

Note: The following is the output of transcribing from an audio/video recording from Zoom. Although the transcription is fairly accurate, in some cases it is incomplete or inaccurate due to inaudible passages or transcription errors, and in some cases, words spoken by one participant may be inaccurately attributed to another. It is posted as an aid to understanding the proceedings at the meeting, but should not be treated as an authoritative record. If you should need clarification on something said and cannot hear it, please contact the town clerk.

1

00:00:02.730 --> 00:00:13.860

Albion Attendee: Allegiance to the flag of the United States of America and to the Republic for which it stands, one nation under God, indivisible, with liberty and justice.

2

00:00:22.410 --> 00:00:25.470

Mike Faulkner: Okay, a couple of announcements, to start with.

3

00:00:26.550 --> 00:00:30.270

Mike Faulkner: Meeting will be available to the public on the zoom website.

4

00:00:30.630 --> 00:00:34.110

Albion Attendee: Minutes will be available on the town website as usual.

5

00:00:34.710 --> 00:00:39.930

Mike Faulkner: And the meeting will follow the same format as the previous three meetings and with any

6

00:00:40.200 --> 00:00:40.650

Mike Faulkner: Luck.

7

00:00:40.710 --> 00:00:41.460

Albion Attendee: With the August

8

00:00:41.760 --> 00:00:46.950

Mike Faulkner: Will be able to be back to heaven real meetings because I don't think this is necessarily a joy for

9

00:00:46.950 --> 00:00:47.400

Anybody

10

00:00:48.810 --> 00:00:49.230

Albion Attendee: To do.

11

00:00:49.560 --> 00:00:50.430

Mike Faulkner: So we're doing

12

00:00:52.080 --> 00:00:52.500

Mike Faulkner: Okay.

13

00:00:52.860 --> 00:00:54.330

Mike Faulkner: First of all, not about the previous

14

00:00:54.330 --> 00:00:57.270

Mike Faulkner: monthly meeting minutes because

15

00:01:00.300 --> 00:01:01.470

Mike Faulkner: They have a motion to accept.

16

00:01:02.280 --> 00:01:02.790

Motion.

17

00:01:04.650 --> 00:01:05.190

Mike Faulkner: Seconded.

18

00:01:05.970 --> 00:01:08.280

Lonny Mattison: Again, sorry. Oh.

19

00:01:11.760 --> 00:01:12.210

Lonny Mattison: Thank you.

20

00:01:17.760 --> 00:01:19.710

Mike Faulkner: Did her sign in as her with us.

21

00:01:22.080 --> 00:01:23.130

Mike Faulkner: Doesn't look like he is

22

00:01:23.670 --> 00:01:25.260

Paul Baxter: I haven't seen her yet.

23

00:01:25.830 --> 00:01:26.910

Mike Faulkner: Okay, maybe if he's

24

00:01:26.940 --> 00:01:27.570

You know, he

25

00:01:29.280 --> 00:01:31.890

Mike Faulkner: Knocks on the door will let him and he can give his

26

00:01:32.520 --> 00:01:33.090

Mike Faulkner: Report and

27

00:01:34.470 --> 00:01:36.720

Mike Faulkner: We'll move on to Paul. Are you prepared,

28

00:01:36.720 --> 00:01:38.160

Albion Attendee: With a report for us.

29

00:01:38.580 --> 00:01:43.260

Paul Baxter: Sure, I can be in. Well, I can be in just a second, hold on a second.

30

00:01:43.950 --> 00:01:44.250

Here.

31

00:01:45.990 --> 00:01:49.290

Mike Faulkner: In the meantime, I'd like to thank Paul, it's been a little bit of short notice.

32

00:01:49.290 --> 00:01:50.340

Albion Attendee: To throw this

33

00:01:50.790 --> 00:01:53.070

Albion Attendee: Thing together. I was planning right up until

34

00:01:53.550 --> 00:01:55.380

Mike Faulkner: Actually yesterday morning to do it.

35

00:01:56.640 --> 00:01:56.910

Mike Faulkner: You know,

36

00:01:56.970 --> 00:01:58.020

Mike Faulkner: Live with as many

37

00:01:58.020 --> 00:02:02.010

Mike Faulkner: People, as we wanted, within reason. And then we found out that the

38

00:02:02.010 --> 00:02:03.480

Mike Faulkner: Governor it extended the

39

00:02:05.340 --> 00:02:08.130

Albion Attendee: Executive order so that we had to do it by zoom again.

40

00:02:08.340 --> 00:02:09.240

Albion Attendee: And here we are.

41

00:02:09.540 --> 00:02:10.380

Mike Faulkner: So thanks Paul.

42

00:02:10.980 --> 00:02:11.430

Are you guys

43

00:02:12.600 --> 00:02:19.800

Paul Baxter: Okay, here's my report, and I'll get a copy of this file to you afterwards to you in the town clerk.

44

00:02:21.000 --> 00:02:23.010

Paul Baxter: Just a couple quick points together.

45

00:02:25.980 --> 00:02:28.380

Paul Baxter: 50% occupancy level with the

46

00:02:28.380 --> 00:02:37.560

Paul Baxter: Schedule with Watertown based staff or at any given time, half of the staff is in the Watertown office and a half her working from home. So we're, we're all working but

47

00:02:37.920 --> 00:02:44.550

Paul Baxter: Only half are in the main office in Watertown and toggle staff are available for meetings with your municipality at this point.

48

00:02:45.210 --> 00:02:51.570

Paul Baxter: As you noted the governor's executive order, allowing remote meetings in public hearings, by means such as zoom

49

00:02:52.050 --> 00:02:57.570

Paul Baxter: Has been extended until August 6 and if there are any additional extensions. After that will let you know.

50

00:02:58.080 --> 00:03:04.800

Paul Baxter: If you have any other additional meetings where that might be a help. Let me know. And I'd be happy to help you out. I did want to mention that

51

00:03:05.430 --> 00:03:14.280

Paul Baxter: Since the local government conference that we didn't have this year we've been trying to bring some of the content and to you by way of

52

00:03:15.180 --> 00:03:25.110

Paul Baxter: Zoom conferences and webinars and putting things on YouTube. And I wanted to let you know that the tequila Commission has a YouTube channel where past webinars.

53

00:03:25.530 --> 00:03:33.330

Paul Baxter: And other training material is available to view at your convenience, so check it out. The link will be in the file I will send you

54

00:03:34.410 --> 00:03:47.310

Paul Baxter: And then finally, hopefully everybody got a copy of the toggle Commission's annual report Headwaters this spring. I do have some extra copies in print. And if you don't have one yet. Or you didn't get one in the mail.

55

00:03:47.850 --> 00:03:53.010

Paul Baxter: I'd be happy to give you on. And I'd also like to check and make sure what

56

00:03:54.000 --> 00:03:59.700

Paul Baxter: Email address we have on founders and what what mail address. We have four reasons we these do gotten a regular mail.

57

00:04:01.170 --> 00:04:07.740

Paul Baxter: Let me know and we'll make sure that your contact information is current and that's all I have for you for tonight.

58

00:04:15.000 --> 00:04:15.540

Mike Faulkner: That was me.

59

00:04:15.690 --> 00:04:16.080
Sorry.

60
00:04:17.940 --> 00:04:18.120
Mike Faulkner: Is

61
00:04:20.010 --> 00:04:20.190
Albion Attendee: That you

62
00:04:22.110 --> 00:04:31.650
Paul Baxter: Know I should i think i do have email addresses for you and all the board members and I think I have your mailing addresses as well. So I think everybody should have gotten that

63
00:04:31.980 --> 00:04:32.910
Paul Baxter: If anybody didn't

64
00:04:33.510 --> 00:04:41.220
Paul Baxter: I just wanted to make sure that we didn't miss anybody and I will have copies to hand out next time I'm with you physically in person.

65
00:04:42.000 --> 00:04:43.320
Mike Faulkner: Okay, hopefully that'll be soon.

66
00:04:46.020 --> 00:04:47.640
Mike Faulkner: All right. Thank you, Paul. Any questions.

67
00:04:49.980 --> 00:04:50.220
Mike Faulkner: Okay.

68
00:04:50.340 --> 00:04:51.840
Move on to

69
00:04:54.510 --> 00:04:55.350
Mike Faulkner: bring us up to date.

70
00:04:56.160 --> 00:04:58.110
Albion Attendee: Yeah, we got all our melons.

71
00:04:59.490 --> 00:05:10.500

Albion Attendee: Meltdown all ready to go. We're going to be Pavan though the third of August. I talked to him today and we paved up the or while and

72

00:05:11.820 --> 00:05:24.960

Albion Attendee: We did all the dirt roads this month just got done with smoky road. Yes, or today and we're getting ready to go to hand boy next week and then it's going to be us, but

73

00:05:26.070 --> 00:05:29.550

Albion Attendee: Other than that, that's what we've been concentrating on and

74

00:05:31.500 --> 00:05:34.680

Albion Attendee: Found that truck. I talked to you about it and

75

00:05:36.090 --> 00:05:41.250

Albion Attendee: That's, that's about it other than making decision over here on the playground.

76

00:05:42.750 --> 00:05:44.970

Albion Attendee: To go with either stone or

77

00:05:46.110 --> 00:05:59.580

Albion Attendee: Because I checked the other playgrounds L around in the stones are the ones that looked at best and paper down. You know, I don't want to just throw sand in it. A COUPLE YEARS OLD. Good morning again. So, you know,

78

00:05:59.670 --> 00:06:01.200

Albion Attendee: While we're there. We're going to go

79

00:06:01.230 --> 00:06:01.620

Albion Attendee: Let's go.

80

00:06:07.260 --> 00:06:07.680

Mike Faulkner: Own

81

00:06:09.360 --> 00:06:09.870

Albion Attendee: Should do

82

00:06:10.410 --> 00:06:13.590

Mike Faulkner: You have any idea, off the top your head what the stonework

83

00:06:14.880 --> 00:06:16.320

Mike Faulkner: Like is there.

84

00:06:17.160 --> 00:06:17.940

Albion Attendee: A price for now.

85

00:06:18.450 --> 00:06:21.480

Mike Faulkner: Okay, I've been. I've been very busy with the boys.

86

00:06:21.870 --> 00:06:23.250

Albion Attendee: Would that small JIRA all

87

00:06:23.940 --> 00:06:26.040

Mike Faulkner: I had to seal the

88

00:06:27.240 --> 00:06:29.190

Albion Attendee: Roles that we've done so far.

89

00:06:29.790 --> 00:06:31.980

Mike Faulkner: Anybody I had down in LA.

90

00:06:32.370 --> 00:06:33.750

Mike Faulkner: Mail from Orwell are

91

00:06:33.750 --> 00:06:35.430

Albion Attendee: being trained right now.

92

00:06:36.180 --> 00:06:37.140

Albion Attendee: Every time that I

93

00:06:38.730 --> 00:06:39.240

Albion Attendee: Know,

94

00:06:39.360 --> 00:06:40.710

Mike Faulkner: I got trained out

95

00:06:41.400 --> 00:06:43.200

Albion Attendee: Greater fantastic

96

00:06:44.490 --> 00:06:45.600

Albion Attendee: So that's

97

00:06:45.690 --> 00:06:48.060

Albion Attendee: All of them. It was basically

98

00:06:48.090 --> 00:06:48.690

Albion Attendee: What I do

99

00:06:49.080 --> 00:06:51.090

Albion Attendee: You know, I don't look for anything special.

100

00:06:51.960 --> 00:06:55.200

Albion Attendee: Well, really. Other than that, we're just trying to

101

00:06:55.620 --> 00:07:00.090

Albion Attendee: get everything ready because we got a lot of patching is the one shoulders of the roads.

102

00:07:00.900 --> 00:07:03.990

Albion Attendee: Are in the shoulders and volcanoes are and I'm trying to get them.

103

00:07:05.100 --> 00:07:06.720

Albion Attendee: Out so that when we do the

104

00:07:06.750 --> 00:07:07.800

Mike Faulkner: Oil and so I can

105

00:07:07.800 --> 00:07:09.330

Albion Attendee: Do the same time.

106

00:07:11.130 --> 00:07:11.400

Mike Faulkner: You

107

00:07:13.440 --> 00:07:16.680

Mike Faulkner: Want to tell us a little bit about the truck that we're going to be getting tomorrow.

108

00:07:16.740 --> 00:07:19.170

Albion Attendee: Yeah, it's a 2007

109

00:07:20.100 --> 00:07:20.370

It's

110

00:07:21.660 --> 00:07:21.930

Albion Attendee: Nice.

111

00:07:22.440 --> 00:07:25.110

Mike Faulkner: When the turbo order.

112

00:07:27.060 --> 00:07:28.320

Albion Attendee: Uber X.

113

00:07:28.980 --> 00:07:34.320

Albion Attendee: It has the old adage, everything's all set up to where all the trailer

114

00:07:37.020 --> 00:07:41.790

Mike Faulkner: It's about today, actually what I've been looking for. Exactly.

115

00:07:42.300 --> 00:07:43.590

And looking for them.

116

00:07:45.030 --> 00:07:47.310

Albion Attendee: Don't have a crew can, yes, it's

117

00:07:48.540 --> 00:07:48.780

Mike Faulkner: Done.

118

00:07:49.980 --> 00:07:50.130

Mike Faulkner: Know,

119

00:07:51.570 --> 00:07:52.440

Albion Attendee: How many miles on it.

120

00:07:53.010 --> 00:07:55.590

Albion Attendee: Oh 90,000 I'm diesel's

121

00:07:55.800 --> 00:07:58.770

Albion Attendee: They will always though it was a report.

122

00:07:59.190 --> 00:08:00.900

Albion Attendee: Vehicle sad inside

123

00:08:01.320 --> 00:08:03.360

Albion Attendee: Until the paperwork, all that clear.

124

00:08:04.020 --> 00:08:05.220

Albion Attendee: Actually been setting.

125

00:08:05.850 --> 00:08:08.160

Albion Attendee: Or three years inside and

126

00:08:09.060 --> 00:08:12.750

Albion Attendee: Then I struck is exactly what we need. What I've been

127

00:08:12.930 --> 00:08:13.650

Albion Attendee: Looking for

128

00:08:13.680 --> 00:08:18.060

Albion Attendee: So what we said ahead in the first place before that other truck. So

129

00:08:18.960 --> 00:08:25.110

Mike Faulkner: And do you plan to sell one of the other trucks to make up some of the difference

130

00:08:25.590 --> 00:08:25.920

Wow.

131

00:08:27.060 --> 00:08:31.290

Albion Attendee: Yeah, that one was replacing the one that burnt the fire.

132

00:08:31.320 --> 00:08:34.140

Albion Attendee: Gotcha. That's right. The red truck Steve's old red

133

00:08:34.140 --> 00:08:35.430

Albion Attendee: trucks coming off the road.

134

00:08:35.820 --> 00:08:42.360

Albion Attendee: I mean, that thing I always do together to get us through and we got the fire and we've made it work. This long soul.

135

00:08:43.980 --> 00:08:46.050

Albion Attendee: I feel we made. All right. Okay.

136

00:08:46.200 --> 00:08:51.300

Mike Faulkner: That's the only other tracks for yet pick up Sam is yours, and you'll read one

137

00:08:52.170 --> 00:08:55.680

Albion Attendee: You know we got the tool rack the fire truck tool.

138

00:08:56.160 --> 00:08:57.000

Mike Faulkner: Oh, yes. Yeah.

139

00:08:58.110 --> 00:09:00.150

Albion Attendee: That's that has all the tools and

140

00:09:00.180 --> 00:09:02.490

Albion Attendee: Everything and we use that that's

141

00:09:02.730 --> 00:09:03.450

Albion Attendee: Basically

142

00:09:03.540 --> 00:09:04.830

Albion Attendee: What we've been using but

143

00:09:05.160 --> 00:09:07.350

Albion Attendee: I'd like a search David on the mile

144

00:09:09.570 --> 00:09:11.910

Albion Attendee: So that's what this all their truck is

145

00:09:11.910 --> 00:09:12.360

For

146

00:09:13.440 --> 00:09:14.970

Albion Attendee: Exactly what we need to

147

00:09:15.720 --> 00:09:17.610

Mike Faulkner: Take it from Dr. Ivan all over the

148

00:09:17.640 --> 00:09:19.650

Albion Attendee: Place. Take one

149

00:09:20.670 --> 00:09:21.630

Albion Attendee: I mean, it's an

150

00:09:22.950 --> 00:09:24.150

Albion Attendee: Earlier time you

151

00:09:24.600 --> 00:09:25.560

Albion Attendee: Have to fill it out.

152

00:09:27.900 --> 00:09:29.820

Albion Attendee: They showed up to do the propane.

153

00:09:31.020 --> 00:09:33.450

Albion Attendee: Tanks that they figured would work. What

154

00:09:33.540 --> 00:09:35.280

Albion Attendee: Ain't gonna work. Yeah.

155

00:09:35.580 --> 00:09:35.820

Mike Faulkner: That's

156

00:09:36.150 --> 00:09:37.290

Mike Faulkner: A big torpedo in

157

00:09:37.290 --> 00:09:37.650

Which

158

00:09:38.760 --> 00:09:39.450

Albion Attendee: Know that

159

00:09:39.480 --> 00:09:40.410

From the beginning

160

00:09:42.600 --> 00:09:42.990

Albion Attendee: They're gonna

161

00:09:43.320 --> 00:09:45.270

Mike Faulkner: Let you know okay

162

00:09:45.300 --> 00:09:47.940

Mike Faulkner: Yeah, I've talked to your soul of the

163

00:09:48.510 --> 00:09:51.390

Mike Faulkner: Other to tread. She had a whole fight.

164

00:09:52.260 --> 00:09:53.880

Mike Faulkner: Yeah yeah

165

00:09:57.900 --> 00:09:59.910

Mike Faulkner: might pay they sold that one man.

166

00:10:00.630 --> 00:10:01.650

Albion Attendee: Well, that's one of birth.

167

00:10:02.430 --> 00:10:03.720

Mike Faulkner: I swear I'm burning. Okay.

168

00:10:04.830 --> 00:10:05.910

Albion Attendee: Yeah, that's

169

00:10:07.470 --> 00:10:09.630

Albion Attendee: Basically what this truck is replacing

170

00:10:12.300 --> 00:10:13.320

Albion Attendee: Well, we got

171

00:10:13.710 --> 00:10:14.550

Mike Faulkner: What we had

172

00:10:15.420 --> 00:10:17.280

Mike Faulkner: We had four or five pickups so

173

00:10:18.330 --> 00:10:22.290

Mike Faulkner: Why don't we don't. Right. And you'll take delivery on that tomorrow. Right.

174

00:10:22.350 --> 00:10:23.430

Mike Faulkner: Yes. No.

175

00:10:23.940 --> 00:10:24.180

No.

176

00:10:26.820 --> 00:10:27.240

Mike Faulkner: Okay.

177

00:10:30.060 --> 00:10:30.510

Paul Baxter: Australia.

178

00:10:32.790 --> 00:10:33.690

Mike Faulkner: Or here now.

179

00:10:34.800 --> 00:10:37.410

Paul Baxter: He's connecting the audio. It says

180

00:10:37.740 --> 00:10:39.420

Paul Baxter: So he should be available in just a minute.

181

00:10:39.900 --> 00:10:41.580

Mike Faulkner: Okay, yeah, we're still with that right now.

182

00:10:44.130 --> 00:10:45.270

Albion Attendee: All we're doing is we

183

00:10:45.360 --> 00:10:47.970

Albion Attendee: Went down through because it's all what and

184

00:10:48.360 --> 00:10:56.490

Albion Attendee: In grew when we went right down through graded it right off roll that. So now when you go through. There's that scratch in the

185

00:10:57.150 --> 00:11:06.900

Albion Attendee: New truck. When I had to go down through there and check the grades. So, you know, the garden where the truck was driving like this down through there, because it was a tunnel, so

186

00:11:13.050 --> 00:11:19.050

Albion Attendee: Well, I've got some up my sleeves. You know, I got something up my sleeves.

187

00:11:21.150 --> 00:11:21.840

Albion Attendee: What's that

188

00:11:24.420 --> 00:11:29.580

Albion Attendee: Right, but it's still our roads to maintain and the same of it is, is

189

00:11:31.140 --> 00:11:47.610

Albion Attendee: In there. There's a piece of land where, you know, in the future we might be interested in starting to gravel that in there because that has beautiful sand. That's where right across the road from rich lands been home saying for how many years.

190

00:11:48.630 --> 00:11:58.710

Albion Attendee: I'm telling you right now. I know one person. If you offer a little bit of money in there. I'll guarantee you'll get it. And that could be our sand for a long time.

191

00:11:59.880 --> 00:12:03.660

Albion Attendee: I mean going to go drive down the road and take a look inside of the banks, it's

192

00:12:04.980 --> 00:12:05.610

Albion Attendee: A pebble and

193

00:12:12.660 --> 00:12:19.440

Albion Attendee: That's, that's what the way I'm looking at it is my long term deal here in the future. We're going to have gravel, but

194

00:12:20.550 --> 00:12:30.750

Albion Attendee: That's a role that might get us a chunk of land and we can get it out of there. I think it's a smart thing to do. It took two days to open it up. It's not like a cost us a fortune.

195

00:12:34.680 --> 00:12:35.700

Albion Attendee: No, no.

196

00:12:39.690 --> 00:12:42.570

Albion Attendee: Other thing is on our back

197

00:12:43.950 --> 00:12:45.480
Albion Attendee: End up like an awesome

198
00:12:46.950 --> 00:12:48.180
Albion Attendee: Know there's a logo.

199
00:12:49.440 --> 00:12:53.340
Albion Attendee: Or they can actually drive and now we haven't been game while

200
00:12:54.480 --> 00:12:55.800
Albion Attendee: We wait

201
00:13:06.510 --> 00:13:13.410
Albion Attendee: Right after last season. Yeah, that's like Austin roads. She's yeah

202
00:13:16.620 --> 00:13:16.950
Albion Attendee: We

203
00:13:19.590 --> 00:13:21.480
Albion Attendee: Do live where we don't

204
00:13:25.110 --> 00:13:25.350
Albion Attendee: Think

205
00:13:30.180 --> 00:13:30.690
Albion Attendee: We have

206
00:13:32.250 --> 00:13:34.110
Albion Attendee: I did do some research and some

207
00:13:37.020 --> 00:13:39.540
Albion Attendee: People don't want to make this film that is really our

208
00:13:43.410 --> 00:13:43.830
Albion Attendee: Process.

209
00:13:46.380 --> 00:13:46.980
Albion Attendee: Doesn't

210

00:13:48.600 --> 00:13:49.290
Albion Attendee: Pretty much.

211

00:13:52.290 --> 00:13:58.890
Albion Attendee: Once a rogue always there was a court case and wrestler
wrestler that this

212

00:14:00.000 --> 00:14:02.580
Albion Attendee: Maintain growing over 30 years

213

00:14:03.720 --> 00:14:06.540
Albion Attendee: Someone lied to have as they wanted

214

00:14:08.640 --> 00:14:21.450
Albion Attendee: A land down here actually black robe off. We were not
allow them to block the road still considered usable world and nothing
more than four wheelers and walking

215

00:14:22.920 --> 00:14:29.430
Albion Attendee: So it could be come in and feel if we start. Well, it's
just like over and Doug boy that

216

00:14:31.950 --> 00:14:34.770
Albion Attendee: Was our bill driver. Okay.

217

00:14:37.110 --> 00:14:54.930
Albion Attendee: Well, all that. Yeah, that's what I know that, and the
other end is down where people were saying that I was plowing people's
yards. But that's our role that we have to fall down into there and they
tried to shut that off once before and it couldn't happen we

218

00:14:56.370 --> 00:14:56.730
Albion Attendee: See

219

00:15:05.640 --> 00:15:07.410
Albion Attendee: Not a seasonal road designation.

220

00:15:08.670 --> 00:15:20.700
Albion Attendee: minimal maintenance and then we'll wait with classified
as minimal maintenance row after row smoke hero our Google Drive which a
couple of North America.

221

00:15:21.450 --> 00:15:31.920

Albion Attendee: Over classified as minimal maintenance of all the preseason. You don't have to bring it up to stand it's minimal make you do have quite a year after the schedule.

222

00:15:37.050 --> 00:15:37.440

Albion Attendee: If you can

223

00:15:38.520 --> 00:15:39.750

Albion Attendee: You can bring on people and

224

00:15:42.930 --> 00:15:52.560

Albion Attendee: We went through a couple years ago. Right, right.

Awesome road on the other side of wall for that guy was trying to get it and where we plow up there and

225

00:15:53.670 --> 00:15:58.530

Albion Attendee: They've got shut down. He was to live up there that it's his responsibility to flower.

226

00:16:01.380 --> 00:16:04.950

Albion Attendee: Right, exactly. We, we didn't. We don't do that.

227

00:16:07.110 --> 00:16:08.910

Albion Attendee: Well, there's ways around that. No.

228

00:16:10.290 --> 00:16:10.950

All right, let's

229

00:16:12.420 --> 00:16:12.930

Albion Attendee: Let's move

230

00:16:18.930 --> 00:16:19.260

Albion Attendee: Okay.

231

00:16:25.680 --> 00:16:26.970

Herb Yerdon: Yeah, man. I

232

00:16:28.050 --> 00:16:30.930

Herb Yerdon: Think you're all having an actual mean I was told it's gonna be a zoom

233

00:16:32.310 --> 00:16:35.160

Albion Attendee: Oh my god, Turkey information off your door.

234

00:16:35.880 --> 00:16:38.400

Herb Yerdon: And so I got on zoom set of being down there.

235

00:16:41.220 --> 00:16:41.400

Herb Yerdon: Oh,

236

00:16:43.380 --> 00:16:44.580

Herb Yerdon: Kind of confusing, I guess.

237

00:16:49.470 --> 00:16:53.310

Herb Yerdon: Well, just to bring you a date and virus.

238

00:16:54.840 --> 00:16:56.370

Herb Yerdon: As of July 13

239

00:16:57.570 --> 00:17:07.290

Herb Yerdon: County in the number test. It's been done in the county is 19,378

240

00:17:08.580 --> 00:17:11.550

Herb Yerdon: And positive cases was 225

241

00:17:13.200 --> 00:17:13.920

Herb Yerdon: We've got

242

00:17:15.750 --> 00:17:25.410

Herb Yerdon: Of the ones that had 205 of those that border recovered where we only got 16 positive active cases going on right now.

243

00:17:27.330 --> 00:17:29.370

Herb Yerdon: That aspect I think we're doing pretty good.

244

00:17:31.830 --> 00:17:39.240

Herb Yerdon: The safe in everything is still saying, You gotta wear the mask six feet apart. Wash your hands. That hasn't changed at all.

245

00:17:41.130 --> 00:17:41.490

Herb Yerdon: And

246

00:17:42.660 --> 00:17:44.880

Herb Yerdon: We gotta say land sale coming up.

247

00:17:45.900 --> 00:17:47.460

Herb Yerdon: But you're going to be out two days.

248

00:17:48.900 --> 00:17:50.610

Herb Yerdon: August six and August 7

249

00:17:51.750 --> 00:17:53.370

Herb Yerdon: You gotta go get a

250

00:17:54.570 --> 00:17:59.220

Herb Yerdon: At a fill out his county backed off of form here.

251

00:18:00.960 --> 00:18:11.880

Herb Yerdon: quite lengthy you read it to advise you to have a lawyer, go over with you because there's a lot to this. Once you decide you want to get on a piece of property. It's once your money has been sent in

252

00:18:13.710 --> 00:18:22.290

Herb Yerdon: 2005 keep it. You don't get back and get some reason you don't want to practice you up ever know exactly what you've been

253

00:18:23.880 --> 00:18:25.290

Herb Yerdon: In this this year.

254

00:18:26.460 --> 00:18:28.200

Herb Yerdon: If you lost your property.

255

00:18:29.220 --> 00:18:33.150

Herb Yerdon: You can bid back on your property is the first time they've done that.

256

00:18:36.840 --> 00:18:52.020

Herb Yerdon: So, former older are permitted to participate participate in the live auction. They also participate online pre bidding and must in the mouth of back taxes plus interest was penalties.

257

00:18:53.220 --> 00:18:58.350

Herb Yerdon: Or to the county in order for your bid to be recognized. Other words, you've got to come up with that amount of money.

258

00:18:59.760 --> 00:19:07.050

Herb Yerdon: And if you do, that's what the bid has got to start off at somebody else can overbid you if they want to.

259

00:19:08.190 --> 00:19:11.970

Herb Yerdon: Oh least the owner can try to get his property back

260

00:19:13.110 --> 00:19:22.950

Herb Yerdon: And if you have any questions or we can call. It's a I want 88958150

261

00:19:24.060 --> 00:19:29.970

Herb Yerdon: And there is going to be a place you can go. You don't have to be outlined, you can go out to battle island.

262

00:19:31.170 --> 00:19:33.540

Herb Yerdon: And you can actually go out there and it

263

00:19:34.830 --> 00:19:35.100

Herb Yerdon: And

264

00:19:36.480 --> 00:19:37.440

Herb Yerdon: It a bid works.

265

00:19:39.300 --> 00:19:40.740

Herb Yerdon: At a quick sample.

266

00:19:41.910 --> 00:19:57.930

Herb Yerdon: You bid 50,000 down for a piece of property, the day of the auction, you're going to have 10% of the payment which is \$5,000 and you get to come up with bitters premium. It's just another 10% and

267

00:19:59.700 --> 00:20:10.170

Herb Yerdon: Then you have to administrative fee which is \$300 so the day the auction with you by that crap who got to have \$10,300

268

00:20:12.000 --> 00:20:17.820

Herb Yerdon: And if you bid on a piece of property \$1,000 or less. You got to have all the money that day.

269

00:20:19.620 --> 00:20:23.460

Herb Yerdon: So the remaining amount of money. He says that those 300

270

00:20:25.260 --> 00:20:29.040

Herb Yerdon: Additional costs are blue no later than September 10

271

00:20:30.390 --> 00:20:39.630

Herb Yerdon: Oh, there's quite a few rules in this bidding process. I was going to bid on it. I would make sure that you really understand the bid press it.

272

00:20:40.710 --> 00:20:41.070

Has

273

00:20:42.540 --> 00:20:47.760

Herb Yerdon: Been lose money. If you didn't, was it really understanding how that procedure works.

274

00:20:49.020 --> 00:20:49.620

Herb Yerdon: And

275

00:20:50.940 --> 00:20:56.790

Herb Yerdon: There's also a senior fire farmers market coupon drive through distribution.

276

00:20:59.820 --> 00:21:00.390

Herb Yerdon: They were

277

00:21:02.130 --> 00:21:15.930

Herb Yerdon: Have a 90 safety precautions fibers might not be distributing at the main office this girl with the main offer you could get a coupon versus age of 60 and over for the girls income.

278

00:21:17.280 --> 00:21:21.090

Herb Yerdon: Below 185% or Federal Poverty Guidelines.

279

00:21:23.760 --> 00:21:25.080

Herb Yerdon: Hundred \$60

280

00:21:27.000 --> 00:21:27.960

Herb Yerdon: And get a coupon.

281

00:21:29.970 --> 00:21:32.970

Herb Yerdon: To people now most of the thousands

282

00:21:35.490 --> 00:21:35.880

Yeah.

283

00:21:37.860 --> 00:21:42.420

Herb Yerdon: It's today, they get there so places they're going to be giving this money of this food away.

284

00:21:43.770 --> 00:21:47.040

Herb Yerdon: Going along this Camille by the College of the Romney parking lot.

285

00:21:47.730 --> 00:22:00.660

Herb Yerdon: Of July 16 from 10am to 3pm. There's one going to be at a yoga Community College Park lap. Oh, that's on the 17th from 10am to 3pm.

286

00:22:03.660 --> 00:22:09.360

Herb Yerdon: If he had to go to that they're pretty efficient me to take long for you to go through there.

287

00:22:12.570 --> 00:22:15.780

Herb Yerdon: You're also having that single county seven the youth.

288

00:22:17.250 --> 00:22:21.750

Herb Yerdon: Unemployment program launches today with just a circle. What's on the eighth

289

00:22:24.450 --> 00:22:39.330

Herb Yerdon: Day of the ages on the youth programs are to apply for a job for the summer as 14 to 24 years of age and they must be a resident of the county and meet one of the following criteria as well household income.

290

00:22:40.560 --> 00:22:43.110

Herb Yerdon: This Medicaid and Medicare

291

00:22:44.790 --> 00:22:50.910

Herb Yerdon: Si just Billy. Is it a few things you'd have to qualify or do they apply for this job.

292

00:22:52.260 --> 00:22:54.030

Herb Yerdon: And people from the age of

293

00:22:56.610 --> 00:22:57.780

Herb Yerdon: If you apply for the job.

294

00:22:59.310 --> 00:23:06.780

Herb Yerdon: You must must also be pregnant or you got to be a parent or a relative term for a minor child analysis.

295

00:23:09.480 --> 00:23:21.930

Herb Yerdon: But they're looking that have a lot of jobs throughout the county. So it's a good chance if you know some pay to watch it and apply for one of these jobs they're low income is by a pretty good deal.

296

00:23:23.580 --> 00:23:25.410

Herb Yerdon: If you want more information on that one.

297

00:23:27.330 --> 00:23:33.300

Herb Yerdon: All a 155919076

298

00:23:36.120 --> 00:23:37.440

Herb Yerdon: Different the use of the county

299

00:23:40.980 --> 00:23:45.720

Herb Yerdon: We did ever meeting. And that's where you go last month so

300

00:23:46.950 --> 00:23:50.670

Herb Yerdon: You got to stay your distance gotta wear masks. Do you get set down

301

00:23:51.750 --> 00:23:54.000

Herb Yerdon: Our meetings are starting to go back to normal.

302

00:23:55.860 --> 00:24:00.360

Herb Yerdon: Up tonight, your meeting was going to be back to normal. But was it so

303

00:24:05.610 --> 00:24:07.620

Herb Yerdon: That's about it for the county tonight.

304

00:24:15.600 --> 00:24:16.890

Mike Faulkner: Any questions for her.

305

00:24:19.140 --> 00:24:27.900

Mike Faulkner: Okay, thank you. Oh, I do have one question. Is there any chance that we're going to get to some more masks and or gloves.

306

00:24:27.900 --> 00:24:28.500

Possibly

307

00:24:29.580 --> 00:24:30.990

Has there been any talk of that.

308

00:24:32.580 --> 00:24:35.190

Herb Yerdon: No one Township trying to get some more about

309

00:24:37.620 --> 00:24:41.550

Herb Yerdon: That highly any available anymore. We never did get the

310

00:24:44.100 --> 00:24:44.490

Herb Yerdon: Other

311

00:24:45.870 --> 00:24:50.460

Herb Yerdon: I'll drop this some of this paperwork off to you if you are you working tomorrow plastic

312

00:24:51.390 --> 00:24:58.500

Herb Yerdon: Yes, I'll drop this off this brochure, but the tax sale and order to get more copies

313

00:25:00.510 --> 00:25:03.600

Herb Yerdon: Right now, we as of tests elders going to be

314

00:25:05.910 --> 00:25:07.980

Herb Yerdon: Down to 280 partials.

315

00:25:09.150 --> 00:25:11.070

Herb Yerdon: And it's just about every Township.

316

00:25:12.270 --> 00:25:13.320

stephanie pierce: Oh,

317

00:25:14.700 --> 00:25:24.930

Herb Yerdon: Be interested I'll drop this off and anybody wants to get a copy and get it from you or they can go all the county stresses office and they'll, they'll do this thing.

318

00:25:25.860 --> 00:25:26.160

Albion Attendee: Okay.

319

00:25:26.910 --> 00:25:28.590

Mike Faulkner: All right. Thank you.

320

00:25:33.090 --> 00:25:34.080

Mike Faulkner: Okay, we'll go

321

00:25:34.170 --> 00:25:35.400

Mike Faulkner: Back to 10 at this point.

322

00:25:36.900 --> 00:25:37.380

Mike Faulkner: I didn't

323

00:25:38.130 --> 00:25:42.180

Mike Faulkner: Make some phone calls regarding the bond. The anticipation know

324

00:25:43.950 --> 00:25:45.270

Mike Faulkner: First of all, the neutral.

325

00:25:46.590 --> 00:25:49.380

Mike Faulkner: Which is 2021 Western star is

326

00:25:51.810 --> 00:25:52.440

Mike Faulkner: Being

327

00:25:53.760 --> 00:25:57.420

Mike Faulkner: Implemented or whatever you want to call it updated with all the new equipment that's got a

328

00:25:57.420 --> 00:25:59.100

Albion Attendee: Half and

329

00:25:59.220 --> 00:26:01.740

Mike Faulkner: Thanks to the codes and delays and everything. They are

330

00:26:01.740 --> 00:26:04.740

Mike Faulkner: Now shooting for a mid September delivery.

331

00:26:05.130 --> 00:26:07.260

Mike Faulkner: So in the meantime.

332

00:26:07.320 --> 00:26:07.950

Albion Attendee: I have

333

00:26:08.040 --> 00:26:09.360

Mike Faulkner: Been in touch with NBC

334

00:26:09.360 --> 00:26:10.020

Mike Faulkner: Bank.

335

00:26:10.380 --> 00:26:12.930

Mike Faulkner: And our lawyer and

336

00:26:14.430 --> 00:26:16.200

Mike Faulkner: The really be between

337

00:26:16.500 --> 00:26:18.420

Mike Faulkner: 1.45% and

338

00:26:18.420 --> 00:26:21.270

Mike Faulkner: 1.87% which is

339

00:26:21.300 --> 00:26:23.130

Mike Faulkner: Way better than some of the other ones that

340

00:26:23.520 --> 00:26:24.120

Albion Attendee: Refrigerator

341

00:26:24.570 --> 00:26:25.950

Mike Faulkner: So that's, that's pretty cool.

342

00:26:27.210 --> 00:26:29.550

Mike Faulkner: So we're moving forward with that will be ready.

343

00:26:29.820 --> 00:26:30.270

Mike Faulkner: By the time

344

00:26:30.780 --> 00:26:31.470

Albion Attendee: Delivered and we'll

345

00:26:31.740 --> 00:26:32.730

Mike Faulkner: Move forward with that.

346

00:26:34.200 --> 00:26:36.300

Albion Attendee: But you know, I

347

00:26:38.400 --> 00:26:51.270

Albion Attendee: Talked to all known that it was Patrick behind so I know it's going to be September. Nothing goes right for me. No, that's I walked into this place has been there.

348

00:26:52.470 --> 00:26:53.400

Albion Attendee: But we'll get there.

349

00:26:58.260 --> 00:26:58.740

Albion Attendee: Early

350

00:27:02.970 --> 00:27:03.270

You're

351

00:27:13.620 --> 00:27:16.200

Mike Faulkner: Not getting I don't need to know right now.

352

00:27:17.370 --> 00:27:18.660

Mike Faulkner: We need to know before

353

00:27:20.070 --> 00:27:20.310

Right.

354

00:27:25.650 --> 00:27:27.750

Mike Faulkner: Wouldn't object it on a purchase now.

355

00:27:31.290 --> 00:27:31.770

Mike Faulkner: Rather than

356

00:27:31.800 --> 00:27:34.080

Mike Faulkner: Procurement Policy and that's a sole source.

357

00:27:34.110 --> 00:27:39.150

Mike Faulkner: For that truck replacing because we couldn't go find that exact truck anywhere else.

358

00:27:39.780 --> 00:27:41.520

Albion Attendee: So it doesn't have to be did

359

00:27:48.060 --> 00:27:52.320

Mike Faulkner: I have a question for you. I've spent quite a bit of time in the last few days reading them.

360

00:27:52.410 --> 00:27:53.190

Mike Faulkner: The red highway.

361

00:27:54.240 --> 00:27:54.510

Albion Attendee: And

362

00:27:54.660 --> 00:27:56.010

Mike Faulkner: I came up with something that

363

00:27:56.340 --> 00:27:59.010

Mike Faulkner: It suggested doesn't really see after but it's a good

364

00:27:59.010 --> 00:27:59.730

Albion Attendee: Idea.

365

00:28:00.030 --> 00:28:02.100

Mike Faulkner: And I think you've already done it, at least to some

366

00:28:02.100 --> 00:28:02.610

Albion Attendee: Extent.

367

00:28:03.270 --> 00:28:05.790

Mike Faulkner: And that's as we're coming into the budget talks.

368

00:28:06.060 --> 00:28:07.320

Albion Attendee: If you could put together.

369

00:28:07.350 --> 00:28:08.820

Mike Faulkner: A five year plan.

370

00:28:09.150 --> 00:28:12.540

Mike Faulkner: On what you want to do as far as roads, sidewalks and drainage.

371

00:28:12.630 --> 00:28:14.610

Albion Attendee: You know, we can

372

00:28:14.850 --> 00:28:20.550

Mike Faulkner: Press out and see what's coming. No problem. That's, that's the way you gotta do what you gotta figure it like that because

373

00:28:21.390 --> 00:28:27.840

Albion Attendee: We can't know what a couple years, you gotta look long term anything that's how it's got to go right

374

00:28:32.280 --> 00:28:33.930

Albion Attendee: Span of board problem.

375

00:28:35.910 --> 00:28:36.450

Albion Attendee: Resolved.

376

00:28:39.660 --> 00:28:40.470

Albion Attendee: So we want to

377

00:28:40.530 --> 00:28:41.430

Mike Faulkner: Pick up for 11

378

00:28:43.500 --> 00:28:44.250

Albion Attendee: So,

379

00:28:44.340 --> 00:28:45.090

You don't have a

380

00:28:46.320 --> 00:28:47.340

Don't have a board.

381

00:28:49.470 --> 00:28:53.250

Mike Faulkner: was approved approved and put it into an account. Yeah.

382

00:28:53.640 --> 00:28:54.360

Mike Faulkner: First of all,

383

00:28:54.420 --> 00:28:56.310

Albion Attendee: Right, yeah, this is

384

00:28:58.290 --> 00:28:58.590

Albion Attendee: Well,

385

00:29:00.300 --> 00:29:01.380

Mike Faulkner: This was approved a year.

386

00:29:01.380 --> 00:29:02.130

Albion Attendee: Ago.

387

00:29:02.190 --> 00:29:10.170

Mike Faulkner: It was in the budget from last year after the fire. It's taken them a year of looking for this truck when he found the truck. He

388

00:29:10.170 --> 00:29:11.760

Albion Attendee: Called me

389

00:29:12.330 --> 00:29:13.230

Mike Faulkner: And I called Rick

390

00:29:13.410 --> 00:29:16.020

Mike Faulkner: I got no answer, didn't have your number of the

391

00:29:16.020 --> 00:29:16.710

Albion Attendee: Time.

392

00:29:16.800 --> 00:29:18.240

Mike Faulkner: So I called Lonnie and Randy.

393

00:29:18.240 --> 00:29:18.990

Mike Faulkner: Also

394

00:29:19.230 --> 00:29:21.870

Mike Faulkner: We got the approval, because he wanted to move on that truck.

395

00:29:21.930 --> 00:29:24.540
Albion Attendee: For it disappear. Yeah.

396
00:29:27.270 --> 00:29:33.720
Albion Attendee: 535 16 in your own. It was 13 five

397
00:29:34.080 --> 00:29:35.160
Albion Attendee: Before I got him down.

398
00:29:36.510 --> 00:29:37.050
Albion Attendee: I mean,

399
00:29:37.380 --> 00:29:41.220
Albion Attendee: I didn't think he was gonna watch, but he did he hit two other guys that were

400
00:29:43.560 --> 00:29:43.830
Mike Faulkner: Yeah.

401
00:29:46.290 --> 00:29:48.480
Mike Faulkner: I know I wouldn't get any phone right

402
00:29:51.030 --> 00:29:51.270
So,

403
00:29:54.570 --> 00:29:55.110
Mike Faulkner: I'm sorry.

404
00:29:56.640 --> 00:29:57.240
Mike Faulkner: If you want

405
00:30:00.000 --> 00:30:01.260
Mike Faulkner: Any other questions for dead.

406
00:30:02.220 --> 00:30:03.510
Mike Faulkner: That's all I've got.

407
00:30:13.230 --> 00:30:13.800
Mike Faulkner: You know what I mean.

408
00:30:14.520 --> 00:30:16.740

Albion Attendee: We mean depth to take the

409

00:30:17.880 --> 00:30:19.560

Albion Attendee: Ball. Yeah, yeah.

410

00:30:19.590 --> 00:30:21.270

Albion Attendee: We got a fuel stir. Yeah.

411

00:30:22.080 --> 00:30:22.740

Mike Faulkner: Well, so

412

00:30:22.800 --> 00:30:23.880

Mike Faulkner: You guys do that.

413

00:30:24.240 --> 00:30:28.980

Albion Attendee: Weekly, no we don't do that, weekly, I mean that all

414

00:30:30.360 --> 00:30:30.990

Albion Attendee: The trucks.

415

00:30:34.440 --> 00:30:36.000

Mike Faulkner: That's not necessarily what it's

416

00:30:36.000 --> 00:30:37.440

Mike Faulkner: For its

417

00:30:37.890 --> 00:30:39.150

Mike Faulkner: You're going to get expansion and

418

00:30:39.150 --> 00:30:42.210

Mike Faulkner: Contraction. You don't want a million and a half days.

419

00:30:42.510 --> 00:30:42.780

Albion Attendee: No.

420

00:30:43.110 --> 00:30:47.070

Mike Faulkner: But it's it's there. And I know that would get deterrence.

421

00:30:47.130 --> 00:30:47.760

Mike Faulkner: There.

422

00:30:48.360 --> 00:30:50.700

Mike Faulkner: But it's to see employer losing

423

00:30:52.230 --> 00:30:52.740

Mike Faulkner: Fuel

424

00:30:52.800 --> 00:30:54.780

Mike Faulkner: And if we're keeping track of our inventory

425

00:30:56.040 --> 00:30:56.580

Mike Faulkner: You

426

00:30:57.090 --> 00:30:58.260

Mike Faulkner: Shouldn't maybe just

427

00:30:58.320 --> 00:30:59.820

Mike Faulkner: Look into it just

428

00:31:00.750 --> 00:31:00.960

Because

429

00:31:02.970 --> 00:31:03.780

Mike Faulkner: Years ago.

430

00:31:03.900 --> 00:31:07.440

Albion Attendee: Yeah, that was because numbers of fuel don't know

431

00:31:07.980 --> 00:31:09.150

Albion Attendee: Before that you're

432

00:31:09.180 --> 00:31:11.220

Mike Faulkner: Talking about different every day and see, you know,

433

00:31:12.270 --> 00:31:14.700

Mike Faulkner: We used to have two different every day but

434

00:31:15.240 --> 00:31:23.250

Mike Faulkner: I mean, I don't know what the controller wants, but it would be cool to check it out. We're already doing more than we were doing so.

435

00:31:25.050 --> 00:31:26.370

Albion Attendee: I mean, this is

436

00:31:27.030 --> 00:31:27.390

What do you think

437

00:31:28.950 --> 00:31:29.130

Mike Faulkner: That

438

00:31:29.910 --> 00:31:30.390

Mike Faulkner: It'll tell you

439

00:31:31.800 --> 00:31:32.310

Man, yeah.

440

00:31:33.780 --> 00:31:35.490

Mike Faulkner: Sure. Okay.

441

00:31:40.320 --> 00:31:40.890

Thank you.

442

00:31:45.060 --> 00:31:51.000

Mike Faulkner: Dawn Control Officer Steve crop is he talked to him today.

He had nothing to bring him.

443

00:31:51.030 --> 00:31:52.260

Mike Faulkner: She for the more it's been

444

00:31:52.260 --> 00:31:53.010

Mike Faulkner: Pretty quiet.

445

00:31:53.070 --> 00:31:53.940

The problems.

446

00:31:56.010 --> 00:31:58.770

Mike Faulkner: I did have a thing that I talked to him separately.

447

00:31:58.770 --> 00:32:00.750

Mike Faulkner: About does have a little bit

448

00:32:00.750 --> 00:32:01.560
Albion Attendee: To do with the

449
00:32:01.890 --> 00:32:02.640
Town board and

450
00:32:04.110 --> 00:32:05.190
Mike Faulkner: I received a couple

451
00:32:05.190 --> 00:32:05.610
Of

452
00:32:06.630 --> 00:32:08.190
Mike Faulkner: ETV complaints.

453
00:32:09.060 --> 00:32:11.430
Mike Faulkner: One was actually my own

454
00:32:11.460 --> 00:32:12.240
Mike Faulkner: Be honest with you.

455
00:32:13.980 --> 00:32:14.520
Mike Faulkner: There's been a

456
00:32:15.120 --> 00:32:15.420
Trend

457
00:32:19.320 --> 00:32:20.400
Mike Faulkner: Groups and groups.

458
00:32:20.460 --> 00:32:23.700
Mike Faulkner: I mean, it's one thing to have one or two on down through
but we've

459
00:32:23.700 --> 00:32:24.990
Mike Faulkner: Had five and six and

460
00:32:25.020 --> 00:32:27.030
Mike Faulkner: 10 all times.

461
00:32:27.120 --> 00:32:27.510

And

462

00:32:30.540 --> 00:32:32.130

Albion Attendee: Soon as they realized it was somebody

463

00:32:32.250 --> 00:32:33.060

Else that came back.

464

00:32:35.310 --> 00:32:36.390

Mike Faulkner: All the way down the driveway.

465

00:32:37.500 --> 00:32:38.550

Mike Faulkner: And then, of course,

466

00:32:41.250 --> 00:32:42.630

Mike Faulkner: So Steve would like to

467

00:32:42.630 --> 00:32:44.340

Mike Faulkner: Do it, which

468

00:32:45.060 --> 00:32:45.450

Mike Faulkner: Isn't really

469

00:32:45.510 --> 00:32:46.560

Mike Faulkner: Much for us to do.

470

00:32:47.190 --> 00:32:49.860

Albion Attendee: He wants to get some signs made but also

471

00:32:50.250 --> 00:32:51.660

Albion Attendee: Outside of the

472

00:32:52.890 --> 00:32:55.350

Mike Faulkner: The here where they are there. The little campground.

473

00:32:55.800 --> 00:32:56.250

Mike Faulkner: That

474

00:32:56.640 --> 00:32:58.080

Albion Attendee: Will say no entry.

475

00:32:58.560 --> 00:32:59.340
Albion Attendee: Fee traffic.

476

00:32:59.790 --> 00:33:01.890
Albion Attendee: Traffic only so that way. Like if someone like

477

00:33:02.310 --> 00:33:03.060
Albion Attendee: Myself.

478

00:33:03.360 --> 00:33:06.780
Albion Attendee: Why not take your ruler down to the store. Yes, we

479

00:33:06.840 --> 00:33:07.920
Albion Attendee: We would still be able to do

480

00:33:07.920 --> 00:33:08.460
Albion Attendee: That

481

00:33:08.910 --> 00:33:10.620
Albion Attendee: But it's not a meal in for

482

00:33:11.010 --> 00:33:11.490
Albion Attendee: These

483

00:33:11.520 --> 00:33:13.230
Mike Faulkner: Groups of four wheelers to

484

00:33:13.230 --> 00:33:13.380
Mike Faulkner: Go.

485

00:33:13.860 --> 00:33:14.370
On road.

486

00:33:15.720 --> 00:33:17.040
Mike Faulkner: He said that he will talk to the

487

00:33:17.040 --> 00:33:17.730
Albion Attendee: County.

488

00:33:18.090 --> 00:33:19.980

Albion Attendee: He will mean animals are

489

00:33:21.000 --> 00:33:22.800

Mike Faulkner: Making sure they're installed properly.

490

00:33:26.280 --> 00:33:28.110

Mike Faulkner: So that people are going to be one hub.

491

00:33:28.110 --> 00:33:28.770

Mike Faulkner: Or down

492

00:33:32.280 --> 00:33:32.460

The

493

00:33:34.410 --> 00:33:35.010

Albion Attendee: Road.

494

00:33:35.910 --> 00:33:41.820

Albion Attendee: Where someone apparently believe it was no one saw it happen.

495

00:33:42.570 --> 00:33:43.080

Smash.

496

00:33:44.370 --> 00:33:45.300

Mike Faulkner: A mailbox.

497

00:33:46.260 --> 00:33:53.430

Albion Attendee: So they asked to have. There is no Turner. And what happens is people come on

498

00:33:54.270 --> 00:33:56.100

Albion Attendee: The road and it is available.

499

00:33:57.600 --> 00:33:58.110

Albion Attendee: Then they go

500

00:33:59.370 --> 00:34:04.080

Mike Faulkner: Back in the end up turning around and these peoples driver so they just want to sign most

501

00:34:05.520 --> 00:34:07.230

Mike Faulkner: TVs to turn around on the driveway and he

502

00:34:07.230 --> 00:34:08.850

Mike Faulkner: Said he would take care of that as well.

503

00:34:09.480 --> 00:34:10.200

Mike Faulkner: So really,

504

00:34:10.740 --> 00:34:13.050

Albion Attendee: Need to do. I just keep everybody up to date.

505

00:34:13.320 --> 00:34:13.890

Albion Attendee: Man.

506

00:34:14.010 --> 00:34:15.210

Mike Faulkner: But when you see those signs but

507

00:34:15.210 --> 00:34:16.710

Albion Attendee: While I'm 22

508

00:34:17.430 --> 00:34:17.730

Or

509

00:34:24.480 --> 00:34:25.650

Mike Faulkner: Something cheering for

510

00:34:28.230 --> 00:34:28.680

Albion Attendee: The month of

511

00:34:28.710 --> 00:34:31.500

Albion Attendee: June we Sal one law.

512

00:34:32.250 --> 00:34:33.750

Albion Attendee: One nation.

513

00:34:34.170 --> 00:34:34.530

Mike Faulkner: And

514

00:34:34.560 --> 00:34:36.000

Mike Faulkner: Two foundations for a

515

00:34:36.000 --> 00:34:38.190

Total of \$985

516

00:34:43.440 --> 00:34:45.270

Albion Attendee: We need to discuss the nice

517

00:34:45.270 --> 00:34:46.050

Side.

518

00:34:49.980 --> 00:34:51.060

Mike Faulkner: Down to the minute

519

00:34:51.810 --> 00:34:58.500

Albion Attendee: Wait until next year to deal with them. I personally myself driving by and taking a look. I think they

520

00:34:58.500 --> 00:34:59.790

Mike Faulkner: LOOK NICE TO

521

00:35:01.740 --> 00:35:03.720

Mike Faulkner: See, you got a nice view up to the minute

522

00:35:06.630 --> 00:35:07.110

Albion Attendee: I mean,

523

00:35:07.950 --> 00:35:12.900

Mike Faulkner: After replace them with something. So I don't know what everybody's opinion. Isn't that

524

00:35:14.430 --> 00:35:14.910

Albion Attendee: Important

525

00:35:15.300 --> 00:35:16.140

And tremendous

526

00:35:25.140 --> 00:35:25.470

Mike Faulkner: Right.

527

00:35:26.760 --> 00:35:27.750

Albion Attendee: Yes, yes.

528

00:35:34.050 --> 00:35:34.710

Mike Faulkner: So we could

529

00:35:35.010 --> 00:35:36.330

We could maybe try the

530

00:35:43.140 --> 00:35:43.770

Albion Attendee: Next time,

531

00:35:44.190 --> 00:35:44.610

Yes.

532

00:35:52.200 --> 00:35:52.470

Mike Faulkner: Yep.

533

00:35:52.680 --> 00:35:52.950

I mean,

534

00:35:55.650 --> 00:35:56.550

Mike Faulkner: Everybody agree with that.

535

00:35:57.750 --> 00:35:58.080

Mike Faulkner: Yeah.

536

00:35:58.200 --> 00:35:59.490

Mike Faulkner: curbing Bonnie

537

00:36:00.240 --> 00:36:01.440

Mike Faulkner: Yep. Okay.

538

00:36:02.070 --> 00:36:02.670

Mike Faulkner: Now, what about

539

00:36:03.810 --> 00:36:05.010

Albion Attendee: Let's make a decision.

540

00:36:05.190 --> 00:36:08.550

Mike Faulkner: With the trees. Do we want to try trim them back a little further.

541

00:36:36.450 --> 00:36:36.690

Mike Faulkner: Okay.

542

00:36:37.410 --> 00:36:37.860

Mike Faulkner: That's good.

543

00:36:38.430 --> 00:36:39.090

Mike Faulkner: Thank you. Okay, with

544

00:36:45.510 --> 00:36:46.800

Mike Faulkner: Bonnie. Yeah.

545

00:36:47.670 --> 00:36:48.690

Mike Faulkner: You're good with that.

546

00:36:48.750 --> 00:36:50.070

Mike Faulkner: Terminology is a little more

547

00:36:50.250 --> 00:36:54.240

Lonny Mattison: Yeah, I just seen Susie and trim back and cut them down.

548

00:36:55.020 --> 00:36:55.290

Albion Attendee: Yep.

549

00:36:55.920 --> 00:36:58.200

Mike Faulkner: I kind of agree with that, too, because I do think they look

550

00:36:58.200 --> 00:36:59.520

Mike Faulkner: Nice myself.

551

00:36:59.550 --> 00:37:05.490

Mike Faulkner: But when you know we can traumatic, a little more with this year and that if we decide we can take him down next year.

552

00:37:05.790 --> 00:37:07.470

Mike Faulkner: Plan A fresh three in the spring.

553

00:37:10.620 --> 00:37:12.210

Mike Faulkner: Yes, she did say that

554

00:37:13.830 --> 00:37:17.490

Mike Faulkner: Okay. All right. Well, at least we made a decision on that. So thank you.

555

00:37:19.020 --> 00:37:19.680

Mike Faulkner: Okay, yeah.

556

00:37:22.170 --> 00:37:28.770

Mike Faulkner: Next list is Mike Maxwell. See you. We have a pleasure meeting you until tonight so

557

00:37:29.880 --> 00:37:30.420

Give us a little

558

00:37:31.980 --> 00:37:32.460

Albion Attendee: Questions.

559

00:37:34.590 --> 00:37:36.300

Albion Attendee: Well, obviously.

560

00:37:37.470 --> 00:37:42.450

Albion Attendee: You complete the assessment of all properties. I'm ready. I'll

561

00:37:49.800 --> 00:37:49.980

Albion Attendee: Talk.

562

00:37:51.120 --> 00:38:06.210

Albion Attendee: Render complete reassessment of all the properties. And I've already sent the state give a sentence for the Tonys that's already been sent into the state and modify the state representative that oversees the assessment.

563

00:38:07.260 --> 00:38:07.920

Albion Attendee: And she's our

564

00:38:09.060 --> 00:38:15.570

Albion Attendee: Town board would have to pass a resolution stating that they are going to do the assessment in

565

00:38:17.190 --> 00:38:17.940

Albion Attendee: 100%

566

00:38:19.680 --> 00:38:28.650

Albion Attendee: Stake one copy of that. Just make sure that we're going through that any other helper in the house name, you know,

567

00:38:30.000 --> 00:38:30.480

Albion Attendee: On

568

00:38:32.250 --> 00:38:32.610

Albion Attendee: The

569

00:38:33.840 --> 00:38:44.580

Albion Attendee: On the next now until snow flies so is to give up I be looking at properties, trying to adjust the assessments accordingly taking some photos.

570

00:38:45.540 --> 00:38:57.780

Albion Attendee: Trying very little not to kind of take a lot of people. Let me see what's going on, but of the VM, which is a mess and by Nikon toward finding a few more moments will do something like that.

571

00:38:59.670 --> 00:39:01.920

Albion Attendee: The other places as they complete

572

00:39:03.540 --> 00:39:07.770

Albion Attendee: Pain radio side and her nose into is that legal in just a

573

00:39:09.810 --> 00:39:11.820

Albion Attendee: You know why your comments about that.

574

00:39:13.200 --> 00:39:24.570

Albion Attendee: I'm not trying to get the county as variables and trying to get that lead or text me we forgot exactly once one because it's so hard when there are

575

00:39:25.080 --> 00:39:27.540

Albion Attendee: No roads, no nothing to figure out

576

00:39:27.840 --> 00:39:30.210

Albion Attendee: Who owns what some of personal song.

577

00:39:33.960 --> 00:39:35.880
Albion Attendee: Changes and some

578

00:39:36.030 --> 00:39:38.100
Albion Attendee: Some heavy changes everything.

579

00:39:39.810 --> 00:39:41.580
Albion Attendee: For that there

580

00:39:42.180 --> 00:39:43.230
Albion Attendee: Is a mess cleaned

581

00:39:43.230 --> 00:39:43.710
Up.

582

00:39:46.260 --> 00:39:46.680
Albion Attendee: The

583

00:39:47.460 --> 00:39:50.760
Mike Faulkner: job is to be, I mean, probably

584

00:39:52.170 --> 00:39:54.330
Mike Faulkner: Not something you're selling

585

00:39:54.390 --> 00:39:58.530
Mike Faulkner: Something for a lot of money. I mean, I just was wondering, I can

586

00:39:58.980 --> 00:40:00.600
Albion Attendee: Adjust so pretty bad. Our

587

00:40:01.410 --> 00:40:01.890
Success.

588

00:40:03.000 --> 00:40:03.510
I mean,

589

00:40:05.040 --> 00:40:06.240
Mike Faulkner: Dan is of the song.

590

00:40:07.290 --> 00:40:11.340

Albion Attendee: Leader, not everything is this other clouds in the sky.

591

00:40:13.980 --> 00:40:17.250

Albion Attendee: La, la, la. Anything with

592

00:40:17.670 --> 00:40:19.050

Albion Attendee: 2030 acres of land.

593

00:40:23.430 --> 00:40:26.190

Albion Attendee: Change. I mean, normally, I think.

594

00:40:32.100 --> 00:40:33.420

Albion Attendee: Next one, Jane.

595

00:40:35.640 --> 00:40:36.660

Albion Attendee: Lucien increase

596

00:40:37.920 --> 00:40:38.490

Albion Attendee: Decrease

597

00:40:39.090 --> 00:40:41.640

Mike Faulkner: I will state run in DEC

598

00:40:41.700 --> 00:40:42.600

Moses.

599

00:40:43.890 --> 00:40:45.690

Albion Attendee: In February, March.

600

00:40:47.910 --> 00:40:49.710

Albion Attendee: Was Texas.

601

00:40:50.100 --> 00:40:53.760

Albion Attendee: Or new assessment, where the

602

00:40:55.200 --> 00:40:56.430

Albion Attendee: Accident should be

603

00:40:56.700 --> 00:40:57.750

Albion Attendee: Associated with an

604

00:40:57.810 --> 00:41:02.220

Albion Attendee: Assessment slowly Watertown Asian changes.

605

00:41:04.320 --> 00:41:04.920

Albion Attendee: It was

606

00:41:05.550 --> 00:41:06.420

Albion Attendee: A whole nine

607

00:41:10.920 --> 00:41:11.490

Albion Attendee: The paid

608

00:41:13.320 --> 00:41:14.160

Albion Attendee: Version my

609

00:41:16.770 --> 00:41:19.830

Albion Attendee: Next steps are on

610

00:41:22.590 --> 00:41:23.070

Mike Faulkner: The

611

00:41:25.980 --> 00:41:26.880

Mike Faulkner: could call the

612

00:41:28.350 --> 00:41:30.000

Mike Faulkner: State law.

613

00:41:38.550 --> 00:41:39.180

Albion Attendee: Is

614

00:41:39.330 --> 00:41:42.930

Albion Attendee: The law as he tonight.

615

00:41:43.980 --> 00:41:46.290

Mike Faulkner: \$9 associated

616

00:41:47.580 --> 00:41:48.510

Albion Attendee: Thesis.

617

00:41:48.900 --> 00:41:49.380

On

618

00:41:50.820 --> 00:41:51.390

Mike Faulkner: The same

619

00:41:51.660 --> 00:41:52.350

Mike Faulkner: Page.

620

00:41:52.410 --> 00:41:53.280

Mike Faulkner: On those

621

00:41:54.120 --> 00:41:55.530

Mike Faulkner: And I'm trying to grow.

622

00:41:56.880 --> 00:41:58.500

Albion Attendee: Their own crops.

623

00:42:01.620 --> 00:42:02.250

Mike Faulkner: Because

624

00:42:04.620 --> 00:42:05.070

Albion Attendee: There's

625

00:42:06.480 --> 00:42:06.690

Mike Faulkner: Such

626

00:42:06.990 --> 00:42:08.250

Albion Attendee: A thing so I

627

00:42:08.430 --> 00:42:12.630

Mike Faulkner: Just you know what season, that is some

628

00:42:13.320 --> 00:42:15.000

Albion Attendee: Getting some feedback in the same

629

00:42:18.990 --> 00:42:19.860

Albion Attendee: As probably

630

00:42:21.030 --> 00:42:25.530

Mike Faulkner: Some longer on the most contentious absence of the season.

Some

631

00:42:25.980 --> 00:42:27.690

Albion Attendee: Of the highest return anything else.

632

00:42:28.200 --> 00:42:28.650

Mike Faulkner: On a

633

00:42:28.710 --> 00:42:30.600

Mike Faulkner: couple copies sold

634

00:42:33.120 --> 00:42:34.080

Albion Attendee: They sold

635

00:42:36.030 --> 00:42:36.420

Albion Attendee: To

636

00:42:37.440 --> 00:42:37.650

Mike Faulkner: Us.

637

00:42:42.870 --> 00:42:44.940

Mike Faulkner: when something like that happens.

638

00:42:46.830 --> 00:42:50.370

Mike Faulkner: On the next owner as their assessment go up by that.

639

00:42:50.520 --> 00:42:52.290

Albion Attendee: Everything I do is I will have

640

00:42:52.650 --> 00:42:53.910

Albion Attendee: A life that

641

00:42:55.470 --> 00:43:00.270

Albion Attendee: Was the information. It was before accurate for rooms or something. This, I mean,

642

00:43:02.310 --> 00:43:09.990

Albion Attendee: This is completely operated and that's why he's so famous one cycle increase it some time and have

643

00:43:10.320 --> 00:43:11.670

Albion Attendee: A backup for that.

644

00:43:22.800 --> 00:43:31.770

Mike Faulkner: And what's the I, I wasn't, I didn't catch exactly what you said in the very beginning when you were talking about getting back to the hundred percent reveal

645

00:43:32.040 --> 00:43:34.680

Mike Faulkner: Them next year 2021 we will be back at

646

00:43:34.980 --> 00:43:40.650

Albion Attendee: school girls. It was September 2021 that would be the tax on 22

647

00:43:40.740 --> 00:43:41.070

OK.

648

00:43:43.200 --> 00:43:47.430

Albion Attendee: That's the next row here that we're working on right now 2020 is in the books right now we don't

649

00:43:47.670 --> 00:43:48.000

Write

650

00:43:49.350 --> 00:43:49.860

Albion Attendee: Further

651

00:43:51.330 --> 00:43:52.530

Albion Attendee: Was really good

652

00:43:53.850 --> 00:43:57.450

Mike Faulkner: So with the town.

653

00:43:59.100 --> 00:44:00.960

Albion Attendee: I need

654

00:44:04.230 --> 00:44:05.640

Mike Faulkner: Any broccoli permits.

655

00:44:05.670 --> 00:44:08.430

Mike Faulkner: What there was no that was

656

00:44:08.850 --> 00:44:11.010
Mike Faulkner: Not the assessment, we have some notice

657
00:44:11.520 --> 00:44:12.120
Mike Faulkner: He got back

658
00:44:12.450 --> 00:44:14.100
Albion Attendee: To me, said, Well, yeah.

659
00:44:14.370 --> 00:44:18.300
Albion Attendee: It is magic user equalization really down

660
00:44:18.780 --> 00:44:19.770
Mike Faulkner: So I did.

661
00:44:23.370 --> 00:44:24.030
Albion Attendee: Just the hair and

662
00:44:25.500 --> 00:44:26.430
Albion Attendee: So,

663
00:44:27.180 --> 00:44:29.790
Albion Attendee: Which is good because that is what you

664
00:44:31.740 --> 00:44:32.220
Albion Attendee: See with

665
00:44:32.250 --> 00:44:33.420
Albion Attendee: Us and when

666
00:44:34.680 --> 00:44:35.160
It rains.

667
00:44:38.250 --> 00:44:38.820
Albion Attendee: So,

668
00:44:41.220 --> 00:44:42.750
Albion Attendee: We're still about recycle.

669
00:44:42.750 --> 00:44:43.500
Albion Attendee: This evening.

670

00:44:48.810 --> 00:44:54.210

Albion Attendee: Gives me some ancient points and also the basis for me.

671

00:44:56.190 --> 00:44:57.210

Albion Attendee: Very simple.

672

00:44:59.730 --> 00:45:01.650

Albion Attendee: So our value is

673

00:45:03.180 --> 00:45:04.050

Albion Attendee: I mean,

674

00:45:04.110 --> 00:45:05.040

There's no

675

00:45:07.350 --> 00:45:08.100

Mike Faulkner: Muslim is

676

00:45:08.970 --> 00:45:10.350

Albion Attendee: This great so

677

00:45:10.680 --> 00:45:10.860

Mike Faulkner: I'm

678

00:45:11.010 --> 00:45:11.850

Really small the

679

00:45:13.500 --> 00:45:13.980

Mike Faulkner: Site.

680

00:45:14.160 --> 00:45:14.670

Albion Attendee: That I

681

00:45:18.660 --> 00:45:20.490

Albion Attendee: Experienced properties but

682

00:45:22.170 --> 00:45:22.770

Albion Attendee: Then you have

683

00:45:24.150 --> 00:45:24.930
Albion Attendee: Markers.

684
00:45:25.980 --> 00:45:26.370
Mike Faulkner: Like

685
00:45:27.630 --> 00:45:27.840
Mike Faulkner: That

686
00:45:28.890 --> 00:45:31.410
Albion Attendee: Those are saying, man.

687
00:45:34.020 --> 00:45:38.280
Mike Faulkner: I'm only a couple problems if he said you

688
00:45:40.680 --> 00:45:41.010
Albion Attendee: Know,

689
00:45:41.280 --> 00:45:43.170
Albion Attendee: Finding a drone.

690
00:45:44.310 --> 00:45:44.490
Albion Attendee: For

691
00:45:47.550 --> 00:45:47.790
Albion Attendee: Some

692
00:45:49.560 --> 00:45:50.160
Albion Attendee: Reason.

693
00:45:52.650 --> 00:45:52.920
Albion Attendee: If

694
00:45:53.190 --> 00:46:02.640
Mike Faulkner: If I back up to be the reveal thing you mentioned that we'll have to pass a resolution. When would you need that be talking spring. Spring.

695
00:46:03.570 --> 00:46:05.970
Albion Attendee: By within the next meeting.

696

00:46:07.830 --> 00:46:09.810

Albion Attendee: Because things don't want to see it around pricing.

697

00:46:12.600 --> 00:46:17.310

Albion Attendee: Understanding what our responsibilities are mature responsibilities are.

698

00:46:17.730 --> 00:46:21.420

Albion Attendee: And if I will send out. We know that you're serious optimism.

699

00:46:21.750 --> 00:46:22.080

Okay.

700

00:46:23.340 --> 00:46:24.510

Albion Attendee: I recently.

701

00:46:25.500 --> 00:46:29.220

Albion Attendee: Utilities, which is one of the first things because they haven't been before the first of August.

702

00:46:29.700 --> 00:46:31.980

Albion Attendee: That they give us any

703

00:46:37.620 --> 00:46:37.890

Mike Faulkner: Okay.

704

00:46:41.880 --> 00:46:46.800

Mike Faulkner: So I'll have to be in touch with you to find out warning and such, or, or will they contact

705

00:46:46.800 --> 00:46:47.730

Albion Attendee: Me, I can

706

00:46:49.980 --> 00:46:51.900

Albion Attendee: Punch in touch with my visa status.

707

00:46:53.640 --> 00:46:54.390

Albion Attendee: For lunch. Yes.

708

00:46:54.600 --> 00:46:54.870

Okay.

709

00:46:56.340 --> 00:46:56.820

Mike Faulkner: Perfect.

710

00:46:59.340 --> 00:47:01.890

Mike Faulkner: And back to the tail water.

711

00:47:03.180 --> 00:47:03.750

Mike Faulkner: Today,

712

00:47:06.120 --> 00:47:08.490

Mike Faulkner: Is each segment of their building

713

00:47:08.490 --> 00:47:10.470

Mike Faulkner: Projects under a pilot.

714

00:47:11.550 --> 00:47:12.420

Albion Attendee: I know

715

00:47:12.480 --> 00:47:14.160

Mike Faulkner: So they it is

716

00:47:14.610 --> 00:47:20.550

Mike Faulkner: I'm looking at Aaron okay because I wonder, you know, if that mean I can understand their first section was a

717

00:47:20.550 --> 00:47:21.060

Albion Attendee: File.

718

00:47:21.090 --> 00:47:22.230

Albion Attendee: So they gotta pay that. But then

719

00:47:22.230 --> 00:47:25.140

Mike Faulkner: If there are other sections aren't our device.

720

00:47:25.380 --> 00:47:27.660

Albion Attendee: Into the full tax or second

721

00:47:29.040 --> 00:47:31.830

Albion Attendee: The second to 30 ok

722

00:47:32.970 --> 00:47:33.240

Mike Faulkner: OK.

723

00:47:33.360 --> 00:47:34.170

And answers that

724

00:47:37.440 --> 00:47:38.490

Mike Faulkner: Any other questions for

725

00:47:38.550 --> 00:47:38.820

Mike

726

00:47:57.120 --> 00:47:59.970

Albion Attendee: Role and some of the roles here.

727

00:48:02.460 --> 00:48:04.770

Mike Faulkner: Was put on roll actualize order.

728

00:48:05.370 --> 00:48:06.450

Mike Faulkner: Which means

729

00:48:07.230 --> 00:48:08.490

Albion Attendee: You went through.

730

00:48:08.820 --> 00:48:09.930

Mike Faulkner: The process of

731

00:48:09.930 --> 00:48:11.610

Albion Attendee: The stipulations.

732

00:48:12.090 --> 00:48:13.590

Albion Attendee: And an agreement says

733

00:48:13.980 --> 00:48:15.330

Mike Faulkner: And then you walk through the

734

00:48:15.660 --> 00:48:18.180

Mike Faulkner: Program Rome.

735

00:48:18.660 --> 00:48:19.530

Zone.

736

00:48:23.610 --> 00:48:24.870

Albion Attendee: And what I see.

737

00:48:24.870 --> 00:48:26.940

Mike Faulkner: Here because

738

00:48:27.960 --> 00:48:28.980

Mike Faulkner: 90%

739

00:48:29.940 --> 00:48:31.590

Mike Faulkner: And stay. He

740

00:48:31.980 --> 00:48:36.930

Mike Faulkner: Got 83% you were ready to keep the

741

00:48:39.570 --> 00:48:41.340

Mike Faulkner: Same model that

742

00:48:41.370 --> 00:48:42.780

Mike Faulkner: You call

743

00:48:43.860 --> 00:48:44.880

Mike Faulkner: Your SAS day

744

00:48:45.930 --> 00:48:46.410

Which was

745

00:48:48.240 --> 00:48:49.950

Albion Attendee: Which is taxable value.

746

00:48:50.610 --> 00:48:51.930

Mike Faulkner: To keep that and I

747

00:48:51.930 --> 00:48:52.830

Albion Attendee: Understand

748

00:48:53.040 --> 00:48:54.120

Albion Attendee: You have raised

749

00:48:54.480 --> 00:48:55.860
The full market value.

750

00:48:58.080 --> 00:48:59.220
That's what you've done.

751

00:49:01.530 --> 00:49:01.950
Albion Attendee: State.

752

00:49:04.830 --> 00:49:05.490
Albion Attendee: Equals Israel.

753

00:49:07.050 --> 00:49:08.730
Albion Attendee: Who shares with all my other

754

00:49:10.530 --> 00:49:14.130
Albion Attendee: States equalization rate, which then in turn drives

755

00:49:14.250 --> 00:49:15.600
Mike Faulkner: Okay. Excuse me.

756

00:49:15.900 --> 00:49:17.520
Albion Attendee: The State says equalization

757

00:49:18.480 --> 00:49:18.870
Lisa

758

00:49:21.360 --> 00:49:24.120
Albion Attendee: When x divided are all the

759

00:49:24.990 --> 00:49:26.820
Albion Attendee: Best for mark icon, but

760

00:49:27.210 --> 00:49:28.560
Mike Faulkner: I'm not confused there.

761

00:49:29.400 --> 00:49:30.900
But what I'm saying is

762

00:49:32.490 --> 00:49:33.750

Mike Faulkner: You got 150,000

763

00:49:34.380 --> 00:49:34.950

Property

764

00:49:36.450 --> 00:49:37.050

Mike Faulkner: It was

765

00:49:38.190 --> 00:49:38.700

Mike Faulkner: It was

766

00:49:38.730 --> 00:49:40.740

Mike Faulkner: Assessed tax.

767

00:49:41.880 --> 00:49:42.840

Mike Faulkner: assessed value.

768

00:49:43.500 --> 00:49:45.030

Albion Attendee: Was 90%

769

00:49:45.330 --> 00:49:54.930

Mike Faulkner: So you cast 130 5000 which 90% 90% of

770

00:49:57.090 --> 00:49:57.540

Mike Faulkner: All right.

771

00:49:58.770 --> 00:50:00.330

Albion Attendee: Now this year to maintain

772

00:50:00.360 --> 00:50:00.810

The same

773

00:50:02.940 --> 00:50:03.510

Mike Faulkner: The full my

774

00:50:03.780 --> 00:50:04.320

Albion Attendee: Bag.

775

00:50:04.920 --> 00:50:06.390

Albion Attendee: Has been raised on sacred

776

00:50:07.650 --> 00:50:08.520
Sacred 51

777

00:50:10.560 --> 00:50:10.950
Mike Faulkner: Without

778

00:50:15.780 --> 00:50:17.880
Albion Attendee: The law was recorded

779

00:50:18.900 --> 00:50:19.230
Did you

780

00:50:21.120 --> 00:50:22.470
Albion Attendee: raise or lower

781

00:50:24.270 --> 00:50:24.540
Albion Attendee: Your

782

00:50:25.590 --> 00:50:25.980
Mike Faulkner: Settings.

783

00:50:28.560 --> 00:50:29.070
Albion Attendee: Assessment.

784

00:50:29.400 --> 00:50:30.600
Didn't change that.

785

00:50:37.980 --> 00:50:38.760
Albion Attendee: Was because

786

00:50:39.240 --> 00:50:41.130
Albion Attendee: They come to the says you were at 90

787

00:50:41.610 --> 00:50:44.010
Albion Attendee: Now musicals continued to

788

00:50:44.280 --> 00:50:48.810
Albion Attendee: A wave of the cesspool they keep dropping that x what
the

789

00:50:49.050 --> 00:50:49.950
Albion Attendee: Whole market value.

790
00:50:50.880 --> 00:50:51.210
So,

791
00:50:53.820 --> 00:50:55.110
Mike Faulkner: That's why we get that nobody

792
00:50:55.620 --> 00:50:57.390
Mike Faulkner: Does nobody. No, nobody

793
00:50:59.250 --> 00:51:00.300
Mike Faulkner: There like a baby and

794
00:51:00.300 --> 00:51:00.960
Rage

795
00:51:02.130 --> 00:51:04.260
Albion Attendee: That's, that's not any

796
00:51:06.150 --> 00:51:06.450
Albion Attendee: Wrong.

797
00:51:07.380 --> 00:51:07.770
Mike Faulkner: Word.

798
00:51:08.010 --> 00:51:08.430
Albion Attendee: I think

799
00:51:08.640 --> 00:51:09.720
Mike Faulkner: I think you're wrong.

800
00:51:10.620 --> 00:51:11.820
Mike Faulkner: Anytime you change.

801
00:51:14.820 --> 00:51:15.180
Albion Attendee: Agree.

802
00:51:16.230 --> 00:51:29.610

Albion Attendee: That's that's the reason that the timing has to do with them rebalance because those numbers keep changing because of the position is on. There's nothing anybody else to do the State saying that the property that is

803

00:51:29.850 --> 00:51:34.590

Albion Attendee: One of another 7% equity position the value was returning

804

00:51:39.690 --> 00:51:40.410

Albion Attendee: Community.

805

00:51:40.770 --> 00:51:41.730

Mike Faulkner: Every Mountain state.

806

00:51:43.560 --> 00:51:44.670

Albion Attendee: I said, obviously.

807

00:51:45.990 --> 00:51:46.950

Mike Faulkner: rate goes down.

808

00:51:50.730 --> 00:51:51.120

Mike Faulkner: On a

809

00:51:51.150 --> 00:51:54.870

Mike Faulkner: Great goes down. They raised the market value.

810

00:51:56.610 --> 00:51:57.030

Albion Attendee: Is

811

00:51:57.540 --> 00:52:01.590

Mike Faulkner: I'll check that out. Remember that that's easy only comparing

812

00:52:02.040 --> 00:52:03.120

Mike Faulkner: I don't make sense me

813

00:52:03.630 --> 00:52:04.530

Albion Attendee: Residential

814

00:52:04.860 --> 00:52:06.600

Mike Faulkner: I thought you take care of that.

815
00:52:06.810 --> 00:52:09.870
Mike Faulkner: Nature when you've done actual real

816
00:52:11.190 --> 00:52:13.920
Mike Faulkner: This is real. This is just

817
00:52:14.310 --> 00:52:16.680
Albion Attendee: Swapping 90%

818
00:52:17.520 --> 00:52:18.330
Mike Faulkner: Cash flow.

819
00:52:19.200 --> 00:52:20.850
Albion Attendee: With 83%

820
00:52:20.850 --> 00:52:24.330
Albion Attendee: Taxable anyone from 190% almost

821
00:52:25.410 --> 00:52:31.980
Albion Attendee: 309

822
00:52:32.400 --> 00:52:33.330
Mike Faulkner: It is a

823
00:52:37.920 --> 00:52:38.520
Albion Attendee: Freshman

824
00:52:40.530 --> 00:52:40.920
Mike Faulkner: Year.

825
00:52:42.030 --> 00:52:43.350
Albion Attendee: You don't have to notify them.

826
00:52:43.830 --> 00:52:45.360
Mike Faulkner: When there's a change under

827
00:52:45.810 --> 00:52:48.120
Albion Attendee: Their name Saturday. Okay.

828

00:52:49.980 --> 00:52:50.070
Albion Attendee: Same

829
00:52:56.580 --> 00:52:57.510
Mike Faulkner: In market.

830
00:52:57.990 --> 00:52:59.670
Mike Faulkner: Right, definitely.

831
00:52:59.970 --> 00:53:00.330
You know,

832
00:53:08.610 --> 00:53:11.070
Albion Attendee: Some, some more of the county has

833
00:53:12.330 --> 00:53:12.810
Albion Attendee: Already

834
00:53:13.860 --> 00:53:15.510
Albion Attendee: Seen seen any reason

835
00:53:18.240 --> 00:53:19.860
Albion Attendee: Right, yeah.

836
00:53:26.070 --> 00:53:26.790
Mike Faulkner: Changes the

837
00:53:28.380 --> 00:53:28.890
Mike Faulkner: Price is

838
00:53:28.950 --> 00:53:29.310
Mike Faulkner: One.

839
00:53:29.940 --> 00:53:33.990
Mike Faulkner: Way up because on equal addiction rates going down.

840
00:53:34.080 --> 00:53:37.830
Albion Attendee: Right, but not only justifiably so because the majority

841
00:53:37.830 --> 00:53:38.550
Practices.

842

00:53:39.660 --> 00:53:40.380

Albion Attendee: Are some

843

00:53:40.710 --> 00:53:43.080

Albion Attendee: Point five to 40% over the new system.

844

00:53:48.390 --> 00:53:48.720

Mike Faulkner: New

845

00:53:52.350 --> 00:53:52.590

Albion Attendee: York

846

00:53:54.120 --> 00:53:54.780

Mike Faulkner: City, New York.

847

00:53:58.350 --> 00:54:00.360

Albion Attendee: City, you're going to learn from

848

00:54:01.470 --> 00:54:03.330

Albion Attendee: You guys stay over here.

849

00:54:06.180 --> 00:54:07.920

Mike Faulkner: Yeah, right. But

850

00:54:10.530 --> 00:54:10.770

Mike Faulkner: That's

851

00:54:13.830 --> 00:54:14.010

Albion Attendee: All

852

00:54:16.860 --> 00:54:17.130

Albion Attendee: Right.

853

00:54:18.450 --> 00:54:20.310

Mike Faulkner: Okay, so the equalization rate goes

854

00:54:20.310 --> 00:54:21.300

Albion Attendee: Down in

855

00:54:21.630 --> 00:54:22.530
Mike Faulkner: Value goes up.

856
00:54:22.590 --> 00:54:23.250
Albion Attendee: Right, yeah.

857
00:54:27.450 --> 00:54:27.630
Mike Faulkner: What

858
00:54:28.440 --> 00:54:29.910
Mike Faulkner: We're seeing the

859
00:54:30.570 --> 00:54:31.200
Mike Faulkner: Center now.

860
00:54:31.230 --> 00:54:33.510
Mike Faulkner: Notice that's not for the

861
00:54:34.140 --> 00:54:35.760
Mike Faulkner: Only worthy of success.

862
00:54:36.690 --> 00:54:37.470
Mike Faulkner: For the market.

863
00:54:38.730 --> 00:54:39.030
Albion Attendee: Right.

864
00:54:39.120 --> 00:54:41.100
Mike Faulkner: Because they're doing it automatically

865
00:54:41.790 --> 00:54:42.690
Albion Attendee: Correct. Right.

866
00:54:45.600 --> 00:54:45.810
Albion Attendee: What

867
00:54:47.820 --> 00:54:48.150
Mike Faulkner: Sort of

868
00:54:50.310 --> 00:54:54.390

Albion Attendee: legalization of cannabis because everybody who's in the same tax.

869

00:54:54.450 --> 00:54:56.940

Albion Attendee: Of the room, they will have to do

870

00:54:57.360 --> 00:54:58.830

Albion Attendee: When you have one town.

871

00:54:59.430 --> 00:55:01.260

Albion Attendee: Or what are the families.

872

00:55:01.560 --> 00:55:03.510

Albion Attendee: assessments are way below.

873

00:55:03.540 --> 00:55:04.350

Albion Attendee: It should be

874

00:55:04.530 --> 00:55:05.910

Albion Attendee: An old way. Right.

875

00:55:07.620 --> 00:55:09.120

Mike Faulkner: Now, there isn't really

876

00:55:09.780 --> 00:55:10.920

Albion Attendee: A new creation.

877

00:55:11.760 --> 00:55:13.440

Albion Attendee: So I mean it.

878

00:55:13.710 --> 00:55:14.490

Mike Faulkner: Probably world.

879

00:55:16.260 --> 00:55:16.830

Mike Faulkner: Or any

880

00:55:19.140 --> 00:55:19.620

Mike Faulkner: Of the

881

00:55:19.830 --> 00:55:21.420

Albion Attendee: Wonders 100. What does

882

00:55:21.420 --> 00:55:21.570

Mike Faulkner: It.

883

00:55:21.960 --> 00:55:24.150

Albion Attendee: Mean I gave the county

884

00:55:24.450 --> 00:55:28.650

Albion Attendee: Real nice or the town and are supported.

885

00:55:28.920 --> 00:55:29.370

Albion Attendee: By us

886

00:55:30.240 --> 00:55:31.140

Albion Attendee: Under a

887

00:55:31.290 --> 00:55:31.950

Mike Faulkner: Lot of weight.

888

00:55:31.980 --> 00:55:33.270

Albion Attendee: Angel so on.

889

00:55:34.710 --> 00:55:36.570

Albion Attendee: Each of the communities have been seen.

890

00:55:36.780 --> 00:55:38.310

Albion Attendee: County taxes.

891

00:55:39.210 --> 00:55:41.610

Albion Attendee: as sensitive as

892

00:55:42.480 --> 00:55:42.870

Albion Attendee: So,

893

00:55:43.380 --> 00:55:45.570

Mike Faulkner: Then you say you dare she

894

00:55:46.800 --> 00:55:47.940

Mike Faulkner: Didn't put it under heaven.

895

00:55:48.720 --> 00:55:49.200
Mike Faulkner: But what's the

896

00:55:49.230 --> 00:55:50.730
Albion Attendee: Tentative roles. Roll the same

897

00:55:51.120 --> 00:55:51.930
Mike Faulkner: It was done in

898

00:55:52.380 --> 00:55:55.590
Albion Attendee: An enrollment is 23% because we had to file.

899

00:55:56.280 --> 00:55:57.810
Mike Faulkner: Say like 82%

900

00:55:58.050 --> 00:56:01.650
Mike Faulkner: For the tentative role. So, so it's a standard role the

901

00:56:01.650 --> 00:56:04.560
Mike Faulkner: Same, other than the changes made by

902

00:56:05.250 --> 00:56:09.990
Mike Faulkner: Three new board or your dealings are stipulate with the

903

00:56:10.530 --> 00:56:11.190
Loud

904

00:56:12.480 --> 00:56:12.840
Yeah.

905

00:56:14.130 --> 00:56:14.850
Albion Attendee: We only had

906

00:56:16.980 --> 00:56:17.700
Albion Attendee: Grievances

907

00:56:21.420 --> 00:56:24.150
Albion Attendee: And even even earlier. I asked her the agreements that we have

908

00:56:24.570 --> 00:56:25.740

Mike Faulkner: That had nothing to do with

909

00:56:25.740 --> 00:56:27.300

Mike Faulkner: Increasing that

910

00:56:28.620 --> 00:56:30.900

Albion Attendee: Because probably was not

911

00:56:31.380 --> 00:56:33.720

Mike Faulkner: Yeah, that was crazy but additional acre

912

00:56:34.170 --> 00:56:38.610

Albion Attendee: And to the ground in 60,000 for back three years ago.

913

00:56:41.040 --> 00:56:43.320

Mike Faulkner: I know I right during

914

00:56:44.850 --> 00:56:45.180

Albion Attendee: The

915

00:56:47.520 --> 00:56:50.700

Mike Faulkner: Day, it was back and you may or

916

00:56:52.080 --> 00:56:53.490

Mike Faulkner: may receive mail from

917

00:56:53.790 --> 00:56:54.270

Us.

918

00:56:56.340 --> 00:56:56.820

Mike Faulkner: Because

919

00:56:57.150 --> 00:56:57.570

Mike Faulkner: We're not

920

00:56:58.410 --> 00:57:00.420

Albion Attendee: Right, but there was no way that it shouldn't

921

00:57:06.480 --> 00:57:10.740

Albion Attendee: And also the guys are willing to next year because people that are paying x

922

00:57:11.010 --> 00:57:13.530

Albion Attendee: When they see what the taxes. I'm ex wife will be happy and

923

00:57:15.030 --> 00:57:16.080

Mike Faulkner: Full market value.

924

00:57:16.530 --> 00:57:17.370

Mike Faulkner: Come back down.

925

00:57:20.130 --> 00:57:21.210

Mike Faulkner: For your real

926

00:57:21.960 --> 00:57:27.870

Albion Attendee: Three properties. Continue increasing in value is a happened over the last three, four years.

927

00:57:27.930 --> 00:57:29.010

Mike Faulkner: I'm saying, but is there a

928

00:57:29.010 --> 00:57:31.710

Albion Attendee: Possibility of equalization

929

00:57:32.940 --> 00:57:34.710

Albion Attendee: For right

930

00:57:56.400 --> 00:57:58.530

Mike Faulkner: We have 100% of the market value.

931

00:57:58.950 --> 00:58:00.960

Mike Faulkner: Attached baby 100%

932

00:58:01.950 --> 00:58:02.490

Albion Attendee: Yes, it

933

00:58:05.880 --> 00:58:07.770

Albion Attendee: Is awesome or

934

00:58:13.140 --> 00:58:15.030

Albion Attendee: Something Walton

935

00:58:18.450 --> 00:58:18.900

I know

936

00:58:20.460 --> 00:58:20.940

Mike Faulkner: So far,

937

00:58:32.070 --> 00:58:33.450

I mean an example.

938

00:58:34.500 --> 00:58:41.850

Albion Attendee: Here in Brazil nine and eight. And we bought this property, a key minerals plans. I said, if you want to see sales of

939

00:58:42.120 --> 00:58:45.750

Albion Attendee: Athletes have 1020 3040 acres sales are

940

00:58:46.050 --> 00:58:48.360

Albion Attendee: Recycling right now. I mean,

941

00:58:48.540 --> 00:58:49.590

Albion Attendee: Sometimes, because

942

00:58:52.650 --> 00:58:53.340

Mike Faulkner: A lot of

943

00:58:54.870 --> 00:58:59.220

Mike Faulkner: People coming in. A lot of us, even the people that are buying

944

00:59:02.460 --> 00:59:03.030

Albion Attendee: This

945

00:59:03.210 --> 00:59:04.080

Mike Faulkner: What I've seen

946

00:59:05.610 --> 00:59:06.090

Albion Attendee: Over

947

00:59:08.730 --> 00:59:09.690

Had a positive

948

00:59:11.610 --> 00:59:13.710

Mike Faulkner: But you, you didn't prepare the

949

00:59:13.740 --> 00:59:14.610

Tangible

950

00:59:17.760 --> 00:59:18.090

Albion Attendee: I

951

00:59:18.900 --> 00:59:20.880

Albion Attendee: Yes, I will never change.

952

00:59:25.980 --> 00:59:26.370

Albion Attendee: State.

953

00:59:27.870 --> 00:59:34.350

Albion Attendee: Regulation rate is 83% and pointless such and such date
as

954

00:59:37.320 --> 00:59:39.750

Albion Attendee: Well, from what I'm trying to get at is

955

00:59:41.160 --> 00:59:42.060

Mike Faulkner: Tentative role.

956

00:59:43.140 --> 00:59:44.190

Mike Faulkner: They come job out

957

00:59:44.730 --> 00:59:47.190

Mike Faulkner: He first made first

958

00:59:47.520 --> 00:59:52.020

Mike Faulkner: You're done. Assessing actors in February February.

959

00:59:53.040 --> 00:59:54.750

Mike Faulkner: March 1 is tactical status.

960

00:59:55.530 --> 00:59:58.740

Mike Faulkner: So after that event very technical, somebody has

961
00:59:59.070 --> 01:00:00.900
Mike Faulkner: A double resume and any the

962
01:00:03.090 --> 01:00:04.590
Albion Attendee: Market Value changing

963
01:00:04.890 --> 01:00:06.480
Albion Attendee: Your required by law.

964
01:00:06.630 --> 01:00:08.010
Mike Faulkner: To send a landowner.

965
01:00:09.360 --> 01:00:10.170
Albion Attendee: Any changes.

966
01:00:12.660 --> 01:00:17.730
Albion Attendee: Any assessments that have been changed required by law
to notify market.

967
01:00:21.060 --> 01:00:21.990
Albion Attendee: At the market that

968
01:00:22.590 --> 01:00:24.150
Albion Attendee: I changed your assessment.

969
01:00:27.180 --> 01:00:28.590
Mike Faulkner: Of the debate anymore with our

970
01:00:29.100 --> 01:00:31.050
Mike Faulkner: Words assessed value.

971
01:00:31.110 --> 01:00:31.920
Mike Faulkner: Market value.

972
01:00:32.430 --> 01:00:33.720
Albion Attendee: When you hire

973
01:00:33.840 --> 01:00:35.220
Albion Attendee: An engineer to

974

01:00:35.340 --> 01:00:37.770
Mike Faulkner: Says damage or something. It

975
01:00:45.960 --> 01:00:46.650
Albion Attendee: Was

976
01:00:47.190 --> 01:00:47.520
Worth

977
01:00:50.910 --> 01:00:51.060
Mike Faulkner: It.

978
01:00:55.980 --> 01:00:56.340
Albion Attendee: Inside

979
01:00:57.270 --> 01:00:58.020
Sales

980
01:01:03.240 --> 01:01:03.870
Mike Faulkner: He says all

981
01:01:06.090 --> 01:01:07.980
Mike Faulkner: Over the last day.

982
01:01:09.930 --> 01:01:11.100
Albion Attendee: So as

983
01:01:11.940 --> 01:01:12.150
Well,

984
01:01:19.710 --> 01:01:20.190
Albion Attendee: Try

985
01:01:20.490 --> 01:01:20.640
To

986
01:01:22.200 --> 01:01:24.180
Mike Faulkner: Set a time with the

987
01:01:25.440 --> 01:01:26.670
Mike Faulkner: With the

988

01:01:27.390 --> 01:01:29.520

Albion Attendee: Sales that the way

989

01:01:29.580 --> 01:01:32.160

Albion Attendee: That you really do use

990

01:01:35.340 --> 01:01:36.600

Mike Faulkner: When you raise this

991

01:01:39.630 --> 01:01:41.640

Albion Attendee: Probably might be

992

01:01:41.670 --> 01:01:44.550

Albion Attendee: \$20,000 for his property that for this assessment.

993

01:01:44.820 --> 01:01:49.950

Albion Attendee: The 200,000 and he equalization within three just

994

01:01:50.070 --> 01:01:53.520

Albion Attendee: Omar evaluate the way away the property. So when the air.

995

01:01:54.600 --> 01:01:56.070

Albion Attendee: So you can just go to surveys

996

01:01:57.990 --> 01:01:58.800

Albion Attendee: After he says

997

01:02:00.360 --> 01:02:02.580

Albion Attendee: It's either similar white again.

998

01:02:02.850 --> 01:02:04.260

Albion Attendee: Where is just one aspect of the

999

01:02:05.280 --> 01:02:05.760

Albion Attendee: Entire

1000

01:02:06.180 --> 01:02:07.470

Albion Attendee: Are going to be a whale.

1001

01:02:11.220 --> 01:02:11.940
Albion Attendee: Really to do

1002

01:02:11.970 --> 01:02:15.870
Albion Attendee: Their job is to do everybody the same rates.

1003

01:02:20.160 --> 01:02:20.550
Because

1004

01:02:23.070 --> 01:02:23.760
Albion Attendee: Interest rates.

1005

01:02:26.550 --> 01:02:27.030
Mike Faulkner: I thought that

1006

01:02:27.750 --> 01:02:28.110
Mike Faulkner: This

1007

01:02:28.410 --> 01:02:29.670
This is pulled down

1008

01:02:31.200 --> 01:02:32.220
Mike Faulkner: Yeah, okay.

1009

01:02:32.520 --> 01:02:32.820
Thank

1010

01:02:37.200 --> 01:02:37.920
Albion Attendee: You to our

1011

01:02:41.190 --> 01:02:42.990
Albion Attendee: email list. I'll send it to you about the

1012

01:02:51.090 --> 01:02:51.600
Albion Attendee: Show.

1013

01:02:53.790 --> 01:02:54.510
Albion Attendee: Something just

1014

01:02:57.540 --> 01:02:58.620

Albion Attendee: Saying this

1015

01:03:00.930 --> 01:03:01.590

Albion Attendee: Record.

1016

01:03:01.980 --> 01:03:02.130

Okay.

1017

01:03:04.680 --> 01:03:05.670

Mike Faulkner: Perfect. Thank you.

1018

01:03:10.500 --> 01:03:10.860

Mike Faulkner: Okay.

1019

01:03:28.140 --> 01:03:29.730

Albion Attendee: Okay, for the month of June.

1020

01:03:32.040 --> 01:03:33.150

Albion Attendee: Permit renewal.

1021

01:03:35.730 --> 01:03:38.640

Albion Attendee: Three residential three pole barns.

1022

01:03:40.110 --> 01:03:50.550

Albion Attendee: Two utility structures took the in a total of \$945 and permit fees I issued three certificates of compliance.

1023

01:03:51.150 --> 01:03:51.750

Albion Attendee: I had

1024

01:03:53.130 --> 01:03:53.970

Albion Attendee: Was voided

1025

01:03:54.000 --> 01:03:56.580

Albion Attendee: Because they decided not to do the project.

1026

01:03:58.170 --> 01:03:58.320

Albion Attendee: Or

1027

01:03:58.770 --> 01:04:04.740

Albion Attendee: General doing very well. Moving along, and sold our

1028

01:04:05.250 --> 01:04:06.420

Albion Attendee: Own nations in

1029

01:04:07.290 --> 01:04:09.660

Albion Attendee: In preparation to start stringing steel.

1030

01:04:13.980 --> 01:04:15.180

Albion Attendee: I wasn't sure what they got done

1031

01:04:20.130 --> 01:04:20.610

Albion Attendee: Any

1032

01:04:20.640 --> 01:04:21.510

Mike Faulkner: Questions for burn.

1033

01:04:25.920 --> 01:04:26.160

Mike Faulkner: Burn

1034

01:04:30.990 --> 01:04:31.920

Mike Faulkner: Just assailant.

1035

01:04:38.520 --> 01:04:39.000

Albion Attendee: Record.

1036

01:04:42.690 --> 01:04:42.990

Albion Attendee: Is

1037

01:04:44.430 --> 01:04:45.180

Albion Attendee: Ours, the Court.

1038

01:04:46.470 --> 01:04:51.990

Albion Attendee: Things are not, you can see what we're spread out as our own situation blue

1039

01:04:51.990 --> 01:04:53.160

Albion Attendee: Lines, everything is set.

1040

01:04:53.610 --> 01:04:54.960

Albion Attendee: We've been given approval.

1041

01:04:55.050 --> 01:04:57.420

Albion Attendee: To open the court as of last

1042

01:04:57.480 --> 01:04:59.040

Albion Attendee: Friday, but

1043

01:04:59.820 --> 01:05:00.900

Albion Attendee: We have the directive.

1044

01:05:02.490 --> 01:05:05.130

Albion Attendee: To not be scheduling in personal appearances

1045

01:05:06.480 --> 01:05:08.040

Albion Attendee: And allow certain things.

1046

01:05:08.670 --> 01:05:10.470

Mike Faulkner: They don't want to happen again.

1047

01:05:11.820 --> 01:05:13.260

Mike Faulkner: You want to try to do it by

1048

01:05:13.440 --> 01:05:14.820

Albion Attendee: Virtual Skype.

1049

01:05:15.120 --> 01:05:16.800

Mike Faulkner: Meeting, other than in person.

1050

01:05:17.820 --> 01:05:23.550

Mike Faulkner: But there. So people they want to work, but they're probably not as much but again they want you to

1051

01:05:24.270 --> 01:05:30.540

Albion Attendee: Do everything he possibly can. I mean, even with the attorneys phone calls mail.

1052

01:05:31.650 --> 01:05:33.510

Mike Faulkner: Already everything. The only court appearance in

1053

01:05:34.770 --> 01:05:35.400

Albion Attendee: Your sense

1054

01:05:35.730 --> 01:05:36.540

Albion Attendee: The individual

1055

01:05:37.470 --> 01:05:40.170

Albion Attendee: They really don't want you to send them to jail or anything else they

1056

01:05:40.950 --> 01:05:41.490

Albion Attendee: Almost like

1057

01:05:42.390 --> 01:05:43.260

Albion Attendee: Five days.

1058

01:05:44.910 --> 01:05:45.990

Mike Faulkner: Can you do all the

1059

01:05:47.220 --> 01:05:52.440

Mike Faulkner: preliminary stuff by mail and then do an actual court bakery is sentences that

1060

01:05:52.620 --> 01:05:54.390

Mike Faulkner: Yeah, that's what they want you to do.

1061

01:05:54.900 --> 01:05:58.920

Mike Faulkner: Basically extends everything out even longer, all we're trying to do is

1062

01:05:59.760 --> 01:06:02.460

Albion Attendee: We're getting cases in now because their cap court.

1063

01:06:03.960 --> 01:06:06.270

Albion Attendee: Is not working quite well i guess i

1064

01:06:06.270 --> 01:06:11.790

Albion Attendee: Have no idea but they just turn around and send all the records here and say okay you handle it well.

1065

01:06:12.150 --> 01:06:13.830

Albion Attendee: We have to find out who the attendees are

1066

01:06:14.220 --> 01:06:23.250

Albion Attendee: In some of the new things as we can do here. When I was coming from the police officers wreck. I guess in cap so it's changing a day to day thing.

1067

01:06:23.340 --> 01:06:23.610

Mike Faulkner: Right.

1068

01:06:23.880 --> 01:06:24.720

Albion Attendee: It's kind of hard to

1069

01:06:24.750 --> 01:06:26.340

Albion Attendee: Keep up with it. I gave you the

1070

01:06:27.780 --> 01:06:28.530

Albion Attendee: Best so

1071

01:06:29.580 --> 01:06:30.300

Albion Attendee: Other than that.

1072

01:06:30.600 --> 01:06:40.260

Mike Faulkner: We sent out a few miners is what we're getting. But we still have four days. We haven't set for the 20th of this month. Well, we had a director today's they

1073

01:06:40.710 --> 01:06:42.720

Albion Attendee: Know court knowing

1074

01:06:44.670 --> 01:06:48.420

Mike Faulkner: Which way we're going to go. We don't know. But there's men.

1075

01:06:48.510 --> 01:06:49.530

Albion Attendee: And I'm going to be here.

1076

01:06:50.100 --> 01:06:53.820

Mike Faulkner: We have certain things we have to do it people show up and ask

1077

01:06:55.380 --> 01:06:55.860

Albion Attendee: Mom.

1078

01:06:56.160 --> 01:06:56.670

Mike Faulkner: We had

1079

01:06:57.090 --> 01:06:58.860

Mike Faulkner: Purchased before

1080

01:06:59.160 --> 01:06:59.700

Albion Attendee: We thing is

1081

01:06:59.940 --> 01:07:06.600

Mike Faulkner: Six months. Tracy, I hurt myself or equal apart. But everybody's got a mask and

1082

01:07:06.630 --> 01:07:07.410

Albion Attendee: She was love.

1083

01:07:07.470 --> 01:07:09.450

Albion Attendee: Which I will pick ups and for next week.

1084

01:07:10.980 --> 01:07:11.280

Mike Faulkner: Oh,

1085

01:07:12.690 --> 01:07:17.070

Albion Attendee: The other thing is in you know we have any is going to sit at your this little table.

1086

01:07:17.790 --> 01:07:18.720

Mike Faulkner: And everybody I'm

1087

01:07:20.130 --> 01:07:20.670

Albion Attendee: Gonna get

1088

01:07:21.480 --> 01:07:24.060

Albion Attendee: My room. So we know what's going on and

1089

01:07:26.790 --> 01:07:27.390

Albion Attendee: People

1090

01:07:27.480 --> 01:07:29.580

Mike Faulkner: Are less husband, wife, come in, and it can go a lot

1091

01:07:30.840 --> 01:07:33.900

Mike Faulkner: Other than that, we're holding it like 10 people

1092

01:07:34.710 --> 01:07:40.980

Albion Attendee: When somebody's done next person comes in it. So we thought waiting in the parking lot, so

1093

01:07:42.450 --> 01:07:43.440

Mike Faulkner: He got a plan home.

1094

01:07:44.040 --> 01:07:48.810

Albion Attendee: We got I have to keep records of everybody comes in here because if we have to

1095

01:07:49.830 --> 01:07:50.670

Mike Faulkner: Please anybody

1096

01:07:50.790 --> 01:07:51.900

Albion Attendee: Yep, literally.

1097

01:07:52.350 --> 01:07:59.040

Mike Faulkner: Yeah, I have to do the same thing at the shop or every person that comes in. They either have make an appointment. So I have their info.

1098

01:07:59.340 --> 01:08:00.570

Albion Attendee: Here if they walk in.

1099

01:08:00.630 --> 01:08:02.970

Mike Faulkner: I need their name and phone number in case of that.

1100

01:08:03.390 --> 01:08:05.790

Albion Attendee: If they if the temperature is higher than

1101

01:08:06.180 --> 01:08:10.170

Albion Attendee: 100 point for anything above that it can even be allowed.

1102

01:08:10.200 --> 01:08:12.480

Mike Faulkner: In right but if it's okay.

1103

01:08:12.540 --> 01:08:14.220

Albion Attendee: And then we find out later they got coven

1104

01:08:14.460 --> 01:08:18.600

Albion Attendee: And that's when they want to know we've been contacted within this area so

1105

01:08:18.600 --> 01:08:21.000

Albion Attendee: Exactly. But those are the things that

1106

01:08:23.010 --> 01:08:23.400

Albion Attendee: And

1107

01:08:23.460 --> 01:08:26.940

Albion Attendee: I said something to you know maybe Rick who

1108

01:08:28.410 --> 01:08:29.100

Albion Attendee: Hey, Eddie.

1109

01:08:30.570 --> 01:08:31.770

Albion Attendee: I asked to

1110

01:08:31.890 --> 01:08:37.470

Albion Attendee: Because we haven't had any training and stuff. I have the full budget as far as the training.

1111

01:08:37.650 --> 01:08:40.980

Albion Attendee: Which is about 1300 bucks, I would like to

1112

01:08:42.330 --> 01:08:51.690

Albion Attendee: Ask if the board would consider moving some of that money to another line item pay her because she's just

1113

01:08:53.220 --> 01:08:54.090

Albion Attendee: Monitor. This

1114

01:08:54.390 --> 01:08:55.080

Albion Attendee: Is a month.

1115

01:08:55.530 --> 01:08:56.340

Albion Attendee: From four to eight.

1116

01:08:59.880 --> 01:09:04.380

Mike Faulkner: Jesse. Jesse, can we pay. Mrs. Smith and I knew that in

1117

01:09:05.970 --> 01:09:11.040

Mike Faulkner: Our core training preparation that would be to do a spammer.

1118

01:09:11.430 --> 01:09:11.820

Why

1119

01:09:13.290 --> 01:09:14.880

Mike Faulkner: They wouldn't be doing that far.

1120

01:09:15.180 --> 01:09:16.230

Albion Attendee: Yeah, Betty would be doing it.

1121

01:09:16.410 --> 01:09:17.970

Mike Faulkner: Very is Mrs. Smith.

1122

01:09:18.060 --> 01:09:21.300

Mike Faulkner: Mr. Smith bed is yes, sorry.

1123

01:09:22.650 --> 01:09:23.280

Albion Attendee: Used to be very

1124

01:09:25.170 --> 01:09:28.620

Mike Faulkner: Sure she can do that and all necessary Kenny as well.

1125

01:09:29.160 --> 01:09:31.470

Albion Attendee: Right. But, I mean, I don't know what

1126

01:09:33.030 --> 01:09:41.670

Albion Attendee: Would it be considered basically just another function for her. Same amount of money that she gets her everything else and but just to take it. All right.

1127

01:09:41.670 --> 01:09:43.500

Mike Faulkner: We'd have to make a resolution to take

1128

01:09:43.680 --> 01:09:45.390

Mike Faulkner: On that particular if you've

1129

01:09:45.960 --> 01:09:47.220
Mike Faulkner: Got the agenda.

1130
01:09:49.590 --> 01:09:54.480
Mike Faulkner: Yesterday I looked at it, maybe outside your window. So you're gonna be based in Melbourne.

1131
01:09:57.600 --> 01:10:02.460
Albion Attendee: Know, this isn't one of those handheld. You gotta be like a foot away and you hit him in

1132
01:10:02.700 --> 01:10:04.500
Albion Attendee: His I got it from the

1133
01:10:05.100 --> 01:10:05.640
Record.

1134
01:10:06.750 --> 01:10:07.140
Albion Attendee: Well,

1135
01:10:09.870 --> 01:10:12.210
Albion Attendee: So she's going to be having four hours each quarter.

1136
01:10:13.980 --> 01:10:25.050
Mike Faulkner: Alright, Ricky. Because if he if he had no business at seven o'clock to go with three if we're doing something else and maybe go to eight o'clock. We have no idea. It's kind of wait and see how we play

1137
01:10:26.760 --> 01:10:27.360
Albion Attendee: It.

1138
01:10:27.510 --> 01:10:29.070
Albion Attendee: back into the swing of things so

1139
01:10:29.310 --> 01:10:30.270
Albion Attendee: I had no idea.

1140
01:10:32.010 --> 01:10:37.650
Albion Attendee: I'm pulling it from, for he was covering some or 730 that

1141
01:10:37.830 --> 01:10:39.810

Albion Attendee: Whatever. But then we can

1142

01:10:41.460 --> 01:10:44.460

Mike Faulkner: Add another line number or whatever it is, continues.

1143

01:10:45.600 --> 01:10:46.470

Albion Attendee: Just going to continue

1144

01:10:46.560 --> 01:10:48.600

Albion Attendee: exactly zero or after you

1145

01:10:50.310 --> 01:10:50.700

Mike Faulkner: Know,

1146

01:10:51.210 --> 01:10:53.460

Mike Faulkner: You want to open up right

1147

01:10:54.600 --> 01:10:56.460

Albion Attendee: Well, I've got a I've got people

1148

01:10:56.940 --> 01:10:58.230

Albion Attendee: On here. Oh.

1149

01:10:58.680 --> 01:10:59.070

Yeah.

1150

01:11:00.180 --> 01:11:00.480

I got

1151

01:11:01.530 --> 01:11:03.210

Albion Attendee: Seven. I bought

1152

01:11:06.660 --> 01:11:07.680

Mike Faulkner: Her time she

1153

01:11:09.720 --> 01:11:10.020

Mike Faulkner: You

1154

01:11:12.870 --> 01:11:17.040

Mike Faulkner: Good. How are we, how are we configured are also that way is

1155

01:11:17.970 --> 01:11:28.710

Mike Faulkner: I think I just had thank you Amy for saying that because I just had a thought we can, if she is okay with it. We could. I think we all hope that this doesn't go on forever.

1156

01:11:28.770 --> 01:11:29.280

Albion Attendee: There you go.

1157

01:11:29.610 --> 01:11:39.810

Mike Faulkner: We could have or keep track of her time at least till the end of the year, the budget here and then we could write the resolution to pay her for that money that's specifically for the

1158

01:11:39.810 --> 01:11:41.880

Mike Faulkner: Court out of that training fee.

1159

01:11:43.470 --> 01:11:46.530

Albion Attendee: What do you want to wait. Would you want to wait four or five mostly can make

1160

01:11:46.590 --> 01:11:47.460

Albion Attendee: Sure we're doing the job.

1161

01:11:47.970 --> 01:11:49.320

Mike Faulkner: Just a thought. Aaron.

1162

01:11:50.070 --> 01:11:51.240

Albion Attendee: Aaron 1640

1163

01:11:54.120 --> 01:11:54.480

Mike Faulkner: Great.

1164

01:11:54.900 --> 01:11:56.340

Mike Faulkner: Yeah. Yep.

1165

01:12:01.050 --> 01:12:01.320

Mike Faulkner: Okay.

1166

01:12:01.770 --> 01:12:03.300

Albion Attendee: You have an account there or

1167

01:12:03.570 --> 01:12:07.680

Albion Attendee: You can add a line item 16 14.1 and can be

1168

01:12:09.390 --> 01:12:09.840

Albion Attendee: Cool.

1169

01:12:10.650 --> 01:12:12.780

Albion Attendee: And add one additional

1170

01:12:12.870 --> 01:12:15.750

Albion Attendee: Number yeah lie.

1171

01:12:18.840 --> 01:12:19.260

Albion Attendee: About it.

1172

01:12:19.350 --> 01:12:20.370

We could do that.

1173

01:12:28.170 --> 01:12:29.250

Mike Faulkner: Right, you did. Okay.

1174

01:12:33.000 --> 01:12:33.330

Mike Faulkner: Okay.

1175

01:12:39.810 --> 01:12:40.170

Mike Faulkner: Okay.

1176

01:12:41.700 --> 01:12:42.000

Mike Faulkner: Okay.

1177

01:12:43.470 --> 01:12:44.550

Albion Attendee: So you're saying I got

1178

01:12:45.750 --> 01:12:56.340

Albion Attendee: 1047 which is my training, you're going to pay her out of the like the building. Then at the end of the year, you can say, okay, she did this amount of hours this amount of pay and then you can take it out of 11 1047

1179

01:12:56.670 --> 01:12:57.960

Albion Attendee: Yep. Put it back.

1180

01:12:57.990 --> 01:12:58.470

Mike Faulkner: Correct.

1181

01:12:59.250 --> 01:13:00.840

Albion Attendee: It's almost like picking out of the pocket on the

1182

01:13:02.130 --> 01:13:04.770

Mike Faulkner: Streets make a transfer from one solution like you weren't

1183

01:13:05.340 --> 01:13:06.180

Albion Attendee: Going to continue

1184

01:13:06.300 --> 01:13:07.920

Albion Attendee: We can make another line item.

1185

01:13:08.370 --> 01:13:09.300

Albion Attendee: Like drugs.

1186

01:13:11.100 --> 01:13:14.280

Albion Attendee: And the budget when we talk about it. Right. It's

1187

01:13:16.260 --> 01:13:16.620

Albion Attendee: Not going to

1188

01:13:16.950 --> 01:13:17.820

Mike Faulkner: Know, cool. Thank you.

1189

01:13:17.880 --> 01:13:18.780

Albion Attendee: Like anything else.

1190

01:13:19.440 --> 01:13:22.110

Mike Faulkner: I have a question for you judge and and i know we briefly.

1191

01:13:22.110 --> 01:13:25.020

Mike Faulkner: Talked about it, but maybe you can explain it to the other folks here.

1192

01:13:25.860 --> 01:13:41.490

Mike Faulkner: I talked to Rebecca about the busyness property and her take on it it and she was going to talk to you. I don't think she has yet but she's planning to she feels that we should proceed and Supreme

1193

01:13:41.490 --> 01:13:42.150

Court

1194

01:13:43.290 --> 01:13:44.850

Mike Faulkner: Because you don't have the

1195

01:13:45.060 --> 01:13:47.340

Mike Faulkner: I don't have the authority authority to do it.

1196

01:13:47.490 --> 01:13:48.810

Mike Faulkner: Happen to

1197

01:13:49.740 --> 01:13:53.940

Mike Faulkner: Have him have the town. The county, whoever clean up his property.

1198

01:13:54.480 --> 01:13:59.670

Mike Faulkner: And assess it on his taxes and then that's his problem at that point.

1199

01:14:00.990 --> 01:14:03.450

Mike Faulkner: But it's been over two years.

1200

01:14:04.800 --> 01:14:08.760

Albion Attendee: Yeah. Well, I think we ought to proceed. But you want to

1201

01:14:09.810 --> 01:14:16.170

Albion Attendee: Like get it out of the talons hands so say there's animosities or this or that and see if we could get the company to do it.

1202

01:14:16.470 --> 01:14:23.820

Albion Attendee: So account. He doesn't care. But if we try to do it you know Gary and his wife were gonna say yeah you people are all against

1203

01:14:24.900 --> 01:14:27.060

Albion Attendee: You know, and then they're going to have animosities against

1204

01:14:27.270 --> 01:14:29.490

Albion Attendee: The people of the town truckers everything for it.

1205

01:14:29.490 --> 01:14:30.630

Albion Attendee: And they're only doing their job.

1206

01:14:30.690 --> 01:14:33.360

Albion Attendee: If we could get the company to do it yeah a lot better.

1207

01:14:33.420 --> 01:14:34.350

Albion Attendee: Right, or

1208

01:14:34.380 --> 01:14:35.580

Mike Faulkner: statuses are crappy

1209

01:14:37.290 --> 01:14:38.940

Mike Faulkner: Because the county does be

1210

01:14:39.510 --> 01:14:40.230

Mike Faulkner: The county

1211

01:14:46.860 --> 01:14:52.620

Albion Attendee: Right. But we also maybe put it up for business, you could do. I've gotten a lot of

1212

01:14:52.650 --> 01:14:53.700

Albion Attendee: Errors houses down

1213

01:14:53.790 --> 01:14:57.840

Albion Attendee: Does that clean things up for some gravel and Brittany dresses up nice.

1214

01:14:58.260 --> 01:15:08.010

Mike Faulkner: Well, when it comes down to it, we gotta keep track of what other for a cost plus the town taxpayers legal have souls events as well.

1215

01:15:09.330 --> 01:15:13.500

Mike Faulkner: So okay, so that's, you can't, your hands are tied basically

1216

01:15:13.860 --> 01:15:15.300

Albion Attendee: I can, I can issue that

1217

01:15:16.650 --> 01:15:17.160

Mike Faulkner: He's

1218

01:15:18.750 --> 01:15:20.370

Mike Faulkner: Got he's going to take care of that it

1219

01:15:21.420 --> 01:15:22.890

Albion Attendee: Got another little caveat here.

1220

01:15:24.210 --> 01:15:26.220

Albion Attendee: The court.

1221

01:15:26.310 --> 01:15:37.560

Albion Attendee: Has said, or has allowed a certain amount of money's allowed each court or extended expenses. So we need to keep track of, like,

1222

01:15:38.250 --> 01:15:38.910

pedometers

1223

01:15:40.320 --> 01:15:42.780

Albion Attendee: Aim for this thermometer to leave without without grab it.

1224

01:15:42.960 --> 01:15:43.620

Mike Faulkner: Right, but

1225

01:15:43.800 --> 01:15:52.170

Mike Faulkner: There's ways to recoup the money he's ever been ever been recouping the money or like daddy because of the fact is,

1226

01:15:52.230 --> 01:15:54.210

Albion Attendee: Over and above, something that was just

1227

01:15:54.300 --> 01:15:54.900

At

1228

01:15:56.760 --> 01:15:57.480

Albion Attendee: Last year's

1229

01:15:57.510 --> 01:15:59.190

Mike Faulkner: Pray, we just answered my question.

1230

01:15:59.460 --> 01:16:01.110

Mike Faulkner: And then we recoup the money.

1231

01:16:01.470 --> 01:16:02.220

Mike Faulkner: And the attorney.

1232

01:16:02.250 --> 01:16:02.880

Mike Faulkner: For the court.

1233

01:16:03.540 --> 01:16:04.860

Mike Faulkner: And the bootstrapping. Yeah.

1234

01:16:05.280 --> 01:16:10.530

Mike Faulkner: I don't believe it. You could do that. That was a that was a pending case Carla. I don't think we can do it on or under

1235

01:16:10.620 --> 01:16:10.890

This

1236

01:16:12.060 --> 01:16:13.470

Mike Faulkner: Supreme Court. Oh, yeah.

1237

01:16:14.460 --> 01:16:15.570

Mike Faulkner: That's money.

1238

01:16:16.050 --> 01:16:16.950

Mike Faulkner: So we can add a

1239

01:16:18.840 --> 01:16:19.950

Mike Faulkner: Tear down what

1240

01:16:20.970 --> 01:16:21.810

Albion Attendee: Tony employees.

1241

01:16:22.170 --> 01:16:24.090

Albion Attendee: Their wages plus benefits.

1242

01:16:24.510 --> 01:16:29.220

Albion Attendee: Also the truck fuel time all these things because they're not doing

1243

01:16:29.820 --> 01:16:30.510

Albion Attendee: Functions.

1244

01:16:31.320 --> 01:16:32.220

Albion Attendee: You can say, okay,

1245

01:16:32.400 --> 01:16:37.170

Albion Attendee: Even the insurance a look, we're doing certain things that over and above we

1246

01:16:37.290 --> 01:16:40.230

Albion Attendee: As something for our attorney to address.

1247

01:16:40.800 --> 01:16:42.570

Albion Attendee: All these things need to be applied.

1248

01:16:42.870 --> 01:16:45.240

Albion Attendee: To the supreme court order. Let's move

1249

01:16:46.410 --> 01:16:49.050

Mike Faulkner: It would make a motion to move ahead. Okay.

1250

01:16:51.420 --> 01:16:51.750

Albion Attendee: All right.

1251

01:16:52.710 --> 01:16:57.480

Mike Faulkner: All in favor to move ahead with that discussion. We just had

1252

01:16:57.570 --> 01:16:58.830

I i

1253

01:17:05.010 --> 01:17:08.670

Mike Faulkner: Okay, I'll tell Rebecca to move ahead with that, as he said

1254

01:17:09.990 --> 01:17:11.640

Mike Faulkner: Any other questions for Jalen

1255

01:17:14.040 --> 01:17:16.770

Mike Faulkner: Okay, who's the best Supreme Court judge. There's three

1256

01:17:18.900 --> 01:17:23.820

Mike Faulkner: Okay. Fire Department. I've got a report and a quarterly report.

1257

01:17:28.260 --> 01:17:29.250

Mike Faulkner: Monthly Report.

1258

01:17:29.670 --> 01:17:33.210

Mike Faulkner: June 2020 there were 15 calls

1259

01:17:34.650 --> 01:17:46.710

Mike Faulkner: Total contract for. Well, I don't have to do that, you know, beginning June 2020 check register balance was \$66,365 51 cents monthly expenses for

1260

01:17:46.710 --> 01:17:51.570

Albion Attendee: June 20 \$21,940 59 cents.

1261

01:17:51.870 --> 01:17:53.580

Mike Faulkner: Checking mail and moved to July.

1262

01:17:53.610 --> 01:17:57.930

Mike Faulkner: \$64,460 92 cents.

1263

01:17:59.520 --> 01:17:59.730

Mike Faulkner: A

1264

01:17:59.760 --> 01:18:01.680

Albion Attendee: quarterly financial review.

1265

01:18:02.850 --> 01:18:03.480

Mike Faulkner: Day.

1266

01:18:05.010 --> 01:18:06.240

Mike Faulkner: For the quarter. April.

1267

01:18:06.240 --> 01:18:09.300

Mike Faulkner: May, June 2020 deposited

1268

01:18:09.600 --> 01:18:12.810

Albion Attendee: \$90,200 business.

1269

01:18:12.930 --> 01:18:15.720

Albion Attendee: Tracking positive \$10,000

1270

01:18:15.780 --> 01:18:15.990

Truck

1271

01:18:18.240 --> 01:18:19.050

Mike Faulkner: expenses for

1272

01:18:19.080 --> 01:18:28.050

Albion Attendee: April or \$1,584 41 cents for me was 24,652 cents.

1273

01:18:28.470 --> 01:18:31.530

Mike Faulkner: For June \$1,904 and

1274

01:18:31.530 --> 01:18:32.520

Mike Faulkner: 59 cents.

1275

01:18:33.120 --> 01:18:34.500

Mike Faulkner: So the beginning man was

1276

01:18:34.650 --> 01:18:37.050

Mike Faulkner: Mainly were 2020 was

1277

01:18:37.680 --> 01:18:40.260

Mike Faulkner: \$1,066 and 62

1278

01:18:40.260 --> 01:18:40.920

Albion Attendee: Cents

1279

01:18:41.580 --> 01:18:45.540

Albion Attendee: The deposit is checking from the contract \$98,000

1280

01:18:45.570 --> 01:18:49.080

Albion Attendee: To \$290,200

1281

01:18:49.890 --> 01:18:50.970

Albion Attendee: The beginning, April.

1282

01:18:50.970 --> 01:18:52.290

Mike Faulkner: 2020 check register.

1283

01:18:52.290 --> 01:18:57.480

Mike Faulkner: Balance was \$93,015 and 95 cents.

1284

01:18:57.750 --> 01:18:59.370

Mike Faulkner: Total quarterly expenses.

1285

01:18:59.400 --> 01:19:05.280

Mike Faulkner: \$28,104 22 cents balance July.

1286

01:19:05.340 --> 01:19:10.470

Mike Faulkner: 2020 \$64,460 92 cents.

1287

01:19:11.130 --> 01:19:13.260

Mike Faulkner: And the calls for the

1288

01:19:13.860 --> 01:19:19.410

Mike Faulkner: April. There were five balls may there were 23 calls June, there were 50

1289

01:19:22.500 --> 01:19:22.830

Mike Faulkner: Below.

1290

01:19:27.960 --> 01:19:29.880

Albion Attendee: I have a couple of comments related

1291

01:19:33.030 --> 01:19:33.300

Albion Attendee: Okay.

1292

01:19:38.010 --> 01:19:38.610

Albion Attendee: About

1293

01:19:38.700 --> 01:19:39.450

Albion Attendee: He

1294

01:19:40.080 --> 01:19:41.700
Mike Faulkner: The 99 year lease.

1295
01:19:41.700 --> 01:19:43.290
Albion Attendee: For the thing that we call

1296
01:19:45.690 --> 01:19:46.290
Mike Faulkner: Receive

1297
01:19:46.590 --> 01:19:47.940
uses it for water.

1298
01:19:49.500 --> 01:19:50.040
Mike Faulkner: And

1299
01:19:50.190 --> 01:19:52.920
Mike Faulkner: She will dress Elise

1300
01:19:54.510 --> 01:19:54.750
That

1301
01:19:56.550 --> 01:19:59.940
Albion Attendee: Will also stated, it's in the best interest to keep
them.

1302
01:20:01.020 --> 01:20:02.490
Mike Faulkner: And provide

1303
01:20:06.030 --> 01:20:06.930
Because we know

1304
01:20:08.760 --> 01:20:11.310
Albion Attendee: They needed easy. So the place where they can get

1305
01:20:11.310 --> 01:20:11.940
Water

1306
01:20:13.050 --> 01:20:13.620
That's a

1307
01:20:14.730 --> 01:20:15.240

Mike Faulkner: That

1308

01:20:15.720 --> 01:20:17.730

Mike Faulkner: I've talked to her about that she will take care of

1309

01:20:22.740 --> 01:20:23.940

Albion Attendee: Me. Yeah.

1310

01:20:29.940 --> 01:20:30.300

Albion Attendee: Boy.

1311

01:20:39.660 --> 01:20:40.230

Albion Attendee: Can you

1312

01:20:42.930 --> 01:20:43.230

Albion Attendee: Give

1313

01:20:47.580 --> 01:20:47.790

Albion Attendee: Us.

1314

01:20:48.990 --> 01:20:49.650

Albion Attendee: A song.

1315

01:20:54.150 --> 01:20:56.790

Mike Faulkner: And then somebody come in and undercut yeah

1316

01:20:56.820 --> 01:21:00.060

Mike Faulkner: We might let her just doing. I think the least happy that

1317

01:21:00.720 --> 01:21:01.200

Mike Faulkner: Sounds like

1318

01:21:03.450 --> 01:21:06.180

Mike Faulkner: The other thing that I had talked to her at Lincoln.

1319

01:21:07.320 --> 01:21:13.830

Mike Faulkner: Wanted to talk to burn a little bit about this but sorry I can talk to him later was the southern division's the maple landing in

1320

01:21:13.830 --> 01:21:16.290

Mike Faulkner: Particular but also the salmon.

1321

01:21:16.680 --> 01:21:17.070

Run.

1322

01:21:19.710 --> 01:21:21.210

Mike Faulkner: Sheet. She does not feel that it's

1323

01:21:21.210 --> 01:21:27.480

Mike Faulkner: Necessary to send letters to the landowners because they know based on the permanent application process that

1324

01:21:27.810 --> 01:21:30.150

Mike Faulkner: Those are not for season places.

1325

01:21:30.690 --> 01:21:31.380

Mike Faulkner: The town.

1326

01:21:32.190 --> 01:21:36.270

Mike Faulkner: Will never do road road. We're out of those private roads there.

1327

01:21:38.160 --> 01:21:41.700

Mike Faulkner: For any problems that they have she did say that it's

1328

01:21:41.700 --> 01:21:44.700

Mike Faulkner: Probably a good idea to sign similar

1329

01:21:45.750 --> 01:21:46.800

Albion Attendee: To the end of May be landing

1330

01:21:47.790 --> 01:21:51.900

Mike Faulkner: Another one at the end of salmon run saying you know this. This is not

1331

01:21:52.200 --> 01:21:55.050

Mike Faulkner: A town maintain grown proceed at your own risk type

1332

01:21:55.050 --> 01:21:55.380

Mike Faulkner: Of thing.

1333

01:21:56.040 --> 01:22:01.860

Mike Faulkner: And I know Hoover had had one of those signs previously and someone took it down so

1334

01:22:02.220 --> 01:22:03.240

Albion Attendee: You may know

1335

01:22:03.960 --> 01:22:04.590

Mike Faulkner: The best way to

1336

01:22:04.620 --> 01:22:06.000

Albion Attendee: go about getting that sign and then

1337

01:22:06.000 --> 01:22:08.040

Albion Attendee: We can have it installed in

1338

01:22:08.670 --> 01:22:10.470

Mike Faulkner: And hopefully not have it removed again.

1339

01:22:10.470 --> 01:22:10.770

Albion Attendee: But

1340

01:22:11.220 --> 01:22:12.570

Mike Faulkner: We may be up against that.

1341

01:22:12.660 --> 01:22:13.140

Albion Attendee: Most

1342

01:22:13.230 --> 01:22:13.950

Mike Faulkner: People are going to do.

1343

01:22:15.810 --> 01:22:16.230

Mike Faulkner: So,

1344

01:22:16.620 --> 01:22:17.520

Albion Attendee: We will not be

1345

01:22:18.030 --> 01:22:21.210

Mike Faulkner: Because we never had to work on the road so we

1346

01:22:22.650 --> 01:22:24.000

Mike Faulkner: Go in and she said she's really

1347

01:22:24.000 --> 01:22:24.600

Albion Attendee: Surprising

1348

01:22:24.690 --> 01:22:28.020

Mike Faulkner: Most people back in there can get insurance because

1349

01:22:29.160 --> 01:22:34.440

Albion Attendee: That should be well and they are on and on, maintain row, you know,

1350

01:22:34.620 --> 01:22:36.120

Albion Attendee: No way that we're going to get to them.

1351

01:22:37.860 --> 01:22:38.760

Mike Faulkner: That's their problem.

1352

01:22:38.790 --> 01:22:39.210

Mike Faulkner: Not ours.

1353

01:22:41.130 --> 01:22:41.880

Albion Attendee: Okay.

1354

01:22:56.880 --> 01:22:57.990

Mike Faulkner: Well, that's where I got

1355

01:22:57.990 --> 01:22:59.160

Mike Faulkner: The info on the

1356

01:22:59.190 --> 01:23:00.480

Mike Faulkner: Least what's coming up.

1357

01:23:02.100 --> 01:23:02.400

Yeah.

1358

01:23:09.360 --> 01:23:09.840

Mike Faulkner: Right now.

1359

01:23:22.770 --> 01:23:24.510

Mike Faulkner: So make sense.

1360

01:23:36.660 --> 01:23:38.100

Mike Faulkner: Okay, I see what you're saying.

1361

01:23:46.500 --> 01:23:46.920

Albion Attendee: Is

1362

01:23:53.310 --> 01:23:54.780

Mike Faulkner: This could be a sticky point that me

1363

01:23:56.400 --> 01:23:58.110

Mike Faulkner: Because I've been in contact with

1364

01:24:00.630 --> 01:24:04.410

Mike Faulkner: All might be able to help me out. I can't think of her name right now from the Tokyo Commission.

1365

01:24:06.750 --> 01:24:09.330

Mike Faulkner: She gave me quite a bit of information.

1366

01:24:10.620 --> 01:24:13.050

Mike Faulkner: On what was the plan.

1367

01:24:14.490 --> 01:24:17.490

Mike Faulkner: So that's kind of what I've been moving forward with

1368

01:24:20.040 --> 01:24:23.670

Mike Faulkner: I guess I didn't realize the difference between the town and

1369

01:24:23.730 --> 01:24:24.420

Mike Faulkner: The village.

1370

01:24:25.020 --> 01:24:25.680

Mike Faulkner: So I don't know.

1371

01:24:53.160 --> 01:24:53.310

Mike Faulkner: Are

1372

01:24:54.150 --> 01:24:55.110

Albion Attendee: You that

1373

01:24:56.070 --> 01:24:56.820

Albion Attendee: Because we

1374

01:24:58.050 --> 01:24:58.500

Mike Faulkner: Or

1375

01:25:00.720 --> 01:25:02.040

Albion Attendee: How does it work.

1376

01:25:04.350 --> 01:25:08.790

Albion Attendee: You read the disillusion plan that was older than

1377

01:25:09.870 --> 01:25:11.190

Albion Attendee: Less Asperger's.

1378

01:25:14.970 --> 01:25:19.740

Albion Attendee: You'll see that the a nine year lease Jeff respond was part of that.

1379

01:25:20.640 --> 01:25:21.840

Albion Attendee: Also that

1380

01:25:22.260 --> 01:25:25.800

Albion Attendee: Are drugs when they will be turned over to the new father

1381

01:25:29.730 --> 01:25:30.930

Albion Attendee: Mother died.

1382

01:25:33.330 --> 01:25:35.880

Albion Attendee: There was an issue with the commentary, or whatever.

1383

01:25:37.770 --> 01:25:38.760

Albion Attendee: But now we have

1384

01:25:40.530 --> 01:25:42.930

Albion Attendee: This illusion that was approved by the dashboard.

1385

01:25:43.800 --> 01:25:45.450

Albion Attendee: And in

1386

01:25:46.710 --> 01:25:47.220

Albion Attendee: This little

1387

01:25:48.480 --> 01:25:49.530

Mike Faulkner: Town back there didn't

1388

01:25:49.530 --> 01:25:49.740

Albion Attendee: Get

1389

01:25:50.490 --> 01:25:51.720

Albion Attendee: Shut down their throats.

1390

01:25:51.870 --> 01:25:52.140

Right.

1391

01:25:53.490 --> 01:25:54.270

Albion Attendee: And so

1392

01:25:56.010 --> 01:25:57.150

Albion Attendee: It became

1393

01:25:59.100 --> 01:25:59.970

Mike Faulkner: It became the

1394

01:26:01.950 --> 01:26:03.120

Albion Attendee: National debt.

1395

01:26:10.290 --> 01:26:10.620

Mike Faulkner: As

1396

01:26:14.190 --> 01:26:14.460

Mike Faulkner: Part

1397

01:26:15.480 --> 01:26:17.130

Mike Faulkner: Of the town war, the

1398

01:26:19.140 --> 01:26:19.860

Albion Attendee: Sign

1399

01:26:25.980 --> 01:26:26.610

Mike Faulkner: Maintenance over

1400

01:26:29.730 --> 01:26:30.870

Mike Faulkner: Here that are

1401

01:26:32.490 --> 01:26:33.030

Mike Faulkner: Left.

1402

01:26:33.480 --> 01:26:35.730

Mike Faulkner: Town ocean.

1403

01:26:36.210 --> 01:26:37.500

Mike Faulkner: Town time

1404

01:26:43.350 --> 01:26:43.740

Albion Attendee: At all.

1405

01:26:51.330 --> 01:26:53.250

Mike Faulkner: A motion every

1406

01:26:56.940 --> 01:26:57.330

Albion Attendee: Position.

1407

01:27:01.980 --> 01:27:02.760

Albion Attendee: At

1408

01:27:04.380 --> 01:27:04.860

Albion Attendee: Home.

1409

01:27:06.450 --> 01:27:07.170

Mike Faulkner: Now,

1410

01:27:09.270 --> 01:27:09.810

Albion Attendee: All

1411

01:27:11.190 --> 01:27:11.340

Mike Faulkner: The

1412

01:27:13.080 --> 01:27:13.590

Albion Attendee: Balls.

1413

01:27:35.730 --> 01:27:37.170

Albion Attendee: The only thing goes

1414

01:27:38.760 --> 01:27:39.090

Mike Faulkner: Yeah.

1415

01:27:39.990 --> 01:27:41.370

Albion Attendee: I mean, because

1416

01:27:44.610 --> 01:27:45.090

Albion Attendee: because he'll

1417

01:27:51.150 --> 01:27:53.370

Albion Attendee: Say knowledge is power.

1418

01:27:55.980 --> 01:27:58.230

Mike Faulkner: Talk to Rebecca about that and that is fact.

1419

01:27:58.680 --> 01:27:59.610

Mike Faulkner: We own them.

1420

01:27:59.670 --> 01:28:05.430

Mike Faulkner: There's no no. If you want to transfer the deeds to say town of Albion

1421

01:28:05.460 --> 01:28:06.390

Albion Attendee: We can

1422

01:28:06.870 --> 01:28:09.480

Mike Faulkner: Put it is no it is known that

1423

01:28:09.570 --> 01:28:12.060

Mike Faulkner: The town owns them because there is no more village to town.

1424

01:28:12.060 --> 01:28:12.990

Mike Faulkner: Got the properties

1425

01:28:13.590 --> 01:28:14.970

Mike Faulkner: How badly back to the fire truck.

1426

01:28:15.600 --> 01:28:16.050

Mike Faulkner: Other than

1427

01:28:21.450 --> 01:28:22.080

Albion Attendee: And

1428

01:28:24.240 --> 01:28:25.320

Mike Faulkner: And again, I

1429

01:28:25.320 --> 01:28:26.370

Albion Attendee: Know more about them.

1430

01:28:28.830 --> 01:28:29.520

Mike Faulkner: Prepare

1431

01:28:33.120 --> 01:28:33.660

Mike Faulkner: Yeah.

1432

01:28:35.910 --> 01:28:36.390

Albion Attendee: Yeah.

1433

01:28:51.840 --> 01:28:52.380

Albion Attendee: These

1434

01:28:56.310 --> 01:28:56.580

Albion Attendee: Trucks.

1435

01:28:58.590 --> 01:29:00.840

Albion Attendee: And we just hope. Okay, so

1436

01:29:03.060 --> 01:29:05.790

Mike Faulkner: Beliefs on is the one doctor. Yeah.

1437

01:29:20.550 --> 01:29:21.030

Albion Attendee: Yes.

1438

01:29:24.090 --> 01:29:25.560

Mike Faulkner: Okay, okay.

1439

01:29:26.580 --> 01:29:26.910

Mike Faulkner: So the

1440

01:29:28.020 --> 01:29:31.440

Albion Attendee: idea was to do this one active because I don't

1441

01:29:34.890 --> 01:29:35.250

Mike Faulkner: Want to

1442

01:29:36.990 --> 01:29:37.980

Albion Attendee: Waste disposal.

1443

01:29:38.970 --> 01:29:41.730

Albion Attendee: He passes the cup here casing.

1444

01:29:46.020 --> 01:29:46.440

Mike Faulkner: Little

1445

01:29:50.670 --> 01:29:53.070

Albion Attendee: grass fires in place where you

1446

01:29:53.550 --> 01:29:54.780

Albion Attendee: Can you know if you read

1447

01:29:55.800 --> 01:29:56.340

Albion Attendee: The world.

1448

01:29:56.640 --> 01:29:57.600

Mike Faulkner: Especially cape.

1449

01:29:59.400 --> 01:30:00.090

Albion Attendee: AND CHEERS

1450

01:30:02.940 --> 01:30:04.200

Mike Faulkner: Okay, any other questions.

1451

01:30:04.230 --> 01:30:05.520

Albion Attendee: Yeah, I mean,

1452

01:30:07.590 --> 01:30:08.010

Albion Attendee: He

1453

01:30:08.850 --> 01:30:09.480
Online.

1454

01:30:12.300 --> 01:30:13.440
Albion Attendee: Copy that you

1455

01:30:15.300 --> 01:30:17.970
Albion Attendee: Just explained to be you read that.

1456

01:30:19.410 --> 01:30:19.980
Mike Faulkner: One.

1457

01:30:21.420 --> 01:30:22.380
Mike Faulkner: What paragraph.

1458

01:30:22.590 --> 01:30:23.160
Albion Attendee: Well,

1459

01:30:24.060 --> 01:30:26.730
Albion Attendee: Last do Firefox and we're under village.

1460

01:30:27.870 --> 01:30:28.950
Mike Faulkner: These streaming. Yep.

1461

01:30:31.620 --> 01:30:32.310
Albion Attendee: Robbery.

1462

01:30:36.420 --> 01:30:36.690
Mike Faulkner: In

1463

01:30:38.400 --> 01:30:38.670
Mike Faulkner: Right.

1464

01:30:38.940 --> 01:30:39.420
Albion Attendee: Yeah.

1465

01:30:39.930 --> 01:30:43.350
Mike Faulkner: I agree. I read that, I remember reading that. So what's the question.

1466

01:30:44.280 --> 01:30:45.690
Albion Attendee: Is why is

1467

01:30:48.630 --> 01:30:49.950
Mike Faulkner: Our department or

1468

01:30:50.010 --> 01:30:53.040
Mike Faulkner: Is the town going to take it over and I think

1469

01:30:54.930 --> 01:30:58.680
Mike Faulkner: Yeah, I think what needs to be done. I don't know what it is. What, what

1470

01:30:59.070 --> 01:30:59.940
Mike Faulkner: But like

1471

01:31:00.720 --> 01:31:02.070
Mike Faulkner: The town board decision.

1472

01:31:02.670 --> 01:31:03.990
Albion Attendee: And come back in.

1473

01:31:06.690 --> 01:31:07.920
Albion Attendee: town or village.

1474

01:31:08.310 --> 01:31:09.240
Albion Attendee: give something away.

1475

01:31:10.020 --> 01:31:10.380
Has

1476

01:31:11.700 --> 01:31:12.300
Albion Attendee: Rules.

1477

01:31:13.980 --> 01:31:20.010
Albion Attendee: You can't just say, okay, so, so basically what we're saying here is that this

1478

01:31:20.460 --> 01:31:21.990
Albion Attendee: Agreement, yeah.

1479

01:31:22.740 --> 01:31:26.400

Albion Attendee: It was put together by the organs in your

1480

01:31:28.050 --> 01:31:32.370

Albion Attendee: Eyes all last night and what

1481

01:31:34.890 --> 01:31:35.850

Mike Faulkner: I found

1482

01:31:46.200 --> 01:31:46.620

Albion Attendee: Is

1483

01:31:46.920 --> 01:31:47.940

Albion Attendee: There's a disillusionment.

1484

01:31:50.460 --> 01:31:50.700

Albion Attendee: Right.

1485

01:31:50.760 --> 01:31:52.050

Mike Faulkner: That's my question.

1486

01:31:54.660 --> 01:31:55.320

Albion Attendee: This

1487

01:31:56.310 --> 01:31:58.260

Albion Attendee: Is sushi or

1488

01:31:59.040 --> 01:31:59.580

Was

1489

01:32:04.140 --> 01:32:04.350

Mike Faulkner: It.

1490

01:32:04.470 --> 01:32:06.390

Mike Faulkner: Yep, you

1491

01:32:08.280 --> 01:32:11.490

Mike Faulkner: Before we made a decision. Can we get copies

1492

01:32:12.060 --> 01:32:12.780

Mike Faulkner: Of the board members.

1493

01:32:14.130 --> 01:32:15.840

Mike Faulkner: Of the dissolution agreement if

1494

01:32:17.280 --> 01:32:18.540

Mike Faulkner: It's, yeah.

1495

01:32:20.430 --> 01:32:20.790

Mike Faulkner: This

1496

01:32:34.710 --> 01:32:34.950

Okay.

1497

01:32:37.080 --> 01:32:39.180

Mike Faulkner: Good questions. I didn't, I didn't know

1498

01:32:41.640 --> 01:32:41.910

Mike Faulkner: Right.

1499

01:32:46.770 --> 01:32:47.340

Mike Faulkner: Exactly.

1500

01:32:48.360 --> 01:32:49.530

Mike Faulkner: What do you go by. Right.

1501

01:32:49.800 --> 01:32:50.370

You

1502

01:32:52.980 --> 01:32:53.640

Mike Faulkner: Will find out

1503

01:33:03.450 --> 01:33:04.140

The brand.

1504

01:33:07.680 --> 01:33:11.340

Mike Faulkner: Report here and oh Stephanie's was here. I don't know. She has left or

1505

01:33:11.640 --> 01:33:16.020

Mike Faulkner: left us or not, don't. She's still there, but I will read the report and

1506

01:33:16.020 --> 01:33:17.190

Mike Faulkner: If she has anything to add.

1507

01:33:17.190 --> 01:33:18.180

Mike Faulkner: to chime in.

1508

01:33:19.500 --> 01:33:21.660

Mike Faulkner: A this is an oak report.

1509

01:33:21.660 --> 01:33:27.660

Mike Faulkner: 713 20 town starting to Brittany and loads of dirt for next door okay to have driveway.

1510

01:33:27.660 --> 01:33:30.510

Mike Faulkner: Done \$3,025

1511

01:33:31.260 --> 01:33:35.280

Mike Faulkner: Rachel is doing more things to cover for the personal care.

1512

01:33:35.730 --> 01:33:37.740

Mike Faulkner: Has a binder of the rules and regs.

1513

01:33:39.510 --> 01:33:40.020

Mike Faulkner: They have

1514

01:33:40.290 --> 01:33:47.220

Albion Attendee: Stopped the PDP loans not needed budget has \$86,000 and loss.

1515

01:33:48.510 --> 01:33:49.680

Mike Faulkner: Health insurance has been

1516

01:33:49.680 --> 01:33:50.550

Renewed

1517

01:33:52.050 --> 01:33:53.280

Albion Attendee: Mv

1518

01:33:54.210 --> 01:33:55.710

Mike Faulkner: I think it says \$104

1519

01:33:55.740 --> 01:33:57.510

Mike Faulkner: per month per person.

1520

01:33:59.130 --> 01:34:01.470

Mike Faulkner: Rich nail waiting okay to join more

1521

01:34:02.460 --> 01:34:05.070

Albion Attendee: Norm doing great deal of overtime pay out of

1522

01:34:05.100 --> 01:34:07.890

Mike Faulkner: Pocket for zoom meeting reimburse them.

1523

01:34:10.020 --> 01:34:11.490

Mike Faulkner: Think that Stephanie.

1524

01:34:21.960 --> 01:34:22.650

Mike Faulkner: You still there.

1525

01:34:25.770 --> 01:34:26.340

Albion Attendee: Okay.

1526

01:34:26.820 --> 01:34:28.050

Albion Attendee: So we can move

1527

01:34:28.620 --> 01:34:29.760

Mike Faulkner: On to tell her.

1528

01:34:33.240 --> 01:34:38.430

Albion Attendee: Or the June from taking this course with 1000 300,000

1529

01:34:39.570 --> 01:34:43.080

Albion Attendee: Pound received \$1,297 and 50 cents.

1530

01:34:43.560 --> 01:34:49.830

Albion Attendee: We are a part of a market hours as your 30 licenses and renewals

1531

01:34:57.210 --> 01:35:03.210

Mike Faulkner: July 2014 day

1532

01:35:07.980 --> 01:35:08.280

Albion Attendee: These

1533

01:35:17.250 --> 01:35:20.010

Mike Faulkner: Questions for me comments.

1534

01:35:21.060 --> 01:35:22.470

Mike Faulkner: Can I have a motion to accept a

1535

01:35:22.470 --> 01:35:23.130

Report.

1536

01:35:26.250 --> 01:35:27.120

All in favor.

1537

01:35:37.650 --> 01:35:39.000

Mike Faulkner: Supervisors report.

1538

01:35:44.100 --> 01:35:52.590

Mike Faulkner: Receipts general money market interest was \$261 44 cents justice fees and fines for May was

1539

01:35:52.590 --> 01:35:55.560

Mike Faulkner: \$799 clerk fees.

1540

01:35:55.590 --> 01:35:57.780

Mike Faulkner: \$10 building and junk here in four

1541

01:35:57.780 --> 01:35:59.580

Albion Attendee: Minutes \$620

1542

01:36:00.120 --> 01:36:04.050

Mike Faulkner: Other compensation for loss \$476 and 19

1543

01:36:04.050 --> 01:36:05.790

Mike Faulkner: Cents dog licenses.

1544

01:36:10.710 --> 01:36:12.270

Mike Faulkner: Pilot from the tail or

1545

01:36:12.720 --> 01:36:27.390

Mike Faulkner: \$11,120 and county mortgage tax \$8,835 and 81 cents for
Total of \$22,144 and 94 cents highway money in

1546

01:36:28.050 --> 01:36:32.070

Albion Attendee: \$20 and 18 cents only income.

1547

01:36:33.480 --> 01:36:34.410

Albion Attendee: disbursements

1548

01:36:34.800 --> 01:36:35.220

General

1549

01:36:36.390 --> 01:36:36.810

Albion Attendee: Goodbye.

1550

01:36:37.980 --> 01:36:42.480

Albion Attendee: Number 12 \$3,294 27 cents, but

1551

01:36:42.870 --> 01:36:47.220

Mike Faulkner: They roll over 13 \$3,568 and 64

1552

01:36:47.220 --> 01:36:48.450

Albion Attendee: Cents by

1553

01:36:48.840 --> 01:36:53.430

Mike Faulkner: A rule number 14 \$3,146 93 cents.

1554

01:36:53.880 --> 01:36:55.710

Mike Faulkner: Abstract number six.

1555

01:36:57.270 --> 01:36:58.950

Mike Faulkner: \$359 and

1556

01:36:58.980 --> 01:37:00.000

Mike Faulkner: 80 cents.

1557

01:37:00.390 --> 01:37:02.010

Albion Attendee: In general, pain. Number six.

1558

01:37:02.010 --> 01:37:05.400
Albion Attendee: \$7,185 22 cents.

1559
01:37:05.520 --> 01:37:11.280
Mike Faulkner: Or a total of \$30,554 86 cents in the

1560
01:37:11.850 --> 01:37:14.130
Albion Attendee: Market, we had

1561
01:37:14.310 --> 01:37:15.420
Mike Faulkner: Abstract number six.

1562
01:37:15.660 --> 01:37:19.380
Albion Attendee: Is \$2,463 30 cents.

1563
01:37:20.730 --> 01:37:22.470
Mike Faulkner: Highway my payroll number

1564
01:37:26.700 --> 01:37:27.540
Mike Faulkner: Highway my

1565
01:37:27.810 --> 01:37:32.250
Mike Faulkner: Payroll number 1356 5609

1566
01:37:32.640 --> 01:37:34.320
Mike Faulkner: Highway bi weekly

1567
01:37:34.410 --> 01:37:39.660
Albion Attendee: Payroll number 14 \$5,822 97 cents.

1568
01:37:39.660 --> 01:37:45.480
Mike Faulkner: For a total of \$19,498 and 33 cents account.

1569
01:37:46.950 --> 01:37:48.600
Albion Attendee: June 30 20

1570
01:37:49.110 --> 01:37:53.880
Mike Faulkner: General on \$101,000,583 \$192

1571
01:37:53.880 --> 01:37:56.910
Albion Attendee: And 32 cents general checking

1572

01:37:56.940 --> 01:38:00.600

Mike Faulkner: \$32,658 32 cents.

1573

01:38:00.990 --> 01:38:05.550

Mike Faulkner: Highway 230,000 \$1 48

1574

01:38:05.580 --> 01:38:12.000

Mike Faulkner: Cents I went shopping \$36,314 41

1575

01:38:12.000 --> 01:38:12.600

Mike Faulkner: Cents

1576

01:38:12.900 --> 01:38:16.800

Mike Faulkner: Trust and agency 14 \$2,971 and

1577

01:38:16.800 --> 01:38:17.820

Albion Attendee: 48 cents.

1578

01:38:18.300 --> 01:38:19.320

Albion Attendee: And cemetery.

1579

01:38:19.320 --> 01:38:23.670

Mike Faulkner: \$159,856 37 cents.

1580

01:38:23.940 --> 01:38:31.230

Albion Attendee: Or a total \$2,090,994 38 cents.

1581

01:38:52.530 --> 01:38:53.100

Albion Attendee: Okay.

1582

01:39:06.960 --> 01:39:07.440

Mike Faulkner: Yes.

1583

01:39:13.500 --> 01:39:14.370

I did not catch that.

1584

01:39:17.790 --> 01:39:19.170

Albion Attendee: You said something about

1585

01:39:20.400 --> 01:39:21.000
Albion Attendee: Information

1586
01:39:46.380 --> 01:39:47.220
Mike Faulkner: I will take care of that.

1587
01:39:50.310 --> 01:39:51.660
Mike Faulkner: I'm sure you didn't know that.

1588
01:39:52.140 --> 01:39:54.060
Mike Faulkner: I didn't pass it. I didn't catch up when I was

1589
01:39:54.060 --> 01:39:54.600
Mike Faulkner: Going through

1590
01:40:04.860 --> 01:40:05.370
Mike Faulkner: Correct.

1591
01:40:14.940 --> 01:40:17.460
Mike Faulkner: The bone right and it's like 178

1592
01:40:19.170 --> 01:40:19.860
Mike Faulkner: Yeah, David.

1593
01:40:20.220 --> 01:40:22.920
Mike Faulkner: Snyder, who are authorized

1594
01:40:22.950 --> 01:40:23.580
To

1595
01:40:25.530 --> 01:40:27.900
Mike Faulkner: Pick up stuff there. Apply bills.

1596
01:40:29.430 --> 01:40:30.330
Albion Attendee: Supplies

1597
01:40:31.680 --> 01:40:32.310
Mike Faulkner: So,

1598
01:40:36.960 --> 01:40:37.560
Albion Attendee: Santeria

1599

01:40:40.560 --> 01:40:41.370

Mike Faulkner: Demons.

1600

01:40:42.090 --> 01:40:44.520

Mike Faulkner: They sign, whoever buys whatever they

1601

01:40:44.520 --> 01:40:48.660

Mike Faulkner: Need they sign for it and it comes to us. So, Jesse.

1602

01:40:49.740 --> 01:40:50.610

Albion Attendee: Jesse

1603

01:40:52.200 --> 01:40:52.560

Mike Faulkner: Yep.

1604

01:40:54.780 --> 01:40:55.080

Albion Attendee: Yep.

1605

01:40:56.280 --> 01:40:56.610

Albion Attendee: Yep.

1606

01:40:59.640 --> 01:41:00.000

Albion Attendee: And

1607

01:41:01.410 --> 01:41:03.000

Bill number one.

1608

01:41:04.020 --> 01:41:04.410

Mike Faulkner: At

1609

01:41:06.360 --> 01:41:06.570

Mike Faulkner: What

1610

01:41:07.980 --> 01:41:08.670

Albion Attendee: Don't know what

1611

01:41:10.860 --> 01:41:12.930

Mike Faulkner: To expect. What's that, what is that

1612

01:41:13.110 --> 01:41:14.490
Mike Faulkner: Credit card. Yes.

1613
01:41:15.000 --> 01:41:15.390
Okay.

1614
01:41:16.530 --> 01:41:17.370
Mike Faulkner: Never wish.

1615
01:41:18.810 --> 01:41:19.260
Mike Faulkner: And

1616
01:41:19.590 --> 01:41:20.580
90

1617
01:41:21.780 --> 01:41:22.320
Mike Faulkner: Or you got

1618
01:41:22.380 --> 01:41:23.640
The answer that.

1619
01:41:25.980 --> 01:41:27.900
Mike Faulkner: 193

1620
01:41:28.920 --> 01:41:29.760
Mike Faulkner: Here in a

1621
01:41:31.530 --> 01:41:32.520
Mike Faulkner: dentist's office.

1622
01:41:32.610 --> 01:41:32.850
Mike Faulkner: Don't

1623
01:41:32.940 --> 01:41:35.820
Mike Faulkner: For the break room break. Yep.

1624
01:41:35.970 --> 01:41:38.370
Mike Faulkner: Oh, yes. Okay.

1625
01:41:43.080 --> 01:41:44.280
Mike Faulkner: Okay, and the other one.

1626

01:41:45.660 --> 01:41:46.470

Mike Faulkner: Question is,

1627

01:41:46.800 --> 01:41:47.820

A general question.

1628

01:41:49.380 --> 01:41:50.340

Why did we

1629

01:41:52.470 --> 01:41:52.800

Spend

1630

01:41:55.890 --> 01:41:56.670

Mike Faulkner: During

1631

01:41:59.130 --> 01:42:00.270

Mike Faulkner: The crash and burn off.

1632

01:42:01.680 --> 01:42:01.980

Mike Faulkner: Nobody

1633

01:42:04.620 --> 01:42:05.400

Mike Faulkner: And yet.

1634

01:42:05.850 --> 01:42:06.720

Mike Faulkner: In the month of June.

1635

01:42:10.140 --> 01:42:11.280

Albion Attendee: Nights.

1636

01:42:12.630 --> 01:42:16.380

Mike Faulkner: 33 hours.

1637

01:42:17.700 --> 01:42:18.900

Albion Attendee: Two hours very

1638

01:42:19.980 --> 01:42:20.160

Mike Faulkner: That

1639

01:42:22.320 --> 01:42:22.740

Mike Faulkner: And then

1640

01:42:23.070 --> 01:42:25.140

Mike Faulkner: Jackson was

1641

01:42:26.700 --> 01:42:29.790

Mike Faulkner: 30 hours Moines and set up.

1642

01:42:30.480 --> 01:42:35.310

Mike Faulkner: A building where she was 714 hours.

1643

01:42:35.820 --> 01:42:36.960

Albion Attendee: Going what

1644

01:42:37.260 --> 01:42:37.830

Mike Faulkner: What would we do

1645

01:42:39.600 --> 01:42:39.930

And then

1646

01:42:42.660 --> 01:42:43.140

Mike Faulkner: It will take you

1647

01:42:45.240 --> 01:42:48.510

Albion Attendee: Right over here and

1648

01:42:49.170 --> 01:42:49.590

Mike Faulkner: When

1649

01:42:49.620 --> 01:42:50.280

The grass.

1650

01:42:51.630 --> 01:42:52.170

Mike Faulkner: Yes.

1651

01:42:52.980 --> 01:42:54.270

Albion Attendee: Oh, I know there's still reading

1652

01:42:54.510 --> 01:42:57.030

Mike Faulkner: A lot. We'd still grow so

1653

01:43:04.410 --> 01:43:04.800

Mike Faulkner: I can

1654

01:43:06.990 --> 01:43:07.890

Mike Faulkner: I can check with Brenda

1655

01:43:08.820 --> 01:43:09.900

Mike Faulkner: See what she has say

1656

01:43:25.500 --> 01:43:27.780

Mike Faulkner: Men, which is an on this time heard but

1657

01:43:27.900 --> 01:43:29.580

Mike Faulkner: They, they had a response Sunday.

1658

01:43:29.580 --> 01:43:30.750

Mike Faulkner: Because after that.

1659

01:43:30.810 --> 01:43:32.250

Albion Attendee: Delusion. We had Saturday.

1660

01:43:32.250 --> 01:43:32.640

Albion Attendee: Night.

1661

01:43:33.000 --> 01:43:34.170

Albion Attendee: There was some damage.

1662

01:43:34.260 --> 01:43:36.570

Mike Faulkner: To some graves. So they had to come in and fix those.

1663

01:43:41.310 --> 01:43:43.320

Mike Faulkner: But that was relatively minimal

1664

01:44:00.030 --> 01:44:00.480

And I

1665

01:44:05.040 --> 01:44:05.250

Albion Attendee: Know,

1666

01:44:06.810 --> 01:44:07.350
Albion Attendee: Like this.

1667
01:44:14.850 --> 01:44:15.120
Mike Faulkner: Okay.

1668
01:44:16.440 --> 01:44:18.120
Mike Faulkner: We already did the general bills.

1669
01:44:18.420 --> 01:44:19.650
Mike Faulkner: How about the highway, those

1670
01:44:20.100 --> 01:44:21.450
Questions or comments.

1671
01:44:26.970 --> 01:44:27.300
Mike Faulkner: Okay.

1672
01:44:27.750 --> 01:44:28.590
Mike Faulkner: A motion to accept.

1673
01:44:28.680 --> 01:44:29.850
General Mills.

1674
01:44:34.710 --> 01:44:36.390
Mike Faulkner: Yep. Second,

1675
01:44:37.500 --> 01:44:38.700
Mike Faulkner: All in favor. Aye.

1676
01:44:41.310 --> 01:44:42.570
Mike Faulkner: Okay, how about the highway bills.

1677
01:44:48.330 --> 01:44:49.020
Mike Faulkner: All in favor.

1678
01:44:49.110 --> 01:44:50.040
Lonny Mattison: Aye. Right.

1679
01:44:53.790 --> 01:44:54.210
Mike Faulkner: Okay.

1680

01:44:55.380 --> 01:44:57.990

Mike Faulkner: This is have

1681

01:44:59.100 --> 01:45:00.870

Mike Faulkner: Forwarded you and

1682

01:45:00.900 --> 01:45:03.180

Albion Attendee: Given Carl copy

1683

01:45:03.570 --> 01:45:07.860

Albion Attendee: Of the roof bits, I would like to make a decision on this so we can move forward.

1684

01:45:09.630 --> 01:45:11.940

Mike Faulkner: I got the outdated amended.

1685

01:45:12.570 --> 01:45:13.950

Business from shaver.

1686

01:45:15.480 --> 01:45:16.620

Mike Faulkner: Hopefully you have had

1687

01:45:16.650 --> 01:45:18.270

Time to review them.

1688

01:45:19.980 --> 01:45:20.520

Albion Attendee: My opinion.

1689

01:45:21.480 --> 01:45:23.250

Mike Faulkner: It probably makes the most sense.

1690

01:45:23.250 --> 01:45:24.870

Mike Faulkner: To go with the 30

1691

01:45:24.900 --> 01:45:25.590

Year.

1692

01:45:26.910 --> 01:45:27.720

Mike Faulkner: Warranty.

1693

01:45:27.900 --> 01:45:30.030

Mike Faulkner: With the point 00

1694

01:45:30.060 --> 01:45:30.960

To

1695

01:45:34.410 --> 01:45:34.860

Albion Attendee: One.

1696

01:45:35.340 --> 01:45:35.640

Mike Faulkner: Yeah.

1697

01:45:35.700 --> 01:45:40.290

Mike Faulkner: We actually got to one with the 30 year warranty and one with

1698

01:45:41.610 --> 01:45:41.910

Mike Faulkner: One.

1699

01:45:43.200 --> 01:45:45.660

Albion Attendee: Inches of insulation and

1700

01:45:46.290 --> 01:45:47.010

Difference.

1701

01:45:49.290 --> 01:45:49.830

Mike Faulkner: Oh, using

1702

01:45:50.130 --> 01:45:50.940

Mike Faulkner: The PDF

1703

01:45:51.780 --> 01:45:52.890

Mike Faulkner: Instead of the ppl

1704

01:45:54.390 --> 01:45:55.140

No, I'm wrong.

1705

01:45:56.340 --> 01:45:58.110

On that 1.060

1706

01:46:00.480 --> 01:46:00.840
Mike Faulkner: So,

1707
01:46:01.350 --> 01:46:01.830
My

1708
01:46:05.670 --> 01:46:07.320
Mike Faulkner: \$5,000 difference

1709
01:46:10.530 --> 01:46:12.150
Albion Attendee: And that's also a thicker.

1710
01:46:13.020 --> 01:46:15.180
Mike Faulkner: To and

1711
01:46:16.440 --> 01:46:17.160
Mike Faulkner: The other thing.

1712
01:46:18.210 --> 01:46:18.540
Mike Faulkner: Yeah.

1713
01:46:18.900 --> 01:46:20.400
Mike Faulkner: 30 year to the

1714
01:46:23.580 --> 01:46:23.910
Mike Faulkner: Correct.

1715
01:46:24.090 --> 01:46:25.440
Mike Faulkner: 10 more years on the warranty.

1716
01:46:25.950 --> 01:46:27.300
Mike Faulkner: Now I did talk to

1717
01:46:28.260 --> 01:46:30.810
Mike Faulkner: Pretty much in detail about the workmanship.

1718
01:46:30.870 --> 01:46:32.160
We were concerned about that.

1719
01:46:33.420 --> 01:46:34.470
Mike Faulkner: He was pretty

1720

01:46:34.470 --> 01:46:35.160

Albion Attendee: Adamant

1721

01:46:35.190 --> 01:46:37.830

Mike Faulkner: That the industry standard is one

1722

01:46:37.830 --> 01:46:38.430

Mike Faulkner: Year.

1723

01:46:38.670 --> 01:46:41.010

Mike Faulkner: He's given us two years is

1724

01:46:41.820 --> 01:46:43.110

Albion Attendee: He said the

1725

01:46:44.040 --> 01:46:45.900

Mike Faulkner: manufacturer's warranty.

1726

01:46:45.930 --> 01:46:46.920

Mike Faulkner: Will cover.

1727

01:46:47.010 --> 01:46:47.730

Albion Attendee: Beyond that,

1728

01:46:48.030 --> 01:46:49.800

Albion Attendee: There won't be a workmanship issue.

1729

01:46:50.130 --> 01:46:53.010

Mike Faulkner: After two years. He said that he was

1730

01:46:56.910 --> 01:46:58.560

Albion Attendee: And is

1731

01:47:02.010 --> 01:47:02.460

Yes.

1732

01:47:03.990 --> 01:47:04.320

Mike Faulkner: Yes.

1733

01:47:05.490 --> 01:47:05.760
Albion Attendee: Yes.

1734
01:47:06.510 --> 01:47:08.040
Mike Faulkner: Man, the

1735
01:47:08.700 --> 01:47:09.720
Albion Attendee: Man factor.

1736
01:47:09.990 --> 01:47:10.680
Mike Faulkner: Is going to stand.

1737
01:47:12.390 --> 01:47:12.690
Albion Attendee: For

1738
01:47:12.810 --> 01:47:13.830
Mike Faulkner: I also I had

1739
01:47:13.860 --> 01:47:14.790
Mike Faulkner: Included Aaron.

1740
01:47:15.360 --> 01:47:18.120
Mike Faulkner: He wanted to know who the manufacturer wasn't it's Johns.

1741
01:47:18.120 --> 01:47:18.720
Manville

1742
01:47:40.410 --> 01:47:41.250
Mike Faulkner: Myself and

1743
01:47:41.580 --> 01:47:44.580
Albion Attendee: Our insurance Christian us

1744
01:47:44.640 --> 01:47:46.770
Mike Faulkner: To make sure that we're covered on all aspects.

1745
01:47:48.990 --> 01:47:49.500
Albion Attendee: Mutual

1746
01:47:59.490 --> 01:48:00.840
Albion Attendee: Yep, and the rights.

1747

01:48:01.710 --> 01:48:03.330

Mike Faulkner: Reserved resume. I'm making

1748

01:48:14.040 --> 01:48:15.210

Mike Faulkner: A sticker to

1749

01:48:15.870 --> 01:48:17.130

Mike Faulkner: 30 year warranty.

1750

01:48:19.170 --> 01:48:19.650

Mike Faulkner: And and

1751

01:48:19.710 --> 01:48:21.840

Mike Faulkner: We want to include verging the chimney is

1752

01:48:22.590 --> 01:48:25.740

Albion Attendee: Small \$365 so go with the full amount

1753

01:48:26.880 --> 01:48:27.660

Mike Faulkner: Can I have a second

1754

01:48:28.470 --> 01:48:28.890

Mike Faulkner: Second,

1755

01:48:29.580 --> 01:48:31.380

Lonny Mattison: All in favor. Aye.

1756

01:48:31.710 --> 01:48:32.820

Albion Attendee: Aye. Okay.

1757

01:48:35.700 --> 01:48:36.060

Mike Faulkner: Sorry.

1758

01:48:37.560 --> 01:48:37.890

Mike Faulkner: Okay.

1759

01:48:47.580 --> 01:48:48.030

Mike Faulkner: Okay.

1760

01:48:48.720 --> 01:48:49.680
Mike Faulkner: bring you up to date.

1761
01:48:49.770 --> 01:48:51.330
On the Retirement System.

1762
01:48:53.610 --> 01:48:54.990
Mike Faulkner: And it is up to date.

1763
01:48:54.990 --> 01:48:58.260
Albion Attendee: Except for the refund. Do I have talked to Rebecca

1764
01:48:58.830 --> 01:49:00.240
Mike Faulkner: She would like me to draft a

1765
01:49:00.240 --> 01:49:00.870
Mike Faulkner: Letter.

1766
01:49:01.320 --> 01:49:03.540
Albion Attendee: That she will approve to send out with

1767
01:49:03.570 --> 01:49:06.360
Albion Attendee: Those refunds basically telling

1768
01:49:06.540 --> 01:49:09.090
Mike Faulkner: People that they have the option of

1769
01:49:09.150 --> 01:49:10.140
Albion Attendee: Purchasing

1770
01:49:10.770 --> 01:49:11.520
Albion Attendee: Their time

1771
01:49:12.030 --> 01:49:13.530
Mike Faulkner: If they want to within their

1772
01:49:13.530 --> 01:49:14.760
Albion Attendee: Retirement System.

1773
01:49:15.450 --> 01:49:17.010
Mike Faulkner: I've talked to the lady had a

1774

01:49:17.010 --> 01:49:18.240

Mike Faulkner: Retirement System.

1775

01:49:18.810 --> 01:49:19.680

Mike Faulkner: She agrees.

1776

01:49:19.710 --> 01:49:21.090

Mike Faulkner: She said this the best way to handle

1777

01:49:21.090 --> 01:49:22.140

Albion Attendee: It and

1778

01:49:22.230 --> 01:49:23.160

Mike Faulkner: There should be no

1779

01:49:23.370 --> 01:49:24.390

Albion Attendee: Problems.

1780

01:49:25.140 --> 01:49:27.570

Albion Attendee: Because the money was

1781

01:49:28.080 --> 01:49:28.890

Albion Attendee: never went anywhere.

1782

01:49:28.950 --> 01:49:30.180

Mike Faulkner: It just said in our trust in

1783

01:49:30.180 --> 01:49:31.920

Mike Faulkner: Agency account. So once I refund.

1784

01:49:31.920 --> 01:49:32.340

Albion Attendee: The

1785

01:49:32.400 --> 01:49:33.300

Mike Faulkner: Robot is back on.

1786

01:49:34.230 --> 01:49:36.690

Mike Faulkner: There shouldn't be any brown continuing so

1787

01:49:38.010 --> 01:49:39.390
Mike Faulkner: That is where we stand as

1788
01:49:39.390 --> 01:49:39.930
Mike Faulkner: You

1789
01:49:40.890 --> 01:49:41.790
Albion Attendee: Once I have

1790
01:49:42.570 --> 01:49:44.700
Albion Attendee: approval for the

1791
01:49:45.780 --> 01:49:47.280
Mike Faulkner: Letter M graphing

1792
01:49:47.610 --> 01:49:50.550
Mike Faulkner: I will go ahead and send those refunds, is that

1793
01:49:57.030 --> 01:49:58.020
We can hear.

1794
01:50:00.450 --> 01:50:00.810
Albion Attendee: My name.

1795
01:50:08.820 --> 01:50:09.690
Albion Attendee: I think it went back

1796
01:50:09.960 --> 01:50:11.070
Before I'm hearing

1797
01:50:12.270 --> 01:50:14.100
Mike Faulkner: So a couple predecessors there.

1798
01:50:14.100 --> 01:50:14.370
Albion Attendee: Were

1799
01:50:14.430 --> 01:50:18.450
Mike Faulkner: were guilty of it, but that's okay. We found it and we're
we're heading in the

1800
01:50:18.750 --> 01:50:19.320

Direction.

1801

01:50:20.790 --> 01:50:21.600

Mike Faulkner: It really is.

1802

01:50:24.300 --> 01:50:25.800

Mike Faulkner: gliders in the process of

1803

01:50:25.800 --> 01:50:29.520

Mike Faulkner: The switches, they've earned her here probably everybody saw

1804

01:50:29.670 --> 01:50:30.510

Mike Faulkner: I will talk to

1805

01:50:30.990 --> 01:50:31.710

Albion Attendee: He's going to

1806

01:50:32.520 --> 01:50:33.690

Albion Attendee: Jersey barriers.

1807

01:50:34.230 --> 01:50:34.950

Mike Faulkner: I call them around.

1808

01:50:36.330 --> 01:50:37.680

Albion Attendee: Within the next two weeks to pick

1809

01:50:37.680 --> 01:50:39.600

Mike Faulkner: Up their tanks and

1810

01:50:40.890 --> 01:50:44.100

Mike Faulkner: Tracy that have been in touch with. She said, Please give me the chance to

1811

01:50:44.100 --> 01:50:44.610

Albion Attendee: Rebuild

1812

01:50:44.910 --> 01:50:45.870

Albion Attendee: next time around.

1813

01:50:51.060 --> 01:50:51.420

Mike Faulkner: glider.

1814

01:50:56.460 --> 01:50:57.690

Albion Attendee: We did too, I think.

1815

01:50:59.670 --> 01:51:01.380

Mike Faulkner: What we ran into the

1816

01:51:02.460 --> 01:51:04.170

Mike Faulkner: Generator ended up being bigger

1817

01:51:04.170 --> 01:51:05.220

Mike Faulkner: Than George

1818

01:51:06.690 --> 01:51:08.760

Albion Attendee: And it does require the 500 gallon

1819

01:51:08.760 --> 01:51:09.630

Torpedo

1820

01:51:14.970 --> 01:51:16.740

Albion Attendee: Because I knew they were going to be there doing it.

1821

01:51:17.430 --> 01:51:20.040

Albion Attendee: I pulled in and introducing myself. He said, Thank God.

1822

01:51:20.040 --> 01:51:20.520

Mike Faulkner: You're here.

1823

01:51:23.520 --> 01:51:24.360

Albion Attendee: I didn't see

1824

01:51:25.830 --> 01:51:26.970

Albion Attendee: The smaller

1825

01:51:35.250 --> 01:51:35.820

Albion Attendee: We

1826

01:51:38.280 --> 01:51:38.550

Mike Faulkner: With

1827

01:51:41.670 --> 01:51:42.300

Albion Attendee: Their

1828

01:51:46.890 --> 01:51:47.850

Mike Faulkner: Temperature was zero.

1829

01:51:49.170 --> 01:51:50.460

Mike Faulkner: He said, first of all, thanks.

1830

01:51:53.250 --> 01:51:53.820

Mike Faulkner: So much

1831

01:51:56.460 --> 01:51:58.020

Mike Faulkner: Would have frozen. The thing.

1832

01:51:58.170 --> 01:52:03.510

Mike Faulkner: And it was only about nine hours of generator was running full blast.

1833

01:52:03.840 --> 01:52:07.350

Albion Attendee: There was only about nine hours worth of gas in those two

1834

01:52:09.600 --> 01:52:10.170

Albion Attendee: So,

1835

01:52:11.700 --> 01:52:12.060

Albion Attendee: We're

1836

01:52:12.120 --> 01:52:13.140

Albion Attendee: pretty adamant that we

1837

01:52:13.140 --> 01:52:15.150

Mike Faulkner: Needed. The 500 million plus

1838

01:52:18.450 --> 01:52:21.060

Albion Attendee: From the generator to the regulator.

1839

01:52:21.660 --> 01:52:25.080

Mike Faulkner: What's required for one that large and then copper from the

1840

01:52:25.200 --> 01:52:26.670

Albion Attendee: Regulator to the tanks.

1841

01:52:26.940 --> 01:52:28.290

Albion Attendee: So they didn't have a blackberry.

1842

01:52:29.340 --> 01:52:29.850

Mike Faulkner: So I talked

1843

01:52:31.500 --> 01:52:32.130

Mike Faulkner: He said, there's

1844

01:52:32.970 --> 01:52:35.310

Mike Faulkner: Two tanks, it'll take me two or three days to get you the

1845

01:52:35.310 --> 01:52:40.740

Mike Faulkner: 500 gallon tank and then we'll have all the equipment.

It'll be hooked up. So that, to me, made the most sense.

1846

01:52:41.700 --> 01:52:42.570

Well, that's what we did.

1847

01:52:48.390 --> 01:52:49.050

Albion Attendee: I meant to talk

1848

01:52:49.380 --> 01:52:51.360

Mike Faulkner: About when I forgot. They do still

1849

01:52:52.080 --> 01:52:54.510

Albion Attendee: Have the computer.

1850

01:52:54.990 --> 01:52:56.220

Mike Faulkner: In the fire.

1851

01:52:56.250 --> 01:52:57.540

Albion Attendee: Or the Highway one

1852

01:52:59.310 --> 01:53:01.710

Albion Attendee: But the phone is an operational.

1853

01:53:02.640 --> 01:53:03.480

Albion Attendee: And

1854

01:53:04.080 --> 01:53:10.380

Albion Attendee: You probably saw in the abstract that we got from frontier and spectrum.

1855

01:53:10.440 --> 01:53:11.310

Mike Faulkner: In June, so our

1856

01:53:12.960 --> 01:53:13.230

Mike Faulkner: Next,

1857

01:53:13.260 --> 01:53:13.410

Mike Faulkner: One.

1858

01:53:13.650 --> 01:53:14.940

Albion Attendee: Is significantly lower

1859

01:53:18.480 --> 01:53:20.400

Mike Faulkner: Talking to Rebecca on the Amish

1860

01:53:20.400 --> 01:53:21.330

Cemetery.

1861

01:53:22.770 --> 01:53:24.270

Mike Faulkner: For resolution.

1862

01:53:24.330 --> 01:53:27.540

Albion Attendee: Stating that the townhome be responsible for any aspect of

1863

01:53:27.540 --> 01:53:28.470

Albion Attendee: The cemetery.

1864

01:53:28.800 --> 01:53:29.250

Mike Faulkner: She will

1865

01:53:29.400 --> 01:53:32.940

Mike Faulkner: Have something up and she didn't say that they wouldn't

1866

01:53:32.940 --> 01:53:33.990

Albion Attendee: Be required

1867

01:53:34.350 --> 01:53:35.460

Albion Attendee: To go through large

1868

01:53:36.210 --> 01:53:38.160

Mike Faulkner: Process to get approval that

1869

01:53:38.580 --> 01:53:39.570

Albion Attendee: Which we are you

1870

01:53:39.690 --> 01:53:41.460

Mike Faulkner: Later, there are aware of that.

1871

01:53:45.630 --> 01:53:46.200

Albion Attendee: Maybe

1872

01:53:54.900 --> 01:53:55.350

Albion Attendee: We can

1873

01:54:10.710 --> 01:54:11.430

Albion Attendee: Where's it gonna be

1874

01:54:27.300 --> 01:54:28.080

Mike Faulkner: I still have

1875

01:54:34.290 --> 01:54:34.890

Mike Faulkner: I still have

1876

01:54:36.540 --> 01:54:37.260

Mike Faulkner: The basketball.

1877

01:54:37.920 --> 01:54:40.350

Mike Faulkner: Or the playground should be real.

1878

01:54:43.050 --> 01:54:43.470

Albion Attendee: Yeah.

1879

01:54:46.020 --> 01:54:49.440

Mike Faulkner: Exactly. So that just update you on that I

1880

01:54:49.710 --> 01:54:51.870

Mike Faulkner: There's nothing that I can do at this point.

1881

01:54:53.100 --> 01:54:57.630

Mike Faulkner: I couldn't think of any other businesses. Anybody else have anything under old business.

1882

01:55:02.640 --> 01:55:03.090

Albion Attendee: Brian

1883

01:55:03.990 --> 01:55:04.260

No.

1884

01:55:09.510 --> 01:55:09.630

Mike Faulkner: I

1885

01:55:09.930 --> 01:55:10.500

Mike Faulkner: didn't make it.

1886

01:55:11.880 --> 01:55:16.170

Mike Faulkner: But I will the New York City for the environmental conservation proposes.

1887

01:55:16.230 --> 01:55:18.990

Mike Faulkner: upgrades and rehabilitation rehabilitation work.

1888

01:55:19.020 --> 01:55:20.670

Mike Faulkner: At the Salmon River Fish Hatchery

1889

01:55:21.210 --> 01:55:25.050

Mike Faulkner: Which will impact the regulated areas of the class to near to say fresh water.

1890

01:55:26.730 --> 01:55:27.750

Mike Faulkner: Or 15

1891

01:55:27.990 --> 01:55:28.470

Mike Faulkner: And

1892

01:55:28.530 --> 01:55:30.090
Mike Faulkner: The CT class, Beaver.

1893
01:55:30.090 --> 01:55:30.840
Albion Attendee: Dam Brewer.

1894
01:55:31.590 --> 01:55:31.890
And

1895
01:55:33.060 --> 01:55:40.830
Mike Faulkner: They've already gone through all the tests and everything
and there will be no him registered eligible or inventoried
archaeological sites or historic

1896
01:55:55.170 --> 01:55:55.920
Albion Attendee: Another

1897
01:55:59.700 --> 01:56:00.450
Albion Attendee: For me,

1898
01:56:03.390 --> 01:56:03.990
Albion Attendee: To keep saying

1899
01:56:05.370 --> 01:56:05.880
Mike Faulkner: Do this.

1900
01:56:21.510 --> 01:56:24.210
Mike Faulkner: Good point. And I think Brian's point

1901
01:56:24.270 --> 01:56:25.020
Is

1902
01:56:26.790 --> 01:56:28.110
Albion Attendee: He doesn't want to

1903
01:56:28.140 --> 01:56:29.790
Mike Faulkner: Take the time and just fix that one.

1904
01:56:31.530 --> 01:56:32.070
Albion Attendee: He wants

1905

01:56:32.130 --> 01:56:38.220

Mike Faulkner: He wants to build the whole thing. Go to LED, which is fine. We want to put that bit, but in the short

1906

01:56:38.220 --> 01:56:39.510

Albion Attendee: Term needs.

1907

01:56:41.760 --> 01:56:42.600

Albion Attendee: So I think that's

1908

01:56:42.900 --> 01:56:44.340

Albion Attendee: Where hidden

1909

01:56:44.430 --> 01:56:45.540

Albion Attendee: Which I didn't

1910

01:56:47.100 --> 01:56:48.750

Albion Attendee: I didn't tell them that. Exactly. So

1911

01:56:50.820 --> 01:56:51.900

Albion Attendee: So I will contact them.

1912

01:56:51.900 --> 01:56:52.530

Again,

1913

01:56:53.610 --> 01:56:55.080

And see what we can get accomplished.

1914

01:56:57.540 --> 01:56:58.290

Albion Attendee: Um,

1915

01:56:58.740 --> 01:56:59.430

Mike Faulkner: That's all I have.

1916

01:57:00.390 --> 01:57:01.830

Anybody else have anything

1917

01:57:03.030 --> 01:57:03.420

Albion Attendee: Like

1918

01:57:08.220 --> 01:57:08.490

That

1919

01:57:09.780 --> 01:57:10.380

Albion Attendee: Yeah.

1920

01:57:11.520 --> 01:57:12.030

Albion Attendee: We haven't

1921

01:57:12.150 --> 01:57:13.170

Albion Attendee: Received anything

1922

01:57:13.170 --> 01:57:13.680

Albion Attendee: Yeah.

1923

01:57:13.800 --> 01:57:15.510

Mike Faulkner: From the governor's I am that we

1924

01:57:15.540 --> 01:57:16.680

Can do anything.

1925

01:57:18.720 --> 01:57:21.210

Mike Faulkner: We might as well just wait till next month, talk about it again.

1926

01:57:25.050 --> 01:57:27.900

Mike Faulkner: Once again, we'll get back to me on the price of the

1927

01:57:28.920 --> 01:57:29.520

Mike Faulkner: Stone.

1928

01:57:29.580 --> 01:57:31.050

Albion Attendee: Pistone which I'll

1929

01:57:31.230 --> 01:57:31.560

Mike Faulkner: Talk.

1930

01:57:31.620 --> 01:57:32.790

Mike Faulkner: About in a sense.

1931

01:57:32.790 --> 01:57:33.450

Albion Attendee: I guess.

1932

01:57:35.280 --> 01:57:36.750

Mike Faulkner: We put the sand and it's just going

1933

01:57:36.750 --> 01:57:37.560

To grow grass.

1934

01:57:38.970 --> 01:57:39.360

Mike Faulkner: Means

1935

01:57:40.650 --> 01:57:40.980

Albion Attendee: Yes.

1936

01:57:49.110 --> 01:57:49.350

Mike Faulkner: Right.

1937

01:58:04.620 --> 01:58:09.900

Mike Faulkner: Sorry about that. I've been reading everything we are not required to provide songs

1938

01:58:09.990 --> 01:58:12.000

Mike Faulkner: It's not something that we have to do.

1939

01:58:14.790 --> 01:58:15.030

Mike Faulkner: Don't

1940

01:58:15.090 --> 01:58:17.460

Mike Faulkner: According to the Law or the insurance company.

1941

01:58:19.830 --> 01:58:20.220

Mike Faulkner: Okay.

1942

01:58:20.280 --> 01:58:21.420

All that's all I got.

1943

01:58:22.470 --> 01:58:23.160

Mike Faulkner: Motion to

1944

01:58:23.580 --> 01:58:23.940

adjourn.

1945

01:58:27.480 --> 01:58:28.170

Mike Faulkner: All in favor.

1946

01:58:34.110 --> 01:58:34.410

Mike Faulkner: Thank you.

1947

01:58:34.740 --> 01:58:36.060

Mike Faulkner: All appreciate your

1948

01:58:37.080 --> 01:58:38.010

Mike Faulkner: Operating the meeting.

1949

01:58:38.880 --> 01:58:39.990

Paul Baxter: We're happy to help.

1950

01:58:40.830 --> 01:58:42.030

Mike Faulkner: And hopefully we'll talk to you in

1951

01:58:42.030 --> 01:58:44.730

Paul Baxter: Person very soon I'll look forward to that.

1952

01:58:45.810 --> 01:58:46.530

Take care.
