00:01:31.980 --> 00:01:39.090

Mike Faulkner: as weak as Lanny, and Randy came in tonight. They were you able to review the town Corp tax collector books.

14

00:01:41.070 --> 00:01:42.780

Mike Faulkner: Can I have a motion successes.

15

00:01:44.130 --> 00:01:44.550

00:01:49.110 --> 00:01:52.530

Mike Faulkner: Thank you. Next month we'll do the town supervisor books.

18

00:01:54.390 --> 00:02:00.000

Mike Faulkner: Any comments or questions on the last month's meeting minutes

19

00:02:01.110 --> 00:02:03.330

Mike Faulkner: Ago, one that I discussed with with

20

00:02:04.500 --> 00:02:12.480

Mike Faulkner: Amy already doing her job to. Well, I thought that brought to my attention. I asked about the method that

21

00:02:13.530 --> 00:02:15.390

Mike Faulkner: In the board members that are absence.

22

00:02:17.490 --> 00:02:18.510

Mike Faulkner: Doesn't show

23

00:02:21.000 --> 00:02:23.130

Mike Faulkner: But there are some conflicting

24

00:02:26.820 --> 00:02:27.150

Mike Faulkner: Yeah.

25

00:02:28.770 --> 00:02:41.820

Mike Faulkner: Right there, she's, she's got it. See it right she tabs over from out the lining. Gotcha. And just if I asked her if she just put a comma there on that tab over okay but

26

00:02:45.840 --> 00:02:46.200

Mike Faulkner: Okay.

27

00:02:48.180 --> 00:02:50.220

Mike Faulkner: That was brought to my attention. Thank you.

28

00:02:54.150 --> 00:02:58.020

Mike Faulkner: I would make a motion to accept second

29

00:03:01.440 --> 00:03:02.070

Mike Faulkner: All in favor.

30

00:03:06.600 --> 00:03:21.810

Mike Faulkner: Unfortunately, we will not be visited by our county legislature county legislator her beard and he is attending a family funeral. Fortunately, I do have a report from all Baxter.

31

00:03:23.190 --> 00:03:30.840

Mike Faulkner: And we have Katie melon ski with us tonight. She wanted to make a few comments, so I will turn up volume.

32

00:03:33.090 --> 00:03:38.100

Katie Malinowski: Hello town board this nice to see you all. Even if it's just virtually

33

00:03:39.000 --> 00:03:57.960

Katie Malinowski: I think Mike Scott Paul's full report so I won't read the whole thing, but just some key points. He wanted me to mention the next salmon rivers Council of Government meeting is going to be Friday, November 20 at 330 we'd like to use your municipal building, if that is ok.

34

00:03:59.280 --> 00:04:02.700

Katie Malinowski: We will wear masks clean, whatever you want us to clean.

35

00:04:03.210 --> 00:04:06.000

Katie Malinowski: So if you could consider that we would appreciate it.

36

00:04:07.920 --> 00:04:21.630

Katie Malinowski: Under I know Paul did send the annual salmon rivers bill to to Mike just recently. So you'll have that to see soon I think Paul also sent along

37

00:04:22.230 --> 00:04:32.040

Katie Malinowski: A sample resolution that you might want to use for the for the budget approval. And then lastly, I want to mention this one a little bit more thoroughly.

38

00:04:32.790 --> 00:04:46.650

Katie Malinowski: As you know, Paul is sometimes stretched thin, especially at the night you guys meet because he has to other municipal meetings. And so the salmon rivers Council of government is looking to

39

00:04:47.550 --> 00:04:59.040

Katie Malinowski: Bring on a contractor to help with some meeting coverage. So Paul is putting it out there at all his municipal meetings this month that if you know of anyone who might want to

40

00:05:00.240 --> 00:05:09.270

Katie Malinowski: To do that kind of job attend meetings deliver me meeting announcements take notes and report back to Paul.

41

00:05:09.810 --> 00:05:18.270

Katie Malinowski: Please let Paul know we're just going to spread that word of mouth right now that has seemed to be most successful when we've looked for contractors and other

42

00:05:18.660 --> 00:05:30.690

Katie Malinowski: Councils of governments. So again, if anyone you know is interested in local government and might want to have a part time gig on the side attending some meetings let Paul know

43

00:05:31.890 --> 00:05:32.850

Katie Malinowski: That's it. Thank you.

44

00:05:34.800 --> 00:05:35.370

Mike Faulkner: Thank you, Katie.

45

00:05:41.430 --> 00:05:44.340

Mike Faulkner: I'll go ahead and touch on AWS report.

46

00:05:45.900 --> 00:05:54.360

Mike Faulkner: For the last month was substantial part of my time has been spent working with towns as they prepare to budget for the fiscal year starting January 1

47

00:05:55.410 --> 00:06:10.590

Mike Faulkner: Is you may have seen in the tough times when it's time to adapt the final 2021 budget, this is to be done via resolution to be adapted, not just a simple motion for your convenience I have attached to sample resolution for your reference. We will get to that later on in the meeting.

48

00:06:11.760 --> 00:06:28.260

Mike Faulkner: To go Commission offices are still operating at a 50% occupancy level with a schedule with Watertown based staff were at any given time, half of the staff is in the Watertown office and the rest are still working from home so kill staff are available for meetings with your municipality.

49

00:06:30.840 --> 00:06:39.150

Mike Faulkner: I've mentioned the training the toggle commission is offered to local planning boards and zoning boards of appeals to help them with their annual training hours requirement.

50

00:06:39.600 --> 00:06:49.830

Mike Faulkner: These training sessions have been placed on the toggle YouTube channel. Afterward, and the Commission is looking into how to provide certification to members for viewers who watch those sessions.

51

00:06:50.220 --> 00:06:56.670

Mike Faulkner: after their initial presentation and mentioned this as the town board of LB and also serves as Albion's planning board.

52

00:06:58.050 --> 00:06:58.560

Mike Faulkner: Excuse me.

53

00:06:59.790 --> 00:07:07.290

Mike Faulkner: The governor's executive order, allowing remote meetings and public hearings via means such as zoom has been extended until December 3

54

00:07:07.920 --> 00:07:18.690

Mike Faulkner: If you have any upcoming meetings where that may be a help to you. I can facilitate a zoom meeting with a little advance notice I have arranged such a session for tonight's meeting at the request of the town supervisor.

55

00:07:24.990 --> 00:07:36.420

Mike Faulkner: And he, I have emailed the bill for the salmon rivers Council of government membership for calendar year 2022 the supervisor and teleport will address that a little bit later as well.

56

00:07:37.770 --> 00:07:43.320

Mike Faulkner: Any questions or problems we've got Katie right here. She could probably answer any questions that anyone has.

57

00:07:46.710 --> 00:07:48.570

Mike Faulkner: He you mentioned using

58

00:07:52.260 --> 00:07:59.880

Mike Faulkner: A. You said you'd clean it all down and disinfected and do everything and paying it, maybe even if

59

00:08:02.040 --> 00:08:08.520

Mike Faulkner: You wouldn't want me to paint it. I'm not that good of a painter, but I will certainly wipe it down. And in fact, if you

60

00:08:09.090 --> 00:08:09.960

Katie Malinowski: Allow us to use it.

61

00:08:13.530 --> 00:08:14.640

Mike Faulkner: Doesn't bother you, does it

62

00:08:17.010 --> 00:08:18.480

Mike Faulkner: It's not gonna conflict with your

63

00:08:19.710 --> 00:08:20.190

Mike Faulkner: Friday.

64

00:08:27.240 --> 00:08:29.130

Mike Faulkner: So you're okay with it. Right, Amy.

65

00:08:31.860 --> 00:08:40.410

Mike Faulkner: We have a motion that that's all right. Let's have a motion and a second. I can. All in favor. Aye.

66

00:08:41.550 --> 00:08:42.270

Mike Faulkner: Okay, you're all set.

67

00:08:42.750 --> 00:08:44.760

Katie Malinowski: Thank you very much appreciate a lot Palmer.

68

00:08:51.360 --> 00:09:10.800

Mike Faulkner: Highway superintendent Ted is not here tonight. His wife just came home from the hospital yesterday from spending the weekend with a collapsed lung. So he's very concerned, as you can imagine, about the covert and the outbreak that we've faced here recently. So he didn't want to

69

00:09:12.420 --> 00:09:18.000

Mike Faulkner: Jeopardize that so if anybody has any questions, he and I did have a pretty good discussion last night.

70

00:09:19.290 --> 00:09:23.460

Mike Faulkner: Hopefully I can answer any questions that you might have regarding highway department at this point.

71

00:09:25.470 --> 00:09:32.100

Mike Faulkner: They've got some questions, but I don't maybe you can relate to them. Okay. I was wondering if maybe he could

72

00:09:34.020 --> 00:09:47.910

Mike Faulkner: Number, the equipment so that on the fuel usage reports, we know what they are like that. I know 2010 that's a dump truck. The 2007 we've got two of them. Yeah. So, you know, maybe

73

00:09:49.800 --> 00:10:08.220

Mike Faulkner: Maybe number the equipment so that we know what it is and and so on so forth. And we don't get around it that much. Maybe make it easier for everybody and dumb till you hear of that's how it is it the school. Yeah. No, everything's. Yeah. And I was wondering, what about the tone sealed.

74

00:10:09.720 --> 00:10:10.830

Mike Faulkner: weren't using it anymore.

75

00:10:13.050 --> 00:10:19.350

Mike Faulkner: You know what, we're Dr. Lowe, I do not say doors yeah undecided doors have all the equipment also be on

76

00:10:20.370 --> 00:10:24.150

Mike Faulkner: I don't know if we're still we still purchasing will never go there. I see.

77

00:10:26.190 --> 00:10:26.760

Mike Faulkner: I'll

78

00:10:29.490 --> 00:10:30.030

Mike Faulkner: Actually

79

00:10:32.190 --> 00:10:32.730

Mike Faulkner: Wondering if

80

00:10:34.470 --> 00:10:34.800

Mike Faulkner: There was

81

00:10:44.490 --> 00:10:47.970

Mike Faulkner: Anything. Yeah, no, no. But who did the lettering.

82

00:10:52.320 --> 00:10:53.280

Mike Faulkner: You know, I almost like

83

00:10:58.020 --> 00:11:01.110

Mike Faulkner: Your normal so many topics more than they

84

00:11:03.180 --> 00:11:03.570

Mike Faulkner: Really

85

00:11:04.680 --> 00:11:05.370

Mike Faulkner: Are good at.

86

00:11:07.170 --> 00:11:14.610

Mike Faulkner: The sealed used to be was made, you know, sweater wasn't maybe this backpack, son. Oh, no.

87

00:11:16.740 --> 00:11:17.100

Mike Faulkner: Okay.

88

00:11:18.960 --> 00:11:19.440

Mike Faulkner: We want

89

00:11:21.870 --> 00:11:22.080

Mike Faulkner: To

90

00:11:23.130 --> 00:11:24.030

Mike Faulkner: Okay, I'm curious.

91

00:11:27.240 --> 00:11:29.220

Mike Faulkner: What everybody else is on

92

00:11:31.830 --> 00:11:36.870

Mike Faulkner: A final investigator. I'd like to see will come back, actually. Okay.

93

00:11:37.890 --> 00:11:40.320

Mike Faulkner: You want to look into that. Yeah, I'll try to be more like

94

00:11:42.600 --> 00:11:43.140

Mike Faulkner: I don't know.

95

00:11:47.790 --> 00:11:49.560

Mike Faulkner: Any other oh he's

96

00:11:52.740 --> 00:12:01.110

Mike Faulkner: Just that I wanted to see some description on the purchases. Mr. The computer numbers i don't i don't know what an A. F.

97

00:12:02.400 --> 00:12:02.820

Mike Faulkner: Says,

98

00:12:04.080 --> 00:12:18.060

Mike Faulkner: I'm on any purchases, like we get what, like, what's our origins. You mean yeah learns or Parker's or anybody like, you know, if you just put down. It's a seagull okay you know gotcha in

99

00:12:19.980 --> 00:12:23.280

Mike Faulkner: Cemetery I fall. And that's where my name.

100

00:12:26.010 --> 00:12:28.290

Mike Faulkner: Is Alana sh.

101

00:12:32.400 --> 00:12:32.730

Mike Faulkner: Right.

102

00:12:40.290 --> 00:12:41.550

Mike Faulkner: I can give you this afterwards.

103

00:12:42.600 --> 00:12:42.870

Mike Faulkner: Sure.

104

00:12:44.370 --> 00:12:44.640

Mike Faulkner: Okay.

105

00:12:47.910 --> 00:12:48.390

Mike Faulkner: No problem.

106

00:12:51.420 --> 00:12:53.850

Mike Faulkner: Don't control anything, Steve.

107

00:13:14.580 --> 00:13:16.950

Mike Faulkner: Bond with all the characters as they get

108

00:13:18.720 --> 00:13:21.870

Mike Faulkner: Older the going to have multiple ways.

109

00:13:23.760 --> 00:13:24.450

Mike Faulkner: One.

110

00:13:26.040 --> 00:13:27.750

Mike Faulkner: Would be in terms

111

00:13:29.430 --> 00:13:43.920

Mike Faulkner: Of talking in the so I just wanted to be aware of the different ways that I started off the road, it's often still honor robbery. I can't do anything about them, you know, you're already budgets are going to go you know I'm going, what else can you do. Yeah.

112

00:13:45.660 --> 00:13:46.320

Mike Faulkner: Also, the

113

00:13:47.850 --> 00:13:50.190

Mike Faulkner: Nine old 3D camera pointing to that we have

114

00:13:52.560 --> 00:14:01.950

Mike Faulkner: You got rid of the dog and then it was on tuna tuna of weeks, and also ensure backup reoriented people have a good one. And he brought it back not blah blah

115

00:14:02.970 --> 00:14:17.490

Mike Faulkner: So I think he is. I haven't heard any point. So I think another homework by now, but I just wanted to see it again. You gotta let me know. I'm not gonna drive over there as well. I mean I drive by there every day and I haven't seen it. So you see it, let me know.

116

00:14:18.900 --> 00:14:20.700

Mike Faulkner: Okay, I thought you think it wasn't taking girl.

117

00:14:22.140 --> 00:14:22.560

Mike Faulkner: Woman

118

00:14:23.850 --> 00:14:25.290

Mike Faulkner: Thank you all I got. Okay.

119

00:14:26.370 --> 00:14:27.450

Mike Faulkner: Any questions for Steve.

120

00:14:30.930 --> 00:14:39.990

Mike Faulkner: I talked to Brenda. No, she didn't have any report for last month, which would have been October, obviously there will be one for November.

121

00:14:42.630 --> 00:14:44.610

Mike Faulkner: With Carl so

122

00:14:45.870 --> 00:14:48.330

Mike Faulkner: We'll see if he has anything, Mike.

123

00:14:58.440 --> 00:14:59.040

Mike Faulkner: Properties.

124

00:15:02.670 --> 00:15:05.280

Mike Faulkner: Lot of stuff that was Mr.

125

00:15:06.330 --> 00:15:08.280

Mike Faulkner: Whatever, but there's a lot of stuff being picked up.

126

00:15:10.230 --> 00:15:20.010

Mike Faulkner: Very nice talking about a lot of these permits are given out and he put up a 24 by 48 pole barn Burnley using. Next thing you know what

127

00:15:21.600 --> 00:15:22.080

Mike Faulkner: Can

128

00:15:23.280 --> 00:15:35.400

Mike Faulkner: The only thing I have a question about is if there's septic system there to get approval from the septic system that's I'm going to doubt him as camps, they're going to prove otherwise that they're not. But there's been quite a few of them.

129

00:15:36.840 --> 00:15:40.200

Mike Faulkner: I just think that I've taught my head I'm fighting 1012 but I put up

130

00:15:42.600 --> 00:15:50.790

Mike Faulkner: The sales on for here and saying that Maple Grove campsite that just sold from almost \$600,000

131

00:15:51.840 --> 00:15:58.260

Mike Faulkner: I'm the one down the road from that were sent me the listing and I have the listing

132

00:16:00.270 --> 00:16:25.080

Mike Faulkner: 620 county route 48 listed for \$999,000 read what what 306 20 Colorado 48 is cabins their homes mobile RV science so on so forth. Never ever in your life, you put it up for sale we prepare for how much \$999

133

00:16:28.560 --> 00:16:33.990

Mike Faulkner: Even the Maple Grove. So for over half million. I just shake my head of debt that's I mean granted, there was two lots

134

00:16:35.550 --> 00:16:42.870

Mike Faulkner: Going on bridge street there was for new laughs and just have sold and they go, come on, they all like they ever bought 115 hundred \$20,000

135

00:16:45.210 --> 00:16:48.960

Mike Faulkner: Do they have water access. Okay, so then

136

00:16:50.700 --> 00:16:59.250

Mike Faulkner: You're getting into what you've seen among them. OK. So the other thing I found out and good, bad, indifferent. The last

137

00:17:00.780 --> 00:17:14.070

Mike Faulkner: Probably about 40 of them. They have whatever was you by the frontline. And then there's a secondary let you buy that sex. We on the river secondary why that's on river as a state Eastman for fishing.

138

00:17:16.950 --> 00:17:26.700

Mike Faulkner: I was given the state gives me a listing of what put on the properties. So I was listening to him as they would say it's \$9,000 or \$1,000 listing is that

139

00:17:27.840 --> 00:17:34.170

Mike Faulkner: Now, as my fault. I was wrong. What happens is they pay 75% of the assessment.

140

00:17:36.000 --> 00:17:51.120

Mike Faulkner: So the watch should have been buried in about 40 or \$50,000 each, and then the state would pay 75% or more, and paste the balance. So I've got them all correct it now, but that was that's going to make a huge difference on those stay with getting away with a penal well

141

00:17:53.670 --> 00:17:54.930

Mike Faulkner: The other thing is just these

142

00:17:57.090 --> 00:18:10.290

Mike Faulkner: It's really difficult with these trying to find out exactly what's why the maps are horrible because of all the jump all over the place. But the sales even residential sales wave and river are

143

00:18:11.490 --> 00:18:27.630

Mike Faulkner: I really wanted to be at 100% well sometimes you're gonna you're gonna walk whispered to me, it's gonna be really some pain. Some of these numbers come out. I mean, we had two or three residential practices over 300,000 up. No one. So for 240,000

144

00:18:28.710 --> 00:18:30.570

Mike Faulkner: ranges are just rampant.

145

00:18:32.010 --> 00:18:45.960

Mike Faulkner: I have sailed 171 75,000 for decent sized branches so I mean in the other thing that's really been selling out of these little or 500 square foot camps on 2030 acres, even some of the 75 \$85,000

146

00:18:47.010 --> 00:18:59.640

Mike Faulkner: I was an Austin Rome validate and if you've ever bought who Northern Austin big where the swap meets the road you go back in and there's a camper over \$100,000

147

00:19:01.020 --> 00:19:11.220

Mike Faulkner: No electric car on the road. And I think there were 4050 acres of land to go with the campus most nice little camp. I see. They got a solid thing there but

148

00:19:12.360 --> 00:19:19.740

Mike Faulkner: Those kind of properties. And again, why is it someone because it's run by state land. So you go honey. You got your land and everybody else's land.

149

00:19:20.760 --> 00:19:29.370

Mike Faulkner: There's no one up in the northern part of town, no electric Cecil road 30 some acres of land 320 square foot cavity 5000 now.

150

00:19:31.620 --> 00:19:39.780

Mike Faulkner: So it's going to be some those kind of properties and then anything in the village now has changed the old assessments are very low abilities.

151

00:19:40.770 --> 00:19:56.550

Mike Faulkner: You know the sale of your church \$455,000 on the house next to. It's the same thing is going to \$400,000 model, right. The one on the left. I think one on one basis of one rates on itself percent

152

00:19:58.530 --> 00:20:01.980

Mike Faulkner: You know, so those are. And then I was out on Barbara road.

153

00:20:03.060 --> 00:20:03.870

Mike Faulkner: Last week,

154

00:20:05.190 --> 00:20:14.520

Mike Faulkner: And I don't know who is measuring the building but that's neither here nor there. So I got on and we measured the house lady thought that I was the appraiser because they're selling the place

155

00:20:15.540 --> 00:20:25.380

Mike Faulkner: And I didn't tell her anyway. Different I'm measuring buildings. I got all the measurements got other various in \$350,000 for beautiful place. They got a big

156

00:20:27.000 --> 00:20:35.670

Mike Faulkner: Swamp. Now this one thing is going to come and bite me and based on other people know. So he's going to say, well, it's all swampland well if its

157

00:20:36.570 --> 00:20:42.870

Mike Faulkner: Water small lake time people are paying money for it. I got one little log cabin.

158

00:20:43.800 --> 00:20:51.360

Mike Faulkner: And I thought the sale was ridiculous. And I go there and behind it. There's a nice little swamp way, Pat, whatever the hell you want to call it.

159

00:20:51.990 --> 00:21:01.170

Mike Faulkner: They got the canoe out there and efficient poles and they're paying big money. So I have to be careful. I did go through everything that his state.

160

00:21:01.920 --> 00:21:18.510

Mike Faulkner: What Lena I got the amount of the land that was in the DC wetlands and I dated a \$400 an acre. Some of the ones where there's actually a pan slash Lake, whatever the hell you want to call it, you're going to have to influence that a little bit because people don't pay

161

00:21:21.420 --> 00:21:30.900

Mike Faulkner: What I've taken pictures. So just about everything's entered all those on the computer file and I'm just now going through all my final determination.

162

00:21:32.070 --> 00:21:37.620

Mike Faulkner: And the other thing is when to an RV came from.

163

00:21:39.570 --> 00:21:46.380

Mike Faulkner: indie gaming listening from the county, seeing how many sites are supposed to be the 75

164

00:21:47.490 --> 00:21:48.900

Mike Faulkner: I count 110

165

00:21:50.460 --> 00:21:59.220

Mike Faulkner: So it could be 75 or ones with sewer Water, and Electric and there could be addressed them could be just, you know, where you can park and go camping.

166

00:22:00.600 --> 00:22:05.730

Mike Faulkner: But just to let you know we're charging 1500 dollars a year and parking are either

167

00:22:06.990 --> 00:22:13.230

Mike Faulkner: So when you started doing an income studying something like that you're talking about sites over \$70,000 each so

168

00:22:15.360 --> 00:22:23.520

Mike Faulkner: Right now in a. These are many places, but I haven't seen them septic Water, and Electric they're going to be between seven and \$10,000 each for each site.

169

00:22:25.770 --> 00:22:26.790

Mike Faulkner: I got a listing

170

00:22:27.810 --> 00:22:35.160

Mike Faulkner: Of the website for one of the other places here just to give you an idea of what they're charging places.

171

00:22:39.210 --> 00:22:47.490

Mike Faulkner: House trailer with three bedroom, two bath seats up to 12 people minimum of eight people want \$50 a month. That's \$40 and 91 for

172

00:22:48.810 --> 00:23:07.440

Mike Faulkner: Kevin 662 hundred and \$40 in 19 \$40 a person heaven sleeps \$460 a night bunkhouse sleep six \$270 a year on for hookups on 1500 dollars camping. Now, like you're \$25 per person per night each additional person is another \$25

173

00:23:08.580 --> 00:23:18.300

Mike Faulkner: So the other there and that seemed to making money hand over fist. But obviously, they must be making something or the sales of some of these places would not be what I'm seeing.

174

00:23:19.710 --> 00:23:29.040

Mike Faulkner: A large sold for 350,001 just down the road from a social 290,000 so you know numbers are going to be

175

00:23:31.320 --> 00:23:35.250

Mike Faulkner: Probably the titles of assessments going to grow by at least 30%

176

00:23:36.360 --> 00:23:48.300

Mike Faulkner: Um, I got the new cell tower and I got the Family Dollar. I mean, those two things alone right over \$1.2 million and roll. So now I have all the budget time

177

00:23:50.760 --> 00:23:56.100

Mike Faulkner: And all the sub companies, but I can jump up and down, but I've seen enough of those. And I've seen the income.

178

00:23:57.120 --> 00:23:59.250

Mike Faulkner: Usually what happens with the cell towers, they get

179

00:24:00.420 --> 00:24:06.930

Mike Faulkner: More rings that you see on it, the more valuable, it becomes and each region represents another carrier you're 18 T, Verizon.

180

00:24:07.980 --> 00:24:10.170

Mike Faulkner: Walmart labs around so

181

00:24:12.420 --> 00:24:13.080

Mike Faulkner: Then the

182

00:24:14.820 --> 00:24:27.180

Mike Faulkner: Family Dollar sales. I'm a crazy but I kind of don't go by the sales. But what happens is they build them then they go and they get a 20 or 30 year lease and then they sell Elise and

183

00:24:29.040 --> 00:24:43.920

Mike Faulkner: I had one one rural towns over \$1.1 million and and it's the middle of nowhere. I mean there isn't \$600,000 in the building, but the Liesl so I kinda kind of figure my way between the two things at least is one thing, but then

184

00:24:44.940 --> 00:24:48.150

Mike Faulkner: Brick and mortar and Wayne and we're something else. So, but

185

00:24:50.100 --> 00:24:51.390

Mike Faulkner: That's about all I've got it.

186

00:24:52.530 --> 00:25:01.260

Mike Faulkner: What I'm planning on doing the numbers will be out till the beginning of March, and will probably have depending on

187

00:25:02.610 --> 00:25:10.020

Mike Faulkner: The status of coven will analogy. Anybody person or everything's done over the phone. It'll be, you know, we'll have to figure that out. Same thing we're doing

188

00:25:11.250 --> 00:25:13.740

Mike Faulkner: I'll be sending out renewals for the exemptions.

189

00:25:14.940 --> 00:25:24.390

Mike Faulkner: Going to try to do most of them over the phone Monday. Now, a simple know especially the senior ones, those are all your elderly people. I don't know how many of them, they want to come in.

190

00:25:25.980 --> 00:25:31.620

Mike Faulkner: One of the things that you should work out. And I was just thinking about this today is the Tom has a

191

00:25:32.670 --> 00:25:37.470

Mike Faulkner: For the seniors in the exemption amount. I don't even want to resist here, but you should think about raising it up.

192

00:25:38.790 --> 00:25:45.690

Mike Faulkner: I don't know what the level is right now that you really probably should think about bringing a couple of especially if the value of the talents warming up so much

193

00:25:47.130 --> 00:25:48.630

Mike Faulkner: It's a sliding scale.

194

00:25:50.520 --> 00:25:57.960

Mike Faulkner: Contact the counties with the company who each one is different. All I do is enter when I enter a senior exemption.

195

00:25:58.560 --> 00:26:14.250

Mike Faulkner: I enter the amount and it automatically calculates everything because all those elements are already over it into the software, but each one. I understand each one is different when i when i don't get in the towns, more than 12 or \$14,000

196

00:26:15.540 --> 00:26:19.920

Mike Faulkner: So you might want to think about personnel that because the guy you know he have

197

00:26:21.870 --> 00:26:39.180

Mike Faulkner: I mean even mobile homes now on an acre land in the dollar 35 \$40,000 really don't have a lot of, you know, and those are the people you want to help out the most. So I would think it'd be a good step in the right direction plus the fact that we are raising the value of these properties.

198

00:26:40.590 --> 00:26:46.110

Mike Faulkner: I don't know what to do about school and Academy. I don't know if they ever they've ever raised them in the West.

199

00:26:47.340 --> 00:26:50.940

Mike Faulkner: I don't know who look into and find out. I have no idea.

200

00:26:52.770 --> 00:27:04.440

Mike Faulkner: What happens with the senior exemption. I'm loving what you realize is that the stars option is likely school senior exemption is county town and school. So if it's

201

00:27:05.460 --> 00:27:06.930

Mike Faulkner: If the limits are 20

202

00:27:08.310 --> 00:27:15.990

Mike Faulkner: The limit for the school maybe 24,000 county maybe 20 in the town, maybe like 14 and I'm not sure.

203

00:27:16.680 --> 00:27:24.450

Mike Faulkner: So when you enter it. It gives a deduction for each one of those. It takes off with the overall assessment. So the hundred thousand dollar assessment and

204

00:27:24.990 --> 00:27:42.000

Mike Faulkner: You get 20,000 now love 114 thousand out of \$10,000 of tax reporting which one you get a different senior exemption. We have some properties and down the seniors mixed some little why they probably heard anything prospects Thomas holdings.

205

00:27:43.110 --> 00:27:51.570

Mike Faulkner: When the raising of these values, I would think there would be something that we should look into it. Well, that you can force the school, the company to look into you. I don't know.

206

00:27:52.860 --> 00:27:54.270

Mike Faulkner: Maybe something to be looking into

207

00:27:55.710 --> 00:28:00.630

Mike Faulkner: Thank you him. I don't know if anybody knows less time it was real race you

208

00:28:01.890 --> 00:28:02.040

Mike Faulkner: Know,

209

00:28:05.220 --> 00:28:05.640

Mike Faulkner: And

210

00:28:06.870 --> 00:28:13.740

Mike Faulkner: I think it probably has to be town to town more right than I can find out information for Betsy.

211

00:28:14.910 --> 00:28:16.620

Mike Faulkner: And now what she recommend

212

00:28:17.670 --> 00:28:20.460

Mike Faulkner: Going to go to McDonald's or KFC themselves.

213

00:28:22.350 --> 00:28:24.810

Mike Faulkner: They all drunk 1500 dollar you

214

00:28:26.940 --> 00:28:34.440

Mike Faulkner: Well, the RD Rd sites and I'm seeing, most of them and charging 20 1200 1300 dollars a year just to leave their RV sitting there hooked up. So, I mean,

215

00:28:35.340 --> 00:28:49.530

Mike Faulkner: If you look at it under that circumstance and you figure. Okay, I'm looking at as an income of charging 1500 let's say two or \$300 of that is maintenance. Let's say there's 1200 my capital.

216

00:28:50.910 --> 00:28:58.650

Mike Faulkner: The 10% that there were 12,000. I don't want to put the numbers on but well our ATV cocaine. We get nine on

217

00:29:00.600 --> 00:29:07.230

Mike Faulkner: That's if you get under the market that you're up to you. But that's not what I'm about 90 business.

218

00:29:08.520 --> 00:29:15.570

Mike Faulkner: That's that's between you alone will do you have sewer and water everything else.

219

00:29:16.740 --> 00:29:18.480

Mike Faulkner: You do go okay

220

00:29:22.230 --> 00:29:23.970

Mike Faulkner: Exemption yes

221

00:29:24.990 --> 00:29:27.870

Mike Faulkner: It will be what the limits are random.

222

00:29:32.190 --> 00:29:43.770

Mike Faulkner: You. Any other questions, Mike. Mike. It sounds like you got things coming around coming up to try to get back up to 100% correct. Yes, we should be plenty of there's

223

00:29:45.720 --> 00:29:46.830

Mike Faulkner: Gonna be some pain is

224

00:29:48.060 --> 00:29:50.430

Mike Faulkner: Right. Every nobody likes

225

00:29:51.450 --> 00:30:00.810

Mike Faulkner: To to the board. We get close to the numbers. Come on, I will teach you a listing burning their soul that that you should get involved with Alicia have some knowledge.

226

00:30:01.950 --> 00:30:04.470

Mike Faulkner: Of what is sold where these numbers are coming from.

227

00:30:06.090 --> 00:30:23.190

Mike Faulkner: The program that I run it run the cost is a comparable and so like if I look at a ranch house that some decent conditions and size. I have for sales and looking at comparing it with and make a judgment based on their father. It's up down in between.

228

00:30:25.020 --> 00:30:33.480

Mike Faulkner: And then there's been a lot of the other thing is people don't leave or building stuff and they don't report to me stuff down when I had

229

00:30:34.680 --> 00:30:37.560

Mike Faulkner: I can probably say doesn't place Windows mobile homes. Are there any

230

00:30:38.730 --> 00:30:45.360

Mike Faulkner: Is there was two there now literally one or there was wondering now there's nothing and they never bothered to say anything you do anything about it.

231

00:30:46.110 --> 00:30:59.790

Mike Faulkner: Of course, it's a pain in the ass to for me because I gotta head out of the car I'm walking around us and mostly mobile home here, they seem noisy dirt and the pole is okay. Well, it was one year, but there's nothing new. So

232

00:31:00.840 --> 00:31:06.090

Mike Faulkner: Well, after you get it back to 100% you think you're going to be able to keep it there.

233

00:31:07.200 --> 00:31:10.140

Mike Faulkner: It can depend on how how these numbers keep

234

00:31:11.640 --> 00:31:20.760

Mike Faulkner: Is is going to be. Is this market going to settle down market right now. It's just crazy. Everyone's you know everybody's complaining about even

235

00:31:21.330 --> 00:31:27.450

Mike Faulkner: Know where I lived out in Liverpool house comes up for sale in three days it's gone. I don't understand.

236

00:31:28.170 --> 00:31:37.440

Mike Faulkner: Talking with every assessor I know we're also the second half of the uncertainty of Colvin and the markets and labor and everything else that we can understand why.

237

00:31:38.160 --> 00:31:46.200

Mike Faulkner: I mean, other than the fact that interest rates are so darn low and loving the rents are some time high. So I think it's just creating

238

00:31:49.080 --> 00:32:02.220

Mike Faulkner: And again, I don't think every year. You want to update the assessment, but I mean obviously every three or four years, you want to take a look. I don't think we should ever let it go as long as advances field review. We're done. Because you catch so much more stuff. You can't believe

239

00:32:03.300 --> 00:32:15.030

Mike Faulkner: The follows from, I think, some of them are probably eight to 10 years old to the president and vice versa. Some house went from here to here and some of us went from here to here, just

240

00:32:19.110 --> 00:32:27.030

Mike Faulkner: And then the Dell thing is happening is paid one south LA road guy paid 130 3000 for the house and above 30 acres

241

00:32:27.600 --> 00:32:40.770

Mike Faulkner: I see comfort truck packed in the or the deal name on Windows siding doors has been completed rightfully so we paid 133. Well, what's a word that that he just dropped probably 20 \$25,000 on it.

242

00:32:45.540 --> 00:32:52.440

Mike Faulkner: That one limestone wasn't limestone rich or another group that buy stuff in the next, you know, they're tinkering, whether they're doing some

243

00:32:56.130 --> 00:32:58.560

Mike Faulkner: Also relative because these people have been

244

00:33:01.290 --> 00:33:08.730

Mike Faulkner: Lucky I guess we'll say for the last few years, you know, not paying what they should have been. Now they're going to complain because it's going to jack up but you know

245

00:33:10.230 --> 00:33:11.430

Mike Faulkner: As hard as the Amish house.

246

00:33:13.350 --> 00:33:13.980

Mike Faulkner: I

247

00:33:15.570 --> 00:33:24.540

Mike Faulkner: Just to get an instance I mean most houses right around 2020 100 square feet and put about 80 \$85,000. I don't know what else to do.

248

00:33:25.770 --> 00:33:33.420

Mike Faulkner: I mean, there's no plumbing hours, you know, electric they're only going to sell to another and his family, great, but they look great. And then their violence.

249

00:33:33.990 --> 00:33:44.790

Mike Faulkner: And most of it when I don't think a tornado give often but you still get. Be careful MUCH MONEY, BUT I'M LIKE ONE DOWN AND WELL FOR. It's a beautiful story very primal

250

00:33:45.300 --> 00:34:01.980

Mike Faulkner: Wanted nobody was was kind of mine's a morning everyone wants to drive into the skid steer or they don't want to stories, stories, and if you look beautiful assess them out or range, they'll leave and go somewhere else. Well, that was there, they think

251

00:34:05.820 --> 00:34:08.910

Mike Faulkner: They are one thing about those honest and make good Limburg er, geez.

252

00:34:11.370 --> 00:34:13.440

Mike Faulkner: Remember, there's no refrigeration.

253

00:34:16.470 --> 00:34:17.640

Mike Faulkner: Is great. The will have

254

00:34:21.240 --> 00:34:22.620

Mike Faulkner: Any other questions for Mike

255

00:34:23.970 --> 00:34:33.060

Mike Faulkner: I know that since you started this, we get updates from the alright have gotten on my forward them to the other board members updates from the state taxation.

256

00:34:33.480 --> 00:34:41.220

Mike Faulkner: You know, letting us know where you are in the process and in making sure that you're when I get the final numbers in the bag tell you

257

00:34:43.080 --> 00:35:00.450

Mike Faulkner: Or give me a little East right now about your lambda is, I think, maybe a little bit slow. I totally support the problem a lot of the land sales here. If two problems. One, most of the ones on the river and there's two lots about them in the lot of the other ones those are these about

258

00:35:01.500 --> 00:35:11.100

Mike Faulkner: So he's paying \$30,000 for 10 acre live well yeah but there's those an RV sitting there that's been sitting there, so they saw both of them in the sale that doesn't get taken out of

259

00:35:11.610 --> 00:35:23.070

Mike Faulkner: Brooklyn probably needed to be Celtic like creates a little bit of a and then you get the sales where you know they just stepped off the boat from New York City or wherever and Christmas associates.

260

00:35:23.640 --> 00:35:32.310

Mike Faulkner: Christmas so she does a lot of financing, too. So really, those sales aren't even Jinan because you they finance it, what happens is

261

00:35:33.690 --> 00:35:38.580

Mike Faulkner: They're pretty shrewd. I think if you fall back on one or two payments. Boom, you're gone.

262

00:35:39.810 --> 00:35:46.320

Mike Faulkner: Nolan Boyd next sucker up. And what do you think for that's pretty much all they operate all the time. So,

263

00:35:50.490 --> 00:35:52.980

Mike Faulkner: Okay thanks Mike. Thank you for sure.

264

00:35:54.330 --> 00:35:54.750

Mike Faulkner: Burn

265

00:35:59.820 --> 00:36:00.570

Mike Faulkner: For the

266

00:36:04.380 --> 00:36:05.250

Mike Faulkner: renewals

267

00:36:08.880 --> 00:36:24.150

Mike Faulkner: All hundred and \$75 issue once your ticket of occupancy six certificates of compliance. I had a formal complaint from the year County Health Department both a

268

00:36:25.740 --> 00:36:41.070

Mike Faulkner: RV campsite. That one over there limit I issued them a code violation. Notice, and it was scaled down immediately and they're working with the county for next year to read into the accounting appliances

269

00:36:44.730 --> 00:36:52.380

Mike Faulkner: Dollar generals building permit is going to expire on the 14th of this month. It has right now.

270

00:36:54.150 --> 00:37:05.880

Mike Faulkner: We're still short a max bags for the fire department key and I have not seen verification from the Health Department approving their water system.

271

00:37:07.140 --> 00:37:07.740

Mike Faulkner: So,

272

00:37:08.910 --> 00:37:23.640

Mike Faulkner: I send them on a permit renewal. Notice, like I do, everybody got a lot of pushback because half of their original is a substantial amount, not my problem. I didn't tell them that I would

273

00:37:24.720 --> 00:37:42.450

Mike Faulkner: Prorated in orders as to how well but I still need to get the water system and the max backs installed and I told him with or without the renewal, we still make the

274

00:37:43.620 --> 00:37:51.930

Mike Faulkner: rescinding the temporary CEOs because of the water. They've had plenty of time to get the water system going.

275

00:37:52.500 --> 00:38:07.530

Mike Faulkner: And I turned to the couple of the employees in when they going to wash their hands. They don't feel comfortable using the word is available to all right so I'm using that as leverage to

276

00:38:08.550 --> 00:38:13.410

Mike Faulkner: Get them to finish off the system, but still concerned with the next box for

277

00:38:14.490 --> 00:38:17.970

Mike Faulkner: Now it's a key box that has a special

278

00:38:19.410 --> 00:38:23.760

Mike Faulkner: The Pottery Barn you have access building law, bringing last

279

00:38:26.190 --> 00:38:32.130

Mike Faulkner: Yes, that situation is, man. Take care. Okay. Hey, how's it going to be a couple weeks.

280

00:38:34.470 --> 00:38:39.840

Mike Faulkner: I have any transaction, not only an individual

281

00:38:41.130 --> 00:38:43.620

Mike Faulkner: Okay, we get our environment.

282

00:38:53.880 --> 00:38:54.780

Mike Faulkner: Or brown water.

283

00:38:58.920 --> 00:38:59.550

Mike Faulkner: Yes.

284

00:39:01.230 --> 00:39:03.240

Mike Faulkner: You had asked me, I told you the term.

285

00:39:04.530 --> 00:39:09.150

Mike Faulkner: Hey, it's a it's a combination of iron.

286

00:39:11.610 --> 00:39:13.650

Mike Faulkner: For. Yes, I guess.

287

00:39:17.130 --> 00:39:22.350

Mike Faulkner: They will be other material, but basically it just needs a good filtration system.

288

00:39:23.430 --> 00:39:25.650

Mike Faulkner: And they've been dragging their feet.

289

00:39:27.840 --> 00:39:36.930

Mike Faulkner: He'll have days parking lot, talking about the pumpkin and don't come in and write a comment on the ground. I don't know, trying to get it down.

290

00:39:39.720 --> 00:39:42.300

Mike Faulkner: How we make out with the place

291

00:39:46.710 --> 00:39:54.330

Mike Faulkner: We got a call late on a Saturday night once and called you communicated with you was a, like a camp that had like 12 or 14 people in it.

292

00:39:55.410 --> 00:40:06.150

Mike Faulkner: And they were only permitted for six like that. Ah caster rude. Maybe, yeah yeah asteroid that was handled and allegedly they're not going to allow

293

00:40:07.530 --> 00:40:09.060

Mike Faulkner: Us groups. Yeah, okay.

294

00:40:10.110 --> 00:40:10.500

Mike Faulkner: And

295

00:40:11.520 --> 00:40:20.460

Mike Faulkner: Movies. I see is moving vehicles around. It's hard to tell which ones if any new ones which ones are all of

296

00:40:21.600 --> 00:40:30.180

Mike Faulkner: The concrete slab, which turns being made statements, put a double white in there, whether we like it or not, that's what I heard.

297

00:40:31.260 --> 00:40:34.620

Mike Faulkner: Right, so I've been watching carefully.

298

00:40:35.820 --> 00:40:50.130

Mike Faulkner: Well I, I continue to have a back and forth with our attorney and she still hasn't really addressed it. I asked her, actually, to call buddies. Specifically, I don't think she's done that. Right, so

299

00:40:56.730 --> 00:41:01.470

Mike Faulkner: It's all trespassing. Yes. And the last person I heard about new time in jail.

300

00:41:02.670 --> 00:41:02.970

Mike Faulkner: I know

301

00:41:04.680 --> 00:41:10.890

Mike Faulkner: It looks better than some of the other vehicles. I've seen with the right. Oh, and the fence of word

302

00:41:12.720 --> 00:41:23.370

Mike Faulkner: There's such a shuffle of vehicles in the one I will continue to pester her Rebecca and see if we can get something to move forward into Supreme Court.

303

00:41:24.150 --> 00:41:34.200

Mike Faulkner: We need your help. We didn't write him 100 exact she's not going to do anything about it. Yeah. And then making sure we're stuck in the bud.

304

00:41:36.780 --> 00:41:40.380

Mike Faulkner: I don't think he has the bar.

305

00:41:42.270 --> 00:41:46.080

Mike Faulkner: When Mr 14

306

00:41:48.870 --> 00:42:00.810

Mike Faulkner: What, what happens if they don't renew is closed doors, they can operate without either about breeding permits are typically vitamin C or a valid permit.

307

00:42:03.390 --> 00:42:05.790

Mike Faulkner: They realize the severity. Well, okay.

308

00:42:08.490 --> 00:42:09.870

Mike Faulkner: All right, I have no no

309

00:42:13.980 --> 00:42:15.240

Mike Faulkner: Okay, any questions for

310

00:42:18.690 --> 00:42:19.350

Mike Faulkner: Your buddy.

311

00:42:20.610 --> 00:42:24.570

Mike Faulkner: Well, you answer some of the questions, especially with this movers thing that we're trying to deal with.

312

00:42:25.920 --> 00:42:32.010

Mike Faulkner: I have another thing here that I received the other day relating to starting in November 1

313

00:42:32.910 --> 00:42:39.480

Mike Faulkner: Two changes in the wall. One is that everybody in the backseat of a vehicle will have a seat belt that's just one of those things.

314

00:42:39.990 --> 00:42:50.970

Mike Faulkner: And number two, here I've got is relating to weapons and through this Randy and Lanny, but there. According to the safe homes and families act.

315

00:42:51.600 --> 00:43:03.570

Mike Faulkner: As is called a search surrender and seizure and return a firearms and I throw it around at guys, it says basically when they're responding to a family offense.

316

00:43:04.710 --> 00:43:08.220

Mike Faulkner: Law enforcement shall take temporary custody. The word temporary

317

00:43:09.450 --> 00:43:32.250

Mike Faulkner: Of the firearm rifle electronic dart gun electronic stun gun disguise guns imitation weapons jack gun and deep firearm life powder rifle and like color that gun and muzzle loader. But here's the thing with the temporary order if there's a non compliance, then

318

00:43:33.390 --> 00:43:36.420

Mike Faulkner: Enter discretion on the judge he can issue.

319

00:43:37.470 --> 00:43:37.980

Mike Faulkner: A search

320

00:43:39.150 --> 00:43:48.780

Mike Faulkner: Without a search warrant with probable cause, but if he thinks there is weapons in there, he can say went in search. Like I said, the like you went in search your house.

321

00:43:49.380 --> 00:44:08.490

Mike Faulkner: Which I think under the Constitution illegal search and seizure, but they're treading very lightly on your rights. So people got to understand that you got to be very cautious with deal with weapons everything from even imitation. I mean, dark done. I mean,

322

00:44:10.050 --> 00:44:24.120

Mike Faulkner: You can construe this very touching. So people just need to be aware of that rights are being kind of I won't say walked on when you got to be very cautious that they don't leave a big imprint so

323

00:44:25.380 --> 00:44:34.020

Mike Faulkner: And they want me as the local Justin take, say, oh, I don't like Landy have you out here, let me sign up search when when jack is also

324

00:44:35.880 --> 00:44:37.530

Mike Faulkner: I know you

325

00:44:39.210 --> 00:44:54.750

Mike Faulkner: Okay, that'll end up with supreme court to marry because our governor. He's looking on. As a Liberal Democrat. He wants to take the weapons you take those he's got a good thing going, sir. I'm just telling everybody here. Just be very cautious, you know,

326

00:44:56.130 --> 00:45:00.540

Mike Faulkner: You just gotta watch what's going on with our legislature said

327

00:45:03.480 --> 00:45:03.810

Mike Faulkner: Sure.

328

00:45:05.520 --> 00:45:05.850

But

329

00:45:07.050 --> 00:45:18.210

Mike Faulkner: I'll give it to him. But it's like anything else. All I say is he don't let your rice be trampled on a little bit cautious is to keep you on a heads up. That's awesome. Thank you.

330

00:45:19.320 --> 00:45:22.260

Mike Faulkner: Yeah, absolutely. I didn't, I didn't. I had not heard about that.

331

00:45:23.280 --> 00:45:29.670

Mike Faulkner: November 1 media doesn't put things out like that. I heard all about the seatbelt thing. Yeah. Oh yeah.

332

00:45:30.930 --> 00:45:43.950

Mike Faulkner: That's the money thing. Yeah, that's a \$50 fine. See, that's where the money comes in the rest of it is is over your rights. Right. Absolutely. So, be cautious as all I gotta say, All right, thank you. Any other questions for buddy.

333

00:45:45.270 --> 00:45:45.630

Mike Faulkner: Thank you.

334

00:45:50.970 --> 00:45:57.870

Mike Faulkner: Okay, the fire department monthly Call Report had 36 calls in October.

335

00:45:59.520 --> 00:46:18.210

Mike Faulkner: check register balanced at the beginning of October was \$52,491 and 44 cents monthly expenses were \$10,297 and 63 cents. So that move D checking balance forward to November \$42,193 and 81 cents.

336

00:46:19.500 --> 00:46:19.950

Mike Faulkner: And

337

00:46:21.480 --> 00:46:36.240

Mike Faulkner: Bill, I know you showed me the back room there that looks much better, much more roomy. So I think that was a great job and he did you have the opportunity to get older, the service worker. Yeah.

338

00:46:51.660 --> 00:46:55.620

Mike Faulkner: Great at the, at the conclusion of that we will have finally a

339

00:46:56.730 --> 00:46:57.150

Mike Faulkner: Fire

340

00:46:58.620 --> 00:47:00.720

Mike Faulkner: ALARM SYSTEM IN THE in this whole day.

341

00:47:03.750 --> 00:47:05.010

Mike Faulkner: Oh, I'm sorry.

342

00:47:07.980 --> 00:47:08.160

Mike Faulkner: Okay.

343

00:47:09.870 --> 00:47:14.340

Mike Faulkner: So it won't need its own dedicated line. Good. Okay, perfect.

344

00:47:18.780 --> 00:47:19.920

Mike Faulkner: Any other questions for Bill

345

00:47:24.930 --> 00:47:26.910

Mike Faulkner: Stephanie, do you think

346

00:47:44.910 --> 00:47:45.450

Mike Faulkner: Okay.

347

00:47:47.910 --> 00:47:49.680

Mike Faulkner: The Cobra dishwashers.

348

00:47:51.990 --> 00:47:53.100

Mike Faulkner: Refrigerators

349

00:47:55.200 --> 00:47:55.710

Mike Faulkner: Starting

350

00:47:56.970 --> 00:47:57.540

Mike Faulkner: Right.

351

00:47:58.560 --> 00:47:59.640

Mike Faulkner: It's nine years old.

352

00:48:04.650 --> 00:48:06.660

Mike Faulkner: And then the other thing was drivers have to be

353

00:48:21.180 --> 00:48:23.700

Mike Faulkner: My sexual harassment in some

354

00:48:26.700 --> 00:48:34.410

Mike Faulkner: Money to do it. Okay, will increase the call and just different tax return for I believe is 18

355

00:48:36.510 --> 00:48:42.390

Mike Faulkner: That's done send him dunson there's never been a Christmas party crease budget for

356

00:48:44.010 --> 00:48:50.880

Mike Faulkner: Paying paying simply vacation. If you want to sign back to you have extra money.

357

00:48:53.820 --> 00:48:54.510

Mike Faulkner: And

358

00:48:55.530 --> 00:48:58.890

Mike Faulkner: Pay the next excommunicated me in a whole month

359

00:49:01.530 --> 00:49:05.880

Mike Faulkner: And then they put everything online for me the meeting that was it.

360

00:49:06.930 --> 00:49:10.860

Mike Faulkner: And wants to come down and have a meeting with you and I

361

00:49:12.900 --> 00:49:15.690

Mike Faulkner: And regarding the cost

362

00:49:22.050 --> 00:49:23.610

Mike Faulkner: I haven't either. Honestly,

363

00:49:27.750 --> 00:49:30.270

Mike Faulkner: Said, I'm passing too many lines.

364

00:49:31.980 --> 00:49:33.600

Mike Faulkner: Telling you too many lies.

365

00:49:35.280 --> 00:49:39.510

Mike Faulkner: But everything's on these papers. Yeah, sure.

366

00:49:42.120 --> 00:49:51.510

Mike Faulkner: We get everything you tell me where you tell us we get in a report right in every walk in there and the file cabinet.

367

00:49:52.530 --> 00:49:59.580

Mike Faulkner: The recliners all the stuff that we pick on you about, it's all in there. So you're not telling us anything that's public.

368

00:50:11.880 --> 00:50:15.030

Mike Faulkner: Well, we'll see if they're excommunication works on you.

369

00:50:19.590 --> 00:50:24.060

Mike Faulkner: Everything that you've given me what I put in my notes and everything.

370

00:50:28.380 --> 00:50:29.700

Mike Faulkner: Any other questions for Stephanie.

371

00:50:32.880 --> 00:50:43.410

Mike Faulkner: Okay, we are going to discuss later on I will do right now. But I don't know how much discussion is necessary, but I do have the contract with no correct here.

372

00:50:44.550 --> 00:50:44.880

Though

373

00:50:46.560 --> 00:50:55.020

Mike Faulkner: I'm Amy here over the big thing. They were saying you just try and emulate why you can't do it.

374

00:50:58.110 --> 00:51:03.510

Mike Faulkner: I don't think that was our goal. Anyone your role is to have a reasonable price with this.

375

00:51:06.630 --> 00:51:11.520

Mike Faulkner: Or the month of October on taking a dispersed was \$339

376

00:51:13.170 --> 00:51:23.280

378

00:51:30.540 --> 00:51:33.090

381

00:52:00.090 --> 00:52:10.380

Mike Faulkner: Winners I've talked with save it up to people with social listening would be allowed a look for 10 minutes for context racing with a 60 to one for poet.

382

00:52:11.040 --> 00:52:18.180

Mike Faulkner: He recommend that would not be a good idea, but if someone is to keep track of the people and have them sign in sign out with a time

383

00:52:19.050 --> 00:52:28.260

Mike Faulkner: I never know where ism as it should be. Okay. She also stated that if any food or drink is to be given in the master you take it off. That would not be a good idea.

384

00:52:29.910 --> 00:52:49.980

Mike Faulkner: Um, and then fireworks will be able to water latch on the 20th and then can expect to have, you know, 810 eight to 12 minutes and Mike sign the application and October 31

385

00:52:55.050 --> 00:52:55.980

Mike Faulkner: Any questions for me.

386

00:52:57.570 --> 00:53:01.650

Mike Faulkner: And I have a motion to accept her report motion me second

387

00:53:03.000 --> 00:53:07.350

Mike Faulkner: With motion and a second. I guess. Yeah. All in favor. Aye.

388

00:53:20.070 --> 00:53:20.520

Mike Faulkner: New

389

00:53:27.300 --> 00:53:28.710

Mike Faulkner: Supervisors report.

390

00:53:31.620 --> 00:53:41.580

Mike Faulkner: General money market interest \$304 36 cents justice fees and fines September of \$2,389

397

00:55:58.920 --> 00:56:01.770

Mike Faulkner: Questions, Alex, I do. He'll come

398

00:56:04.080 --> 00:56:06.540

Mike Faulkner: Do the supervisors report.

399

00:56:08.010 --> 00:56:09.510

Mike Faulkner: In in the past.

400

00:56:10.680 --> 00:56:12.180

Mike Faulkner: Are they supposed to match.

401

00:56:13.620 --> 00:56:14.400

Mike Faulkner: What you

402

00:56:15.690 --> 00:56:23.250

Mike Faulkner: What's ok here on general bill. I would build. In other words, goes out there for the manager. Yes.

403

00:56:25.980 --> 00:56:26.760

Mike Faulkner: Should they should

404

00:56:29.310 --> 00:56:29.940

Mike Faulkner: Wait till

405

00:56:31.950 --> 00:56:42.840

Mike Faulkner: Now that. Sorry, I just asked if the supervisor reports were supposed to match the general abstract highway actually the payroll as well.

406

00:56:45.360 --> 00:56:48.630

Mike Faulkner: I think we have some discrepancies in the dancer.

407

00:56:50.820 --> 00:56:52.980

Mike Faulkner: I don't work and

408

00:56:54.810 --> 00:56:55.440

Mike Faulkner: In the future we

409

00:56:56.490 --> 00:56:58.080

Mike Faulkner: Are correct you guys agree with that.

410

00:57:01.380 --> 00:57:05.460

Mike Faulkner: So his supervisor reports like they this general abstract

411

00:57:06.540 --> 00:57:07.980

Mike Faulkner: That would be last month's

412

00:57:09.120 --> 00:57:09.780

Mike Faulkner: Abstract

413

00:57:11.340 --> 00:57:18.000

Mike Faulkner: Here should match what already been audited for the General Mills, let's say,

414

00:57:19.980 --> 00:57:20.130

Now,

415

00:57:25.170 --> 00:57:27.030

Mike Faulkner: With that, I would have to

416

00:57:28.440 --> 00:57:29.370

Mike Faulkner: Make a motion to

417

00:57:30.450 --> 00:57:31.710

Mike Faulkner: Accept those

418

00:57:32.970 --> 00:57:34.290

Mike Faulkner: Comments to, if you would.

419

00:57:35.820 --> 00:57:36.060

Mike Faulkner: Like

420

00:57:37.140 --> 00:57:37.710

Mike Faulkner: On paper,

421

00:57:42.060 --> 00:57:51.210

Mike Faulkner: Is more or less saying that report supposed to be for I just would like to over. Yeah, they don't report to the man. The other reports.

422

00:57:52.950 --> 00:57:54.660

Mike Faulkner: If not, then there's money missing.

423

00:57:55.740 --> 00:57:58.020

Mike Faulkner: Is the abstracts, the younger

424

00:58:00.630 --> 00:58:01.020

Mike Faulkner: The better

425

00:58:02.910 --> 00:58:04.890

Mike Faulkner: And before you before you move into

426

00:58:06.120 --> 00:58:06.360

Mike Faulkner: What

427

00:58:08.100 --> 00:58:16.290

Mike Faulkner: We're gonna do low Brazil all the results you can I go back to the cemetery for just one second. I guess two things.

428

00:58:18.030 --> 00:58:18.660

Mike Faulkner: I know that

429

00:58:19.740 --> 00:58:25.110

Mike Faulkner: The weeds are all off the trees. Now, yep, in the cemetery and I would we were just up there.

430

00:58:26.430 --> 00:58:29.370

Mike Faulkner: Wouldn't it be less expensive.

431

00:58:30.420 --> 00:58:31.710

Mike Faulkner: Or the text.

432

00:58:32.880 --> 00:58:35.520

Mike Faulkner: To gather as much as those leaves now.

433

00:58:36.840 --> 00:58:54.510

Mike Faulkner: before winter snow falls on them, then in the spring. I think the ticket Bowman recommend get them picked up easier now. Right now, we always did in the past, certainly with the weather. We really do of course has come to an end. But in by their Sunday, your wife and I

434

00:58:56.460 --> 00:59:03.990

Mike Faulkner: Well, I can tell you this. I'm not defending them, but they didn't have a leaf blower until like three days.

435

00:59:05.010 --> 00:59:24.990

Mike Faulkner: They do have one now. So hopefully we'll see, that's why. Yeah, that's, I don't know if there's they normally pick them up in in the phone. I think they have in the past. Most Yeah, most of our time. Right. I think that would be the best thing I know we don't have a leaf.

436

00:59:26.010 --> 00:59:27.660

Mike Faulkner: Soccer right anymore.

437

00:59:29.700 --> 00:59:33.690

Mike Faulkner: Yes, don't we, you know, that's something we should look into. But the other thing.

438

00:59:36.780 --> 00:59:46.230

Mike Faulkner: Is amy. Amy encoded it for that steel blower almost \$300 I think we should be looking into the ODS bid price.

439

00:59:47.610 --> 00:59:50.190

Mike Faulkner: For all cemetery purchases, you know,

440

00:59:51.330 --> 00:59:52.320

Mike Faulkner: Anything that we buy

441

00:59:53.730 --> 00:59:54.540

Mike Faulkner: A don't. Yes.

442

00:59:59.430 --> 01:00:03.930

Mike Faulkner: Because it's not nothing's an emergency, right, we can find out you know

443

01:00:05.310 --> 01:00:10.590

Mike Faulkner: purchase something we can we can look into it, make a phone call or else get on the internet. Not a big deal. Okay.

444

01:00:20.670 --> 01:00:21.420

Mike Faulkner: Okay.

445

01:00:23.880 --> 01:00:29.400

Mike Faulkner: Well, you want to do the resolution or do you want to wait till new business to do it.

446

01:00:32.820 --> 01:00:33.510

Mike Faulkner: Let's do it now.

447

01:00:37.170 --> 01:00:42.510

Mike Faulkner: And the end result. Resolution number of 2020 to adopt final budget for fiscal year.

448

01:00:47.370 --> 01:00:48.120

Mike Faulkner: 2021

449

01:00:51.720 --> 01:00:56.760

Mike Faulkner: Whereas the town of Albion has completed its preliminary budget for the fiscal year of 2021

450

01:00:57.270 --> 01:01:07.500

Mike Faulkner: And whereas the town is properly advertised and made said preliminary budget available and whereas the town has held a public hearing on the preliminary budget on November 4 2020

451

01:01:08.250 --> 01:01:18.900

Mike Faulkner: And whereas Tony has completed and file that's tax levy limit information with the New York State Comptroller and whereas the town is in compliance with the applicable tax levy limit.

452

01:01:19.650 --> 01:01:36.030

Mike Faulkner: And whereas the town board, having made any such necessary and permissible amendments to the preliminary budget, subsequent to said public hearing therefore be declared that the town board of the town of Albion does here by adapt the same as the final budget for the fiscal year of 2021

453

01:01:38.370 --> 01:01:39.690

Mike Faulkner: I have a motion to accept.

454

01:01:45.840 --> 01:01:46.620

Mike Faulkner: Can I have a second

455

01:01:47.790 --> 01:01:49.440

Mike Faulkner: Before we second test.

456

01:01:50.550 --> 01:01:54.660

Mike Faulkner: Amy, did you send out those minutes of the

457

01:01:55.770 --> 01:01:57.600

Mike Faulkner: Budget maybe everybody

458

01:02:00.330 --> 01:02:01.620

Mike Faulkner: The special meeting that we had

459

01:02:02.730 --> 01:02:05.100

Mike Faulkner: Here. Yes, a public hearing that

460

01:02:07.320 --> 01:02:08.370

Mike Faulkner: Way that's written

461

01:02:12.330 --> 01:02:14.370

Mike Faulkner: Did you read it over, not this

462

01:02:16.260 --> 01:02:16.830

Mike Faulkner: I did not

463

01:02:19.830 --> 01:02:23.130

Mike Faulkner: Do you happen to have one here, Amy. We are now.

464

01:02:25.980 --> 01:02:26.040

Mike Faulkner: You

465

01:02:28.980 --> 01:02:29.700

Mike Faulkner: Get before

466

01:02:34.710 --> 01:02:36.540

Mike Faulkner: Because we should accept those as well.

467

01:02:48.480 --> 01:02:49.980

Mike Faulkner: Conflicts with those minutes

468

01:02:51.720 --> 01:02:55.770

Mike Faulkner: True. Right. Yeah. And we didn't really say that anyway.

469

01:02:58.200 --> 01:03:02.670

Mike Faulkner: We didn't say we would decide prior to voting on the adoption at the next monthly meeting.

470

01:03:03.720 --> 01:03:07.770

Mike Faulkner: You're going to talk about. You said that you were going to

471

01:03:09.810 --> 01:03:25.560

Mike Faulkner: I asked about race. You know, I said that we would. We haven't even discussed it yet, but I did not definitely did not say that we would decide by this meeting that we whether we were not on the budget right

472

01:03:39.150 --> 01:03:44.910

Mike Faulkner: You know, used to play Trivial Pursuit. Me and my dad would always say read the question hard

473

01:03:46.260 --> 01:03:47.670

Mike Faulkner: You kind of wrote this hard

474

01:04:01.560 --> 01:04:05.220

Mike Faulkner: Well, it's one of two ways we can either change those minutes

475

01:04:06.630 --> 01:04:10.230

Mike Faulkner: And going with that resolution or

476

01:04:11.430 --> 01:04:16.380

Mike Faulkner: Decide on that cemetery right now word wants to

477

01:04:19.470 --> 01:04:22.320

Mike Faulkner: You know what I mean, yes, however you want to do. It doesn't matter.

478

01:04:29.040 --> 01:04:29.910

Mike Faulkner: What you guys thought

479

01:04:31.080 --> 01:04:40.380

Mike Faulkner: You want to talk about the possible raise for the cemetery person right now, or would you rather change in the minutes from that because

480

01:04:41.760 --> 01:04:43.050

Mike Faulkner: The way she has written is

481

01:04:44.610 --> 01:04:46.290

Mike Faulkner: Certainly not what I intended

482

01:04:48.600 --> 01:04:48.810

Mike Faulkner: But

483

01:04:50.160 --> 01:05:00.270

Mike Faulkner: Kind of have it written that we would decide prior to voting on the adaption of the preliminary budget at the next monthly meeting if it would stay in

484

01:05:06.720 --> 01:05:14.190

Mike Faulkner: He recalls that statement. I think, I think we should change the minutes here because that's what I said.

485

01:05:15.660 --> 01:05:16.050

Mike Faulkner: All right.

486

01:05:17.730 --> 01:05:18.180

Mike Faulkner: So,

487

01:05:21.600 --> 01:05:22.830

Mike Faulkner: Let me be more clear.

488

01:05:26.130 --> 01:05:27.600

Mike Faulkner: I left the rays in

489

01:05:28.710 --> 01:05:31.920

Mike Faulkner: Because I knew we would be discussing it in the future.

490

01:05:33.420 --> 01:05:36.390

Mike Faulkner: So it really has no bearing on the budget.

491

01:05:37.440 --> 01:05:38.520

Mike Faulkner: As it's written

492

01:05:39.780 --> 01:05:43.200

Mike Faulkner: In a \$300 race. I think it doesn't matter.

493

01:05:45.810 --> 01:05:53.070

Mike Faulkner: \$3 an hour, you know, well yeah, let me. You said you make, because once you go to if you got the budget.

494

01:05:54.690 --> 01:06:00.600

Mike Faulkner: And the budget is yes it well. The money's in their money. They're not the race. Right, right.

495

01:06:01.680 --> 01:06:09.540

Mike Faulkner: So, so what you gotta do is discuss the range that you might even to him or any part of the three bucks right that's what you're looking at.

496

01:06:10.620 --> 01:06:17.520

Mike Faulkner: Yes, but we don't have been for three, you would say, I'm going to give you 25 cents or we all agree on 25 cents or 50 or a blocker, whatever. Right.

497

01:06:19.980 --> 01:06:20.340

Mike Faulkner: Money.

498

01:06:21.390 --> 01:06:25.050

Mike Faulkner: Right. Or we don't have to do it at all right now is what I'm saying.

499

01:06:26.400 --> 01:06:33.270

Mike Faulkner: Well that's in the budget. That's the request that's in there right the race that is already requested within

500

01:06:33.690 --> 01:06:50.790

Mike Faulkner: That if you pass a resolution and you say, we're going to go for it and we all approve it. And it raises it within there. Is that correct, no or know that at a later time, you know. Yeah. Okay. Yep, that's that correct, no raises would be no race, or is it. I wouldn't think

501

01:06:52.470 --> 01:06:53.820

Mike Faulkner: The appropriation.

502

01:06:54.840 --> 01:07:03.150

Mike Faulkner: Is there. However, you know, approval. Correct. That's what everybody wants to hear how that might not

503

01:07:05.550 --> 01:07:06.360

Mike Faulkner: Right. Correct.

504

01:07:08.250 --> 01:07:14.130

Mike Faulkner: And Randy told me that if he wasn't going to get a race. He won't support anybody right this is what he said.

505

01:07:18.360 --> 01:07:18.600

Mike Faulkner: All right.

506

01:07:24.270 --> 01:07:24.870

Mike Faulkner: Let's, um,

507

01:07:26.820 --> 01:07:34.650

Mike Faulkner: Alright, so let's go with this and then come back to that. If you're just changing the minutes okay reflect that. Right. Yep.

508

01:07:35.820 --> 01:07:43.560

Mike Faulkner: Alright, so I had a motion by Randy to accept the budget that set the resolution number 15 second by Rick

509

01:07:45.510 --> 01:07:46.320

Mike Faulkner: All in favor.

510

01:07:47.640 --> 01:07:47.940

Mike Faulkner: Aye.

511

01:07:49.050 --> 01:07:49.260

Mike Faulkner: Aye.

512

01:08:06.450 --> 01:08:07.920

Mike Faulkner: Well, you just gotta sign the resolution.

513

01:08:10.920 --> 01:08:11.250

Mike Faulkner: Then

514

01:08:14.250 --> 01:08:16.980

Mike Faulkner: You can amend minutes from that.

515

01:08:18.720 --> 01:08:24.870

Mike Faulkner: Budget public hearing and you probably want that in this month meeting minutes. Right. Yes. Yeah.

516

01:08:37.890 --> 01:08:38.460

Mike Faulkner: Resolution

517

01:08:44.310 --> 01:08:47.310

Mike Faulkner: Minutes, as amended amended.

518

01:08:50.100 --> 01:09:00.450

Mike Faulkner: Can I have a motion on the Minutes, as amended from the public hearing motion. The second. All in favor. Aye. Aye.

519

01:09:02.490 --> 01:09:02.820

Thank you.

520

01:09:08.730 --> 01:09:16.530

Mike Faulkner: Okay, um, you're the general bills Auditor General bills questions problems comments.

521

01:09:20.370 --> 01:09:22.830

Mike Faulkner: Yeah, I know there's a reason why

522

01:09:25.200 --> 01:09:30.690

Mike Faulkner: Like when we Orwell's tired. How come it comes out of general. No, I would

523

01:09:33.870 --> 01:09:36.090

Mike Faulkner: I know there's a reason. Yep. I just don't remember.

524

01:09:39.090 --> 01:09:39.660

Mike Faulkner: Highway

525

01:09:41.760 --> 01:09:43.320

Mike Faulkner: For contractual

526

01:09:45.060 --> 01:09:45.510

Mike Faulkner: Which

527

01:09:53.910 --> 01:09:55.710

Mike Faulkner: You know we got the money. Yep.

528

01:09:59.220 --> 01:10:03.330

Mike Faulkner: Yeah, and something like that it does not agenda that we use that the barrel distracted.

529

01:10:04.740 --> 01:10:14.010

Mike Faulkner: By it right, it's just, it's like Rick said it's garage contractual so any expenses.

530

01:10:15.810 --> 01:10:16.710

Mike Faulkner: To do with

531

01:10:18.510 --> 01:10:25.890

Mike Faulkner: Like repairs, things like that. A lot of there would be returned to the building was

532

01:10:26.970 --> 01:10:28.650

Mike Faulkner: Just the building that

533

01:10:30.300 --> 01:10:31.170

Mike Faulkner: You can hear.

534

01:10:33.540 --> 01:10:35.910

Mike Faulkner: They'll be eight grand in there, it should be.

535

01:10:37.140 --> 01:10:42.960

Mike Faulkner: Probably could be a DA, which would be a highway somebody on here are

536

01:10:47.760 --> 01:10:51.300

Mike Faulkner: Our like screws and that type of stuff where, you know,

537

01:10:52.320 --> 01:10:53.790

Mike Faulkner: I will we should be out of there.

538

01:11:02.460 --> 01:11:03.990

Mike Faulkner: And I forgot I looked at him up there.

539

01:11:08.430 --> 01:11:08.790

Mike Faulkner: Well,

540

01:11:12.240 --> 01:11:12.690

Mike Faulkner: What was it

541

01:11:21.810 --> 01:11:24.570

Mike Faulkner: Worth the end of the year. Anyway, probably watch

542

01:11:26.790 --> 01:11:29.460

Mike Faulkner: No, but what I'm saying to my thought is, if

543

01:11:30.540 --> 01:11:36.720

Mike Faulkner: We budget for that day. So you're absolutely my opinion is, it comes out again no fun at all. I always

544

01:11:38.430 --> 01:11:39.630

Mike Faulkner: See what you're saying. Yeah.

545

01:11:41.400 --> 01:11:48.810

Mike Faulkner: Yeah, that doesn't make sense because we got more money in general, when we do, I would. It's just like when we used to snow removal

546

01:11:51.120 --> 01:11:55.410

Mike Faulkner: It's there. It's money that's it for us to use in my day.

547

01:11:57.750 --> 01:12:02.850

Mike Faulkner: And I have questions, it's legal. Everything's big right yeah

548

01:12:07.290 --> 01:12:17.220

Mike Faulkner: Yeah, I didn't make sense. I mean, I didn't ever reasonable answer for you. I did Randy's answer was as good as anything I did the best. Yep. I know there

549

01:12:18.600 --> 01:12:20.910

Mike Faulkner: Is a reason I don't remember what

550

01:12:22.140 --> 01:12:26.460

Mike Faulkner: Know, Aaron. Aaron did all the time. I don't remember why

551

01:12:28.170 --> 01:12:28.620

Mike Faulkner: Up.

552

01:12:29.880 --> 01:12:36.960

Mike Faulkner: To 79 is Commissioner of taxation, the RS annual licensing fee for the assessor

553

01:12:39.840 --> 01:12:41.850

Mike Faulkner: What, what is that

554

01:12:43.530 --> 01:12:49.170

Mike Faulkner: You know what this for a minute. I don't ever remember heaven to do that for a rebel.

555

01:12:50.730 --> 01:12:51.000

Mike Faulkner: Now,

556

01:12:52.740 --> 01:12:53.730

Mike Faulkner: That's every year.

557

01:12:55.290 --> 01:13:00.930

Mike Faulkner: Is it for the software something software. Okay. All right. That is the question.

558

01:13:10.350 --> 01:13:17.340

Mike Faulkner: Now is the real deal for development maintenance system documentation. We put the Office of

559

01:13:18.390 --> 01:13:23.280

Mike Faulkner: A truck rolls for buddy on here. Every, every month. Well, if we get a bill from

560

01:13:25.740 --> 01:13:28.830

Mike Faulkner: During the coven there. There was a couple months where we didn't get a bill even

561

01:13:31.980 --> 01:13:33.120

Mike Faulkner: Up to 84

562

01:13:34.440 --> 01:13:40.080

Mike Faulkner: That's the West Bank. That's for gas cemetery for cemetery. Right.

563

01:13:41.760 --> 01:13:41.970

Yeah.

564

01:13:42.990 --> 01:13:43.350

Mike Faulkner: Well,

565

01:13:47.400 --> 01:13:48.780

Mike Faulkner: Here's how I feel about that.

566

01:13:50.400 --> 01:13:54.180

Mike Faulkner: And if I were the Comptroller and I came in today and we were written up

567

01:13:55.230 --> 01:13:55.980

Mike Faulkner: For that

568

01:13:57.150 --> 01:14:09.270

Mike Faulkner: On our last audit. I think the cemetery has to show as well as the highway. What, what was that use for was it you know was it for chainsaw. Was it for a

569

01:14:10.800 --> 01:14:19.230

Mike Faulkner: Leaf blower. I mean, I agree, and I actually have that written on my to do list. Okay sure that the cemetery start recording what that yes

570

01:14:20.490 --> 01:14:21.630

Mike Faulkner: All right, good.

571

01:14:24.750 --> 01:14:27.180

Mike Faulkner: rewrite it will take care of that. And I said, well,

572

01:14:31.980 --> 01:14:34.230

Mike Faulkner: That's so needed. Okay.

573

01:14:36.990 --> 01:14:47.970

Mike Faulkner: One 297, of course, that's the steel leaf more. I know that we could have bought that not half price, but a lot less, other than if that's all the questions I have

574

01:14:50.010 --> 01:14:50.760

Mike Faulkner: For the general

575

01:14:53.970 --> 01:14:57.240

Mike Faulkner: As long as you get no will you make sure that that's done for next month.

576

01:14:58.620 --> 01:15:06.000

Mike Faulkner: Know the words for the cemetery for the cemetery, if I'm gonna be hard enough on the highway guys and

577

01:15:07.080 --> 01:15:20.430

Mike Faulkner: You know, I agree 100% whether there's no tracking system. Yeah. Yeah. Maybe we could they could number their equipment so that we knew what it was. Give us a legends list. Yeah. List of it. Yeah.

578

01:15:23.880 --> 01:15:25.890

Mike Faulkner: Yeah. Well, yeah.

579

01:15:28.500 --> 01:15:31.920

Mike Faulkner: Maybe they should have any equipment report, just like this. We're going to make

580

01:15:33.360 --> 01:15:33.930

Mike Faulkner: This game.

581

01:15:41.520 --> 01:15:44.340

Mike Faulkner: In the meantime, can have a motion to accept the general bills.

582

01:15:45.720 --> 01:15:50.070

Mike Faulkner: Second. Second. All in favor. Aye. Aye.

583

01:15:56.280 --> 01:16:00.840

Mike Faulkner: On 1.21

584

01:16:07.200 --> 01:16:08.130

Mike Faulkner: For annual

585

01:16:14.670 --> 01:16:19.680

Mike Faulkner: It takes that is taken out of the point two, one point to rain.

586

01:16:21.300 --> 01:16:21.570

Mike Faulkner: Well,

587

01:16:23.160 --> 01:16:24.810

Mike Faulkner: Wait to tues already drained.

588

01:16:26.970 --> 01:16:27.570

Mike Faulkner: One.

589

01:16:29.100 --> 01:16:29.640

Mike Faulkner: Yes, I

590

01:16:30.990 --> 01:16:35.880

Mike Faulkner: Could have sworn check that one. Hang on one second. If you would, and confirm

591

01:16:47.220 --> 01:16:47.670

Mike Faulkner: This

592

01:17:11.640 --> 01:17:12.060

Mike Faulkner: We are

593

01:17:19.380 --> 01:17:22.470

Mike Faulkner: Pretty well. It's a changing world. Yeah.

594

01:17:23.550 --> 01:17:33.870

Mike Faulkner: You know, to be honest. I'd like to see it done on a computer of possible next year. They can just update it. We should come up with a number system that

595

01:17:35.340 --> 01:17:36.090

Mike Faulkner: Didn't you help him.

596

01:17:38.070 --> 01:17:39.510

Mike Faulkner: With his I didn't. Why

597

01:17:41.880 --> 01:17:46.050

Mike Faulkner: Didn't you bought into this James out or something like a number and we've done

598

01:17:47.700 --> 01:17:48.030

Mike Faulkner: Through these

599

01:17:49.560 --> 01:17:52.830

Mike Faulkner: Should be two one Amy one Yep, you're right.

600

01:17:54.570 --> 01:17:55.470

Mike Faulkner: I don't care.

601

01:18:10.560 --> 01:18:12.240

Mike Faulkner: Anybody know what the clam bucket is

602

01:18:19.980 --> 01:18:20.970

Mike Faulkner: repairs or don't you know

603

01:18:35.010 --> 01:18:39.930

Mike Faulkner: I know what it is. But this is only 1300 bucks so they're gonna buy a new claim bucket.

604

01:18:43.590 --> 01:18:48.660

Mike Faulkner: It was the hydraulics that went on. So in other words, to run hydraulics to the

605

01:18:49.770 --> 01:18:50.880

Mike Faulkner: Down to the under the boom.

606

01:18:53.190 --> 01:18:58.350

Mike Faulkner: That's why I'd like to have a more of a description on this, if

607

01:19:01.290 --> 01:19:02.850

Mike Faulkner: You were thinking barbecue or so.

608

01:19:04.590 --> 01:19:22.410

Mike Faulkner: Again, this is what I'm saying. Heads got a helper assistant right they should know a lot of this stuff here. We shouldn't have to sit here and go through and figure out what it is right yeah be more accurate on these better descriptions. That's hydraulic hoses as nothing really do.

609

01:19:23.460 --> 01:19:23.850

Mike Faulkner: You find

610

01:19:26.190 --> 01:19:29.280

Mike Faulkner: Water came on the market. The loader to give

611

01:19:30.330 --> 01:19:30.810

Mike Faulkner: Me all

612

01:19:34.140 --> 01:19:36.660

Mike Faulkner: Know that he's talking that excavator

613

01:19:38.160 --> 01:19:41.100

Mike Faulkner: Yes, greater than bike, it must be

614

01:19:42.810 --> 01:19:43.230

Mike Faulkner: I

615

01:19:48.900 --> 01:19:49.110

Mike Faulkner: Know,

616

01:19:50.340 --> 01:19:52.170

Mike Faulkner: No. Yeah. Be nice.

617

01:19:54.480 --> 01:19:55.920

Mike Faulkner: I would make a motion to

618

01:19:57.060 --> 01:20:03.300

Mike Faulkner: Pay the highway bills in except for one or two. I can't. I can't.

619

01:20:04.800 --> 01:20:07.050

Mike Faulkner: Vote for that one too. Yeah.

620

01:20:36.810 --> 01:20:37.230

Mike Faulkner: Second,

621

01:20:38.340 --> 01:20:38.760

Mike Faulkner: Second,

622

01:20:40.500 --> 01:20:42.210

Mike Faulkner: Second include all of the bells.

623

01:20:44.310 --> 01:20:45.060

Mike Faulkner: All in favor.

624

01:20:58.980 --> 01:20:59.610

Mike Faulkner: Executive

625

01:21:01.980 --> 01:21:05.370

Mike Faulkner: Business to sure parts of her as I'm concerned.

626

01:21:06.870 --> 01:21:12.270

Mike Faulkner: They come back. Yeah. The warrens yeah everyone I recommend trouble with that.

627

01:21:13.170 --> 01:21:26.190

Mike Faulkner: Taking those parts from our just problem over the summer there with the 2009 they come back to Warren's I think we're going to get a little bit of a deduction because she's gonna have to Reeboks because the boxes are pretty bad shape.

628

01:21:27.840 --> 01:21:32.760

Mike Faulkner: Okay, but she said she would take him back. I talked to her. Well, that's good. Okay. Yeah.

629

01:21:33.990 --> 01:21:34.230

I was

630

01:21:35.580 --> 01:21:44.280

Mike Faulkner: Just backslash. No, I don't. I don't think she will. I mean, I can't say for sure. I'll find out what roof was completed this week.

631

01:21:46.290 --> 01:21:46.770

Mike Faulkner: I wish.

632

01:21:49.440 --> 01:21:55.080

Mike Faulkner: Mark No, no, I have been in touch with him. I had to fill out a bunch more paperwork for the Johns Manville

633

01:21:56.310 --> 01:21:59.400

Mike Faulkner: Warrant. So it's moving forward.

634

01:22:02.040 --> 01:22:06.270

Mike Faulkner: I know I said, that's why it's why I contacted them again.

635

01:22:10.140 --> 01:22:10.500

Mike Faulkner: What

636

01:22:15.300 --> 01:22:21.690

Mike Faulkner: Anything else, that's what I was just thinking like Christmas. Yeah, let's discuss that a little like

637

01:22:24.450 --> 01:22:26.400

Mike Faulkner: I'm sorry, yes.

638

01:22:27.900 --> 01:22:35.130

Mike Faulkner: Yep, what's what's everybody's feeling I I had talked to Aaron via text Friday night.

639

01:22:36.300 --> 01:22:37.560

Mike Faulkner: And I said that

640

01:22:38.730 --> 01:22:44.610

Mike Faulkner: We weren't an actual I talked them again today about a text and I said that we weren't terribly comfortable

641

01:22:46.980 --> 01:22:48.450

Mike Faulkner: With having it.

642

01:22:50.160 --> 01:22:58.920

Mike Faulkner: And he said, well, it's, you know, great thing for the local kids and they look forward to it, blah, blah. And I said, well, I understand all that but i mean they canceled the state fair.

643

01:22:59.910 --> 01:23:06.450

Mike Faulkner: Or not even having their Christmas not doing the Christmas living in Syracuse are better than others, right, and

644

01:23:07.110 --> 01:23:18.180

Mike Faulkner: What's obviously we've had a recent uptick local what almost done now with your VA out of that county and you don't people Amanda Knox County is coming from here to work out there.

645

01:23:18.840 --> 01:23:30.780

Mike Faulkner: And back so right. I just don't want to see us in people affected. The question is a nice thing to have a Christmas and everything, but it is it's very, I don't think any of us were against it, but

646

01:23:31.260 --> 01:23:35.520

Mike Faulkner: But when you think about the situation we're in this year. It's different than we've ever been in.

647

01:23:36.120 --> 01:23:48.420

Mike Faulkner: A bothers me because there's going to be a lot of little kids, you know, at first when we first came out your year ago with us. They said, kids don't catch it with kids are catching chest and scratches every job. So, um, so do we.

648

01:23:50.640 --> 01:24:00.540

Mike Faulkner: Cancel the entire thing just the section here, we still want them do the lighting of the roads and stuff. Steve Steve's sorry, Mike.

649

01:24:01.980 --> 01:24:05.970

Mike Faulkner: Years ago, we had a right to the handicap for special needs people

650

01:24:07.260 --> 01:24:10.290

Mike Faulkner: Last year we were scheduled for Saturday do

651

01:24:11.760 --> 01:24:28.590

Mike Faulkner: We actually do the wrong words, I'll break it all. I got another friend. We had to cancel anytime and thank God. Yeah. And then as reciting here tonight, and I think maybe some of the other people here is what Google

652

01:24:29.910 --> 01:24:33.000

Mike Faulkner: Or thinking about code yellow. Some of the photo coming out.

653

01:24:34.440 --> 01:24:40.830

Mike Faulkner: Yeah, because it's probably all y'all that you plan at things like the courtyard of the event grew up come tonight is the thing that you can

654

01:24:41.970 --> 01:24:45.960

Mike Faulkner: Really need to take a stance on it tonight. Yeah, I agree. I want to have with

655

01:24:47.040 --> 01:24:47.910

Mike Faulkner: The I can see as

656

01:24:51.960 --> 01:24:54.000

Mike Faulkner: Well, but again, like you're going to

657

01:24:55.500 --> 01:24:57.600

Mike Faulkner: Handle the whole thing and just be on the same side.

658

01:24:58.410 --> 01:25:05.730

Mike Faulkner: Well, but when you guys over there and highway department. Right. And they're going to build a fan base your yeah that's that's that's my thought, buddy. I was

659

01:25:06.150 --> 01:25:13.950

Mike Faulkner: Originally I gotta tell you when when Aaron sent me the email. I was. I didn't have a problem with it. But when I talk to Amy.

660

01:25:14.400 --> 01:25:22.080

Mike Faulkner: I never thought about the Colby and the orange. And I gotta tell you, I rescinded it right away. But, and then I was thinking about the highway. Well, you know what

661

01:25:22.710 --> 01:25:33.510

Mike Faulkner: We've only got four guys up there. If somebody comes in there that has coven and they have to be quarantined for up to two weeks and it snows, we don't have anybody to run the rock.

662

01:25:34.740 --> 01:25:40.830

Mike Faulkner: I think that we got to cancel the whole thing that we got somebody here. Oh.

663

01:25:44.280 --> 01:25:45.270

Mike Faulkner: Yeah, I don't think to be

664

01:25:47.130 --> 01:25:57.900

Mike Faulkner: We got to make a decision. Tonight. Tonight, I think, and we don't want to hear something like that and it's coming fast. Yeah, I just, I simply don't think that we can we can afford to

665

01:25:58.950 --> 01:25:59.250

Mike Faulkner: Buy any

666

01:26:00.480 --> 01:26:02.160

Mike Faulkner: Agreements, they're totally

667

01:26:04.830 --> 01:26:05.250

Mike Faulkner: Isolated

668

01:26:07.380 --> 01:26:12.750

Mike Faulkner: Emotion and will officially officially cancel the show, boy. Second,

669

01:26:14.100 --> 01:26:16.050

Mike Faulkner: Second. All in favor.

670

01:26:18.660 --> 01:26:21.030

Mike Faulkner: It's too bad, but I think it's the right move to

671

01:26:23.580 --> 01:26:37.260

Mike Faulkner: Yeah. Reluctantly, but you know, it's all reluctant, you know, we don't have the state very everything is kind of put off because

we're trying to get a handle on this. We don't want to be the one to create our the monster.

672

01:26:38.640 --> 01:26:39.090

Mike Faulkner: Take very

673

01:26:41.490 --> 01:26:42.060

Mike Faulkner: Good care.

674

01:26:44.160 --> 01:26:45.120

Mike Faulkner: Even cancel the

675

01:26:46.200 --> 01:26:49.230

Mike Faulkner: Thing up here for this week, last weekend was a cancer that

676

01:26:50.610 --> 01:26:56.400

Mike Faulkner: You're getting sales affair. They cancel it, you know, craft area.

677

01:27:01.020 --> 01:27:08.160

Mike Faulkner: You don't really have to go into a lot of discussion about this no contract, but we can talk about that before we do the executive

678

01:27:11.490 --> 01:27:12.060

Mike Faulkner: It's a

679

01:27:19.980 --> 01:27:25.980

Mike Faulkner: \$56,749 and 74 cents.

680

01:27:27.180 --> 01:27:41.760

Mike Faulkner: \$56,749 74 cents able and 12 monthly installments of \$4,729 and 15 cents. It's approximately 1100 dollar raise from last year.

681

01:27:43.050 --> 01:27:45.300

Mike Faulkner: Um, non negotiable non negotiable.

682

01:27:46.350 --> 01:27:48.060

Mike Faulkner: Unfortunately, there's nothing we can do.

683

01:27:49.350 --> 01:28:05.820

Mike Faulkner: I mean, we get opt out amulets coverage but we got to have it from somewhere. And I know Aaron had talked to Nick fee, and I believe one of the other soft maybe mentor out of Fulton and they wouldn't respond. You know, they wouldn't guarantee their response to our area.

684

01:28:09.690 --> 01:28:21.030

Mike Faulkner: I just want everybody to be aware of it. In fact I attached to the budget you know saying how much it's costing us per person. It's, it's pretty expensive. But we don't have a choice. We have to provide ambulance colored

685

01:28:22.140 --> 01:28:24.180

Mike Faulkner: So, and there are only choice at this point.

686

01:28:27.150 --> 01:28:27.720

Mike Faulkner: And that's

687

01:28:29.220 --> 01:28:30.060

Mike Faulkner: That's something

688

01:28:31.980 --> 01:28:32.580

Mike Faulkner: Probably shouldn't even

689

01:28:34.500 --> 01:28:35.340

Mike Faulkner: Be on me or

690

01:28:37.200 --> 01:28:37.500

Mike Faulkner: Even

691

01:28:39.330 --> 01:28:39.750

Mike Faulkner: Find out

692

01:28:41.580 --> 01:28:42.480

Mike Faulkner: Somewhere along the line.

693

01:28:45.060 --> 01:28:45.990

Mike Faulkner: Okay, I did.

694

01:28:53.100 --> 01:28:55.800

Mike Faulkner: I'm not sure we need to have a motion on that.

695

01:28:58.140 --> 01:29:01.320

Mike Faulkner: I have to say, Yes, we have to accept this. Okay.

696

01:29:03.690 --> 01:29:04.650

Mike Faulkner: It'll work it's back

697

01:29:09.420 --> 01:29:15.480

Mike Faulkner: Me cemetery. Yep. Yep, let's talk about that to you guys get a chance to read that letter, good good with it.

698

01:29:22.440 --> 01:29:24.480

Mike Faulkner: Yes, regarding the contract.

699

01:29:27.180 --> 01:29:27.900

Mike Faulkner: Me.

700

01:29:29.580 --> 01:29:33.330

Mike Faulkner: Down I have done not specifically not

701

01:29:34.650 --> 01:29:35.100

Mike Faulkner: Interact

702

01:29:36.630 --> 01:29:39.690

Mike Faulkner: Right now my suggestion would be

703

01:29:46.890 --> 01:29:49.710

Mike Faulkner: Down to cry. You're still not

704

01:29:51.930 --> 01:29:52.290

Mike Faulkner: Ready.

705

01:29:53.670 --> 01:30:02.340

Mike Faulkner: For a break me maybe the other six pounds still formidable. I don't know. They don't know much. Yeah.

706

01:30:04.380 --> 01:30:12.540

Mike Faulkner: Good advice in seven supervisors that in somebody you can we handle it or chat or something.

707

01:30:13.710 --> 01:30:16.200

Mike Faulkner: Well, we're going to get them together, everybody.

708

01:30:18.720 --> 01:30:19.590

Mike Faulkner: I think it's

709

01:30:22.860 --> 01:30:23.880

Mike Faulkner: A look at your books.

710

01:30:24.900 --> 01:30:29.190

Mike Faulkner: When we would have this agreement or not. I don't think very

711

01:30:30.330 --> 01:30:32.250

Mike Faulkner: money wisely anything

712

01:30:34.440 --> 01:30:35.850

Mike Faulkner: We can pull it off something else.

713

01:30:37.110 --> 01:30:39.690

Mike Faulkner: Yeah, we don't we go till the

714

01:30:40.710 --> 01:30:47.430

Mike Faulkner: First day of January. So we could wait till next month to approve it, and I can try to set something up with the other

715

01:30:48.480 --> 01:30:52.170

Mike Faulkner: Supervisors talk. Okay, so we'll table that for now.

716

01:30:53.850 --> 01:30:54.870

Mike Faulkner: Make sure I get that.

717

01:31:00.510 --> 01:31:10.680

Mike Faulkner: Okay, um, Rick, did you get a chance to read the letter from Rebecca to the for the Amish didn't thoroughly. I thought it was it was confusing there but

718

01:31:17.610 --> 01:31:23.130

Mike Faulkner: That eat your request and is in Room with same provided if

719

01:31:26.790 --> 01:31:30.840

Mike Faulkner: You're a young should be gone. It should just say in a cemetery point. Yeah, yeah.

720

01:31:32.370 --> 01:31:40.140

Mike Faulkner: Yeah, that's, that's the only thing that I could see you and I are already told her about that type also know i think that that's fine.

721

01:31:41.580 --> 01:31:44.430

Mike Faulkner: As long as they go to them and they do the

722

01:31:45.690 --> 01:31:52.590

Mike Faulkner: This is we're talking about the Amish requests for their own cemetery up on

723

01:31:53.850 --> 01:31:56.700

Mike Faulkner: 28 tavern at the corner of

724

01:31:58.680 --> 01:32:00.330

Mike Faulkner: What the heck isn't even that road.

725

01:32:01.890 --> 01:32:05.340

Mike Faulkner: I'll knock down the street. Yep, that's a fairly straight

726

01:32:06.390 --> 01:32:09.030

Mike Faulkner: Up there. The other side of their school house.

727

01:32:10.080 --> 01:32:11.430

Mike Faulkner: And what the

728

01:32:12.900 --> 01:32:24.900

Mike Faulkner: Lawyer is saying is that they have to abide by the state guidelines in what we want is the town is not responsible for any upkeep or maintenance of the cemetery.

729

01:32:25.470 --> 01:32:41.640

Mike Faulkner: Or municipal funds to be expanded or requested a time for maintenance and upkeep of the cemetery a cemetery will be utilized for burial of members of only the Amish community and proper burial records has to be kept.

730

01:32:44.340 --> 01:32:45.450

Mike Faulkner: Now, does that mean

731

01:32:49.890 --> 01:33:07.290

Mike Faulkner: I don't think so. I think it's all new definitely they have buried some already over the other Amish cemetery that they have. And I think that that one is on Route 188 as well are

732

01:33:09.240 --> 01:33:14.370

Mike Faulkner: On the other side of route 11 where the woman or the child was killed.

733

01:33:16.740 --> 01:33:23.670

Mike Faulkner: While it was a sliding downhill wasn't any growth me as over the railroad tracks. You know, I can't take it. Yeah. Yes. Yeah.

734

01:33:24.990 --> 01:33:25.200

Mike Faulkner: Yeah.

735

01:33:26.340 --> 01:33:40.740

Mike Faulkner: But I don't know where the other ones are and Miller's yeah I think you're right. No one actually yes top Georgia class who are starting to think. Yeah. But I think that they've got one there. They need one closer to their

736

01:33:41.760 --> 01:33:42.420

Mike Faulkner: THEY'VE GOT ACQUITTED.

737

01:33:45.750 --> 01:33:46.050

Mike Faulkner: Yeah.

738

01:33:47.550 --> 01:33:57.000

Mike Faulkner: So we had none of us. I don't think it had any trouble with them problem having their cemetery. We just want to make sure that they follow New York State law.

739

01:33:57.690 --> 01:34:09.360

Mike Faulkner: And that we're not responsible, which this. That's what this letter basically does holds us not responsible. So I don't think we need emotion or anything. We'll just ever go ahead and send them.

740

01:34:16.260 --> 01:34:24.300

Mike Faulkner: Okay, can I any other new business anybody wants to bring up, ready to go as bills guys end up

741

01:34:26.220 --> 01:34:27.360

Mike Faulkner: Yep, sorry. Yeah.

742

01:34:34.260 --> 01:34:40.440

Mike Faulkner: I specifically emailed her about that again today. I did last week.

743

01:34:43.200 --> 01:34:43.530

Mike Faulkner: No.

744

01:34:44.910 --> 01:34:46.020

Mike Faulkner: Short answer no.

745

01:34:47.070 --> 01:34:51.630

Mike Faulkner: I will continue to pound honor. So while I try to get some

746

01:34:53.190 --> 01:34:55.230

Mike Faulkner: Any other new business and

747

01:34:56.550 --> 01:34:57.780

Mike Faulkner: There was something that I

748

01:35:03.630 --> 01:35:10.320

Mike Faulkner: Oh, oh, I don't know if you guys realize this or not but Mike has told me that the highway guys are on shift already

749

01:35:11.760 --> 01:35:12.480

Mike Faulkner: Rough figures.

750

01:35:13.740 --> 01:35:17.100

Mike Faulkner: Because I've had some calls about the vehicles, not be in their vehicle.

751

01:35:27.240 --> 01:35:31.890

Mike Faulkner: Yet we're I'm about to do that. Randy, do you have anything else under new business.

752

01:35:33.270 --> 01:35:33.960

Mike Faulkner: Right. Can I

753

01:35:35.430 --> 01:35:46.620

Mike Faulkner: Can I could stay down. If I could, I have a motion to enter Executive Session, discuss matters, leading to promotion appointment employment dismissal. The motion or suspension motion. Second.

754

01:35:47.910 --> 01:35:48.630

Mike Faulkner: All in favor.

755

01:36:20.520 --> 01:36:21.420

Mike Faulkner: We're gonna make a motion.

756

01:36:23.880 --> 01:36:24.330

Mike Faulkner: To come back.

757

01:36:29.850 --> 01:36:31.830

Mike Faulkner: And I thought it was about going into it.

758

01:36:35.790 --> 01:36:36.510

Mike Faulkner: She was asking.

759

01:36:42.720 --> 01:36:50.430

Mike Faulkner: Okay, we've come to a decision on the appointment for the board member for the rest of Carl's while till next year.

760

01:36:51.090 --> 01:37:09.480

Mike Faulkner: Because the person that will be appointed has to run next year for the remainder of curls term. Oh, and I have the motion to appoint the person ocean when the person you can point. Okay. Alright, we are going to appoint deck Corliss

761

01:37:11.280 --> 01:37:12.960

Mike Faulkner: And who will. Second. Second.

762

01:37:13.980 --> 01:37:16.410

Mike Faulkner: On a second. All in favor. Aye.

763

01:37:20.880 --> 01:37:21.660

Mike Faulkner: You have to be

764

01:37:26.940 --> 01:37:28.110

Mike Faulkner: Ready. Am I in Europe.

765

01:37:30.300 --> 01:37:35.220

Mike Faulkner: So it'd be three on three or four months. I won't be running actually

766

01:37:36.330 --> 01:37:36.750

Mike Faulkner: Um,

767

01:37:37.980 --> 01:37:40.620

Mike Faulkner: Do you have the multiple offices.

768

01:37:41.940 --> 01:37:45.180

Mike Faulkner: Me or not, or do you have to contact the county

769

01:37:49.830 --> 01:37:49.980

Mike Faulkner: Or

770

01:37:56.310 --> 01:37:57.240

Mike Faulkner: We can do that.

771

01:37:58.290 --> 01:38:02.970

Mike Faulkner: Anytime. Right. It wouldn't have to be at the next board meeting, and we could do it between now and then. So he's

772

01:38:03.570 --> 01:38:10.470

Mike Faulkner: hopping around on December 20 okay well you could probably just get one fax to you right

773

01:38:14.670 --> 01:38:17.640

Mike Faulkner: Then I would say, or email.

774

01:38:18.930 --> 01:38:19.650

Mike Faulkner: PDF

775

01:38:22.170 --> 01:38:28.590

Mike Faulkner: I didn't know if you want this. This is what I do. This is the stuff okay if

776

01:38:29.880 --> 01:38:32.340

Mike Faulkner: I can, I will. I can. I'll call you.

777

01:38:33.960 --> 01:38:35.730

Mike Faulkner: Okay, anything else.

778

01:38:39.090 --> 01:38:41.580

Mike Faulkner: Motion to adjourn. Second.

779

01:38:42.720 --> 01:38:43.470

Mike Faulkner: All in favor.

780

01:38:49.710 --> 01:38:50.430

Mike Faulkner: Thank you, Katie.

781

01:38:50.850 --> 01:38:51.420

Katie Malinowski: And I

782

01:38:52.020 --> 01:38:53.310

Mike Faulkner: Think anybody join in.

783

01:38:53.820 --> 01:38:56.220

Katie Malinowski: Yet we had one year one color in here.

784

01:38:56.610 --> 01:38:57.270

Katie Malinowski: On the phone.

785

01:38:57.330 --> 01:38:57.780

So,

786

01:38:58.920 --> 01:38:59.250

Mike Faulkner: Nice.
