --> 00:15:58.320
Town participant: Because I do have a little stockpile. We'll get started if they do give us a blast and hurry up, but

178
00:16:00.060 --> 00:16:10.230
Town participant: We got some roads up no matter what we're gonna have to do some oil and and stone for patching. If we don't get to do any Pavan which I talked with Mexico and

179
00:16:11.190 --> 00:16:24.060
Town participant: And boy, they have an oil truck. So we can work with them to get some oil come over and we can at least do our own where it won't kill us as far as price wise if we don't know what's going on.

180
00:16:26.460 --> 00:16:27.960
Town participant: And boy, no.

181

00:16:37.110 --> 00:16:37.470

Town participant: And

182

00:16:39.660 --> 00:16:49.320

Town participant: Because there for a little bit. We didn't have a very good relationship with either one of them, guys. So it actually seems good to have both of them cooperating with us now.

183

00:16:50.130 --> 00:17:02.970

Town participant: Well, because that's what Henry is doing right now is he's using them to do his because nobody knows what's going on, but other than that we're in. We're in decent shape you

184

00:17:06.720 --> 00:17:07.230

Town participant: Know,

185

00:17:08.370 --> 00:17:17.010

Town participant: It's actually like you this morning. Nobody knew nothing last week, but then all sudden, it comes as morning. Okay. The 20% that's

186

00:17:17.640 --> 00:17:31.950

Town participant: Actually it's week to week right now it's like everything last minute. Notice it's like they find out on Friday, Monday, you find out. That's what it's bad but mission just

187

00:17:34.590 --> 00:17:42.960

Town participant: As an information that projected we might get including chips in your in you know you are

188

00:17:44.040 --> 00:17:58.470

Town participant: You who are we might get \$178,691 and 68 cents. But then a little closer. So that could be reduced by 20% or more. So are you make plans.

189

00:17:59.580 --> 00:18:01.320

Town participant: Radio with either you are

190

00:18:03.720 --> 00:18:04.260

Town participant: Extreme.

191

00:18:06.150 --> 00:18:07.710

Town participant: Extreme winter recover.

192

00:18:08.820 --> 00:18:15.780

Town participant: Your button. That's the hate all that's where I'm at right now it's kind of tough to really

193

00:18:16.680 --> 00:18:29.280

Town participant: You know I'm sticking with what I said before one just soon as I find out, then we'll go from there. I really can't make a decision until they let me know what's going on. Nobody's probably want to

194

00:18:30.840 --> 00:18:33.540

Town participant: Work. No, no. So when it does

195

00:18:35.400 --> 00:18:43.950

Town participant: That's, that's where, actually, we're going to be a little bit of Lucky about it because we do have a little stockpile to where we could

196

00:18:44.730 --> 00:18:57.810

Town participant: You know, draw them right in and okay let's hurry up. We're on the bandwagon. We do have some all we can start here and then everybody's going to be working together. Everybody's gonna be scrambling and we're all going to have to haul to get that Haldol

197

00:18:58.890 --> 00:19:08.700

Town participant: So we all got to work together right now. Really panic and everybody is really because a lot of townships don't have that extra money to work with. So

198

00:19:10.530 --> 00:19:22.380

Town participant: But other net weren't weren't decent shape the boys. You're doing good. Everything's going real good Williamstown, they had a problem yesterday, their trucks in our shop, but that's all fixed

199

00:19:24.900 --> 00:19:25.890

Town participant: All the fuel.

200

00:19:30.000 --> 00:19:43.170

Town participant: Basically fuel pump on at all is gosh it's tough to find them. So the lungs came up today in the rebuilding God only knows how long it's gonna last, but it's running again so

201

00:19:44.250 --> 00:19:49.590

Town participant: But you know, that's the only thing with them old trucks. It's hard to find anything for

202

00:19:53.100 --> 00:19:58.170

Town participant: Mexico and you're going back and forth because they were hauling stuff then

203

00:20:01.320 --> 00:20:08.160

Town participant: Yeah, because you know how Henry is you don't like nothing else. I know he was panicking. So we had plenty room, thank God.

204

00:20:09.270 --> 00:20:16.680

Town participant: But no other than saying questions, everything's going. All right, we're going to start screen in the millions. So that's what

205

00:20:17.280 --> 00:20:28.290

Town participant: You know we got the machine there because of work. That's why we want to get that done because we want to find out what we're going to do with our sand because we're going to move that to wherever

206

00:20:29.580 --> 00:20:31.950

Town participant: That's our next thing is figure out what are saying

207

00:20:35.250 --> 00:20:37.140

Town participant: As of right now they're talking

208

00:20:39.330 --> 00:20:41.130

Town participant: Brian Gardner got the

209

00:20:42.270 --> 00:20:53.880

Town participant: Cheapest so far the county. They said last year, the five now they're saying six. So if we screened in ourself up there. He's talking one to \$2

210

00:20:55.290 --> 00:20:55.770

Mike Faulkner: So,

211

00:20:56.790 --> 00:20:57.840

Mike Faulkner: That's what we're going to go

212

00:20:57.840 --> 00:20:59.580

Town participant: With this, he said.

213

00:21:00.060 --> 00:21:02.940

Mike Faulkner: If you buy the overselling clip is that when you, when

214

00:21:03.180 --> 00:21:06.000

Mike Faulkner: You buy the old reselling. No, no.

215

00:21:08.430 --> 00:21:09.780

Mike Faulkner: It's not that far. And, you know,

216

00:21:12.270 --> 00:21:12.750

Town participant: For

217

00:21:14.310 --> 00:21:14.610

Mike Faulkner: Us.

218

00:21:20.250 --> 00:21:20.640

No.

219

00:21:21.870 --> 00:21:23.040

Mike Faulkner: That's right, you got 13

220

00:21:24.540 --> 00:21:26.910

Yeah, it's easy to, you know,

221

00:21:30.660 --> 00:21:33.210

Mike Faulkner: One thing that you mentioned about patching.

222

00:21:33.570 --> 00:21:33.870

Know,

223

00:21:35.160 --> 00:21:38.310

Mike Faulkner: Use the hand or here in Tampa right now.

224

00:21:40.110 --> 00:21:41.880

Mike Faulkner: You're just with a pickup truck Arjun

225

00:21:42.270 --> 00:21:42.570

Town participant: Yeah.

226

00:21:43.230 --> 00:21:47.640

Mike Faulkner: Would you have them just try this one. Don't roll with it with the back wheel.

227

00:21:48.870 --> 00:21:49.890

Mike Faulkner: If you've done that before.

228

00:21:49.950 --> 00:21:51.360

Town participant: Yeah, we've done it.

229

00:21:51.630 --> 00:21:53.160

Town participant: I also tried

230

00:21:53.250 --> 00:21:53.820

Once

231

00:21:55.980 --> 00:21:58.800

Mike Faulkner: Alright once with roller, but the way I wrote

232

00:21:59.670 --> 00:22:02.250

Mike Faulkner: It doesn't work cause more problems.

233

00:22:04.830 --> 00:22:06.360

Mike Faulkner: And ever seems to be

234

00:22:06.480 --> 00:22:07.740

Mike Faulkner: Going on right and then

235

00:22:07.770 --> 00:22:10.620

Mike Faulkner: Why do you say we saw a little bit over and over

236

00:22:12.240 --> 00:22:18.300

Mike Faulkner: And I even humped it up, you know, a little bit. So with the compaction. It'll go down level.

237

00:22:18.600 --> 00:22:21.930

Mike Faulkner: Now, that's what we then go on earlier.

238

00:22:25.170 --> 00:22:25.440

Town participant: Yeah.

239

00:22:26.430 --> 00:22:35.520

Mike Faulkner: Yeah, but one thing that you mentioned with the with the emotion. I think you ought to try that. It maybe it'll help so that you don't have to do some

240

00:22:38.880 --> 00:22:43.170

Town participant: Try especially especially village right now.

241

00:22:45.300 --> 00:22:48.810

Town participant: Okay, I think I'm gonna try

242

00:22:49.560 --> 00:22:51.960

Mike Faulkner: To try to get one day, but knowing

243

00:22:52.410 --> 00:22:57.120

Mike Faulkner: That stuff that you got there. Looks pretty fine. Oh, it is so I'm always really really

244

00:22:57.120 --> 00:22:57.360

Town participant: Good.

245

00:22:57.420 --> 00:22:58.080

Mike Faulkner: That's where I'll

246

00:22:58.110 --> 00:22:59.430

Town participant: Pick it up with the motor now.

247

00:23:01.140 --> 00:23:01.770

Town participant: It's great to

248

00:23:03.660 --> 00:23:03.870

Town participant: See

249

00:23:05.400 --> 00:23:05.670

Town participant: You could

250

00:23:05.940 --> 00:23:06.630

Mike Faulkner: Take for

251

00:23:13.410 --> 00:23:26.070

Mike Faulkner: Any questions for them. I have one thing that you see on the agenda here. The, the bomb anticipation. Note the new truck is due to be here by the end of the month. Right. You talk to somebody recently.

252

00:23:26.400 --> 00:23:29.880

Mike Faulkner: So we're going to need to make a decision. The money's in the budget.

253

00:23:30.030 --> 00:23:33.090

Mike Faulkner: And I noted the preparation or account numbers.

254

00:23:34.380 --> 00:23:39.750

Mike Faulkner: That how we want to do what I mean. That makes kind of the most sense, rather than paying cash.

255

00:23:43.290 --> 00:23:43.620

Town participant: For

256

00:23:45.150 --> 00:23:46.080

Mike Faulkner: Hello everybody.

257

00:23:47.190 --> 00:23:50.520

Mike Faulkner: I mean, usually I didn't clean the first year, I guess. Here's the

258

00:23:50.520 --> 00:23:52.290

Mike Faulkner: Barn. But if it's in the budget.

259

00:23:53.460 --> 00:23:54.780

Mike Faulkner: Much asking

260

00:23:55.470 --> 00:23:55.830

Him.

261

00:23:59.970 --> 00:24:00.960

Questions on that.

262

00:24:02.340 --> 00:24:21.720

Mike Faulkner: I mean, I don't know if the interest and done, and there's no was less than they used to be. Now, because of the times, well if Germany. I haven't even I don't have a lower. That's one thing. Second thing, if we go ahead and pay for the money's in the budget.

263

00:24:22.770 --> 00:24:33.570

Mike Faulkner: Then we look ahead and know that we're not going to get as much sales tax and county this year and we got so if we take the money we got and we pay cash for

264

00:24:34.470 --> 00:24:48.930

Mike Faulkner: We're going to have maybe have a bigger budget next year or at least a bigger but as we had where if we had this episode. Well, some people say kind of borrow money is winning by at poetry and all, but

265

00:24:50.340 --> 00:24:55.860

Mike Faulkner: They're not going to get as much money from the county and who knows what it can do the plowing again they cut us

266

00:24:58.350 --> 00:25:00.780

Mike Faulkner: And, you know, they're gonna cut us on the sales tax.

267

00:25:01.080 --> 00:25:03.660

Mike Faulkner: We're lucky if we spend all our money.

268

00:25:05.760 --> 00:25:07.140

Mike Faulkner: paying cash for this.

269

00:25:08.670 --> 00:25:10.830

Mike Faulkner: Bigger budget money.

270

00:25:14.460 --> 00:25:25.140

Mike Faulkner: Come pay for the bomb the anticipation. Notice it's \$208,000 from the truck and that's approximately a five year payment to pay pay pay for the

271

00:25:26.460 --> 00:25:31.980

Mike Faulkner: 200 208

272

00:25:34.110 --> 00:25:35.760

Mike Faulkner: Are here, right. So my math is

273

00:25:38.550 --> 00:25:38.760

Mike Faulkner: Yeah.

274

00:25:40.980 --> 00:25:42.540

Mike Faulkner: So you I believe that's

275

00:25:43.680 --> 00:25:44.610

Mike Faulkner: 768

276

00:25:46.080 --> 00:25:46.380

So,

277

00:25:47.670 --> 00:25:48.960

Mike Faulkner: We've got 55

278

00:25:49.950 --> 00:25:52.320

Mike Faulkner: That's, that's a down payment done

279

00:25:52.620 --> 00:25:54.930

Mike Faulkner: And then every year would be the same amount

280

00:25:55.020 --> 00:25:55.440

Correct.

281

00:25:57.690 --> 00:26:01.650

Mike Faulkner: I mean, that's fair. And I had budgeted last year because we paid off the previous truck.

282

00:26:02.370 --> 00:26:04.470

Mike Faulkner: That was there. So just stayed with it, I think.

283

00:26:04.740 --> 00:26:06.060

Mike Faulkner: You what Carl was thinking that

284

00:26:06.060 --> 00:26:10.950

Mike Faulkner: We were going to pay cash for the whole thing. Yes. Yeah. Yeah, that's

285

00:26:11.460 --> 00:26:11.970

Mike Faulkner: That's it.

286

00:26:13.350 --> 00:26:30.540

Mike Faulkner: Yeah, yeah. We don't want, I don't want that. No, yeah, that's, I just wanted to make sure that we wanted to move forward with the band anticipation note, you know, rather than pancake. We're gonna borrow for three or four more years, but it'll be low. And so it'll be a lower payment.

287

00:26:34.290 --> 00:26:36.420

Mike Faulkner: So the Texas, will it

288

00:26:37.680 --> 00:26:39.030

Mike Faulkner: Be consistent with what we have.

289

00:26:39.960 --> 00:26:40.440

Yeah.

290

00:26:44.460 --> 00:26:44.730

Town participant: Right.

291

00:26:46.050 --> 00:26:53.010

Town participant: And your mighty, mighty agent trucks reminder for those Michael in

292

00:26:53.250 --> 00:26:54.330

Mike Faulkner: Australia all

293

00:26:58.530 --> 00:26:59.790

Mike Faulkner: answered my question that

294

00:27:01.470 --> 00:27:06.300

Mike Faulkner: We don't ever all kind of hired whatever we're going to get. And we don't want to be caught flat footed

295

00:27:10.620 --> 00:27:11.100

Mike Faulkner: A year.

296

00:27:14.250 --> 00:27:15.900

Mike Faulkner: I don't think that means motion, you know,

297

00:27:17.910 --> 00:27:20.910

Mike Faulkner: Yeah, okay, well, can I have a motion on

298

00:27:21.840 --> 00:27:22.380

So,

299

00:27:24.900 --> 00:27:25.320

Mike Faulkner: Let

300

00:27:25.620 --> 00:27:27.870

Mike Faulkner: Me research or you can just go through

301

00:27:27.960 --> 00:27:31.410

Mike Faulkner: MBT or that's what we've been through. Previously I might

302

00:27:32.220 --> 00:27:34.740

Mike Faulkner: I don't mind looking around, but my time is a little bit less than I

303

00:27:35.190 --> 00:27:37.110

Mike Faulkner: Than I used to have, because I'm back to work now.

304

00:27:38.340 --> 00:27:41.910

Mike Faulkner: And BTS treated us pretty well so

305

00:27:56.400 --> 00:27:57.840

Mike Faulkner: Yep. He's sleeping.

306

00:27:58.290 --> 00:27:58.920

Town participant: He was asleep.

307

00:28:03.270 --> 00:28:04.380

Mike Faulkner: On favor

308

00:28:06.480 --> 00:28:08.160

Mike Faulkner: For you to go through empty.

309

00:28:11.100 --> 00:28:11.880

Mike Faulkner: And meaty

310

00:28:13.980 --> 00:28:14.070

Mike Faulkner: Now,

311

00:28:15.150 --> 00:28:16.350

Town participant: And one one thing

312

00:28:17.190 --> 00:28:18.360

Mike Faulkner: That I'd like to bring up if

313

00:28:19.980 --> 00:28:20.250

If

314

00:28:21.600 --> 00:28:22.890

Mike Faulkner: He has any questions for the

315

00:28:22.890 --> 00:28:23.310

Minutes.

316

00:28:24.510 --> 00:28:27.060

Mike Faulkner: Maybe we've got to be a little bit more

317

00:28:28.290 --> 00:28:29.820

Mike Faulkner: I'm not going to say diplomatic

318

00:28:31.350 --> 00:28:31.920

Mike Faulkner: Correct.

319

00:28:31.950 --> 00:28:37.020

Mike Faulkner: Miss she knows what what we're actually talking about right. Yeah. Yeah. Okay.

320

00:28:38.400 --> 00:28:42.210

Mike Faulkner: And one other thing that I was going to mention is

321

00:28:43.890 --> 00:28:45.540

Mike Faulkner: So happy, you don't get

322

00:28:47.700 --> 00:28:50.550

Mike Faulkner: I'll do some cold calling you let me know when you find out

323

00:28:51.120 --> 00:28:53.340

Mike Faulkner: I'll I do have a

324

00:28:53.460 --> 00:28:54.030

Town participant: Little

325

00:28:54.510 --> 00:28:55.830

A little bit more time.

326

00:28:57.780 --> 00:28:59.370

Mike Faulkner: All right, I'd appreciate that. Thank you.

327

00:29:01.320 --> 00:29:02.790

Mike Faulkner: That's all I got for you today.

328

00:29:03.150 --> 00:29:05.280

Mike Faulkner: Okay, good, I guess.

329

00:29:07.230 --> 00:29:09.000

Mike Faulkner: I know one thing

330

00:29:09.360 --> 00:29:10.200

Town participant: The webinar.

331

00:29:10.650 --> 00:29:11.280

For namer

332

00:29:12.510 --> 00:29:21.600

Mike Faulkner: Are you gonna participate. You know, it's about it out if he knows about it because I haven't given it to him. I have no way to send it to him. Yeah.

333

00:29:22.500 --> 00:29:24.540

Town participant: webinars coming up for training. Yeah.

334

00:29:25.290 --> 00:29:26.430

Mike Faulkner: And it's

335

00:29:26.430 --> 00:29:27.810

Mike Faulkner: Going to be a webinar we're going

336

00:29:28.470 --> 00:29:30.060

Mike Faulkner: To talk and

337

00:29:30.240 --> 00:29:30.990

Town participant: I'll tell you.

338

00:29:31.380 --> 00:29:33.900

Mike Faulkner: You start there's going to be Bruce Johnson who worked for me.

339

00:29:35.430 --> 00:29:36.720

Town participant: I've heard. I've heard

340

00:29:37.890 --> 00:29:38.100

Mike Faulkner: But

341

00:29:39.630 --> 00:29:40.920

Mike Faulkner: I think you'll end up the

342

00:29:40.950 --> 00:29:45.450

Mike Faulkner: Men will end up getting a certificate from Iowa will check on that. If you'd like

343

00:29:46.410 --> 00:29:48.030

Mike Faulkner: If you want to do that.

344

00:29:48.930 --> 00:29:51.450

Mike Faulkner: I know it'd be great if we could schedule a rainy day.

345

00:29:52.020 --> 00:29:54.330

Mike Faulkner: But I don't think we can do that, but I

346

00:29:54.450 --> 00:29:55.320

Town participant: Talked to Mike

347

00:29:55.740 --> 00:29:56.760

Mike Faulkner: I wouldn't be willing to

348

00:29:56.760 --> 00:30:02.640

Town participant: Come over here and I didn't hear what I was thinking I bring my

349

00:30:03.330 --> 00:30:03.780

Town participant: Project

350

00:30:04.770 --> 00:30:06.000

Mike Faulkner: Set it up on that wall.

351

00:30:06.000 --> 00:30:07.110

Mike Faulkner: And speakers and everything.

352

00:30:07.500 --> 00:30:07.980

Absolutely.

353

00:30:09.270 --> 00:30:10.290

Town participant: Absolutely, I mean,

354

00:30:10.380 --> 00:30:11.760

Mike Faulkner: You guys can arrange that we can

355

00:30:11.790 --> 00:30:13.980

Mike Faulkner: Yeah, you know, when they are

356

00:30:14.370 --> 00:30:14.940

Mike Faulkner: If you want to

357

00:30:15.330 --> 00:30:18.900

Town participant: Know, and then just let me know and we'll work together. Well, good stuff. Yeah.

358

00:30:19.140 --> 00:30:21.060

Mike Faulkner: No, I think it'd be good for the guys

359

00:30:21.480 --> 00:30:22.680

Mike Faulkner: I know it'll be good for the

360

00:30:22.680 --> 00:30:24.210

Department because

361

00:30:25.860 --> 00:30:26.880

Mike Faulkner: We need that for patch.

362

00:30:27.450 --> 00:30:31.170

Town participant: Yeah, every little bit of that kind of stuff. That's, yeah.

363

00:30:31.650 --> 00:30:35.850

Mike Faulkner: I don't know how they're going to do that with the with the signing in and so on. Yeah, but

364

00:30:36.660 --> 00:30:38.370

Mike Faulkner: I'll, I'll try to look into it.

365

00:30:38.910 --> 00:30:40.470

Town participant: Alright, alright.

366

00:30:41.490 --> 00:30:44.490

Mike Faulkner: Or something like that stand on the agenda.

367

00:30:45.540 --> 00:30:48.030

Mike Faulkner: The drug and alcohol testing.

368

00:30:48.900 --> 00:30:51.420

Mike Faulkner: I've heard they're supposed to be done before they're hired

369

00:30:54.720 --> 00:30:55.620

Mike Faulkner: To do that you

370

00:30:55.830 --> 00:30:56.730

Are the board.

371

00:30:57.840 --> 00:30:58.680

Town participant: To sweet whole

372

00:30:59.730 --> 00:31:03.030

Town participant: Tones. We go to contact them the sugar you

373

00:31:04.200 --> 00:31:04.590

Town participant: Yes.

374

00:31:04.830 --> 00:31:05.190

Well,

375

00:31:07.710 --> 00:31:08.670

Let me try to

376

00:31:12.240 --> 00:31:13.830

Mike Faulkner: Mean what Ted as

377

00:31:13.980 --> 00:31:27.930

Mike Faulkner: As the highway superintendent can do one of two things. They'll let him know. You know, usually by facts when you'll be randomly called in it, make could be all three of them at one time.

378

00:31:28.410 --> 00:31:30.090

Mike Faulkner: And it could be not only

379

00:31:30.360 --> 00:31:32.670

Mike Faulkner: Drug but it could be alcohol.

380

00:31:32.700 --> 00:31:36.510

Mike Faulkner: To it, if it is drug and alcohol and the only call for one you have

381

00:31:36.570 --> 00:31:37.410

Mike Faulkner: Said to people.

382

00:31:37.680 --> 00:31:39.630

Mike Faulkner: Right. Because, yeah.

383

00:31:43.140 --> 00:31:44.880

Mike Faulkner: I'm just saying it's more about

384

00:31:45.480 --> 00:31:47.850

Mike Faulkner: Any kind of an accident, even if the

385

00:31:48.060 --> 00:31:57.540

Mike Faulkner: Other person's phone if they drug and alcohol testing them, they might decide that. Well, you could have prevented this if you hadn't been on the air. Watch. Right.

386

00:31:57.990 --> 00:32:00.180

Mike Faulkner: Well that's that's required anyway.

387

00:32:00.210 --> 00:32:02.370

Mike Faulkner: That's required anyway if there's an accident. He

388

00:32:02.490 --> 00:32:03.210

Has to have

389

00:32:04.740 --> 00:32:06.840

Mike Faulkner: lined it up and Ted says he does.

390

00:32:07.260 --> 00:32:07.500

Town participant: Yeah.

391

00:32:07.560 --> 00:32:08.790

Town participant: No, I've already

392

00:32:09.960 --> 00:32:20.280

Town participant: With Mike and I'm going to have that done before. That's no problem. I'm going to talk to him next week. Tomorrow morning, and it doesn't. There's no question phone anything. Everybody see it well.

393

00:32:22.440 --> 00:32:27.540

Mike Faulkner: Look, I'll try to find them so you know exactly what it is.

394

00:32:27.600 --> 00:32:29.580

Mike Faulkner: For the server. So options for free.

395

00:32:29.580 --> 00:32:42.420

Mike Faulkner: Dunno twice a year. They did go to a computer database and supposedly it's been next time. Yes, random whoever they picked it out with me.

396

00:32:44.610 --> 00:32:53.430

Mike Faulkner: It always seemed to be in the wintertime what when you need to drivers, it normally wasn't mechanic that we could

397

00:32:55.080 --> 00:32:57.630

Mike Faulkner: Yeah, but you know, so it takes to

398

00:32:58.260 --> 00:32:58.650

Mike Faulkner: Kind of

399

00:33:00.270 --> 00:33:01.410

Mike Faulkner: Stop by or whatever.

400

00:33:02.610 --> 00:33:02.910

Town participant: Thank you.

401

00:33:08.550 --> 00:33:08.940

Mike Faulkner: I

402

00:33:09.810 --> 00:33:14.430

Mike Faulkner: Moving on to the dog Control Officer. I had a nice talk with Steve yesterday I gave him a call.

403

00:33:14.790 --> 00:33:16.800

Mike Faulkner: He's he came home today or was supposed to

404

00:33:19.410 --> 00:33:19.740

Mike Faulkner: He's

405

00:33:19.770 --> 00:33:21.690

Mike Faulkner: doing amazingly well.

406

00:33:23.130 --> 00:33:29.670

Mike Faulkner: Feels good. Not too much pain he did, he broke his neck and his lower back and ribs.

407

00:33:31.470 --> 00:33:33.030

Mike Faulkner: And they did have to operate.

408

00:33:35.190 --> 00:33:39.300

Mike Faulkner: They told him as which I think we everybody in this room knows his tolerance for

409

00:33:39.300 --> 00:33:42.720

Mike Faulkner: Pain was way above most people's and his

410

00:33:43.050 --> 00:33:44.250

Town participant: Therapy is gone.

411

00:33:44.700 --> 00:33:47.340

Mike Faulkner: He's about a week ahead of schedule for coming home.

412

00:33:48.360 --> 00:33:55.350

Mike Faulkner: So he's pretty happy with that he was glad to be here. His son and i think i think he said nephew.

413

00:33:55.740 --> 00:33:59.580

Mike Faulkner: If there were any dog issues they would, they would handle it until he's

414

00:33:59.580 --> 00:34:00.600

Mike Faulkner: Back up on his feet.

415

00:34:01.440 --> 00:34:02.940

Mike Faulkner: There haven't been any of the town of

416

00:34:02.940 --> 00:34:04.140

Mike Faulkner: Albion he has

417

00:34:04.170 --> 00:34:06.510

Mike Faulkner: A better respond to one in Orwell and I think

418

00:34:06.510 --> 00:34:10.230

Mike Faulkner: Boylston so they're handling that in his absence.

419

00:34:10.560 --> 00:34:12.030

Mike Faulkner: But he expects within two

420

00:34:12.030 --> 00:34:12.810

Town participant: Months.

421

00:34:13.230 --> 00:34:18.930

Mike Faulkner: He'll be back functional and he did tell me that he's no longer going to

422

00:34:19.290 --> 00:34:20.220

Fall trees.

423

00:34:25.080 --> 00:34:25.890

Mike Faulkner: Well, I'll tell you.

424

00:34:26.310 --> 00:34:30.240

Mike Faulkner: Guys been through some stuff, so that's that's the update on the

425

00:34:30.540 --> 00:34:31.380

Mike Faulkner: Dog can draw

426

00:34:39.240 --> 00:34:39.780

Town participant: Stop.

427

00:34:41.880 --> 00:34:46.350

Mike Faulkner: Superintendent of cemeteries got Brenda's report here.

428

00:34:56.430 --> 00:34:57.360

Mike Faulkner: You overpay

429

00:34:59.280 --> 00:35:00.480

Mike Faulkner: Why X pays for the

430

00:35:00.480 --> 00:35:01.050

Town participant: Funeral

431

00:35:01.920 --> 00:35:07.980

It's \$400

432

00:35:11.220 --> 00:35:12.150

Town participant: He paid us

433

00:35:13.890 --> 00:35:15.450

For \$450

434

00:35:17.280 --> 00:35:18.300

Mike Faulkner: Right, okay.

435

00:35:18.360 --> 00:35:20.670

Town participant: And I checked with him. He just said.

436

00:35:21.360 --> 00:35:22.230

We had returned to

437

00:35:24.060 --> 00:35:24.870

Mike Faulkner: You know, he

438

00:35:25.890 --> 00:35:26.370

Mike Faulkner: Was

439

00:35:27.120 --> 00:35:28.410

Mike Faulkner: No back to hex.

440

00:35:28.500 --> 00:35:29.790
Town participant: We have to pay him.

441
00:35:29.880 --> 00:35:31.050
Mike Faulkner: \$50 more

442
00:35:31.890 --> 00:35:33.510
Town participant: Not more he

443
00:35:36.090 --> 00:35:38.040
Mike Faulkner: The burial is \$400 for

444
00:35:38.040 --> 00:35:40.080
Mike Faulkner: Some reason he made the jump from

445
00:35:40.080 --> 00:35:43.440
401

446
00:35:44.640 --> 00:35:47.220
Mike Faulkner: He made us \$50 too much.

447
00:35:47.340 --> 00:35:49.320
Mike Faulkner: I haven't give him back \$50

448
00:35:51.390 --> 00:35:51.720
Mike Faulkner: See

449
00:35:51.840 --> 00:35:52.500
Right here.

450
00:36:01.980 --> 00:36:03.030
Mike Faulkner: And 72

451
00:36:03.030 --> 00:36:03.690
Birds.

452
00:36:05.040 --> 00:36:07.590
Mike Faulkner: newcomer paid us 400 Carl for some

453
00:36:07.590 --> 00:36:09.000
Mike Faulkner: Reason paid us for 50

454

00:36:09.480 --> 00:36:11.010

Town participant: So I have to pay him back.

455

00:36:11.010 --> 00:36:12.420

\$50 okay

456

00:36:18.360 --> 00:36:18.630

Yeah.

457

00:36:21.090 --> 00:36:26.340

Mike Faulkner: I'm going to get a receipt from him. You know, when I give him the \$50 back. So I think will be covered.

458

00:36:28.950 --> 00:36:31.590

Mike Faulkner: And I don't actually there was there's cash.

459

00:36:32.340 --> 00:36:46.200

Mike Faulkner: Here to a couple of donations were made and stuff. So I'll give him back to \$50 cash. So my actual deposit into the bank will be 1100 \$54 and then I'll never reserve received from him as well.

460

00:36:58.650 --> 00:36:58.920

Mike Faulkner: Okay.

461

00:36:58.980 --> 00:37:00.180

Mike Faulkner: Here and I didn't send it to you.

462

00:37:01.590 --> 00:37:02.580

Mike Faulkner: And I talked to

463

00:37:04.020 --> 00:37:05.730

Mike Faulkner: Mike and the rest of the board about those

464

00:37:05.730 --> 00:37:06.300

Town participant: Trees.

465

00:37:06.630 --> 00:37:07.530

Over the

466

00:37:10.860 --> 00:37:11.460

Town participant: Steps

467

00:37:12.450 --> 00:37:13.290

Town participant: I don't know.

468

00:37:14.340 --> 00:37:16.830

Mike Faulkner: I got the picture on here that he said to me.

469

00:37:18.210 --> 00:37:19.410

Mike Faulkner: I don't know if trim them is

470

00:37:19.410 --> 00:37:20.880

Mike Faulkner: Going to be good enough. I don't know.

471

00:37:21.720 --> 00:37:22.920

Town participant: Did you stop look at

472

00:37:23.010 --> 00:37:23.550

Mike Faulkner: That says

473

00:37:25.740 --> 00:37:28.200

Mike Faulkner: Oh, I get it. Nevermind. No one.

474

00:37:33.720 --> 00:37:39.000

Town participant: Way back to the trunk real tree and the folio sat me

475

00:37:41.070 --> 00:37:41.340

Mike Faulkner: Week.

476

00:37:41.610 --> 00:37:42.960

Mike Faulkner: Plan. So I don't know.

477

00:37:43.230 --> 00:37:45.270

Mike Faulkner: I don't know what they look because I haven't driven by
but

478

00:37:45.360 --> 00:37:46.980

Town participant: I haven't either. So I didn't

479

00:37:47.460 --> 00:37:48.630

Mike Faulkner: I didn't get anything from

480

00:37:49.740 --> 00:37:51.930

Mike Faulkner: Either but I guess this afternoon so

481

00:37:53.070 --> 00:37:53.490

Town participant: I'll take

482

00:37:53.520 --> 00:37:54.390

Mike Faulkner: A look at them and

483

00:37:54.900 --> 00:37:55.530

Town participant: Or we can

484

00:37:55.740 --> 00:37:57.060

Mike Faulkner: All take a look at them in the

485

00:37:57.120 --> 00:37:57.720

Town participant: Staff

486

00:37:57.840 --> 00:37:59.040

Mike Faulkner: My house. I've got

487

00:37:59.880 --> 00:38:01.770

Town participant: For every treatment.

488

00:38:02.160 --> 00:38:07.950

Mike Faulkner: And and someone were Boosh. BOOSH and cash, fine. You're prettier and hell.

489

00:38:08.370 --> 00:38:09.450

Mike Faulkner: That's this one.

490

00:38:09.870 --> 00:38:11.640

Mike Faulkner: If it's slower break and means

491

00:38:11.940 --> 00:38:20.010

Mike Faulkner: You don't have a right to the ground like a big run given rubbing me to get know precursors nothing in the country.

492

00:38:21.210 --> 00:38:23.220

Mike Faulkner: Yeah I don't what kind it is.

493

00:38:24.780 --> 00:38:25.590

Mike Faulkner: growing bigger

494

00:38:30.630 --> 00:38:31.140

Mike Faulkner: Than one

495

00:38:31.620 --> 00:38:32.520

Cut them back.

496

00:38:34.470 --> 00:38:35.190

Mike Faulkner: Sidewalk

497

00:38:37.620 --> 00:38:39.030

Mike Faulkner: Kind of work back to the

498

00:38:44.220 --> 00:38:45.780

Mike Faulkner: People don't look up. I never know.

499

00:38:46.800 --> 00:38:52.860

Mike Faulkner: Changing the photo I didn't pay attention and every three years. I never it never goes

500

00:38:56.100 --> 00:38:58.140

Mike Faulkner: To the assessors report.

501

00:38:58.830 --> 00:39:05.010

Mike Faulkner: I have one question that I know Carl might know when we actually pays the board of Assessment Review members should have already

502

00:39:05.400 --> 00:39:05.940

Submitted it

503

00:39:07.500 --> 00:39:08.490

And I told

504

00:39:11.640 --> 00:39:12.060

Mike Faulkner: Him down

505

00:39:13.770 --> 00:39:14.400

Mike Faulkner: You got to see

506

00:39:16.530 --> 00:39:22.860

Mike Faulkner: Yes. Okay. Yes. Okay, good. She told me about it was asking.

507

00:39:23.550 --> 00:39:29.700

Mike Faulkner: Was other things in return my tape recorder to us. And she said,

508

00:39:30.570 --> 00:39:34.020

Town participant: Well, she's missing forms of the county used to send

509

00:39:34.410 --> 00:39:35.910

Mike Faulkner: Form. She didn't have one

510

00:39:37.080 --> 00:39:38.460

Mike Faulkner: Form to selling

511

00:39:39.210 --> 00:39:41.550

Mike Faulkner: The property tax, property.

512

00:39:41.580 --> 00:39:42.150

Owner

513

00:39:44.280 --> 00:39:46.980

Mike Faulkner: And their decision and you're supposed to

514

00:39:47.010 --> 00:39:47.880

Mike Faulkner: The form of both

515

00:39:47.940 --> 00:40:04.080

Mike Faulkner: Worlds, the property owner carpet was assessor Catholic older, they may copy, go to the county apertures for send one copy to the property owner to show them your decision not to 525 sure that any of them, but

516

00:40:04.110 --> 00:40:09.660

Mike Faulkner: Past the director real property used to get them over to the

517

00:40:10.170 --> 00:40:12.060

Mike Faulkner: Order to the assessor or to give them to

518

00:40:12.060 --> 00:40:12.810

Me.

519

00:40:14.310 --> 00:40:16.620

Mike Faulkner: I told her in the book. They never said it must be

520

00:40:17.130 --> 00:40:18.540

Mike Faulkner: Something in there at least

521

00:40:19.050 --> 00:40:19.800

Mike Faulkner: You know cuz Amy's

522

00:40:19.830 --> 00:40:21.150

Mike Faulkner: Made a month before

523

00:40:21.390 --> 00:40:29.940

Mike Faulkner: Not double cyber had to stay from the others. We had both sides, but it has to be verified on the back, signed by all three.

524

00:40:33.000 --> 00:40:39.870

Mike Faulkner: Meal members and the has to be whether they concur or not and

525

00:40:41.820 --> 00:40:44.130

Mike Faulkner: And Haskins. The rationale on the fraud.

526

00:40:45.270 --> 00:40:47.700

Mike Faulkner: And what has to end the back of it's already pre printed it

527

00:40:47.910 --> 00:40:55.920

Mike Faulkner: They have to rejigger one small claims court, right. So, one that's really that's necessary to be mailed to them, but so called you ready

528

00:40:59.040 --> 00:40:59.400

Town participant: Yes.

529

00:41:04.350 --> 00:41:05.010

Right, nobody

530

00:41:08.580 --> 00:41:11.040

Mike Faulkner: You can't get in his office, he

531

00:41:13.620 --> 00:41:16.980

Mike Faulkner: Wants you want us to make one and I started getting you

532

00:41:17.610 --> 00:41:18.900

Town participant: You're getting paid.

533

00:41:19.110 --> 00:41:20.580

Mike Faulkner: She did ask about that but

534

00:41:21.000 --> 00:41:22.590

Mike Faulkner: You had to fill an abstract you

535

00:41:22.590 --> 00:41:25.260

Mike Faulkner: Know, she's done it for when she when I was on

536

00:41:31.230 --> 00:41:33.990

Mike Faulkner: Okay, let's let's follow up on that.

537

00:41:38.820 --> 00:41:40.140

Mike Faulkner: Okay, perfect.

538

00:41:44.910 --> 00:41:45.630

Town participant: You know,

539

00:41:45.930 --> 00:41:46.500

Mike Faulkner: If you will,

540

00:41:47.370 --> 00:41:48.990

Town participant: Or from money.

541

00:41:49.080 --> 00:41:51.960

Mike Faulkner: On how many grievances, there were. You got it.

542

00:41:53.340 --> 00:41:54.990

Mike Faulkner: Right here, I will read.

543

00:41:57.810 --> 00:42:02.430

Mike Faulkner: We just completed grievance. This is Mike Maxwell's assessors report June 3 2020

544

00:42:02.940 --> 00:42:09.570

Mike Faulkner: We just completed grievance day we had three stipulations and one actual grievance that the bar is acting on

545

00:42:10.320 --> 00:42:17.730

Mike Faulkner: As most of you know the equalization rate is now 83% and the sales of properties are selling on about on average.

546

00:42:17.910 --> 00:42:20.130

Mike Faulkner: 20% over the current assessment.

547

00:42:21.570 --> 00:42:27.210

Mike Faulkner: The or PTS sets these rates with some discussion with me, but I don't disagree with their number

548

00:42:27.330 --> 00:42:30.840

Mike Faulkner: I would expect that if we did not do the reevaluation for

549

00:42:32.220 --> 00:42:34.140

Mike Faulkner: That the rate would be around 80%

550

00:42:35.190 --> 00:42:46.590

Mike Faulkner: I settled with the tail water hotel complex assessment at \$6.6 million or an 83% assessment of 5.478 million

551

00:42:53.850 --> 00:42:56.040

Mike Faulkner: Over the next year, they have already agreed that the

552

00:42:56.040 --> 00:42:59.760

Mike Faulkner: Value was 6.6 million, the increase from two point from

553

00:43:01.200 --> 00:43:02.400

Mike Faulkner: Is almost 2 million

554

00:43:04.140 --> 00:43:08.190

Mike Faulkner: I am getting ready to start the process of doing a complete reevaluation of the whole

555

00:43:08.190 --> 00:43:11.460

Mike Faulkner: Town sales continue to sell 15 to

556

00:43:11.460 --> 00:43:16.230

Mike Faulkner: 30% over current assessments, the sales of homes with acreage

557

00:43:16.350 --> 00:43:19.890

Mike Faulkner: Newer homes and vacant land seemed to be the most out of

558

00:43:19.890 --> 00:43:34.050

Mike Faulkner: Line. There is also a lot of new construction with the Amish community and these homes are difficult to value because of the lack of amenities such as electric etc. I am getting help from the county also with the DEC

559

00:43:34.050 --> 00:43:34.890

Town participant: Wetlands

560

00:43:35.400 --> 00:43:38.100

Mike Faulkner: There seems to be a lot of interest in valuing that

561

00:43:38.100 --> 00:43:40.590

Mike Faulkner: Separate from the balance of the land.

562

00:43:41.250 --> 00:43:48.600

Mike Faulkner: They're going to help identify how much wetland is on each property. I will then correct the property with that amount of acreage

563

00:43:50.130 --> 00:43:52.290

Mike Faulkner: The other area of some concern is the

564

00:43:52.290 --> 00:43:59.520

Mike Faulkner: Development maple landing. There is a lot of construction going on in there and it is very difficult to figure out what structures.

565

00:43:59.580 --> 00:44:00.900

Mike Faulkner: Go to what properties.

566

00:44:01.440 --> 00:44:02.550

Town participant: I will get some help from the

567

00:44:02.550 --> 00:44:10.170

Mike Faulkner: County and we will overlay GIS maps to figure it out. We should plan on a public meeting in late February.

568

00:44:10.200 --> 00:44:11.760

Mike Faulkner: 2021 to explain the

569

00:44:11.760 --> 00:44:19.890

Mike Faulkner: Procedures for the revaluation I know a lot of people have questions about tax rate, etc. Thank you, like, Maxwell.

570

00:44:26.010 --> 00:44:26.340

Town participant: Meeting.

571

00:44:27.930 --> 00:44:29.700

Mike Faulkner: Still going to have our private meeting and

572

00:44:29.820 --> 00:44:30.630

Mike Faulkner: The end of July.

573

00:44:34.980 --> 00:44:39.540

Mike Faulkner: I think he is. I am getting ready to start the process over evaluation.

574

00:44:47.820 --> 00:44:50.550

Town participant: Too late. Right, so

575

00:44:50.580 --> 00:44:51.450

Mike Faulkner: I hope that he's

576

00:44:51.480 --> 00:44:52.440

Mike Faulkner: Doing it now.

577

00:44:52.860 --> 00:44:53.790

Town participant: I hope he's asking

578

00:44:53.820 --> 00:44:59.160

Mike Faulkner: Visiting the property and we discussed before somebody assessors got like not

579

00:44:59.190 --> 00:45:00.600

Mike Faulkner: More to continually add to any

580

00:45:00.600 --> 00:45:09.450

Mike Faulkner: Towns and they're just going right which funny right there. Yeah, they can actually zoom in on the property and see

581

00:45:10.140 --> 00:45:13.920

Mike Faulkner: Satellite but they don't know which by rich wetland.

582

00:45:15.720 --> 00:45:19.620

Mike Faulkner: Described and pictures always even photograph.

583

00:45:20.190 --> 00:45:21.630

Mike Faulkner: Hillman Jewish nature.

584

00:45:22.110 --> 00:45:24.270

Mike Faulkner: In the phone you're doing version. Right.

585

00:45:26.940 --> 00:45:31.140

Mike Faulkner: He's got a visit to practice not wages for the permits.

586

00:45:32.250 --> 00:45:40.260

Mike Faulkner: Me gets a permit it gets copy for burn executive summary work them exactly invert actually assembly.

587

00:45:41.520 --> 00:45:46.860

Mike Faulkner: All of the list of the ones where there's huge discrepancies. I mean, there was one

588

00:45:47.250 --> 00:45:48.990

Mike Faulkner: One in particular that sold

589

00:45:49.230 --> 00:45:51.150

Mike Faulkner: It was assessed for 30,000

590

00:45:51.660 --> 00:45:55.770

Mike Faulkner: It's sold for 140 9000. So let's see.

591

00:45:58.230 --> 00:45:58.530

The

592

00:46:00.390 --> 00:46:00.900

Mike Faulkner: Water

593

00:46:01.920 --> 00:46:08.610

Mike Faulkner: I don't know what are these chefs in high or low. I don't know what they can do a stipulation agreement, but

594

00:46:08.640 --> 00:46:09.270

Mike Faulkner: They

595

00:46:09.840 --> 00:46:10.830

Town participant: They would have to

596

00:46:10.860 --> 00:46:12.180

Mike Faulkner: They disagree with him.

597

00:46:13.290 --> 00:46:15.390

Mike Faulkner: They couldn't go to small claims court like

598

00:46:17.610 --> 00:46:18.870

Mike Faulkner: They'd have to go to tax.

599

00:46:20.160 --> 00:46:31.620

Mike Faulkner: It was a judge and jury and then they'd figure figure it out, whether they were assessed overstressed or not so mean might consider

600

00:46:33.000 --> 00:46:36.780

Mike Faulkner: If he's if he's given in what I'm saying.

601

00:46:36.810 --> 00:46:37.860

Worry shouldn't

602

00:46:39.150 --> 00:46:40.020

Mike Faulkner: Baby

603

00:46:40.050 --> 00:46:56.970

Mike Faulkner: should stick to his guns, say, look, you know, I'm not gonna do it do what you gotta do right attacks I story. We go to small claims court. They can run a commercial you gotta go taxation regular court and they don't make out to welcome them.

604

00:47:00.090 --> 00:47:05.670

Mike Faulkner: What sounds like he's addressing it at least, which makes me feel a little better than I felt like two weeks ago now.

605

00:47:11.310 --> 00:47:12.390

Mike Faulkner: Hoping I still

606

00:47:12.420 --> 00:47:14.340

Mike Faulkner: fully intend to set up the meeting.

607

00:47:14.520 --> 00:47:15.960

Mike Faulkner: Personal meeting with the board and

608

00:47:15.960 --> 00:47:21.210

Mike Faulkner: Him for some time, July, August, so hopefully we'll learn more from him.

609

00:47:23.430 --> 00:47:24.660

Mike Faulkner: Um, okay.

610

00:47:25.290 --> 00:47:27.120

Mike Faulkner: Code Enforcement obviously

611

00:47:27.660 --> 00:47:29.040

Mike Faulkner: Burn is not here. He hurt his

612

00:47:29.040 --> 00:47:29.730

Town participant: Back.

613

00:47:29.820 --> 00:47:30.360

Mike Faulkner: He's the

614

00:47:30.450 --> 00:47:31.620

On some heavy drug was

615

00:47:33.270 --> 00:47:33.840

Mike Faulkner: impertinent

616

00:47:34.080 --> 00:47:34.800

Year.

617

00:47:37.260 --> 00:47:37.530

Mike Faulkner: Sorry.

618

00:47:40.230 --> 00:47:40.620

Mike Faulkner: Yeah.

619

00:47:43.980 --> 00:47:44.010

Mike Faulkner: Yes.

620

00:47:49.410 --> 00:47:50.460

Mike Faulkner: It was sideways.

621

00:47:52.320 --> 00:47:53.970

Mike Faulkner: I said, well, I trust burns and

622

00:47:57.510 --> 00:47:59.010

Mike Faulkner: detailed record keeper and

623

00:48:00.060 --> 00:48:03.090

Mike Faulkner: He paid up \$695 in

624

00:48:03.990 --> 00:48:08.100

Mike Faulkner: Collections of for renewals and graduate pole barns and additions and

625

00:48:08.160 --> 00:48:13.740

Mike Faulkner: pools and channels and 16 total permits for \$695

626

00:48:15.450 --> 00:48:19.380

Mike Faulkner: And obviously we each have a copy of the details so

627

00:48:20.400 --> 00:48:21.690

Mike Faulkner: If you have any questions.

628

00:48:22.710 --> 00:48:23.190

Mike Faulkner: Burn

629

00:48:25.500 --> 00:48:26.970

Mike Faulkner: Yeah, the big

630

00:48:28.050 --> 00:48:32.130

Mike Faulkner: Thing that he hit us with the other day, is that the people that are building the cell

631

00:48:32.130 --> 00:48:34.170

Mike Faulkner: Tower had

632

00:48:34.320 --> 00:48:36.000

Mike Faulkner: Requested to move it.

633

00:48:36.060 --> 00:48:41.160

Mike Faulkner: 20 feet forward from where it was because there's a large embankment there that they

634

00:48:41.880 --> 00:48:42.900

Mike Faulkner: Make and

635

00:48:44.070 --> 00:48:47.070

Mike Faulkner: It would have required a huge amount more of cement.

636

00:48:47.100 --> 00:48:48.390

Town participant: For the pad that they're putting

637

00:48:48.390 --> 00:48:48.600

In

638

00:48:49.680 --> 00:48:57.120

Mike Faulkner: So they requested the 20 feet forward from where it was and Vern wanted a consensus of the board before he gave them the okay

639

00:48:57.660 --> 00:48:58.530

Mike Faulkner: I've checked with the

640

00:48:58.590 --> 00:49:03.870

Mike Faulkner: Adjoining land owners and they're all okay with that. It's not going to affect anybody at all.

641

00:49:19.170 --> 00:49:22.410

Mike Faulkner: The other adjoining land owner and he said he doesn't have a problem either. So

642

00:49:23.310 --> 00:49:23.730

Town participant: You are

643

00:49:27.360 --> 00:49:27.870

Town participant: Oh,

644

00:49:30.030 --> 00:49:33.210

Mike Faulkner: Okay, so we'll do a motion on that.

645

00:49:37.890 --> 00:49:39.210

Mike Faulkner: All in favor. Aye.

646

00:49:43.320 --> 00:49:44.550

Mike Faulkner: Bonnie is still there.

647

00:49:51.090 --> 00:49:53.610

Mike Faulkner: You might have gone might be going to the bathroom.

648

00:49:54.600 --> 00:49:59.040

Paul Baxter: Well, Ronnie Ronnie signed in still so my microphone.

649

00:49:59.760 --> 00:50:01.590

Mike Faulkner: Okay, he's probably still available.

650

00:50:05.520 --> 00:50:12.060

Mike Faulkner: Okay, so that is that section obviously buddy is on vacation.

651

00:50:13.320 --> 00:50:14.340

Mike Faulkner: But I do have

652

00:50:14.370 --> 00:50:15.330

Town participant: A report.

653

00:50:15.360 --> 00:50:16.590

Mike Faulkner: From him that

654

00:50:16.620 --> 00:50:17.760

Space.

655

00:50:19.950 --> 00:50:21.180

Mike Faulkner: No activity for April.

656

00:50:21.270 --> 00:50:23.430

Mike Faulkner: 2020 coven. So we've got

657

00:50:23.700 --> 00:50:24.150

Mike Faulkner: Nothing.

658

00:50:24.450 --> 00:50:25.140

Mike Faulkner: From the court.

659

00:50:30.990 --> 00:50:33.330

Mike Faulkner: Although the he is at this point he is

660

00:50:33.330 --> 00:50:34.380

Mike Faulkner: Projecting

661

00:50:35.310 --> 00:50:37.890

Mike Faulkner: That they will have the okay to open in July.

662

00:50:40.140 --> 00:50:41.370

Mike Faulkner: And which leads me to

663

00:50:41.640 --> 00:50:44.520

Mike Faulkner: A question that I don't really think

664

00:50:57.780 --> 00:50:58.530

Mike Faulkner: Apparently not.

665

00:51:00.510 --> 00:51:01.650

Mike Faulkner: Or somebody that's

666

00:51:03.150 --> 00:51:04.860

Mike Faulkner: Right. I think they take them to their

667

00:51:04.920 --> 00:51:08.130

Mike Faulkner: What they call a cap court or whatever. We're going to swim. Oh, and they just

668

00:51:09.000 --> 00:51:14.670

Mike Faulkner: Do it from there they release them. I mean, I don't think anybody is going to jail right now unless you actually kill somebody or something.

669

00:51:15.960 --> 00:51:17.310

Mike Faulkner: So yeah, it's a confusing.

670

00:51:18.480 --> 00:51:21.690

Mike Faulkner: But anyway, when he does reopen he's got all kinds of

671

00:51:22.530 --> 00:51:26.280

Mike Faulkner: And well, not backlog, but he's got all kinds of new requirements.

672

00:51:26.790 --> 00:51:28.920

Mike Faulkner: Yes, to take a temperature of every person that

673

00:51:28.920 --> 00:51:31.650

Mike Faulkner: Comes in, he has to clean.

674

00:51:31.740 --> 00:51:33.510

Mike Faulkner: After every person.

675

00:51:33.900 --> 00:51:36.930

Mike Faulkner: That approaches the bench and whatever. So

676

00:51:37.410 --> 00:51:38.580

Mike Faulkner: He asked me.

677

00:51:38.640 --> 00:51:47.130

Mike Faulkner: To ask Betty if she would be interested in doing that, and which I did. And she is. But obviously, we have to talk about that before we give her the okay to do it.

678

00:51:48.360 --> 00:51:50.130

Mike Faulkner: I just wanted to see if she was available.

679

00:51:52.590 --> 00:51:54.870

Mike Faulkner: That he will take the temperature record that

680

00:51:56.220 --> 00:51:57.000

Mike Faulkner: They sign in.

681

00:52:01.560 --> 00:52:03.090

Town participant: They had

682

00:52:06.240 --> 00:52:07.110

Mike Faulkner: The can't even enter

683

00:52:08.940 --> 00:52:09.360

Mike Faulkner: To have you

684

00:52:12.060 --> 00:52:12.360

Know,

685

00:52:14.850 --> 00:52:16.920

Mike Faulkner: So it's got to be someone else up here with

686

00:52:18.150 --> 00:52:18.630

Town participant: Me.

687

00:52:23.220 --> 00:52:31.260

Mike Faulkner: Yes, I had to buy one for the barbershop to cross about \$80 and you'd be two inches away and you observe them in the forehead.

688

00:52:35.040 --> 00:52:35.760

Mike Faulkner: Way up and

689

00:52:39.060 --> 00:52:44.610

Mike Faulkner: I had one. Yes. Right. That's no fun at all. He refused to have another one down like fire. But she

690

00:52:46.440 --> 00:52:50.730

Mike Faulkner: Had a three days afterwards we have inside your nasal. Oh, yeah.

691

00:52:51.300 --> 00:53:04.140

Mike Faulkner: We don't have to do that here we just got to take the temperature. Yeah, and clean and since that he was this. She's cleaner. Anyway, it kind of made sense to see if she was interested in a couple hours on a Monday night.

692

00:53:06.390 --> 00:53:08.100

Mike Faulkner: Is everybody okay with that.

693

00:53:09.030 --> 00:53:09.360

Yeah.

694

00:53:14.130 --> 00:53:16.500

Mike Faulkner: Okay, did he come back.

695

00:53:17.490 --> 00:53:18.240

Lonny Mattison: I'm here.

696

00:53:18.540 --> 00:53:19.950

Mike Faulkner: Okay, you're okay with that.

697

00:53:20.610 --> 00:53:22.110

Mike Faulkner: Yep. Okay. Cool.

698

00:53:25.980 --> 00:53:26.220

Mike Faulkner: Degrees.

699

00:53:32.250 --> 00:53:35.130

Mike Faulkner: Fire Department and I've got bills report right here.

700

00:53:37.290 --> 00:53:37.950

Mike Faulkner: Oh,

701

00:53:39.420 --> 00:53:43.650

Mike Faulkner: Man 20 2023 calls were responding to

702

00:53:45.930 --> 00:53:48.390

Mike Faulkner: Beginning may 2020 check register balance.

703

00:53:48.390 --> 00:53:56.700

Mike Faulkner: \$67,450 87 cents monthly expenses \$1,085 36 cents.

704

00:53:56.730 --> 00:53:58.920

Mike Faulkner: Checking balance move forward to June.

705

00:53:59.280 --> 00:54:03.390

Mike Faulkner: \$66,365 51 cents.

706

00:54:04.920 --> 00:54:08.610

Mike Faulkner: And to answer a couple of questions that bill.

707

00:54:08.610 --> 00:54:08.940

Mike Faulkner: Had

708

00:54:09.240 --> 00:54:11.280

Mike Faulkner: posed to me in the past.

709

00:54:12.330 --> 00:54:13.200

Mike Faulkner: We are

710

00:54:15.150 --> 00:54:18.900

Mike Faulkner: This I'll just touch on another subject, we're going to get to later.

711

00:54:20.160 --> 00:54:21.810

Mike Faulkner: We are having spectrum.

712

00:54:21.840 --> 00:54:24.150

Mike Faulkner: Put in phone lines and such. And there will

713

00:54:24.150 --> 00:54:25.920

Mike Faulkner: Be a dedicated alarm line.

714

00:54:25.950 --> 00:54:37.530

Mike Faulkner: For the building I do need to do some more investigations and and find out how we're going to get the entire alarm system install you already have it available.

715

00:54:37.560 --> 00:54:39.930

Mike Faulkner: In the fire department phase.

716

00:54:40.110 --> 00:54:41.520

Town participant: You need a dialer.

717

00:54:45.450 --> 00:54:45.990

Mike Faulkner: Right, so

718

00:54:46.260 --> 00:54:46.830

Mike Faulkner: I will

719

00:54:47.400 --> 00:54:52.890

Mike Faulkner: I'll talk to her, and at least to start with. Find out who he had do the alarm system and the highway barn and we'll

720

00:54:52.950 --> 00:54:56.460

Mike Faulkner: We'll go from there. And I'll come up with something unless somebody else.

721

00:54:56.490 --> 00:54:57.450

Town participant: Knows have an alarm.

722

00:54:57.480 --> 00:54:58.410

Mike Faulkner: Company that we can

723

00:55:00.540 --> 00:55:03.600

Mike Faulkner: So that's one thing I haven't talked to Rebecca

724

00:55:03.600 --> 00:55:04.230

Finally,

725

00:55:05.940 --> 00:55:06.810

Town participant: She found out

726

00:55:06.870 --> 00:55:09.480

Mike Faulkner: I talked to her finally yesterday. And she's like, you know,

727

00:55:10.530 --> 00:55:12.150

Mike Faulkner: I kind of wondered why my phone has

728

00:55:12.270 --> 00:55:12.960

Mike Faulkner: Been ringing

729

00:55:14.160 --> 00:55:16.050

Mike Faulkner: I have called her like six times in the

730

00:55:16.050 --> 00:55:16.650

Mike Faulkner: Last week,

731

00:55:17.190 --> 00:55:19.350

Town participant: And she didn't call me back. She always immediately.

732

00:55:19.350 --> 00:55:20.910

Mike Faulkner: Calls back. She's very good about it.

733

00:55:21.750 --> 00:55:26.850

Mike Faulkner: Finally, I got through. And she goes, I'll bet you there's something around and my phone system. I go GC think

734

00:55:27.360 --> 00:55:30.000

Mike Faulkner: Doesn't seem strange that nobody's called you in a week.

735

00:55:30.570 --> 00:55:34.350

Mike Faulkner: Yeah. Those seem kind of strange. So she was going to look into it.

736

00:55:35.100 --> 00:55:36.000

Town participant: Will record.

737

00:55:38.520 --> 00:55:39.450

Mike Faulkner: voicemails

738

00:55:40.740 --> 00:55:42.240

Mike Faulkner: And I've left her at least

739

00:55:42.540 --> 00:55:45.930

Mike Faulkner: For voicemails myself plus center email.

740

00:55:46.590 --> 00:55:47.610

Mike Faulkner: Me my emails, either.

741

00:55:49.050 --> 00:56:06.990

Mike Faulkner: Yeah. So anyway, we're set on that she did talk to me for quite a while. Yesterday, because I had about four or five questions I had asked her, and regarding the maple landing situation and the salmon roe situation she agrees that

742

00:56:07.350 --> 00:56:08.400

Mike Faulkner: We don't want to be liable.

743

00:56:08.400 --> 00:56:12.150

Mike Faulkner: For those roads and she's going to look into how

744

00:56:12.180 --> 00:56:14.130

Mike Faulkner: To approach that

745

00:56:14.520 --> 00:56:16.380

Mike Faulkner: And she thinks, probably the best and

746

00:56:16.440 --> 00:56:17.850

Mike Faulkner: easiest and quickest way.

747

00:56:18.210 --> 00:56:27.690

Mike Faulkner: Is write a letter to those folks that own properties up in there and most another sign on the end of the road, even though somebody who probably steal it again.

748

00:56:28.920 --> 00:56:33.420

Mike Faulkner: That kind of covers us. She said she's amazed that they can even get insurance up in there.

749

00:56:33.810 --> 00:56:38.340

Mike Faulkner: Because they know Vern has made it clear that those are only three season.

750

00:56:38.730 --> 00:56:42.660

Mike Faulkner: Places, they're not available to get a full permit for all

751

00:56:44.250 --> 00:56:45.420

Mike Faulkner: Year round occupancy

752

00:56:50.610 --> 00:56:51.390

Town participant: And

753

00:56:55.890 --> 00:56:56.760

South Asian

754

00:57:03.030 --> 00:57:03.570

Town participant: Okay.

755

00:57:07.470 --> 00:57:09.780

Mike Faulkner: Right, but they didn't. They didn't follow

756

00:57:10.380 --> 00:57:10.830

Okay.

757

00:57:13.200 --> 00:57:15.240

Mike Faulkner: I never knew until the

758

00:57:16.050 --> 00:57:16.320

Last

759

00:57:17.940 --> 00:57:18.540

Mike Faulkner: Couple months.

760

00:57:19.320 --> 00:57:20.730

Town participant: So that's where are we saying

761

00:57:21.510 --> 00:57:23.580

Mike Faulkner: And those roads are now. No way.

762

00:57:24.900 --> 00:57:26.400

Mike Faulkner: Down to their very good well

763

00:57:29.160 --> 00:57:29.670

Mike Faulkner: Well, they got

764

00:57:30.990 --> 00:57:31.440

Town participant: There.

765

00:57:31.560 --> 00:57:32.730

Mike Faulkner: There's some nice homes down there.

766

00:57:33.540 --> 00:57:33.810

Mike Faulkner: So,

767

00:57:34.230 --> 00:57:36.150

Mike Faulkner: I'll look into that she'll get back to me in the next day.

768

00:57:36.150 --> 00:57:37.200

Mike Faulkner: Or two, and hopefully we'll move

769

00:57:37.200 --> 00:57:38.700

Mike Faulkner: Forward quickly on that.

770

00:57:39.870 --> 00:57:41.550

Mike Faulkner: I also checked on the

771

00:57:42.870 --> 00:57:44.460

Mike Faulkner: If you go back with the

772

00:57:47.460 --> 00:57:48.930

Mike Faulkner: Dissolution of the village.

773

00:57:50.010 --> 00:57:50.790

Mike Faulkner: There was

774

00:57:52.530 --> 00:57:59.460

Mike Faulkner: A section where I guess I've always referred to it as
shepherds pond right there on the corner.

775

00:58:00.480 --> 00:58:01.830

Mike Faulkner: Was to be

776

00:58:03.030 --> 00:58:03.930

Mike Faulkner: What's the word

777

00:58:04.800 --> 00:58:05.160

Town participant: In

778

00:58:05.700 --> 00:58:07.110

Mike Faulkner: A nine year lease to the fire.

779

00:58:07.110 --> 00:58:08.580

Mike Faulkner: Department where they could get

780

00:58:08.850 --> 00:58:09.690

Mike Faulkner: Water from there.

781

00:58:12.900 --> 00:58:13.890

Mike Faulkner: That was never done.

782

00:58:14.010 --> 00:58:15.990

Mike Faulkner: Anyway, there's no way

783

00:58:18.420 --> 00:58:18.750

I just

784

00:58:20.220 --> 00:58:24.540

Mike Faulkner: Want the responsibility of the water. Fine.

785

00:58:27.240 --> 00:58:27.570

Mike Faulkner: Yeah.

786

00:58:29.130 --> 00:58:29.760

Mike Faulkner: Still

787

00:58:30.090 --> 00:58:30.570

Never

788

00:58:32.040 --> 00:58:33.240

Mike Faulkner: ever came up even

789

00:58:33.900 --> 00:58:34.290

What

790

00:58:35.520 --> 00:58:37.230

Mike Faulkner: Is going to do is confirm

791

00:58:37.560 --> 00:58:40.080

Mike Faulkner: First of all, that no agreement was made.

792

00:58:41.400 --> 00:58:42.060

Mike Faulkner: And once

793

00:58:42.120 --> 00:58:56.190

Mike Faulkner: That once she does that she will draft something that we as a board can review. See if we agree to it and move forward with the least for the fire department, since we don't have city water and all they kind of need.

794

00:58:56.640 --> 00:58:58.590

Mike Faulkner: Me. Absolutely.

795

00:59:01.860 --> 00:59:02.430

Correct at

796

00:59:04.230 --> 00:59:06.030

Town participant: Least so if you decide

797

00:59:09.390 --> 00:59:10.530

Mike Faulkner: You still have access

798

00:59:10.800 --> 00:59:12.360

Mike Faulkner: Exactly. I explained that to her.

799

00:59:15.390 --> 00:59:15.960

Mike Faulkner: Plans.

800

00:59:16.470 --> 00:59:19.440

Mike Faulkner: In the list Sega even so

801

00:59:19.470 --> 00:59:20.700

We can have a million.

802

00:59:22.530 --> 00:59:23.340

Town participant: Ourselves.

803

00:59:24.750 --> 00:59:25.050

Mike Faulkner: Right.

804

00:59:26.580 --> 00:59:28.200

Town participant: That's being taken care of, as well.

805

00:59:29.430 --> 00:59:29.730

Mike Faulkner: Thank you.

806

00:59:40.530 --> 00:59:41.190

Town participant: Your

807

00:59:41.250 --> 00:59:50.970

Mike Faulkner: Questions for Bill since he's here. Oh, one other thing I forgot to mention I did talk to Brian Britain. He's going to check on the bed ballasts

808

00:59:51.630 --> 00:59:52.290

Town participant: Excuse me.

809

00:59:52.470 --> 00:59:55.980

Mike Faulkner: In the one light that we all are aware of out there, see if he can get that

810

00:59:56.310 --> 01:00:07.770

Mike Faulkner: As soon as possible. He'll coordinate with Bill on winning and get in there and at the same time I asked him to review the area and give us an estimate what it would cost to go to LED lighting in their

811

01:00:15.000 --> 01:00:15.930

Town participant: Program and I'm

812

01:00:19.620 --> 01:00:19.860

Town participant: Sorry.

813

01:00:23.460 --> 01:00:24.150

Mike Faulkner: Brian Britain.

814

01:00:26.130 --> 01:00:26.460

Mike Faulkner: Britain.

815

01:00:31.440 --> 01:00:32.250

Mike Faulkner: Wouldn't here.

816

01:00:33.390 --> 01:00:34.050

Mike Faulkner: I noticed the

817

01:00:35.250 --> 01:00:36.180

Mike Faulkner: electrical box. Oh.

818

01:00:37.980 --> 01:00:40.110

Mike Faulkner: Plug is the power screw and

819

01:00:44.160 --> 01:00:44.790

If you talk

820

01:00:57.300 --> 01:00:57.930

Mike Faulkner: He's going to work.

821

01:01:00.000 --> 01:01:02.400

Mike Faulkner: Well, not he's going to also get a quality.

822

01:01:02.580 --> 01:01:09.990

Town participant: Call he's going to fix what's broken right now the way it is just so we can get it fixed because they didn't kind of need that light where it's out

823

01:01:10.560 --> 01:01:16.380

Mike Faulkner: And then he will give us a bid to replace them all with LEDs, which are long term.

824

01:01:16.890 --> 01:01:17.730

Mike Faulkner: Much cheaper.

825

01:01:17.850 --> 01:01:18.690

Mike Faulkner: And much brighter.

826

01:01:47.790 --> 01:01:48.360

Town participant: Welcome

827

01:01:49.980 --> 01:01:51.180

Town participant: Their users.

828

01:01:56.760 --> 01:01:57.210

Mike Faulkner: Actually

829

01:02:01.650 --> 01:02:03.420

Town participant: Germany. Good.

830

01:02:09.210 --> 01:02:09.540

And

831

01:02:16.680 --> 01:02:17.250

Mike Faulkner: Dryer

832

01:02:18.960 --> 01:02:20.220

Mike Faulkner: It's like a year is

833

01:02:21.330 --> 01:02:25.980

Town participant: Yours will measure 18 or 19

834

01:02:26.040 --> 01:02:26.340

On

835

01:02:27.420 --> 01:02:27.780

Mike Faulkner: Me.

836

01:02:28.560 --> 01:02:31.500

Mike Faulkner: As I said before, before you file that

837

01:02:32.520 --> 01:02:33.330

Mike Faulkner: It's something that

838

01:02:34.560 --> 01:02:35.610

Mike Faulkner: I have a good track.

839

01:02:37.380 --> 01:02:37.680

Mike Faulkner: Record.

840

01:02:39.300 --> 01:02:39.660

Mike Faulkner: But

841

01:02:40.710 --> 01:02:41.070

Mike Faulkner: For

842

01:02:42.990 --> 01:02:43.350

Mike Faulkner: Now,

843

01:02:44.460 --> 01:02:47.340

Mike Faulkner: A regatta PVC Ralph

844

01:02:48.180 --> 01:02:48.930

Lauren

845

01:02:50.310 --> 01:02:51.780

Mike Faulkner: And we can wash our

846

01:02:51.870 --> 01:02:52.590

Mike Faulkner: Around here.

847

01:02:53.820 --> 01:02:56.880

Mike Faulkner: Somewhere between five workers six hours.

848

01:03:00.900 --> 01:03:02.100

Mike Faulkner: Straight and based on

849

01:03:02.100 --> 01:03:02.490

Mike Faulkner: The train

850

01:03:03.000 --> 01:03:04.260

Mike Faulkner: to London, the winter time.

851

01:03:04.890 --> 01:03:05.370

Town participant: Well, it

852

01:03:06.210 --> 01:03:06.960

Mike Faulkner: Was quite a

853

01:03:09.060 --> 01:03:10.170

Mike Faulkner: Lot of our partners have

854

01:03:10.440 --> 01:03:10.710

Very

855

01:03:12.060 --> 01:03:12.390

Mike Faulkner: Good.

856

01:03:13.260 --> 01:03:13.470

Mike Faulkner: So,

857

01:03:13.500 --> 01:03:14.370

Once the laundry.

858

01:03:15.450 --> 01:03:17.220

Mike Faulkner: Where we can't afford

859

01:03:18.720 --> 01:03:20.040

Mike Faulkner: It gets more delicate version delivery.

860

01:03:21.960 --> 01:03:25.320

Mike Faulkner: But we can turn Dr. Raj wrong houses from

861

01:03:25.560 --> 01:03:26.730

Mike Faulkner: 24 to 36 and

862

01:03:26.730 --> 01:03:27.210
For

863

01:03:31.710 --> 01:03:33.750
Mike Faulkner: Me and I don't do that. I'm gonna

864

01:03:33.810 --> 01:03:34.260
Write

865

01:03:35.730 --> 01:03:36.900
Town participant: A spec.

866

01:03:38.430 --> 01:03:39.090
Mike Faulkner: Program to

867

01:03:43.080 --> 01:03:43.560
Town participant: Work.

868

01:03:45.660 --> 01:03:47.070
Mike Faulkner: I would say it would be worth

869

01:03:47.160 --> 01:03:47.970
Mike Faulkner: Getting the

870

01:03:48.510 --> 01:03:51.930
Mike Faulkner: quote from him to see how much it would be, you know, it's kind of hard.

871

01:03:53.280 --> 01:03:55.770
Mike Faulkner: To make a decision like that, if we have no idea.

872

01:03:58.860 --> 01:03:59.400
The word

873

01:04:03.570 --> 01:04:03.990
Town participant: Wrong.

874

01:04:04.200 --> 01:04:05.610
Mike Faulkner: Oh, I see what you're saying.

875

01:04:43.860 --> 01:04:44.430

Mike Faulkner: Yeah.

876

01:04:47.670 --> 01:04:48.120

Mike Faulkner: Amazing.

877

01:04:50.820 --> 01:04:51.180

Mike Faulkner: Okay.

878

01:04:51.360 --> 01:04:53.070

Mike Faulkner: So you're talking about the fire department.

879

01:04:54.210 --> 01:04:57.810

Mike Faulkner: Oh, I thought you meant town by heavy duty washer and dryer.

880

01:04:58.320 --> 01:04:58.590

That's

881

01:05:06.180 --> 01:05:07.920

Mike Faulkner: Rick and I don't have a problem. You got a problem.

882

01:05:07.950 --> 01:05:09.300

Mike Faulkner: Carla Lani

883

01:05:09.960 --> 01:05:12.570

Mike Faulkner: Nope. Okay, we got one here.

884

01:05:16.590 --> 01:05:17.130

Town participant: Yeah.

885

01:05:18.450 --> 01:05:18.720

Town participant: Yeah.

886

01:05:26.220 --> 01:05:26.610

Town participant: What

887

01:05:26.700 --> 01:05:31.650

Mike Faulkner: We agree that we allow them to put the dryer in there. The fire department.

888

01:05:32.970 --> 01:05:33.390

Mike Faulkner: Right.

889

01:05:37.590 --> 01:05:42.450

Mike Faulkner: Cool, thank you. I saw that. See, I was confused. I thought you meant you wanted the town to buy it. So,

890

01:05:47.730 --> 01:05:50.130

Mike Faulkner: Okay. Moving right along here.

891

01:05:53.760 --> 01:05:53.970

Mike Faulkner: No.

892

01:05:54.240 --> 01:05:55.650

Mike Faulkner: Stephanie, are you here.

893

01:05:57.210 --> 01:05:59.280

Mike Faulkner: Okay I she gave me her report.

894

01:06:01.260 --> 01:06:06.360

Mike Faulkner: And just as a warning. I have trouble reading or writing. So I'll do the best I can.

895

01:06:09.540 --> 01:06:13.350

Mike Faulkner: The first thing he says is very important reception.

896

01:06:14.640 --> 01:06:15.780

Mike Faulkner: No idea what that means.

897

01:06:17.400 --> 01:06:17.880

Mike Faulkner: But

898

01:06:18.480 --> 01:06:19.260

Mike Faulkner: Need to

899

01:06:24.000 --> 01:06:24.660

Mike Faulkner: cough drop

900

01:06:31.740 --> 01:06:33.300

Mike Faulkner: Me to HR on

901

01:06:34.290 --> 01:06:37.560

Mike Faulkner: Premises per lawyer from Watertown

902

01:06:41.280 --> 01:06:44.760

Mike Faulkner: runs our 20 to 30% drop fuel costs are down.

903

01:06:45.870 --> 01:06:48.120

Mike Faulkner: The sanitizing fagre works well.

904

01:06:51.810 --> 01:06:53.100

Mike Faulkner: In services done

905

01:06:55.710 --> 01:06:59.520

Mike Faulkner: For MS week food was \$410 and three cents.

906

01:06:59.820 --> 01:07:05.820

Mike Faulkner: Codes \$1,998 and three cents email and audits to those

907

01:07:06.210 --> 01:07:11.280

Mike Faulkner: 15 starter handbook needs to be updated state mandatory.

908

01:07:12.630 --> 01:07:17.400

Mike Faulkner: The monies are divided in in keeping Pathfinder community
MBT

909

01:07:19.230 --> 01:07:22.050

Mike Faulkner: To maintain the insurance federal

910

01:07:24.960 --> 01:07:26.400

Mike Faulkner: That is president. Okay.

911

01:07:26.430 --> 01:07:27.630

Town participant: If banks collapsed. So

912

01:07:27.630 --> 01:07:35.550

Mike Faulkner: It must be somebody asked them the same question that we
were asked last month, and they had probably had to prove that their
money was

913

01:07:37.440 --> 01:07:39.000

Town participant: Insured being in the bank.

914

01:07:41.880 --> 01:07:43.770

Town participant: So that's very for

915

01:07:45.450 --> 01:07:50.910

Mike Faulkner: Me has a copy already so it will be in the minutes if necessary. Anybody wants to review it.

916

01:07:55.290 --> 01:07:55.950

Mike Faulkner: Works report.

917

01:08:11.070 --> 01:08:11.430

Town participant: My

918

01:08:24.090 --> 01:08:24.540

Gosh.

919

01:08:27.720 --> 01:08:28.950

Mike Faulkner: In one certified copy of

920

01:08:32.520 --> 01:08:33.240

Mike Faulkner: The gym.

921

01:08:33.420 --> 01:08:34.710

Mike Faulkner: For late

922

01:08:35.460 --> 01:08:36.840

Mike Faulkner: For me, maybe you

923

01:08:39.510 --> 01:08:39.840

Mike Faulkner: Can

924

01:08:41.280 --> 01:08:41.760

Town participant: See

925

01:08:42.540 --> 01:08:43.500

Mike Faulkner: And you're 13

926

01:08:44.100 --> 01:08:44.970

Mike Faulkner: building permits.

927

01:08:46.260 --> 01:08:50.520

Mike Faulkner: Medications at \$25 in itself, the 29th of May.

928

01:08:51.360 --> 01:08:57.120

Mike Faulkner: And I received information from state archives that are coming out with a new retention.

929

01:08:57.120 --> 01:08:59.790

Mike Faulkner: Schedule booklet and this one will

930

01:08:59.880 --> 01:09:01.590

Mike Faulkner: Replace the old one.

931

01:09:38.670 --> 01:09:39.540

Mike Faulkner: Related to the

932

01:09:40.410 --> 01:09:40.980

Mike Faulkner: Going back

933

01:09:44.010 --> 01:09:48.510

Mike Faulkner: Kristen Giuliana our representative from Eastern Shore is bringing us

934

01:09:49.170 --> 01:09:51.240

Mike Faulkner: Up and 95 masks.

935

01:09:53.040 --> 01:10:00.450

Mike Faulkner: So, and she's gonna drop those off and I had a lot of that's how I confirmed with Amy shoes one back to regular hours.

936

01:10:01.500 --> 01:10:04.890

Mike Faulkner: So that Kristin could drop them off with so she would be here. So,

937

01:10:10.590 --> 01:10:23.760

Mike Faulkner: Um, I wanted to send a shout out to to the me for coming in. Above and beyond the call. Some people were having a serious issue with their dog license. I just happened to be here. I think it was like 430 on a Friday afternoon.

938

01:10:24.780 --> 01:10:26.130

Mike Faulkner: And they were having a

939

01:10:26.160 --> 01:10:26.760
kitten.

940

01:10:30.900 --> 01:10:31.350
Mike Faulkner: They were

941

01:10:35.010 --> 01:10:47.970
Mike Faulkner: So I called AMY, SHE CAME IN, she helped them out made the town \$50 or thereabouts so it was a win win for everybody. And I certainly appreciate her coming in. She didn't have to

942

01:10:51.690 --> 01:10:52.770
Town participant: Yes, two dogs.

943

01:11:06.240 --> 01:11:06.930
Disappeared

944

01:11:11.850 --> 01:11:12.510
Town participant: Die.

945

01:11:14.400 --> 01:11:14.730
Town participant: But

946

01:11:15.120 --> 01:11:19.020
Town participant: He had already been there been anybody that's

947

01:11:22.080 --> 01:11:22.320
Mike Faulkner: Like

948

01:11:27.090 --> 01:11:29.010
Mike Faulkner: Oh, they said they said

949

01:11:29.670 --> 01:11:30.180
Please.

950

01:11:32.100 --> 01:11:37.500
Mike Faulkner: Yeah, I saw that so wrong fax machine. They got buddies next

951

01:11:40.380 --> 01:11:41.460
Mike Faulkner: Oh. Hey, Molly.

952

01:11:41.490 --> 01:11:44.730

Mike Faulkner: She had my dog's name or yet.

953

01:11:45.900 --> 01:11:49.110

Mike Faulkner: Oh, come in Monday and license.

954

01:11:49.290 --> 01:11:50.070

Town participant: More at

955

01:11:51.330 --> 01:11:53.100

Mike Faulkner: Least we got caught up.

956

01:11:54.360 --> 01:11:57.300

Mike Faulkner: But she was literally crying, talking to Katie was

957

01:12:01.500 --> 01:12:03.660

Mike Faulkner: So I appreciate you coming in taking care of

958

01:12:06.570 --> 01:12:07.440

Mike Faulkner: The game.

959

01:12:09.930 --> 01:12:11.430

Town participant: As much of us to but

960

01:12:11.910 --> 01:12:13.440

Town participant: This is not only for

961

01:12:14.040 --> 01:12:17.040

Mike Faulkner: You, Sam. Thank you. When you're giving them to Bobby this

962

01:12:18.090 --> 01:12:19.290

Mike Faulkner: Applications to

963

01:12:19.290 --> 01:12:19.740

VOTE

964

01:12:21.150 --> 01:12:22.170

Mike Faulkner: by mail or

965

01:12:22.170 --> 01:12:22.920

Mike Faulkner: In person.

966

01:12:23.970 --> 01:12:25.890

Mike Faulkner: Is willing to be open for June.

967

01:12:25.920 --> 01:12:26.940

23 yes

968

01:12:28.950 --> 01:12:30.930

Mike Faulkner: What parameters is going on and

969

01:12:36.060 --> 01:12:38.070

Mike Faulkner: You've been contacted by the county and set it.

970

01:12:38.070 --> 01:12:38.430

Mike Faulkner: All up

971

01:12:40.410 --> 01:12:41.700

Town participant: There isn't a state.

972

01:12:41.820 --> 01:12:42.570

Mike Faulkner: Of grammar.

973

01:12:43.770 --> 01:12:47.550

Mike Faulkner: Okay, so they know anything local June 23

974

01:12:48.990 --> 01:12:50.250

Mike Faulkner: We do another choice.

975

01:12:50.430 --> 01:12:51.450

Mike Faulkner: So it is going to be

976

01:12:57.900 --> 01:12:58.230

Mike Faulkner: That

977

01:13:00.420 --> 01:13:01.470

Mike Faulkner: I was confused.

978

01:13:02.820 --> 01:13:09.150

Mike Faulkner: He had to, you had to submit your school board or your school budget vote.

Mike Faulkner: On favor. Hi.

1008

01:16:55.200 --> 01:16:55.860

Mike Faulkner: Like this.

1009

01:16:56.880 --> 01:16:57.570

Town participant: Balance.

1010

01:16:58.950 --> 01:17:00.510

Mike Faulkner: Like that, because they look back and

1011

01:17:00.510 --> 01:17:03.450

Mike Faulkner: Budget now see what's available in each line item.

1012

01:17:03.570 --> 01:17:06.540

Mike Faulkner: I will try to be sure to send one every month through now on I was

1013

01:17:07.380 --> 01:17:14.370

Mike Faulkner: Pretty much still learning the process. That's why I hadn't sent them out. I did send one a couple months ago, but perhaps you didn't get it. I don't know, but

1014

01:17:18.570 --> 01:17:21.180

Mike Faulkner: Yeah, like I actually refer that quite a bit now.

1015

01:17:22.740 --> 01:17:27.090

Mike Faulkner: Moving on to General Mills. Any questions or

1016

01:17:28.680 --> 01:17:29.430

Mike Faulkner: Problems.

1017

01:17:34.410 --> 01:17:34.710

Town participant: Okay.

1018

01:17:36.150 --> 01:17:38.400

Mike Faulkner: Have a motion to accept.

1019

01:17:38.430 --> 01:17:39.570

Mike Faulkner: By Rick second

1020

01:17:41.820 --> 01:17:43.230

Mike Faulkner: All in favor. I

1021

01:17:44.460 --> 01:17:46.050

Mike Faulkner: And highway bills.

1022

01:17:49.860 --> 01:17:51.720

Mike Faulkner: Motion by Carl second

1023

01:17:55.530 --> 01:17:56.340

Town participant: One go

1024

01:17:56.670 --> 01:18:00.750

Mike Faulkner: I'll second. Rick. Second. All in favor. Aye.

1025

01:18:02.460 --> 01:18:05.220

Mike Faulkner: My name is there. I can hear him say I agree. No, no.

1026

01:18:12.870 --> 01:18:13.230

Mike Faulkner: Okay.

1027

01:18:13.380 --> 01:18:14.340

Mike Faulkner: Old business.

1028

01:18:14.640 --> 01:18:19.890

Mike Faulkner: I have when I wrote this, I hadn't received three loose bids. I am now we see

1029

01:18:19.890 --> 01:18:21.060

Mike Faulkner: For instance,

1030

01:18:23.160 --> 01:18:23.370

Mike Faulkner: At

1031

01:18:24.120 --> 01:18:25.380

Mike Faulkner: Least one more.

1032

01:18:26.790 --> 01:18:30.600

Mike Faulkner: Someone else's contacted me and I can't tell you off top my head, who it was.

1033

01:18:31.230 --> 01:18:33.090

Mike Faulkner: But so far, we have received

1034

01:18:33.990 --> 01:18:35.070

Mike Faulkner: A call

1035

01:18:35.100 --> 01:18:36.600

Mike Faulkner: From Dixon building

1036

01:18:36.810 --> 01:18:37.410

Company.

1037

01:18:38.610 --> 01:18:40.170

Mike Faulkner: Superior builders.

1038

01:18:41.490 --> 01:18:45.600

Mike Faulkner: Shaffer building and j and B installations.

1039

01:18:47.700 --> 01:18:50.970

Mike Faulkner: Want to go into details right now or just wait till we get all the bits.

1040

01:19:04.740 --> 01:19:05.340

Town participant: Gracious

1041

01:19:06.330 --> 01:19:10.500

Mike Faulkner: Pretty consistent with the process cereals and yes

1042

01:19:11.760 --> 01:19:20.580

Mike Faulkner: And I think once we get all the bids, we can make sure that all of them are aware, you know, we need to decide if we want to go with a PDF

1043

01:19:20.610 --> 01:19:21.450

Town participant: Or that to

1044

01:19:21.480 --> 01:19:22.230

Mike Faulkner: Pee stuff.

1045

01:19:22.830 --> 01:19:24.180

Mike Faulkner: We need to decide that

1046

01:19:24.810 --> 01:19:29.340

Mike Faulkner: And then they may need to make adjustments based on that. But at this point, they're on

1047

01:19:30.510 --> 01:19:34.650

Mike Faulkner: Looking at about the same procedure. So we're comparing apples to apples.

1048

01:19:38.820 --> 01:19:42.120

Mike Faulkner: 15th of June, although I wouldn't

1049

01:19:42.690 --> 01:19:44.850

Mike Faulkner: Mind holding it off for another week.

1050

01:19:44.970 --> 01:19:45.870

Mike Faulkner: Just in case.

1051

01:19:48.990 --> 01:19:49.230

Town participant: Yep.

1052

01:19:50.190 --> 01:19:51.000

Mike Faulkner: That will will

1053

01:19:52.320 --> 01:19:54.090

Mike Faulkner: Will actually make a decision at the July.

1054

01:19:54.090 --> 01:19:54.450

Meeting.

1055

01:20:02.880 --> 01:20:03.330

Mike Faulkner: Today,

1056

01:20:03.390 --> 01:20:04.500

Mike Faulkner: Right. Today's

1057

01:20:04.590 --> 01:20:11.220

Mike Faulkner: That's what they have here today. They're changing booked up but you can always find two days are squeezed out, man.

1058

01:20:14.730 --> 01:20:16.320

Mike Faulkner: Table that till we discuss it will

1059

01:20:16.770 --> 01:20:19.800

Mike Faulkner: may even have to have a workshop or something on it as we get more

1060

01:20:24.720 --> 01:20:28.890

Mike Faulkner: There it is. I was looking all over for Town Clerk's monthly report in the wrong spot.

1061

01:20:33.210 --> 01:20:33.780

Mike Faulkner: Okay.

1062

01:20:37.260 --> 01:20:41.340

Mike Faulkner: You I gave everyone a comparison of the marando and glider numbers.

1063

01:20:46.980 --> 01:20:48.810

Mike Faulkner: Know, I should have been in your mailbox.

1064

01:20:51.810 --> 01:20:53.760

Mike Faulkner: I will grab it for it because I'm pretty sure it's their

1065

01:20:57.960 --> 01:20:59.340

Mike Faulkner: mailbox Monday, so

1066

01:21:05.310 --> 01:21:06.330

Mike Faulkner: Mail every day.

1067

01:21:24.990 --> 01:21:28.020

Mike Faulkner: One change that I don't have on here is just

1068

01:21:28.020 --> 01:21:38.520

Mike Faulkner: Today, or avocado updated and they, I mean, sorry glider updated and they will come down to \$1 35 on the propane as well for one year.

1069

01:21:40.620 --> 01:21:41.940

Mike Faulkner: So overall,

1070

01:21:42.840 --> 01:21:44.370

Mike Faulkner: The glider proposal.

1071

01:21:45.030 --> 01:21:45.750

Mike Faulkner: Does be

1072

01:21:45.780 --> 01:21:48.420

Mike Faulkner: The morale booster marando proposal by

1073

01:21:49.110 --> 01:21:51.600

Mike Faulkner: Some dollars. It's not a huge amount

1074

01:21:52.920 --> 01:21:53.280

Mike Faulkner: But

1075

01:21:53.430 --> 01:21:54.630

Mike Faulkner: I did my homework.

1076

01:21:54.660 --> 01:22:01.380

Mike Faulkner: Or comparing apples to apples. Pretty much exactly the same service exactly the same.

1077

01:22:01.950 --> 01:22:02.790

Mike Faulkner: Everything.

1078

01:22:03.150 --> 01:22:05.160

Mike Faulkner: And glider wins by a few dollars.

1079

01:22:10.530 --> 01:22:11.310

Mike Faulkner: Correct free

1080

01:22:11.850 --> 01:22:17.940

Mike Faulkner: marando didn't drop their generator install to 222 20

1081

01:22:18.690 --> 01:22:19.770

Mike Faulkner: But glider will do it for

1082

01:22:19.770 --> 01:22:20.190

Town participant: Free

1083

01:22:20.730 --> 01:22:24.540

Mike Faulkner: Now I didn't talk to George today. He said, Unless they run into some

1084

01:22:24.540 --> 01:22:29.220

Mike Faulkner: Kind of problem where they got to convert the generator and all kinds of stuff. So he did kind of put a little

1085

01:22:30.090 --> 01:22:30.990

Mike Faulkner: Clause in there.

1086

01:22:31.020 --> 01:22:32.580

Mike Faulkner: But I don't think

1087

01:22:32.700 --> 01:22:34.020

Mike Faulkner: Any of that's going to need to be done.

1088

01:22:35.610 --> 01:22:36.930

Town participant: So, so

1089

01:22:38.340 --> 01:22:39.090

Mike Faulkner: I'm guessing.

1090

01:22:39.420 --> 01:22:40.470

Mike Faulkner: It makes the most sense to

1091

01:22:40.470 --> 01:22:41.370

Town participant: Change the glider.

1092

01:22:44.010 --> 01:22:45.570

Mike Faulkner: Everybody understand my

1093

01:22:45.930 --> 01:22:47.460

Town participant: Quotes here and

1094

01:22:47.490 --> 01:22:47.850

Yep.

1095

01:22:49.290 --> 01:22:50.610

Mike Faulkner: Okay Blondie you good with that.

1096

01:22:51.060 --> 01:22:51.510

Lonny Mattison: Oh, yeah.

1097

01:22:52.170 --> 01:22:54.030

Mike Faulkner: Okay, so can I have a motion.

1098

01:22:55.530 --> 01:22:56.670

Mike Faulkner: To switch to glider.

1099

01:22:57.870 --> 01:22:58.770

Lonny Mattison: I'll make a motion.

1100

01:22:59.280 --> 01:23:00.030

Mike Faulkner: Okay, second

1101

01:23:02.010 --> 01:23:02.910

Mike Faulkner: All in favor.

1102

01:23:03.420 --> 01:23:03.810

Aye.

1103

01:23:06.180 --> 01:23:09.240

Mike Faulkner: Sir. Well, I told him I would contact him tomorrow.

1104

01:23:11.400 --> 01:23:12.000

Town participant: See

1105

01:23:15.030 --> 01:23:15.750
Town participant: You

1106
01:23:16.110 --> 01:23:16.380
Nice.

1107
01:23:22.470 --> 01:23:23.760
Mike Faulkner: To be a letter that the

1108
01:23:23.790 --> 01:23:24.900
Mike Faulkner: Fallon supplier.

1109
01:23:25.980 --> 01:23:26.700
Mike Faulkner: You might achieve

1110
01:23:27.510 --> 01:23:28.440
A lot of my

1111
01:23:30.270 --> 01:23:31.440
Mike Faulkner: Money back but they give

1112
01:23:31.440 --> 01:23:38.220
Mike Faulkner: Me more attention to last what company would do that. I mean I wouldn't know the difference.

1113
01:23:41.790 --> 01:23:45.300
Mike Faulkner: There any trouble with Miranda, though, either for that matter. I mean, they've been a good company as

1114
01:23:45.300 --> 01:23:52.140
Mike Faulkner: Well, but you know it's black and white right here. They beat them by a few cents and both diesel.

1115
01:23:52.170 --> 01:23:56.100
Mike Faulkner: fuel oil and they tied them on the propane and they do the installation for free.

1116
01:23:56.730 --> 01:23:56.940
So,

1117
01:23:58.020 --> 01:23:59.700
Mike Faulkner: I guess we don't need to talk about that anymore.

1118

01:24:03.900 --> 01:24:04.500

Mike Faulkner: My own

1119

01:24:05.940 --> 01:24:08.070

Mike Faulkner: Update the retirement system is

1120

01:24:08.070 --> 01:24:09.120

Mike Faulkner: Almost up today.

1121

01:24:09.840 --> 01:24:13.260

Mike Faulkner: Getting got a couple more things to do and

1122

01:24:14.340 --> 01:24:14.970

Mike Faulkner: We're going to be

1123

01:24:15.270 --> 01:24:24.360

Mike Faulkner: Golden so if Jennifer was here I'd give her a hug, because she helped me through an immense amount of stuff. So that was very cool.

1124

01:24:26.010 --> 01:24:27.240

Any other old business.

1125

01:24:31.830 --> 01:24:33.540

Mike Faulkner: Okay, and then the new business.

1126

01:24:34.920 --> 01:24:35.730

Mike Faulkner: I have

1127

01:24:35.820 --> 01:24:37.140

Mike Faulkner: After talking with

1128

01:24:37.170 --> 01:24:38.790

Mike Faulkner: You guys earlier in the

1129

01:24:38.790 --> 01:24:40.920

Mike Faulkner: Month, you've got a

1130

01:24:42.510 --> 01:24:43.950

Mike Faulkner: Frontier and spectrum.

1131

01:24:45.300 --> 01:24:47.070

Mike Faulkner: Or getting more service.

1132

01:24:48.210 --> 01:24:51.630

Mike Faulkner: For \$180 and 30 cents less

1133

01:24:51.660 --> 01:24:53.370

Mike Faulkner: Per month over the next year.

1134

01:24:54.390 --> 01:24:54.780

So that's

1135

01:24:57.240 --> 01:24:57.480

Mike Faulkner: One.

1136

01:25:01.830 --> 01:25:03.270

Mike Faulkner: \$800 per year. Sorry.

1137

01:25:05.790 --> 01:25:06.330

Mike Faulkner: The

1138

01:25:08.160 --> 01:25:09.570

Mike Faulkner: Concern at this point.

1139

01:25:09.600 --> 01:25:12.240

Mike Faulkner: Is how long it's gonna take spectrum to install everything

1140

01:25:13.140 --> 01:25:21.360

Mike Faulkner: I have been in touch with them and he said it's there at least two weeks out. So hopefully that they will follow through and get all this taken care of. But

1141

01:25:23.760 --> 01:25:24.360

Oh, absolutely.

1142

01:25:28.650 --> 01:25:29.010

Mike Faulkner: Yes.

1143

01:25:32.220 --> 01:25:32.490

Every

1144

01:25:40.020 --> 01:25:40.620

Town participant: Deal.

1145

01:25:41.070 --> 01:25:50.400

Mike Faulkner: These are these prices are for one year. And then after the first year. Exactly. So you're right it will

1146

01:25:50.460 --> 01:25:52.170

Require some homework again.

1147

01:25:57.030 --> 01:26:01.620

Mike Faulkner: Next thing I received a request from a constituent to

1148

01:26:01.980 --> 01:26:02.880

Mike Faulkner: Open the playground.

1149

01:26:10.080 --> 01:26:10.560

Town participant: You

1150

01:26:11.550 --> 01:26:11.790

Mike Faulkner: Got a

1151

01:26:12.240 --> 01:26:13.170

Town participant: prayer room.

1152

01:26:14.130 --> 01:26:14.520

Mike Faulkner: By the

1153

01:26:15.270 --> 01:26:15.810

Mike Faulkner: By the board.

1154

01:26:17.940 --> 01:26:19.470

Mike Faulkner: So the depths of the minutes right

1155

01:26:19.770 --> 01:26:21.900

Mike Faulkner: Because that's a utility. We can do that. Yeah.

1156

01:26:23.160 --> 01:26:25.980

Mike Faulkner: The word already wasn't consensus, sorry.

1157

01:26:30.840 --> 01:26:32.220
Mike Faulkner: Moving on the record.

1158
01:26:32.370 --> 01:26:36.270
Mike Faulkner: request from a constituent to open the playground. So I called our

1159
01:26:36.690 --> 01:26:42.870
Mike Faulkner: Eastern Shore representative she referred me to the past two years worth of namer reports.

1160
01:26:44.070 --> 01:26:45.300
Mike Faulkner: Leave you all have cat.

1161
01:26:47.370 --> 01:26:48.360
Mike Faulkner: And I highlighted.

1162
01:26:49.410 --> 01:27:05.250
Mike Faulkner: The sections playground behind town hall is completely unsafe for us by the public. The entire area needs to have proper surfacing replace throughout the playground area for the purpose of protecting the children that use the playground until this is done, we recommend the playground.

1163
01:27:05.490 --> 01:27:06.750
Mike Faulkner: being close to the public.

1164
01:27:06.930 --> 01:27:07.440
Mike Faulkner: That was from

1165
01:27:11.010 --> 01:27:12.090
Mike Faulkner: The town should consider

1166
01:27:12.090 --> 01:27:17.370
Mike Faulkner: Place in the playground off limits until such time as the surface underneath the playground can be improved.

1167
01:27:17.850 --> 01:27:22.860
Mike Faulkner: The shouldn't be done by keeping the gate locked to the extent possible, and by posting prominent sign to the effect of the

1168
01:27:22.860 --> 01:27:24.870
Mike Faulkner: Playground is closed until further notice.

1169

01:27:25.530 --> 01:27:32.070

Mike Faulkner: Find eventual reopening. It is suggested that the playground you sign be amended to restrict the playground equipment to children 12

1170

01:27:32.070 --> 01:27:32.550

Mike Faulkner: And under

1171

01:27:32.850 --> 01:27:35.400

Mike Faulkner: To limit the hours of operation for 10am dust.

1172

01:27:35.730 --> 01:27:44.310

Mike Faulkner: And the equipment is not to be used when the ground is frozen now problem, as you probably gathered is the surface underneath.

1173

01:27:45.420 --> 01:27:46.170

Mike Faulkner: I have

1174

01:27:48.300 --> 01:27:53.220

Mike Faulkner: A playground safe handbook. Everybody can see that on this computer.

1175

01:27:55.980 --> 01:27:57.540

Mike Faulkner: refer to page nine.

1176

01:27:59.340 --> 01:28:00.630

Mike Faulkner: They actually break it.

1177

01:28:00.630 --> 01:28:01.170

Down.

1178

01:28:02.790 --> 01:28:04.230

Mike Faulkner: Inappropriate surfacing

1179

01:28:05.370 --> 01:28:05.880

Mike Faulkner: Ass.

1180

01:28:08.730 --> 01:28:12.000

Town participant: Kermit not tested at St.

1181

01:28:14.430 --> 01:28:14.940
Mike Faulkner: Sorry.

1182
01:28:16.560 --> 01:28:17.310
Mike Faulkner: Their

1183
01:28:17.490 --> 01:28:21.120
Mike Faulkner: Grass and CC mulch.

1184
01:28:30.810 --> 01:28:32.010
Mike Faulkner: Public mistakes.

1185
01:28:33.960 --> 01:28:35.370
Mike Faulkner: Appropriate surfacing

1186
01:28:37.020 --> 01:28:38.670
Mike Faulkner: pea gravel, sand.

1187
01:28:39.750 --> 01:28:40.110
Mike Faulkner: Sure.

1188
01:28:41.460 --> 01:28:41.940
Town participant: Ready.

1189
01:28:42.030 --> 01:28:42.780
Mike Faulkner: Can you read those.

1190
01:28:53.250 --> 01:28:54.240
Town participant: rubber mold.

1191
01:28:54.960 --> 01:28:57.720
Town participant: Would mulch, not of course

1192
01:28:59.400 --> 01:28:59.940
Mike Faulkner: So,

1193
01:29:01.620 --> 01:29:02.760
Town participant: Wouldn't you, yeah.

1194
01:29:03.840 --> 01:29:04.140
Town participant: You could

1195
01:29:04.770 --> 01:29:06.510
Mike Faulkner: Be gravel, of course, and the

1196
01:29:06.780 --> 01:29:07.680
Any recycle.

1197
01:29:09.090 --> 01:29:10.500
Mike Faulkner: Material that

1198
01:29:10.950 --> 01:29:13.920
Mike Faulkner: Is tested, you know, the SDM

1199
01:29:15.120 --> 01:29:15.480
Mike Faulkner: Oh,

1200
01:29:15.540 --> 01:29:16.050
Town participant: And you

1201
01:29:16.650 --> 01:29:17.010
Will be

1202
01:29:18.300 --> 01:29:22.920
Mike Faulkner: Unitary surfaces in your wood fiber, etc. But there's

1203
01:29:23.280 --> 01:29:24.780
Mike Faulkner: You know, we can't have asphalt.

1204
01:29:24.810 --> 01:29:27.630
Mike Faulkner: We can't have carpet concrete.

1205
01:29:27.660 --> 01:29:30.000
Mike Faulkner: Dirt grass or any

1206
01:29:31.410 --> 01:29:31.800
Mike Faulkner: Perfect.

1207
01:29:34.290 --> 01:29:35.850
Mike Faulkner: So the question is, what

1208

01:29:39.720 --> 01:29:40.230

Mike Faulkner: Over

1209

01:29:40.770 --> 01:29:42.450

Mike Faulkner: Figure the Chechen cancer from

1210

01:29:42.450 --> 01:29:45.810

Mike Faulkner: Recycle rubber somebody break ground sweet. I just

1211

01:29:47.220 --> 01:29:47.520

Mike Faulkner: Got

1212

01:29:48.990 --> 01:29:50.970

Mike Faulkner: My great grandchildren, they honor

1213

01:29:52.890 --> 01:29:53.520

Mike Faulkner: To have that

1214

01:29:53.640 --> 01:29:56.370

Mike Faulkner: The rubber tires down there and

1215

01:29:56.550 --> 01:29:58.230

Mike Faulkner: They like it. However,

1216

01:29:59.010 --> 01:30:00.120

Town participant: On warm days.

1217

01:30:00.510 --> 01:30:01.320

Mike Faulkner: It's really

1218

01:30:01.560 --> 01:30:02.550

Town participant: Hot on your feet.

1219

01:30:03.300 --> 01:30:04.770

Mike Faulkner: Up there barefoot and now

1220

01:30:08.640 --> 01:30:09.630

Mike Faulkner: It's not required.

1221

01:30:10.320 --> 01:30:12.420

Mike Faulkner: Days don't

1222

01:30:13.470 --> 01:30:14.910

Mike Faulkner: Know hours.

1223

01:30:15.270 --> 01:30:19.080

Mike Faulkner: After the viruses or with your normal

1224

01:30:19.110 --> 01:30:20.220

Mike Faulkner: hours away me

1225

01:30:20.520 --> 01:30:21.870

Town participant: 10 through two

1226

01:30:22.440 --> 01:30:25.080

Town participant: Or what days of the week on a

1227

01:30:31.920 --> 01:30:32.940

Town participant: Playground.

1228

01:30:34.950 --> 01:30:36.930

Mike Faulkner: Big, small kids on the playground should have a

1229

01:30:39.510 --> 01:30:40.350

Mike Faulkner: Laptop

1230

01:30:44.700 --> 01:30:53.070

Mike Faulkner: I guess so. I mean, I don't know why we well the mayor at that time wanted it. Number one,

1231

01:30:53.460 --> 01:30:54.690

Mike Faulkner: It's good to have one

1232

01:30:54.690 --> 01:30:55.110

Town participant: But

1233

01:30:55.560 --> 01:30:57.360

Mike Faulkner: If you don't have facilities.

1234

01:30:59.760 --> 01:31:02.550

Mike Faulkner: You know, children are you go to the bathroom every five minutes.

1235

01:31:03.840 --> 01:31:10.350

Mike Faulkner: And if you don't have a place for them to a restroom to go to, not a good idea to have a playground.

1236

01:31:10.800 --> 01:31:17.520

Mike Faulkner: We, I think we need to decide if we're going to either get rid of the playground or fix the surface. And what I'm using the playground.

1237

01:31:20.370 --> 01:31:22.860

Mike Faulkner: We don't have to have a bathroom. That's not a requirement.

1238

01:31:23.850 --> 01:31:24.870

Mike Faulkner: Yeah, the great

1239

01:31:24.960 --> 01:31:25.530

Money.

1240

01:31:27.510 --> 01:31:27.870

Town participant: Wow.

1241

01:31:28.140 --> 01:31:30.180

Mike Faulkner: The locals. So they use a playground.

1242

01:31:30.450 --> 01:31:31.920

Mike Faulkner: Or did you see it.

1243

01:31:33.120 --> 01:31:34.680

Town participant: I see you wanted to you.

1244

01:31:40.020 --> 01:31:42.720

Mike Faulkner: Know people on a steady, you know, like

1245

01:31:44.130 --> 01:31:46.140

Mike Faulkner: Like two or three families a day and I'm

1246

01:31:46.140 --> 01:31:48.450

Mike Faulkner: Like that. Yeah, I mean it's not

1247

01:31:52.590 --> 01:31:53.190
Town participant: Right, but

1248

01:31:53.520 --> 01:31:54.870
Town participant: The other, we can consider is, we

1249

01:31:54.870 --> 01:31:57.450
Mike Faulkner: Don't have anything else. And in the town that

1250

01:31:58.650 --> 01:32:02.820
Mike Faulkner: Would be, I mean it's there, it's usable, though.

1251

01:32:03.870 --> 01:32:04.170
Mike Faulkner: You're

1252

01:32:07.380 --> 01:32:10.980
Mike Faulkner: A. It doesn't say that. It just says post signage.

1253

01:32:12.000 --> 01:32:12.450
Town participant: Accident

1254

01:32:13.290 --> 01:32:16.650
Mike Faulkner: Yeah, it just said we have to have signage, you know, saying that it's

1255

01:32:16.680 --> 01:32:17.430
Mike Faulkner: Only open

1256

01:32:18.210 --> 01:32:21.180
Mike Faulkner: You know, so probably only going to sell her kids technically

1257

01:32:21.570 --> 01:32:22.260
Town participant: It's closed.

1258

01:32:22.290 --> 01:32:24.750
Mike Faulkner: At dusk, it will stop you from rule in there.

1259

01:32:27.270 --> 01:32:30.870
Mike Faulkner: So I you know I would like to make a decision on whether we want to

1260

01:32:31.710 --> 01:32:33.180

Mike Faulkner: Keep it and resurface it

1261

01:32:33.270 --> 01:32:39.060

Mike Faulkner: Or or just dismantle it and get rid of it. Why, why keep it hanging around here forever if nobody can use it.

1262

01:32:40.980 --> 01:32:42.390

Mike Faulkner: Any comments or questions.

1263

01:32:43.470 --> 01:32:45.540

Lonny Mattison: I say we've tried to fix it somehow.

1264

01:32:46.620 --> 01:32:47.790

Mike Faulkner: I agree. That's my

1265

01:32:47.970 --> 01:32:49.080

Opinion as well.

1266

01:32:51.030 --> 01:32:54.180

Mike Faulkner: Because I would like to see something for the kids. There's nothing else here. I mean,

1267

01:32:54.360 --> 01:32:56.640

Mike Faulkner: Right. It gives, gives them.

1268

01:32:57.390 --> 01:32:58.140

Mike Faulkner: Something to do

1269

01:33:02.340 --> 01:33:02.670

Mike Faulkner: Well, if

1270

01:33:03.750 --> 01:33:03.960

Mike Faulkner: This

1271

01:33:05.610 --> 01:33:05.880

Town participant: Is

1272

01:33:06.570 --> 01:33:09.120

Mike Faulkner: Right. But it's been closed for a while.

1273

01:33:11.610 --> 01:33:11.970

Mike Faulkner: If

1274

01:33:13.080 --> 01:33:14.220

Mike Faulkner: If we at least bring it up.

1275

01:33:16.440 --> 01:33:17.520

Creating the problem.

1276

01:33:20.340 --> 01:33:20.520

Hey,

1277

01:33:32.880 --> 01:33:34.260

Mike Faulkner: It's harder to move now anyway.

1278

01:33:35.550 --> 01:33:35.970

Mike Faulkner: Swing

1279

01:33:36.570 --> 01:33:37.500

Town participant: On the ground up to

1280

01:33:39.240 --> 01:33:39.750

Mike Faulkner: Another

1281

01:33:39.840 --> 01:33:40.590

School

1282

01:33:42.300 --> 01:33:44.640

Town participant: They donated swag later.

1283

01:33:45.360 --> 01:33:46.410

Mike Faulkner: Taylor water bottle.

1284

01:33:47.520 --> 01:33:48.810

Town participant: Stephen accrued and

1285

01:33:48.810 --> 01:33:53.490

Mike Faulkner: Put in London. I don't think there were dead. Somebody to around the ground out there. Yeah.

1286

01:33:54.150 --> 01:33:54.750

Mike Faulkner: Not sure.

1287

01:33:55.290 --> 01:33:55.950

Town participant: Maybe we should

1288

01:33:56.730 --> 01:33:57.510

Mike Faulkner: Come out here.

1289

01:33:57.990 --> 01:33:59.430

Mike Faulkner: And meeting with

1290

01:34:00.300 --> 01:34:01.890

Mike Faulkner: The board out there on

1291

01:34:03.240 --> 01:34:05.400

Mike Faulkner: Some nice day and see what

1292

01:34:05.730 --> 01:34:06.120

Town participant: What you got,

1293

01:34:06.420 --> 01:34:11.190

Mike Faulkner: What we've got to do. And maybe we can, but the swings out. And so Peter, not a big deal.

1294

01:34:12.120 --> 01:34:19.710

Mike Faulkner: I mean, if we can get the dump truck in a matter of fact would be useful order or whatever. But you know, that's not a that's not a little costly.

1295

01:34:21.450 --> 01:34:28.470

Mike Faulkner: When I learned about a big fence here. So, okay, um, that's, that's my personal opinion, but I think

1296

01:34:30.900 --> 01:34:34.050

Mike Faulkner: certainly wouldn't cost that much to put the proper surface on the bottom.

1297

01:34:47.070 --> 01:34:48.750

Mike Faulkner: I think we want to sign that

1298

01:34:49.980 --> 01:34:50.190

Right.

1299

01:34:53.850 --> 01:34:57.510

Mike Faulkner: Right. But when we can post signage that quote covers our buck.

1300

01:35:01.710 --> 01:35:05.580

Mike Faulkner: Right, yeah. So okay, so we'll look into.

1301

01:35:06.600 --> 01:35:07.650

Mike Faulkner: What we've got to do.

1302

01:35:10.170 --> 01:35:10.530

Mike Faulkner: And

1303

01:35:14.490 --> 01:35:16.410

Town participant: It shouldn't be a big deal. Maybe

1304

01:35:17.070 --> 01:35:17.490

When we

1305

01:35:19.650 --> 01:35:23.580

Mike Faulkner: Meet about the workshop or whatever. Maybe we could all get just

1306

01:35:26.460 --> 01:35:27.390

Mike Faulkner: Yeah, I mean, if that's

1307

01:35:27.660 --> 01:35:28.770

Mike Faulkner: Agreeable with everybody.

1308

01:35:30.720 --> 01:35:32.220

Mike Faulkner: Lani degrees. I agree.

1309

01:35:33.960 --> 01:35:34.440

Town participant: Yeah.

1310

01:35:34.500 --> 01:35:36.720

Mike Faulkner: I agree with him. But yeah, but

1311

01:35:36.780 --> 01:35:41.130

Mike Faulkner: Maybe we advertise it. You know, I don't know how many people even know it's there necessarily so.

1312

01:35:42.840 --> 01:35:43.260

Mike Faulkner: I'm

1313

01:35:44.430 --> 01:35:57.750

Mike Faulkner: Because we do have some money and you know the miscellaneous home and community service capital outlay I mentioned that here in the agenda. So there is money there that we can put into the base and get it open and I also had a request.

1314

01:35:57.780 --> 01:36:00.900

Mike Faulkner: From the same person about reinstall and a basketball.

1315

01:36:00.900 --> 01:36:01.140

Mike Faulkner: Hoop

1316

01:36:01.830 --> 01:36:02.700

Mike Faulkner: I have not had

1317

01:36:02.730 --> 01:36:14.880

Mike Faulkner: Time to review the where we stand with the governor's orders at this point. So I don't know what the specific, you know, if we can put the best foot back up tomorrow or if we have to wait until sort

1318

01:36:14.880 --> 01:36:15.390

Mike Faulkner: Of thing.

1319

01:36:21.390 --> 01:36:21.810

Town participant: Is

1320

01:36:22.860 --> 01:36:23.280

Town participant: Once

1321

01:36:26.490 --> 01:36:28.620

Mike Faulkner: You play basketball one on one.

1322

01:36:29.400 --> 01:36:31.440

Mike Faulkner: Would be walking down the road Cypress side.

1323

01:36:32.490 --> 01:36:34.230

Mike Faulkner: And also being really actually

1324

01:36:34.290 --> 01:36:35.310

Town participant: It was ridiculous even

1325

01:36:35.310 --> 01:36:43.260

Mike Faulkner: Taken down but we didn't satisfy somebody was complaining because if people are going down are playing the young boys, they were

1326

01:36:43.620 --> 01:36:45.360

Mike Faulkner: Lying culture ended.

1327

01:36:45.510 --> 01:36:46.980

Mike Faulkner: Up playing ball for

1328

01:36:51.390 --> 01:36:52.290

Mike Faulkner: Liability

1329

01:36:55.740 --> 01:36:56.250

Town participant: What do you mean

1330

01:36:59.370 --> 01:36:59.790

Mike Faulkner: No.

1331

01:37:00.480 --> 01:37:02.670

Mike Faulkner: Matter who bankable

1332

01:37:02.730 --> 01:37:03.210

Mike Faulkner: The board.

1333

01:37:07.140 --> 01:37:07.830

Mike Faulkner: I will research.

1334

01:37:08.190 --> 01:37:14.460

Mike Faulkner: I'll see if I can get some more concrete evidence. And if it's okay, I'll go ahead and have to put it back.

1335

01:37:15.630 --> 01:37:15.930

Mike Faulkner: I mean,

1336

01:37:16.230 --> 01:37:20.790

Mike Faulkner: If it's okay right yeah okay I'll check on that. I'll be my homework. There

1337

01:37:22.620 --> 01:37:25.620

Mike Faulkner: And now there's no way I'm gonna be able to find it.

1338

01:37:31.200 --> 01:37:38.670

Mike Faulkner: Last thing I got on the agenda is we received a thank you from the Williamstown seen errs group for the donation.

1341

01:38:02.760 --> 01:38:03.000
