00:00:50.160 --> 00:01:08.310
Mike Faulkner: So for all four of those touch those meetings I said my
additions deletions and Amy already. Okay, any other you'll issue an
amendment on those minutes Amy are you already did okay already done.
7
00:01:10.860 --> 00:01:14.130
Mike Faulkner: Okay, can I have a motion to accept them. Can I have a
second
8
00:01:15.810 --> 00:01:16.530
Mike Faulkner: All in favor.
9
00:01:19.950 --> 00:01:31.830
Mike Faulkner: I'm going to change our position here just a little bit
and let to talk. Paul Baxter from the toggle Commission speak first
because he's gotta move on to a second meeting here right away so
```

```
00:01:35.010 --> 00:01:36.930
Paul Baxter: Thank you, Mike, I'm
1 1
00:01:37.560 --> 00:01:48.480
Paul Baxter: Sorry, you should have my report, I guess, makes it
distributed to you have to commission offices are still operating and and
allowed 50% occupancy level, although they're trying to
1 2
00:01:49.140 --> 00:02:03.030
Paul Baxter: Minimize office occupancy to try to prevent the spread of
it, Governor has extended his executive order, allowing remote meetings,
by means such as zoom and once again until January 29 and today in his
1 3
00:02:03.690 --> 00:02:16.950
Paul Baxter: State of the State update he mentioned that he thinks so.
Zoom is going to be a permanent part of our life going forward, which I'm
sure at least some aspects of zoom will be even if, after a raft once
we're past the pandemic.
14
00:02:18.090 --> 00:02:27.120
Paul Baxter: We're still seeking contractors to assistant meaning
coverage in the salmon rivers area. So if you have anybody in mind, who
can help with that.
15
00:02:28.560 --> 00:02:30.510
Paul Baxter: Keep them in mind pass them along to us.
16
00:02:31.590 --> 00:02:41.460
Paul Baxter: The total Commission conducted a webinar on the required
public employer health emergency plans on Tuesday, December 29 and that
is now available on the
1 7
00:02:41.970 --> 00:02:51.510
Paul Baxter: Plug in a website and via the toggle YouTube channel. And
then last, speaking of the time you have a website, then responds to
comments and suggestions.
18
00:02:52.290 --> 00:03:05.970
Paul Baxter: The website has been updated and reorganize to make it
easier to find the information you're looking for. So check out
www.google.org at your convenience to see what it looks like. And that's
all I have for you for tonight.
19
00:03:11.340 --> 00:03:11.970
Mike Faulkner: Thank you both.
```

```
20
00:03:14.130 --> 00:03:19.590
Mike Faulkner: Any questions for Paul, I know you probably couldn't hear
very well. I'll touch on what he said. So everybody
21
00:03:22.980 --> 00:03:26.070
Mike Faulkner: This is Katie gonna take over the meeting. Pretty, pretty
quick.
22
00:03:26.550 --> 00:03:34.170
Paul Baxter: Oh yeah, I think she's still on her other zoom call but I'll
stick in here. I'm in here for a while longer. So
23
00:03:34.410 --> 00:03:35.490
Mike Faulkner: Okay. All right.
24
00:03:36.990 --> 00:03:41.880
Paul Baxter: And right now it's just you and I still there's nobody else
zoomed in so yeah
25
00:03:42.480 --> 00:03:43.710
Paul Baxter: Interesting. Yeah.
26
00:03:44.580 --> 00:03:50.460
Mike Faulkner: Yeah, referring to the I forgot to set the PA up. I just,
I didn't have time. So I apologize.
2 7
00:03:51.960 --> 00:03:52.260
Mike Faulkner: I know
28
00:03:53.490 --> 00:03:54.510
Mike Faulkner: But I planned it
29
00:03:56.250 --> 00:03:58.980
Mike Faulkner: I had planned to set it up and I just plain forgot
30
00:04:00.120 --> 00:04:00.420
Mike Faulkner: I'm
31
00:04:01.530 --> 00:04:09.780
Mike Faulkner: Just to touch on, probably you didn't hear Paul very well
the toggle Commission offices are still operating at 50% occupancy
```

```
32
00:04:11.070 --> 00:04:22.530
Mike Faulkner: The governor's order was extended allowing the zoom
meeting through January 29. And for those of you that may not have been
here for the organizational meeting we do plan to continue
33
00:04:23.310 --> 00:04:41.640
Mike Faulkner: To offer them each meeting that it's allowed by the
executive order and board members that can attend can participate legally
that way and you can, if you're a resident, you can tune in and watch the
proceedings, but you can't participate. You can't comment.
34
00:04:44.010 --> 00:04:44.370
Mike Faulkner: I'm sorry.
35
00:04:47.310 --> 00:04:48.750
Mike Faulkner: Yeah. Yeah, exactly.
36
00:04:51.210 --> 00:04:52.950
Mike Faulkner: Send it we were the only ones right
37
00:04:55.350 --> 00:05:01.410
Mike Faulkner: Off right now. Yeah. Just, just by computer computers all
it's tuned in. Right.
38
00:05:02.940 --> 00:05:03.210
Mike Faulkner: Right.
39
00:05:05.400 --> 00:05:08.670
Mike Faulkner: Rick had trouble signing on Paul, he was trying to sign on
to
4 0
00:05:10.950 --> 00:05:11.730
Mike Faulkner: Another word
4 1
00:05:13.410 --> 00:05:15.870
Mike Faulkner: Wanted to use it and I send out the email.
4 2
00:05:17.880 --> 00:05:19.260
Mike Faulkner: I sent her down. No problem.
4 3
00:05:20.550 --> 00:05:26.970
```

```
Mike Faulkner: I'm continuing with the talk Hill. There's still seeking
contractors to assist in meeting coverage of the Salmon River areas.
4 4
00:05:28.200 --> 00:05:41.160
Mike Faulkner: They conducted a webinar which I attended I think Rick
attended as well and the public employer health emergency plan that we
have to come up with for the town over the next couple of months here.
4 5
00:05:42.540 --> 00:05:55.380
Mike Faulkner: And they have updated the toggle website to make it more
updated and reorganize to make it easier to find the information you're
looking for. So WWW dot dot org. Check it out.
46
00:06:00.000 --> 00:06:00.450
Mike Faulkner: Yes, I do.
4 7
00:06:01.680 --> 00:06:01.950
Thank you.
48
00:06:04.320 --> 00:06:05.640
Mike Faulkner: Move forward to
4 9
00:06:34.110 --> 00:06:34.860
Mike Faulkner: Go crazy
5 0
00:06:37.350 --> 00:06:42.900
Mike Faulkner: So far we've tested what 115,000 189 people
5 1
00:06:44.220 --> 00:06:44.460
Mike Faulkner: And
5 2
00:06:45.660 --> 00:06:58.620
Mike Faulkner: Positive active cases we got going on right now. We got
1144 people get the virus and we got }1654\mathrm{ people in quarter.
5 3
00:07:02.850 --> 00:07:03.210
Mike Faulkner: Rate.
5 4
00:07:20.310 --> 00:07:22.920
Mike Faulkner: hears about the veterans board.
5 5
00:07:26.280 --> 00:07:28.230
```

```
Mike Faulkner: With the last year in July.
5 6
00:07:29.640 --> 00:07:33.930
Mike Faulkner: July 2018 through June 2020
5 7
00:07:35.070 --> 00:07:43.680
Mike Faulkner: They helped 233 veterans get jobs and ages of the veterans
range from 21 years old at for
5 8
00:07:46.320 --> 00:07:56.010
Mike Faulkner: The way. So I guess for a job and it's all branches of
government and the county down outstanding job in the state give awards
helping back
5 9
00:08:10.770 --> 00:08:25.710
Mike Faulkner: They're going to be closed from the 11th through the 19th.
I heard just a few minutes ago. It might be extended to the 21st because
some of the employees at the water elections cab, the virus. But again,
shut down board elections.
6 0
00:08:28.320 --> 00:08:33.270
Mike Faulkner: To them at least that might be the first 21st. It's going
to be closed.
6 1
00:08:40.080 --> 00:08:49.590
Mike Faulkner: And a half because they got their mission statement here I
get out here anyone's ever used the hospice organization to county, the
very good
6 2
00:08:51.600 --> 00:09:04.440
Mike Faulkner: Unfortunately I birthed yeah 20th. So they were very
outstanding people come up to help you help the family. So it's a good
organization hospice for this route down
6 3
00:09:11.040 --> 00:09:16.740
Mike Faulkner: And now the school district and the county health
department are working together and
6 4
00:09:18.000 --> 00:09:28.410
Mike Faulkner: They're going to be notified that Sligo county students
and staff who have contact had been exposed to the virus after school may
be notified by the school district.
6 5
00:09:29.790 --> 00:09:36.540
```

```
Mike Faulkner: Or school is going to call up the parents say your lawyer
euros, but it follows. He's gonna stay happy holidays.
6 6
00:09:38.700 --> 00:09:45.060
Mike Faulkner: So they're going to be in a partnership now without
department, your coffee there. One, it's going to be valid.
6 7
00:09:52.380 --> 00:10:07.470
Mike Faulkner: For County Health Department and software and high dose
for the flu vaccine. They still want everybody get the flu vaccines and
they're going to be off and I don't for people 65 or older. I love that
huge the roadmap.
6 8
00:10:10.110 --> 00:10:11.880
Mike Faulkner: I got your high dose. It didn't hurt.
6 9
00:10:16.020 --> 00:10:19.860
Mike Faulkner: And chairman, they just to weather up
7 0
00:10:20.970 --> 00:10:34.500
Mike Faulkner: The one advice that have budgets been adapted for through
county in 2021 and the Lord genetic tax rate went from $7 and 69 cents
1000 to
7 1
00:10:35.100 --> 00:10:45.660
Mike Faulkner: $7 and 14 cents of cells. So your taxes went down a little
bit. And if you're 100% yep I see a difference. Some people see a
difference in her tax bill. Some people won't
7 2
00:10:47.730 --> 00:10:52.320
Mike Faulkner: Count he did go down and then every department cut this
year.
7 3
00:10:53.490 --> 00:11:08.100
Mike Faulkner: SHERIFF DEPARTMENT. Every one of them is went down and the
screen froze the budget, he throws the hiring we froze all purchasing so
that help, but so the taxes rate has gone down a little bit.
74
00:11:09.240 --> 00:11:19.830
Mike Faulkner: Could be better, but it's better than nothing, and on
these reports like the Colbert Report, you'll see that death rate change
as we've been using the
75
00:11:21.000 --> 00:11:31.380
```

```
Mike Faulkner: County Health how they use the figures that they didn't.
If someone died was called it, they, they took it off the death
certificate account is doing that are figures role.
76
00:11:32.220 --> 00:11:41.430
Mike Faulkner: So the state phase know they want you to use their figures
dreesen is if somebody dies in the nursing home, they are important
directed to the state.
7 7
00:11:41.820 --> 00:11:54.390
Mike Faulkner: And the state is kind of bring it back up. Now we're just
going to use the state figure. So it went from six now. It's all the way
up to like 55. I mean, the death rate that's reasonable is the big jump
into death.
78
00:11:57.120 --> 00:12:11.310
Mike Faulkner: And the doctor the health, health, doctor, he explained it
if white went off for now I'm not those reports, they said, The Colbert
Report, you'll see the hat, it'll say the state of your town.
7 9
00:12:16.470 --> 00:12:21.990
Mike Faulkner: And Sarah Sunday. Use your aging service administrator for
the county
80
00:12:23.790 --> 00:12:40.530
Mike Faulkner: Think I reported in the last major been before they're
going to cut 20% of the aid spend restore the complaint, state of the art
what back and restarted hundred percent so that's good for the aging in
the county
81
00:12:45.180 --> 00:12:48.390
Mike Faulkner: And our county stays at quarantine at 14 day
82
00:12:50.490 --> 00:13:09.180
Mike Faulkner: CDC, they said from seven to 10 days, but the county and
the state's going to stay with the 14 but you're going to see a
difference in that too is we got a lot of cases. So the county's can keep
the current date up to }14\mathrm{ days they're not going to change it. They will
be there. Come on.
8
00:13:10.740 --> 00:13:11.370
Mike Faulkner: Come back.
8
00:13:13.170 --> 00:13:15.330
Mike Faulkner: And forth when I get a printed off you.
```

```
8
00:13:16.350 --> 00:13:26.970
Mike Faulkner: Know, December. Yeah, because I think I have a more recent
one actually is changes every day says it's 10 now. So it's change it
every day. The fear of change.
8
00:13:31.230 --> 00:13:37.260
Mike Faulkner: This is a. They said I printed this out. If why they
recommend you take the vaccine.
87
00:13:38.400 --> 00:13:48.960
Mike Faulkner: And it breaks it down. According to the age and and if you
got diseases and stuff it highly recommend if you can get that vaccine.
Take the vaccine.
8
00:13:56.970 --> 00:13:58.650
Mike Faulkner: These figures change every day.
89
00:14:03.630 --> 00:14:18.360
Mike Faulkner: It breaks it down into the phases. Phase one started like
the fireman, I think two of my brothers Canada Reggie once 78 ones they
both got the word, but by everybody read from fire department got
vaccine.
90
00:14:19.410 --> 00:14:24.030
Mike Faulkner: Oh, I think he had already hit all of our departments on
the list of all the fire.
91
00:14:26.220 --> 00:14:28.260
Mike Faulkner: Guys, it's better than
92
00:14:30.960 --> 00:14:36.930
Mike Faulkner: That change. And I heard today, went from 75 down to 65 so
they want
93
00:14:38.070 --> 00:14:41.190
Mike Faulkner: Maybe that'll come to his home, hopefully we get to
vaccinate
94
00:14:43.980 --> 00:14:48.090
Mike Faulkner: Controlling which I will review.
95
00:14:50.490 --> 00:14:54.000
```

```
Mike Faulkner: It all know that one of our secrets.
96
00:14:55.920 --> 00:14:56.130
Mike Faulkner: It's
97
00:14:57.570 --> 00:14:58.770
Mike Faulkner: Just kind of hold out
98
00:15:01.830 --> 00:15:09.420
Mike Faulkner: Here. Any other I got one. Is there any plans to right
now. The guys are ready to go to sprinkle
99
00:15:10.830 --> 00:15:17.910
Mike Faulkner: Water Street had roads and so right right plans to framing
easier to like
100
00:15:19.080 --> 00:15:34.800
Mike Faulkner: The only lasted guy or well they're trying to do is I take
from to hear the news today that was from the federal government on it's
going to get down here, they're going to try to open up like Walgreens,
the old thing to get the vaccine, just like you get the flu shot.
101
00:15:36.030 --> 00:15:40.920
Mike Faulkner: Right now, you're right. Been history health department
and asked us to places.
102
00:15:42.180 --> 00:15:43.590
Mike Faulkner: It just seems to be
103
00:15:45.270 --> 00:15:54.210
Mike Faulkner: More efficient easier and we never know how many vaccines
are getting. They might tell you you're going to get 1000 and you might
get 500
104
00:15:55.980 --> 00:16:04.710
Mike Faulkner: Often, so it's kind of crazy to where we're, we're just
getting the truck lens of the vaccines up here. Yeah. Well, the issue.
The other issue we have is like
105
00:16:06.480 --> 00:16:10.590
Mike Faulkner: We met okay actually three weeks later.
106
00:16:11.670 --> 00:16:15.330
```

```
Mike Faulkner: You have to go get a second chance. Yeah, worrying or
something.
107
00:16:16.830 --> 00:16:18.120
Mike Faulkner: I don't know.
108
00:16:22.110 --> 00:16:23.430
Mike Faulkner: I mean, we don't have a choice.
109
00:16:24.450 --> 00:16:26.100
Mike Faulkner: No choice. I mean, it's kind of
110
00:16:27.750 --> 00:16:27.960
Mike Faulkner: As
111
00:16:29.370 --> 00:16:38.610
Mike Faulkner: I think everybody glad to hear that. But right now we're
at their wishes. We can't change it a governor does exactly what he wants
to do when
112
00:16:39.900 --> 00:16:43.050
Mike Faulkner: We're gonna be at the end of the Fuji. That's about it.
1 1 3
00:16:45.930 --> 00:16:46.830
Mike Faulkner: Any other questions.
114
00:16:48.990 --> 00:16:49.500
Mike Faulkner: Thank you. Her
115
00:16:56.220 --> 00:16:56.700
Mike Faulkner: Okay.
116
00:17:01.950 --> 00:17:02.370
Katie Malinowski: Mike
117
00:17:04.170 --> 00:17:05.130
Katie Malinowski: Oh nice pushed out
118
00:17:07.170 --> 00:17:07.980
Mike Faulkner: Okay, good.
1 1 9
```

```
00:17:09.180 --> 00:17:10.380
Mike Faulkner: Now you know what I mean.
120
00:17:17.640 --> 00:17:21.540
Mike Faulkner: Okay. Moving to the highway department.
121
00:17:22.830 --> 00:17:29.010
Mike Faulkner: I didn't have a chance to make everybody copies, but the
inventory has been
122
00:17:30.510 --> 00:17:40.440
Mike Faulkner: Started as far as part power tools weed eaters drills Sean
and add had been working on that for the last two or three days.
123
00:17:41.940 --> 00:17:42.720
Mike Faulkner: Put down
124
00:17:43.830 --> 00:17:48.330
Mike Faulkner: Condition. Yes. In fact, I am on. Yep.
125
00:17:49.860 --> 00:17:54.900
Mike Faulkner: Because they did say well last night, I think you were
still here. They said, some of them are in pretty bad shape. Yeah.
126
00:17:56.070 --> 00:17:58.830
Mike Faulkner: Use the word fair, or poor, okay.
127
00:18:06.990 --> 00:18:14.490
Mike Faulkner: Yep, they're working on that as well. I will. They didn't
have time to know make copies and get everything to me.
128
00:18:19.980 --> 00:18:22.470
Mike Faulkner: Drug testing based on our
129
00:18:24.600 --> 00:18:34.080
Mike Faulkner: Organizational meeting they everybody's been done. I do
not have all the results yet, but they have been all done so far.
130
00:18:35.100 --> 00:18:36.150
Mike Faulkner: We have no failures.
131
00:18:38.010 --> 00:18:43.590
```

```
Mike Faulkner: Question on that is prior to. Yes, I agree. Long as the
superintendent.
132
00:18:44.670 --> 00:18:51.180
Mike Faulkner: Has knowledge of who we hire. Yep. Send them fired, right.
I agree with that.
133
00:18:56.430 --> 00:18:59.640
Mike Faulkner: This account, pick up the tab prior. Yes.
134
00:19:01.170 --> 00:19:02.160
Mike Faulkner: Very important, you know,
135
00:19:04.560 --> 00:19:08.970
Mike Faulkner: I couldn't enter. But if you want to come to work here. I
think it's a small price.
136
00:19:13.440 --> 00:19:13.740
Mike Faulkner: Yes.
137
00:19:15.270 --> 00:19:16.500
Mike Faulkner: It is the one science check
138
00:19:19.080 --> 00:19:21.570
Mike Faulkner: Well, you kind of do we look at
139
00:19:24.000 --> 00:19:26.190
Mike Faulkner: You get urgent care if someone offers
140
00:19:27.270 --> 00:19:37.650
Mike Faulkner: Drug testing, you have to go to the Sligo health and as we
go. It's a drug consortium. Yes. Since our everything's were set up there
as a client.
141
00:19:42.030 --> 00:19:47.040
Mike Faulkner: The name or training. We just had that he inquired last
night is
142
00:19:48.060 --> 00:19:51.720
Mike Faulkner: A certain training, he could take. There are many
143
00:19:53.970 --> 00:20:05.670
```

```
Mike Faulkner: Opportunities and that's one of my goals for this year is
to try to get them a little more up to speed on the computer and use some
of those trainings and Rick's got a lot of background and experience
there.
144
00:20:06.360 --> 00:20:14.250
Mike Faulkner: Maybe he can, you know, have some input there as well and
get that going in the right direction. It's been
145
00:20:15.360 --> 00:20:15.660
Mike Faulkner: You know,
146
00:20:16.890 --> 00:20:18.510
Mike Faulkner: Everything takes time. We're getting there.
147
00:20:19.680 --> 00:20:22.290
Mike Faulkner: And I, I definitely plan to continue to get there.
148
00:20:24.330 --> 00:20:31.230
Mike Faulkner: Oh, water trouble at the barn Aaron did you get a chance
to take a look. Okay. We did talk to Eddie and
149
00:20:32.610 --> 00:20:36.450
Mike Faulkner: Ron last night and they they pretty much don't have any
water there.
150
00:20:37.500 --> 00:20:42.210
Mike Faulkner: So we got an issue, Ted. Prior to his sickness.
151
00:20:43.260 --> 00:20:50.700
Mike Faulkner: was planning to get ahold of Randy banks who we know is
retired but Brock O'Hara i think is so son in law. That's kind of taken
it over.
152
00:20:51.480 --> 00:21:05.280
Mike Faulkner: See if we can move forward. But in talking to the guys
last night. They were kind of saying that they they're in their opinion,
the wells, pretty much been covered with stuff. So the well may not even
exist. You know anything about that, Steve. Well, the problem is
153
00:21:07.260 --> 00:21:07.800
Mike Faulkner: The wall.
```

```
00:21:10.800 --> 00:21:15.750
Mike Faulkner: Well, older it'll crack when picking on kicking off.
155
00:21:16.800 --> 00:21:22.440
Mike Faulkner: Probably have to know sucking air what matters well
covered it pretty
156
00:21:23.520 --> 00:21:37.470
Mike Faulkner: Or ugly, cry, cry. Go again. There were three boys, boys.
I don't want her or anything. I would think that's where the problem lies
and wouldn't take a rocket scientist to figure it out.
157
00:21:42.120 --> 00:21:43.440
Mike Faulkner: Power of it.
158
00:21:45.030 --> 00:21:49.590
Mike Faulkner: Okay. All right. Well, if you know if Ted snap back in the
next day or two.
159
00:21:50.940 --> 00:21:56.460
Mike Faulkner: I'll try to kind of spearhead that all over again, like
I'm not doing it.
160
00:21:59.910 --> 00:22:02.160
Mike Faulkner: Okay, what can be done to help it, but I'm not
161
00:22:03.240 --> 00:22:04.890
Mike Faulkner: Sure, I understand.
162
00:22:06.240 --> 00:22:12.180
Mike Faulkner: Like what they just, they just push this boils over on or
sounds like last night.
163
00:22:14.340 --> 00:22:19.500
Mike Faulkner: Yeah, that's kind of what he was saying, I didn't hear it
sounded like the the county dumped a lot of
164
00:22:20.550 --> 00:22:30.570
Mike Faulkner: All economy spoils up there and they didn't probably know
where the well was or wasn't marked or whatever and pushing it right
165
00:22:32.250 --> 00:22:37.230
```

```
Mike Faulkner: Well, yeah, it's probably buried in deeper than it used to
be really
166
00:22:44.190 --> 00:22:47.730
Mike Faulkner: Bad, I would imagine. I don't know. I don't think we've
got that far yet.
167
00:22:49.440 --> 00:22:49.740
Mike Faulkner: Right.
168
00:22:52.320 --> 00:23:00.180
Mike Faulkner: Because I made a note here. Well, we'll definitely get on
that because they gotta have water. Clearly they got a water. I'm sorry,
I'm
169
00:23:01.530 --> 00:23:02.040
Mike Faulkner: Working
170
00:23:03.960 --> 00:23:04.320
Mike Faulkner: On
171
00:23:06.030 --> 00:23:09.180
Mike Faulkner: Now, okay, fair enough.
172
00:23:10.260 --> 00:23:18.630
Mike Faulkner: Um, I wanted to make a note or, you know, let the board
members know how we handled the payments, Tracy for the new plow.
173
00:23:19.260 --> 00:23:25.860
Mike Faulkner: plow truck, which we have not made yet because we still
don't have the plow truck. So check is still sitting on my desk.
174
00:23:26.640 --> 00:23:49.890
Mike Faulkner: But we took 55,000 from the appropriated fun da 97 30.6
and the other $153,768 and 77 cents from the NBA T cashier's check which
was the amount of our bond anticipation know so the truck will be paid in
full and then for the next four years, we will have
175
00:23:51.870 --> 00:23:55.590
Mike Faulkner: 38,000 and change payment. I can't remember the exact
amount
176
00:23:58.140 --> 00:23:59.400
```

```
Mike Faulkner: Everybody's up to date on that.
177
00:24:01.980 --> 00:24:02.580
Mike Faulkner: And
178
00:24:04.110 --> 00:24:06.810
Mike Faulkner: I don't have any further information.
179
00:24:08.040 --> 00:24:11.400
Mike Faulkner: Does anybody have questions that I might be able to answer
regarding highway.
180
00:24:14.490 --> 00:24:24.780
Mike Faulkner: No reconciliation see yet or are they getting the year. I
don't think they are George told me that it would take a while to get
that guys to do it so
181
00:24:26.220 --> 00:24:28.110
Mike Faulkner: I guess that's going to fall on my shoulders.
182
00:24:29.640 --> 00:24:33.420
Mike Faulkner: And I, I'll be the first to admit I simply have not had
time to
183
00:24:36.810 --> 00:24:37.410
Mike Faulkner: Talk girl.
184
00:24:48.870 --> 00:24:49.320
Mike Faulkner: Today,
185
00:24:53.880 --> 00:25:08.040
Mike Faulkner: He is a CEO Animal Control Officer, I can always call the
middle of night and this morning it was born in Iran, an ocean of 630
this morning and know elementary call here. Then there's very little
buddy number on it.
186
00:25:09.480 --> 00:25:19.560
Mike Faulkner: I cannot do animal control and let you guys cover the
insurance, you don't pay me the extra money to go through or you as an
order by }911\mathrm{ if you do not ever and
187
00:25:23.010 --> 00:25:23.730
Mike Faulkner: Okay, looks
```

```
188
00:25:24.960 --> 00:25:36.000
Mike Faulkner: Like we need to do that well down representatives way he
put it would have an order by }911\mathrm{ and here's urban FOR YOU DO NOT HAVE A
Asia or I'm gonna keep getting called on
189
00:26:12.480 --> 00:26:16.560
Mike Faulkner: Hey, Superintendent of cemeteries, we had
190
00:26:17.790 --> 00:26:30.390
Mike Faulkner: Sale of two plants for $1,000 one full burial at $400 and
four corner markers purchased at $80 for Total of $1,480 in December.
191
00:26:37.170 --> 00:26:38.340
Mike Faulkner: So that is a good thing.
192
00:26:39.600 --> 00:26:41.130
Mike Faulkner: Or bad thing. I guess in a way, but
193
00:26:42.300 --> 00:26:43.590
Mike Faulkner: The thing to keep things moving.
194
00:26:53.490 --> 00:26:53.820
Mike Faulkner: Mike
195
00:26:55.110 --> 00:26:55.590
Mike Faulkner: Sasser
196
00:27:05.730 --> 00:27:06.420
Mike Faulkner: We're system.
197
00:27:08.220 --> 00:27:09.270
Mike Faulkner: The current assessments.
198
00:27:13.440 --> 00:27:13.770
Mike Faulkner: State.
199
00:27:14.970 --> 00:27:17.520
Mike Faulkner: Issued us a luminary
200
00:27:19.260 --> 00:27:24.240
```

```
Mike Faulkner: Equals a separator between 100 and 101 what that saying
is, every way where we should be
201
00:27:25.650 --> 00:27:34.320
Mike Faulkner: Which is the good news. The bad news is that means if
anybody comes in. Once or assessment Lord going to be pretty tough
because if we start mess around too many of them are going to go below
the
202
00:27:34.860 --> 00:27:41.880
Mike Faulkner: Hundred level. So we're going to keep the line pretty
tight the sales that have come in, since I've been done.
203
00:27:42.900 --> 00:27:45.420
Mike Faulkner: Are still escalating escalating escalating
204
00:27:47.670 --> 00:27:47.940
Mike Faulkner: I
205
00:27:50.130 --> 00:27:56.940
Mike Faulkner: Got half of the state. Now they're going to have to run
the impact notices here so we can get them out late February, beginning
of March, and then obviously
206
00:27:58.230 --> 00:27:59.850
Mike Faulkner: Me, but take a month off.
207
00:28:02.220 --> 00:28:04.410
Mike Faulkner: Think she's gonna get some calls well
208
00:28:06.210 --> 00:28:09.360
Mike Faulkner: We're getting him. Now some people complain that their
assessments of
209
00:28:11.250 --> 00:28:11.670
Mike Faulkner: Texas.
210
00:28:13.260 --> 00:28:13.920
Mike Faulkner: Stars.
211
00:28:15.960 --> 00:28:19.560
Mike Faulkner: And started as a chaplain tongue county tax but they don't
understand that.
```

212
00:28:22.110 --> 00:28:22.680
Mike Faulkner: So, I mean,

213
00:28:23.730 --> 00:28:32.940
Mike Faulkner: Those numbers will be out a there's. I mean, there's no getting around by there's gonna be some people that are going to be jumping up and down because some of the assessments have changed dramatically.

214
00:28:33.780 --> 00:28:38.730
Mike Faulkner: I don't know what else I can do, I can only do with what the market is telling us, and what the value is our

215
00:28:40.740 --> 00:28:49.650
Mike Faulkner: Village is going to be one of the ones. It's going to take a barn of stuff because the village assessment prior we're pretty low. Obviously, there's been a few sales in the village.

216
00:28:51.090 --> 00:28:54.870
Mike Faulkner: Some of the stuff on the river, obviously, is going to take a little bit of a bump up

217
00:28:55.920 --> 00:29:10.380
Mike Faulkner: And then some of the houses that have had two major renovations done without maybe getting a permit needed to have renovation time. Can they didn't add on, but the houses have been obviously updated. Some of those are going to take some it. So we'll see what happens. But

218
00:29:12.270 --> 00:29:13.410
Mike Faulkner: As far as the board.

219
00:29:14.850 --> 00:29:23.100
Mike Faulkner: I don't know what to tell you. If you get calls. I think your best bet would say, make sure you talk with the assessor it reasons why you don't think the assessment is correct.

220
00:29:24.750 --> 00:29:26.070
Mike Faulkner: I don't know what else to tell you about it.
221
00:29:27.360 --> 00:29:39.540
Mike Faulkner: I would say out of as much you can if there's something that you known that you want to relate to me then just shoot me an email.

Say, Mike, I know this House and interior is a POS or whatever, just related to me and I'll

222
00:29:40.680 --> 00:29:50.400
Mike Faulkner: make some headway it that way. But other than that, I would advise is the other as much as possible. And now between mean order assessment and deal with just going to take the brunt of it.

223
00:29:53.100 --> 00:30:06.960
Mike Faulkner: I can get some sales stuff print off and maybe give us a few like me to give the board copy of all the properties of the sold over the last couple years, to give you an indication, where some of the numbers are coming from. But $I$ think that would be helpful for

224
00:30:08.790 --> 00:30:14.400
Mike Faulkner: The biggest thing you're going to see the other thing is a double wides don't always have just want to be, I mean,

225
$00: 30: 15.630$--> 00:30:24.000
Mike Faulkner: Five years ago, we would have them at 6570,000 other up so well over $\$ 100,000$ wow stuff has just changed dramatically.

226
00:30:25.440 --> 00:30:41.790
Mike Faulkner: And that just here. I mean, I, I'm working this up in Hastings, I had a house in Hastings is sold in 2016174,000 and just so in November. For 240 2012. And so now we do anything to it. It's just the same old

227
00:30:42.990 --> 00:30:51.120
Mike Faulkner: Prices of lumber and everything is one up so much and stuff is very costly now to renovate to build new so people are buying own

228
00:30:53.640 --> 00:31:01.740
Mike Faulkner: Land value, sir. I don't think that the lane. People are going to get hurt that much but I mean obviously the newer constructed houses, I found the river, the village.

229
00:31:03.720 --> 00:31:11.040
Mike Faulkner: And there was some permits that were whatever they've been caught up with now. And some of them are going to find out that

230
00:31:15.060 --> 00:31:20.670
Mike Faulkner: We've caught up with them. So get the questions, I'll be more than happy to answer any

```
231
00:31:22.020 --> 00:31:28.500
Mike Faulkner: Well, it had to happen. I mean, ever. You know, we were
down. I mean, I think you're going to see about an average of towns
verified.
232
00:31:29.670 --> 00:31:31.770
Mike Faulkner: By 30% 35%
233
00:31:32.820 --> 00:31:37.470
Mike Faulkner: So you tax rate should come down by the same context. He
can number the same percentage
234
00:31:38.490 --> 00:31:44.220
Mike Faulkner: The school and the county but me. Obviously, there's going
to be people that are going to pick up a bigger share of that because of
various of
235
00:31:45.630 --> 00:31:46.080
Mike Faulkner: Well,
236
00:31:49.980 --> 00:31:51.330
Mike Faulkner: Any questions my
237
00:31:54.900 --> 00:31:56.820
Mike Faulkner: FB are very round and yes
238
00:31:57.840 --> 00:32:13.980
Mike Faulkner: The impact statements. What it does, it gives them the new
assessment and it gives them a whole scenario possible with this new
assessment your taxes for the previous cycle would have been this and
then we'll tell them whether or not they went up or down also will show
them exemptions.
239
00:32:15.390 --> 00:32:21.420
Mike Faulkner: they qualify for all your exemptions that will be back up
to 100% because before they are at partial
240
00:32:23.340 --> 00:32:30.570
Mike Faulkner: Like for instance, the star was 30,000 but when you're at
80% of only be at 24,000 so all those will be updated to the new numbers.
241
00:32:34.440 --> 00:32:41.550
```

```
Mike Faulkner: But those. The problem is going to be once you get those
sin anybody gets 2345 $600 increase is causing
242
00:32:43.110 --> 00:32:44.490
Mike Faulkner: Me some backlash officer.
243
00:32:48.150 --> 00:32:48.390
Mike Faulkner: Yeah.
244
00:32:51.090 --> 00:32:53.760
Mike Faulkner: Yoga world in or out.
245
00:32:56.490 --> 00:32:58.350
Mike Faulkner: On our yeah we'll get book.
246
00:32:59.400 --> 00:33:06.750
Mike Faulkner: When Prince bunch of copies out with everything of the
soul to give people an idea of what is soul and where you know somebody
numbers are coming from.
247
00:33:09.120 --> 00:33:17.910
Mike Faulkner: Stuff that's really it's shocking to me is some of these
little four or 500 square foot cancer and 810 acres of land and sold from
numbers that are just
248
00:33:19.440 --> 00:33:22.710
Mike Faulkner: 5060 $80,000 for some of that kind of stuff. And it's
like,
249
00:33:24.510 --> 00:33:25.170
Mike Faulkner: No, but
250
00:33:26.280 --> 00:33:37.860
Mike Faulkner: It is what it is. Now the goal. Once now word honored yeah
we stay at }100\mathrm{ or hopefully I mean, my hope the market with certain love.
But no, I mean,
251
00:33:39.360 --> 00:33:46.740
Mike Faulkner: I thought with all the UNKNOWN with coven everything else
the market wouldn't be as volatile that is now, but it still seems to be
pretty
252
00:33:47.910 --> 00:33:54.270
```

```
Mike Faulkner: And I've got this was an opening my mail and I got 12 or
14 more sales that have happened in the last couple weeks.
253
00:33:56.700 --> 00:33:58.110
Mike Faulkner: No to
254
00:34:01.860 --> 00:34:02.700
Mike Faulkner: Any other questions.
255
00:34:10.440 --> 00:34:16.980
Mike Faulkner: Yes, I send them an email, you mean where you wanted a
copy of the tax roll. Yeah, I do that.
256
00:34:19.980 --> 00:34:21.780
Mike Faulkner: I can't be of which which textural
257
00:34:26.070 --> 00:34:29.130
Mike Faulkner: Yeah, there will be made public. On March 1
258
00:34:30.990 --> 00:34:40.290
Mike Faulkner: And now I have to say I can't start giving it to one
person because then they'll be a win win is made public. I think that's
when we should make public everybody
259
00:34:41.550 --> 00:34:46.500
Mike Faulkner: At least that's what I've always done in the past we've
never given up. Anybody before them on.
260
00:34:51.060 --> 00:34:54.210
Mike Faulkner: Sales, we can. I can print those off and make copies and
261
00:34:57.780 --> 00:34:59.130
Mike Faulkner: You know, if you
262
00:35:00.720 --> 00:35:02.460
Mike Faulkner: Don't want to dump or get involved.
263
00:35:05.520 --> 00:35:05.820
Mike Faulkner: You
264
00:35:07.050 --> 00:35:07.410
Mike Faulkner: Know,
```

```
265
00:35:08.820 --> 00:35:09.270
Mike Faulkner: Right.
266
00:35:14.250 --> 00:35:14.670
Mike Faulkner: You know,
267
00:35:20.310 --> 00:35:20.790
Mike Faulkner: What
268
00:35:27.690 --> 00:35:33.000
Mike Faulkner: Well, and just let you know even to get when the state
comes in and does the audit said you're at }100\mathrm{ hundred
269
00:35:33.630 --> 00:35:45.000
Mike Faulkner: Rear between 100 and hundred one me Ness hard thing to
accomplish because I'm just out there putting numbers on and I'm not all
sudden you're doing math, every time I do put a value on something so
270
00:35:46.170 --> 00:36:00.240
Mike Faulkner: I'm just, I'm glad they were that's where we are.
Sometimes you get 100 and 506 which sounds like a lot, but then again it
gives you a little bit of leeway. So I can take, I can trim it by a
couple percentage. But when you're about }101\mathrm{ unit. The total I'm pretty
good.
271
00:36:02.160 --> 00:36:02.490
Mike Faulkner: So,
272
00:36:09.390 --> 00:36:11.250
Mike Faulkner: You wanted to do everything online.
273
00:36:13.260 --> 00:36:21.960
Mike Faulkner: Well, depends on you know by let's think about mid March,
where we are with this endemic. I mean, the best thing to do would be
274
00:36:22.740 --> 00:36:31.830
Mike Faulkner: If it's still waiting the throes of it is to is to do
phone phone meetings own we call them, I call them on board, I think, was
on the phone and they want to copy something we throw it in the mail to
2 7 5
00:36:32.700 --> 00:36:39.120
```

```
Mike Faulkner: Others what we did last year in the town that I did
rebuilt for because that was really during the worst part of it well.
276
00:36:39.810 --> 00:36:45.870
Mike Faulkner: Now, I think it's even worse than it was then we did all
the telephone interviews and work it out that way.
277
00:36:46.620 --> 00:36:58.260
Mike Faulkner: I mean, I was saying is also mandated that even people
with the senior exemptions, do not have to come in come in to sign up.
We're just supposed to rubber stamp them for this year, level two. They
did my name coming into the office.
278
00:36:59.550 --> 00:37:10.290
Mike Faulkner: And now I have, I have some health problems example in the
hospital on Thursday, have some artwork done time. I just don't want to
be around anybody either that's any more than I have to be
279
00:37:15.150 --> 00:37:16.230
Mike Faulkner: Lot of our people.
280
00:37:20.970 --> 00:37:24.600
Mike Faulkner: Will do it right, agree or not going
281
00:37:27.870 --> 00:37:34.080
Mike Faulkner: Well, I think the biggest thing is trying to help them
understand where the number comes from that's I mean is, is
282
00:37:34.590 --> 00:37:38.640
Mike Faulkner: When they come in. Obviously, I have a print on showing
them that, you know, this is how we came to this.
283
00:37:39.300 --> 00:37:52.650
Mike Faulkner: Number number is four houses sold for X amount of money
there compared to yours. That's where we came with this number, it is
right. It's a lot easier on I mean guess the other thing we can do is
steps for them room here and
284
00:37:53.730 --> 00:37:58.110
Mike Faulkner: Get a desk and put a shield on it that I'm sitting behind
or something like that. And, you know,
285
00:37:59.220 --> 00:38:00.900
Mike Faulkner: They're, they're loud, they're
```

```
286
00:38:03.330 --> 00:38:07.560
Mike Faulkner: Very allow them one couple of free time.
287
00:38:09.900 --> 00:38:21.330
Mike Faulkner: We did the grievance in the one town. And that's pretty
much what we did, we will let him come into a certain stop it hit the
center then as a left we wait the table down the next person come in. So
I'm moving into something like that. Also,
288
00:38:23.760 --> 00:38:24.420
Mike Faulkner: My computer
289
00:38:29.730 --> 00:38:37.650
Mike Faulkner: We're not computer literate. Right. I agree. It's gonna be
some of the want to, but that's that's a good idea. We do that.
290
00:38:40.920 --> 00:38:41.640
Mike Faulkner: Thanks, Mike.
291
00:38:43.980 --> 00:38:45.870
Mike Faulkner: Found with my Star program.
292
00:38:47.400 --> 00:39:09.030
Mike Faulkner: Not a little background work on it. TODAY IN THE COUNTY
ATTORNEY'S OFFICE. And you told me last year called Albany, which I did
all me. Show me back to you back all been only for the maker. Well, this
is, this is the issue with love and I call him this morning and night was
not a happy camper.
293
00:39:10.230 --> 00:39:17.550
Mike Faulkner: Enhanced star. From now on, if somebody signs up for it. I
have to jump through hoops to sign somebody up
294
00:39:17.970 --> 00:39:23.700
Mike Faulkner: What I've been telling them is called the state sign in
with them and they're going to send you the check in the mail for this
story savings.
295
00:39:24.030 --> 00:39:33.540
Mike Faulkner: Versus getting taken off from your bill you call once you
get signed in the monitor your New York state income tax return every
year and you're good to go.
```

296
00:39:35.100 --> 00:39:43.110
Mike Faulkner: I have people calling them now and then the people that are calling, which is the star credit hotline. They start giving them advice.

297
00:39:44.070 --> 00:39:51.660
Mike Faulkner: I go to the status monitor. Why the hell are they giving them advice. They're calling you to sign up. Shut up and sign them in

298
00:39:52.290 --> 00:40:02.430
Mike Faulkner: Well, no, we're supposed to give them the rights. I go, I've already explained all this to sign them up and it said well we gotta I said I thought you want to take this over.

299
00:40:03.480 --> 00:40:13.110
Mike Faulkner: Well, we still got to give them the right. I go, you're confusing the hell. Firstly, people were 65. I said, you just sign them in and get it over with.

300
00:40:13.800 --> 00:40:21.990
Mike Faulkner: We had, I had one person today's call me four times he called the state. They kept giving them this run around. I said, Listen. Here's the website.

301
00:40:22.530 --> 00:40:31.650
Mike Faulkner: He texted me about 10 minutes later she signed in to the website. She goes, I'm done. So, but, I mean, obviously, a lot of people were 65 websites are also today did

302
00:40:32.910 --> 00:40:33.420
Mike Faulkner: You eat.

303
00:40:35.310 --> 00:40:35.880
Mike Faulkner: A lot of money.
304
00:40:37.440 --> 00:40:48.450
Mike Faulkner: And number one is your articles. The Bible take care of turning over my paperwork for the 30 in and start now. I told me by three to protect and started to start credit

305
00:40:49.020 --> 00:41:01.350
Mike Faulkner: What's your sphere signing in directly with them. I can when I told I told you to start credit so you wouldn't have to go through all the hoops, I will have a big or small film know all fine. Ready, go.

```
306
00:41:05.370 --> 00:41:06.150
Mike Faulkner: To get it done today.
307
00:41:26.100 --> 00:41:26.460
Mike Faulkner: Good.
308
00:41:29.340 --> 00:41:32.400
Mike Faulkner: Reason for me full of errors.
309
00:41:35.490 --> 00:41:35.970
Mike Faulkner: Put down
310
00:41:40.110 --> 00:41:41.340
Mike Faulkner: There we go. Cool. Very cool.
311
00:41:43.980 --> 00:41:44.040
Mike Faulkner: So,
312
00:41:45.090 --> 00:41:49.740
Mike Faulkner: We got to talk about you guys got to talk about this
personally. This is our town meeting.
313
00:41:51.660 --> 00:41:52.650
Mike Faulkner: My age in
314
00:41:53.790 --> 00:41:56.160
Mike Faulkner: Fact, one time I get home. I
315
00:41:59.370 --> 00:41:59.940
Mike Faulkner: Want to get it.
316
00:42:03.210 --> 00:42:05.670
Mike Faulkner: Okay, well, you're kind of personalizing it there.
317
00:42:08.730 --> 00:42:11.130
Mike Faulkner: For today and tomorrow are not particularly
318
00:42:12.300 --> 00:42:17.820
Mike Faulkner: Good boy. Gary mercury on the back with way more after he
died.
```

```
319
00:42:19.980 --> 00:42:23.910
Mike Faulkner: Work with my friends or anything. We got to get it done in
our
320
00:42:26.970 --> 00:42:28.200
Mike Faulkner: Country is founded.
321
00:42:29.340 --> 00:42:32.250
Mike Faulkner: On Christian reappointed man, and when the guy because
we've only got
322
00:42:33.270 --> 00:42:33.390
Mike Faulkner: A
323
00:42:34.560 --> 00:42:51.120
Mike Faulkner: meeting tomorrow morning. It's incredible you more modern
leader with me on this one lady and the results will take me through this
already. For me on my income tax return. I got a day, my wife minor down

324
00:42:53.100 --> 00:42:56.370
Mike Faulkner: Giving you next time. The
325
00:42:58.290 --> 00:42:58.770
Mike Faulkner: Number.
326
00:43:03.690 --> 00:43:04.020
Mike Faulkner: You
327
00:43:09.960 --> 00:43:10.080
Mike Faulkner: Know,
328
00:43:13.410 --> 00:43:19.110
Mike Faulkner: All ready tomorrow, Fabio beach on where the girls give it
to you. Leave it in the mailbox where we got
329
00:43:20.160 --> 00:43:20.550
Mike Faulkner: The dust.
330
00:43:22.650 --> 00:43:23.700
Mike Faulkner: Before your operation.
```

```
331
00:43:25.260 --> 00:43:32.610
Mike Faulkner: I'm sure why it too much for us to get into like the
current experience or check on the internet banking taken off this year.
332
00:43:34.080 --> 00:43:36.210
Mike Faulkner: And I, that's why I'm
333
00:43:48.480 --> 00:43:52.530
Mike Faulkner: You know, because in the end, they don't. Good.
334
00:43:53.550 --> 00:43:54.270
Mike Faulkner: Supervisor
335
00:43:55.440 --> 00:43:56.040
Mike Faulkner: Because
336
00:43:57.990 --> 00:43:58.470
Mike Faulkner: Anyway,
337
00:44:00.870 --> 00:44:01.380
Mike Faulkner: Thank you.
338
00:44:03.000 --> 00:44:03.330
Mike Faulkner: Okay.
339
00:44:07.320 --> 00:44:09.300
Mike Faulkner: All right, code enforcement officer.
340
00:44:11.790 --> 00:44:14.970
Mike Faulkner: Not here tonight did leave me a detailed report.
341
00:44:19.050 --> 00:44:33.900
Mike Faulkner: Far as permits, he had to renewals to garage full barn
collected $70 in building permit fees $350 and camper and RV permits
total paid to the town clerk $420
342
00:44:34.530 --> 00:44:45.270
Mike Faulkner: Issued three Certificate of compliance at one formal
complaint and is continuing education credits the date well for the total
of 2020 or 30
```

```
343
00:44:52.590 --> 00:44:52.980
Mike Faulkner: Sorry.
344
00:44:55.470 --> 00:44:56.250
Mike Faulkner: Yes.
345
00:45:00.660 --> 00:45:01.230
Mike Faulkner: Remind me
346
00:45:06.510 --> 00:45:10.380
Mike Faulkner: Town justice that I'm, I'm going to have a couple of
comments before I
347
00:45:12.390 --> 00:45:13.350
Mike Faulkner: Give the Florida, buddy.
348
00:45:14.790 --> 00:45:20.460
Mike Faulkner: We finally heard back from our lawyer just today but 15
minutes before this whole meeting started
349
00:45:21.210 --> 00:45:40.170
Mike Faulkner: The bus situation will be filed and Supreme Court, she
will have the paperwork to me this by the end of this week to sign and
move forward with that. And on a related note, the Appellate Division
recently handed down a decision that the county must
350
00:45:41.400 --> 00:45:47.370
Mike Faulkner: Pay towns for clean up that is applied to Texas. So in
other words, this goes to state Supreme Court.
351
00:45:48.990 --> 00:45:57.450
Mike Faulkner: Clean up this property and it costs $5,000 we put it on
their taxes. They don't pay it. The county takes the land. The county has
to pay the town.
352
00:45:57.960 --> 00:46:08.070
Mike Faulkner: $5,000 for the cleanup and that's been appeal two or three
times. She said, and that's the appellate division. So that should be the
final the final say.
353
00:46:09.180 --> 00:46:12.870
Mike Faulkner: So that's good. If it hopefully it won't go that far but
if it does
```

```
354
00:46:14.010 --> 00:46:16.230
Mike Faulkner: So that's the update on the situation.
355
00:46:19.260 --> 00:46:21.960
Mike Faulkner: Should we tell her. Maybe she ought to
356
00:46:23.370 --> 00:46:31.770
Mike Faulkner: Explain the situation allocation so that way you say hey
look I become an employee, you're going to pay for it one way or the
other. So
357
00:46:32.460 --> 00:46:40.530
Mike Faulkner: If you can get it last or whatever. Make it happen. It's
going to be easier or account is going to come into it. We're going to
find your taxes, then you'll have to be able to
358
00:46:41.610 --> 00:46:48.510
Mike Faulkner: You know, maybe kind of went into into energy and maybe
he'll have something positive to explain it.
359
00:46:52.110 --> 00:46:52.530
Mike Faulkner: Right.
360
00:46:53.670 --> 00:46:54.450
Mike Faulkner: It's worth a try.
361
00:46:57.150 --> 00:46:59.130
Mike Faulkner: When I don't think it's gonna be worth nothing
362
00:47:00.600 --> 00:47:02.310
Mike Faulkner: ventured, nothing. Right.
363
00:47:08.970 --> 00:47:14.940
Mike Faulkner: Anything else pretty How are coming back here why I asked
you to change the audit of the month.
364
00:47:16.020 --> 00:47:18.900
Mike Faulkner: We're going to open back up or on March 1
365
00:47:20.040 --> 00:47:27.000
```

```
Mike Faulkner: Or in person. What we're trying to do everything by mail,
you see the sign on the door by mail on FM Davis for
366
00:47:28.050 --> 00:47:29.010
Mike Faulkner: Anybody that wants to
367
00:47:30.510 --> 00:47:30.930
Mike Faulkner: Whatever.
368
00:47:32.430 --> 00:47:33.510
Mike Faulkner: The aid office.
369
00:47:34.650 --> 00:47:36.300
Mike Faulkner: Everything is the affidavit and
370
00:47:37.470 --> 00:47:39.960
Mike Faulkner: You don't even have to see the person. If you don't want
371
00:47:45.180 --> 00:47:46.560
Mike Faulkner: Keeping track of the football have
372
00:47:48.780 --> 00:47:50.040
Mike Faulkner: Any questions for money.
373
00:47:52.830 --> 00:47:53.520
Mike Faulkner: Fire Department
374
00:47:55.200 --> 00:47:56.940
Mike Faulkner: I've got bills report right here.
375
00:48:01.110 --> 00:48:09.180
Mike Faulkner: On the Call Report for December 20 2023 calls total calls

00:49:48.810 --> 00:49:53.400

494
01:10:44.310 --> 01:10:45.720
Mike Faulkner: Other than for certain, certain
495
01:10:53.430 --> 01:10:55.980
Mike Faulkner: guys have questions or problems.
496
01:11:08.820 --> 01:11:11.550
Mike Faulkner: Can you note that Rick
497
01:11:12.720 --> 01:11:14.430
Mike Faulkner: does not approve for six and seven.
498
01:11:15.990 --> 01:11:18.900

503
01:12:28.770 --> 01:12:33.060
Mike Faulkner: Yes, I have investigated and we're kind of moving ahead a

504
01:12:36.030 --> 01:12:39.570
Mike Faulkner: I have \$40 left. I have been to Ted's
505
01:12:41.790 --> 01:12:47.910
Mike Faulkner: And it will be to get a nice plaque between 60 and \$100
506
01:12:51.360 --> 01:13:02.460

513
01:13:57.660 --> 01:13:59.340
Mike Faulkner: Taken away. Yep.

515
01:14:08.070 --> 01:14:11.160

01:14:12.180 --> 01:14:23.190
Mike Faulkner: The only way you would, you know, on behalf of the first
part of that. So I think it'd be okay. I'll try to make sure you let me
know when you're now tell her. Okay.
517
01:14:25.230 --> 01:14:25.920

medical financial credit or employment history of particular person.
519
01:14:38.910 --> 01:14:39.300
Mike Faulkner: Second,

Mike Faulkner: Well, I mean, I understand.
531
01:16:07.050 --> 01:16:07.530
Mike Faulkner: It is
532
01:16:08.970 --> 01:16:09.300
Mike Faulkner: On
533
01:16:31.980 --> 01:16:32.910
Mike Faulkner: And there
534
01:16:43.290 --> 01:16:44.880
Mike Faulkner: Was just
535
01:16:46.200 --> 01:16:47.910
Mike Faulkner: A look you know
536
01:16:50.220 --> 01:16:51.930
Mike Faulkner: System, you're the one
537
01:16:54.390 --> 01:16:54.660
Mike Faulkner: I

```
```

538
01:17:00.480 --> 01:17:09.480
Mike Faulkner: Know you didn't know from our email or whatever. Yeah,
this is the whole problem. It was nice to hear
539
01:17:13.050 --> 01:17:14.040
Mike Faulkner: Everybody look
540
01:17:17.160 --> 01:17:17.430
Mike Faulkner: At the
541
01:17:25.230 --> 01:17:25.650
Mike Faulkner: Course
542
01:17:27.270 --> 01:17:28.980
Mike Faulkner: The big issues is for
543
01:17:30.420 --> 01:17:32.460
Mike Faulkner: Me, you know, people will say,
54
01:17:40.500 --> 01:17:42.540
Mike Faulkner: Oh yeah, it's going to get you say
545
01:17:45.330 --> 01:17:49.890
Mike Faulkner: Well, I want to say I did run over by a common
546
01:17:51.450 --> 01:17:51.840
Mike Faulkner: Cold it
547
01:17:53.790 --> 01:17:55.230
Mike Faulkner: Was though I
548
01:17:58.740 --> 01:17:59.370
Mike Faulkner: Really wonder
549
01:18:00.660 --> 01:18:08.310
Mike Faulkner: He probably have to be aware of your email me on a
property here so I'll be in and still waiting for an answer for all
550
01:18:09.720 --> 01:18:13.830
Mike Faulkner: Our order. Where do you want to see me as

```
```

551
01:18:19.650 --> 01:18:21.000
Mike Faulkner: An actor because
552
01:18:25.470 --> 01:18:26.250
Mike Faulkner: There is nothing
553
01:18:27.690 --> 01:18:30.660
Mike Faulkner: But this links mean legally
554
01:18:31.710 --> 01:18:32.130
Mike Faulkner: Legally
555
01:18:33.690 --> 01:18:36.930
Mike Faulkner: I can I can I have a tracking users funnel.
556
01:18:38.850 --> 01:18:44.910
Mike Faulkner: I need for the betterment of the community. And for me, I
really don't think that
557
01:18:46.350 --> 01:18:47.910
Mike Faulkner: It is a liability.
558
01:18:49.830 --> 01:18:50.610
Mike Faulkner: You know they had is
559
01:18:51.870 --> 01:18:52.890
Mike Faulkner: Just a gold and silver.
560
01:18:54.000 --> 01:18:56.490
Mike Faulkner: And we all the kids are running around.
561
01:18:57.870 --> 01:18:59.340
Mike Faulkner: You open we make
562
01:19:02.580 --> 01:19:02.790
Mike Faulkner: Sure.
563
01:19:12.030 --> 01:19:12.510
Mike Faulkner: We need to
564

```
```

01:19:14.760 --> 01:19:16.890
Mike Faulkner: Have we should have a little look at
565
01:19:19.680 --> 01:19:19.890
Mike Faulkner: Our
566
01:19:26.310 --> 01:19:27.480
Mike Faulkner: Way back when I'm out of here.
567
01:19:51.600 --> 01:19:52.050
Mike Faulkner: Oh,
568
01:19:53.820 --> 01:19:55.590
Mike Faulkner: Yeah. However, he was here.
569
01:19:57.060 --> 01:20:05.190
Mike Faulkner: He fell down and I saw something dark shading on and he's
just outside of
570
01:20:06.780 --> 01:20:07.440
Mike Faulkner: St. Louis.
571
01:20:08.850 --> 01:20:10.740
Mike Faulkner: Then you sit on a horse.
572
01:20:12.210 --> 01:20:13.470
Mike Faulkner: In front things just
573
01:20:15.390 --> 01:20:16.140
Mike Faulkner: In front of
574
01:20:18.270 --> 01:20:18.840
Mike Faulkner: It and
575
01:20:20.280 --> 01:20:28.740
Mike Faulkner: Then you turn it back on my part, get out of my car, a
combat nice evening me sideways in to grow.
576
01:20:30.090 --> 01:20:35.400
Mike Faulkner: Inside with me tonight. Yeah, organizational
5 7 7

```
```

01:20:36.630 --> 01:20:36.990
Mike Faulkner: Unit.
578
01:20:38.670 --> 01:20:39.840
Mike Faulkner: Okay, well maybe I'll
579
01:20:41.850 --> 01:20:46.230
Mike Faulkner: Turn and worse and worse frozen safe because the way we
try and move
580
01:20:47.940 --> 01:20:55.320
Mike Faulkner: Like you got black forest and no lights or anything on it,
why the hell out of nine doable.
581
01:20:59.100 --> 01:21:04.140
Mike Faulkner: We are you guys going home or when you would have known
women.
582
01:21:08.550 --> 01:21:14.820
Mike Faulkner: But see, was Aimee Mann about men being the Animal Control
Officer.
583
01:21:16.290 --> 01:21:20.490
Mike Faulkner: I got a phone call this morning to try and find out. I
said, well,
584
01:21:21.750 --> 01:21:30.840
Mike Faulkner: I would say, is how our job loss or he might know what
Animal Control Officer. Oh, I know we don't have one, but he might know
somebody
585
01:21:31.980 --> 01:21:33.780
Mike Faulkner: From another stone LinkedIn network.
586
01:21:36.300 --> 01:21:39.090
Mike Faulkner: That only was running loose this morning.
587
01:21:40.980 --> 01:21:42.660
Mike Faulkner: We know there's more
588
01:21:45.780 --> 01:21:46.380
Mike Faulkner: There's more that

```
```

589
01:21:51.780 --> 01:21:53.520
Mike Faulkner: You're walking down the road, man.
590
01:21:54.750 --> 01:22:01.470
Mike Faulkner: Awesome Guy and we will never see him. We are her truck in
three of their way.
591
01:22:04.440 --> 01:22:05.610
Mike Faulkner: And they're trying to sneak
592
01:22:07.350 --> 01:22:08.880
Mike Faulkner: In what's involved. So, this
593
01:22:12.090 --> 01:22:15.900
Mike Faulkner: Way you get this little miniature going, yeah.
594
01:22:16.920 --> 01:22:26.580
Mike Faulkner: The only thing is, is that only blonde over think that's,
for example, I think I'm staying at home for now I'll comment or this way
relevant
595
01:22:29.010 --> 01:22:33.930
Mike Faulkner: At all costs can instead of Moore's Law was in front hall.
596
01:22:37.350 --> 01:22:39.240
Mike Faulkner: Diane's then he was
597
01:22:41.310 --> 01:22:49.020
Mike Faulkner: Sitting in the white line. And he said, that way it will
probably contentedly which be able to stand from
598
01:22:52.440 --> 01:22:53.460
Mike Faulkner: Well, I never see the
599
01:22:55.710 --> 01:22:57.660
Mike Faulkner: Waiver the beta testing upon
6 0 0
01:22:58.950 --> 01:23:00.300
Mike Faulkner: I never seen the guy walking
6 0 1
01:23:03.930 --> 01:23:07.590

```
```

Mike Faulkner: There are so many people in and out of that not labeled
6 0 2
01:23:08.760 --> 01:23:11.010
Mike Faulkner: And I tell you the neighbors cross the road Hutchinson
6 0 3
01:23:13.320 --> 01:23:15.630
Mike Faulkner: As already knows even boiling
6 0 4
01:23:17.010 --> 01:23:20.400
Mike Faulkner: Water crop last fall, you know, if that's
6 0 5
01:23:23.100 --> 01:23:24.900
Mike Faulkner: How many cars to turn on my driveway.
606
01:23:26.010 --> 01:23:32.940
Mike Faulkner: Was like a lot. I mean, you can never get down we do our
know we have a beautiful song.
6 0 7
01:23:34.230 --> 01:23:37.410
Mike Faulkner: So so packed and I graduate from college back in around
68
01:23:41.760 --> 01:23:51.990
Mike Faulkner: He's home and heading home. He doesn't inspire and he
says, I thought your mother or your whatever picking up their drugs will
have my excuse me pull into the driveway. I'm not bad.
6 0 9
01:23:56.070 --> 01:23:56.910
Mike Faulkner: I don't know.
6 1 0
01:24:00.900 --> 01:24:02.520
Mike Faulkner: He needed for the
6 1 1
01:24:03.570 --> 01:24:10.950
Mike Faulkner: Organization man me make it for everybody around I'm
ordering that happier.
6 1 2
01:24:12.240 --> 01:24:12.720
Mike Faulkner: Happier with
6 1 3
01:24:15.990 --> 01:24:17.670
Mike Faulkner: The order of heart.

```
```

6 1 4
01:24:21.660 --> 01:24:24.690
Mike Faulkner: A little two by two inch fan, man.
6 1 5
01:24:26.100 --> 01:24:28.200
Mike Faulkner: Everything handed it to that.
6 1 6
01:24:30.990 --> 01:24:31.320
Mike Faulkner: And
6 1 7
01:24:37.140 --> 01:24:37.500
Mike Faulkner: Chico.
6 1 8
01:26:17.940 --> 01:26:18.390
Mike Faulkner: Yeah.
6 1 9
01:27:08.310 --> 01:27:08.910
Mike Faulkner: Out there.
6 2 0
01:27:27.600 --> 01:27:28.440
Mike Faulkner: So now.
6 2 1
01:27:36.180 --> 01:27:37.170
Mike Faulkner: The doctors today.
6 2 2
01:27:38.460 --> 01:27:41.160
Mike Faulkner: And he wasn't sure if they were going to send them to the
hospital.
6 2 3
01:27:42.660 --> 01:27:51.360
Mike Faulkner: And his wife, Chris. Rogers said that he has. He's going
to save
624
01:27:52.440 --> 01:27:54.300
Mike Faulkner: Her company will pay for. Yeah.
6 2 5
01:27:59.580 --> 01:28:00.240
Mike Faulkner: A motion.
6 2 6
01:28:10.230 --> 01:28:10.530
Mike Faulkner: Me.

```
```

6 2 7
01:28:29.850 --> 01:28:30.270
Mike Faulkner: I bought
628
01:28:31.560 --> 01:28:32.520
Paul Baxter: My Welcome back.
6 2 9
01:28:33.660 --> 01:28:34.560
Paul Baxter: Welcome to be backers.
6 3 0
01:28:37.770 --> 01:28:51.390
Mike Faulkner: Okay, I just got a couple of old business and new business
things and we should be done. We had previously briefly talked about a
town wide spring junk pick up. How do you want to proceed with that.
6 3 1
01:28:53.430 --> 01:28:54.720
Mike Faulkner: Ended FB hear me.
6 3 2
01:28:56.790 --> 01:28:58.020
Mike Faulkner: Because we would use the
6 3 3
01:29:00.090 --> 01:29:05.310
Mike Faulkner: Okay, some of the other highway department. What they do
is you just get dumpster box there.
6 3 4
01:29:08.970 --> 01:29:12.330
Mike Faulkner: Or years ago we went around the order number
6 3 5
01:29:18.210 --> 01:29:22.410
Mike Faulkner: One possibility is we just put dumpsters out at the town
buyer and people just bring stuff.
6 3 6
01:29:24.270 --> 01:29:25.740
Mike Faulkner: That garbage. Right.
6 3 7
01:29:33.480 --> 01:29:34.320
Mike Faulkner: Did you ever do that.
6 3 8
01:29:38.490 --> 01:29:38.760
Mike Faulkner: Okay.
6 3 9
01:29:43.350 --> 01:29:45.330

```
```

Mike Faulkner: Okay, so it wouldn't be that big of a deal really
640
01:29:52.950 --> 01:29:53.220
Mike Faulkner: Okay.
64
01:29:54.600 --> 01:29:57.300
Mike Faulkner: And any other old business.
642
01:30:05.040 --> 01:30:08.310
Mike Faulkner: What are we gonna, I know you've been
6 4 3
01:30:11.190 --> 01:30:18.870
Mike Faulkner: Going back and forth with the emails and stuff with the
with the Florida with a flyer or week is that guy gonna pursue
64
01:30:21.480 --> 01:30:23.460
Mike Faulkner: I did. I sent that email for you guys.
645
01:30:27.510 --> 01:30:32.100
Mike Faulkner: Oh no, I didn't know what I posted the impression, we're
646
01:30:33.420 --> 01:30:39.450
Mike Faulkner: Wearing oh I didn't read that I didn't see that. No, I did
color eye doctor
6 4 7
01:30:40.620 --> 01:30:41.070
Mike Faulkner: Yeah.
648
01:30:42.390 --> 01:30:42.720
Mike Faulkner: No.
6 4 9
01:30:50.880 --> 01:30:51.180
Mike Faulkner: No.
650
01:30:52.950 --> 01:30:53.460
Mike Faulkner: Yeah.
6 5 1
01:30:54.600 --> 01:30:56.070
Mike Faulkner: And it's getting close.
652
01:30:56.730 --> 01:31:00.420

```
```

Mike Faulkner: Attention, you have February 3 or fourth, something like
that.
653
01:31:03.360 --> 01:31:04.020
Mike Faulkner: Yeah, okay.
654
01:31:10.500 --> 01:31:11.190
Mike Faulkner: That's all right. Yeah.
655
01:31:12.540 --> 01:31:12.930
Mike Faulkner: Yeah.
656
01:31:14.340 --> 01:31:16.140
Mike Faulkner: Okay, wanting anything
6 5 7
01:31:17.880 --> 01:31:31.290
Mike Faulkner: Okay, new business. We also briefly, I don't even know
where we briefly talked about it, but maybe might have been Aaron
mentioned it to me the other night the solar. Yeah, I think it's a good
idea for you.
658
01:31:39.960 --> 01:31:43.950
Mike Faulkner: Yeah, and how, what's the procedure to do that.
659
01:31:45.390 --> 01:31:45.840
Mike Faulkner: I didn't
660
01:31:47.430 --> 01:31:47.670
Mike Faulkner: Work.
6 6 1
01:31:49.980 --> 01:31:51.030
Mike Faulkner: Do you have
62
01:31:52.140 --> 01:31:56.550
Mike Faulkner: The like in your job type of thing is it easier for you to
do.
6 6 3
01:32:03.690 --> 01:32:04.980
Mike Faulkner: You hear your name come up all
6 6 4
01:32:05.550 --> 01:32:07.770
Paul Baxter: I heard. I thought I heard my name.

```
```

66
01:32:08.160 --> 01:32:08.340
Mike Faulkner: Yeah.
66
01:32:08.640 --> 01:32:12.060
Paul Baxter: And you're talking about a wind and solar moratorium.
6 6 7
01:32:12.450 --> 01:32:24.570
Paul Baxter: Yes, I can help you with example so that. And the way you do
a moratorium for that is you need to pass a local law, which means you
need to follow the typical local law procedure.
66
01:32:25.290 --> 01:32:39.570
Paul Baxter: You have to adopt the local law, which means you have to
advertise it and hold a public hearing and all the pilot with Albany and
all of that, but I can have Matt Johnson from to get in touch with you
and he can talk to you about what the process looks like and walk you
through it.
669
01:32:40.680 --> 01:32:41.820
Mike Faulkner: Okay, maybe
6 7 0
01:32:43.140 --> 01:32:43.860
Paul Baxter: I haven't do that.
6 7 1
01:32:44.520 --> 01:32:44.820
Mike Faulkner: Thank you.
6 7 2
01:32:46.980 --> 01:32:47.940
Mike Faulkner: Because on the
6 7 3
01:32:49.380 --> 01:32:53.070
Mike Faulkner: Tail of talking about that. We got a letter from a company
674
01:32:55.260 --> 01:32:56.250
Mike Faulkner: T GA.
6 7 5
01:32:57.720 --> 01:33:00.960
Mike Faulkner: Out of New Bedford mass but locally out of Liverpool.
6 7 6
01:33:02.490 --> 01:33:09.420

```
```

Mike Faulkner: PGA clean energy is a clean energy developer who was
looking to lease land for the purpose of building a ground mount and
solar system.
6 7 7
01:33:10.710 --> 01:33:16.560
Mike Faulkner: The farm. We have found that many towns have spare parcels
of land that are not being use used
6 7 8
01:33:18.030 --> 01:33:24.810
Mike Faulkner: And they offer a 25 year lease and your yearly rent can
range up to \$30,000
6 7 9
01:33:26.010 --> 01:33:28.380
Mike Faulkner: You know, and it goes on and describes all this stuff.
6 8 0
01:33:31.770 --> 01:33:32.520
Mike Faulkner: So if they're
6 8 1
01:33:33.960 --> 01:33:49.500
Mike Faulkner: This might specifically be to us, but they probably sent
it to maybe anybody with a trump or land or we may well be looking at,
you know, these types of things coming at us. So we want to move fairly
quickly on that we can
6 8 2
01:33:53.280 --> 01:34:02.730
Mike Faulkner: Is that I'm pulling your experience, do you think that's
something we could put in motion. Be ready to go by the next meeting, or
is that something that would take longer than that.
6 8 3
01:34:02.940 --> 01:34:12.600
Paul Baxter: Oh, absolutely. The, the moratorium part is pretty
straightforward developing a lot of salt is takes a bit more time. But
that's why you have the moratorium is to buy yourself that time.
684
01:34:12.990 --> 01:34:22.260
Paul Baxter: You need to go through the issues more quickly. But the
doing the moratorium to put things on hold for a certain period of time
is pretty straightforward.
685
01:34:24.360 --> 01:34:24.630
Mike Faulkner: Okay.
6 8 6
01:34:25.020 --> 01:34:32.070

```
```

Paul Baxter: And that can definitely be done at the next meeting or
before that, if you wanted to have a special meetings for the public
hearing for the local law.
6 8 7
01:34:33.270 --> 01:34:33.540
Mike Faulkner: Okay.
6 8 8
01:34:33.990 --> 01:34:35.910
Paul Baxter: If you really wanted to get aggressive, you can do that.
689
01:34:40.320 --> 01:34:40.530
Right.
6 9 0
01:34:43.110 --> 01:34:43.410
Mike Faulkner: Right.
6 9 1
01:34:46.200 --> 01:34:48.150
Mike Faulkner: That's an old right now. Right. Yes.
6 9 2
01:34:49.740 --> 01:34:54.990
Mike Faulkner: Yes, it is. According to Lori burrows, who's the business
agent for a VW the
6 9 3
01:34:56.310 --> 01:35:11.190
Mike Faulkner: THEY FOUND OUT That National Grid doesn't own the land
lines by themselves, that's up there also partially owned by our field.
Yeah. And so they they've stopped on hold. So that's a good thing for us.
Yes.
6 9 4
01:35:13.020 --> 01:35:13.500
Mike Faulkner: I'm
6 9 5
01:35:14.880 --> 01:35:15.210
Mike Faulkner: OK.
696
01:35:16.440 --> 01:35:17.490
Mike Faulkner: And then the last hope.
6 9 7
01:35:18.840 --> 01:35:20.220
Mike Faulkner: I already sent you guys this
6 9 8
01:35:21.660 --> 01:35:23.940

```
```

Mike Faulkner: The public service they want
699
01:35:25.050 --> 01:35:27.420
Mike Faulkner: Some town representative to
700
01:35:29.820 --> 01:35:44.430
Mike Faulkner: Go to a webinar to help people manage energy costs and the
situation may be particularly hard during the covert }19\mathrm{ pandemic. So
anybody's interested in you can do it.
7 0 1
01:35:46.170 --> 01:35:55.380
Mike Faulkner: And then herb and talk about this quarantine staying at 14
days and his date was December 4 well I got one on December 30
702
01:35:56.520 --> 01:36:08.400
Mike Faulkner: That says the swift County Health Department and the New
York State Department of Health continue to work together in the battle
against coronavirus and they have updated their guidance on quarantines
7 0 3
01:36:10.230 --> 01:36:26.790
Mike Faulkner: The new local guidance allows people to end quarantine
after day }10\mathrm{ without testing, provided they have reported no symptoms of
the virus for the entire time, they must continue to monitor their
symptoms and strictly follow all coven }19\mathrm{ protocols for the full 14 days
but
704
01:36:29.250 --> 01:36:31.380
Mike Faulkner: Yes. Yep. Same
705
01:36:33.300 --> 01:36:37.650
Mike Faulkner: I just wanted to bring everybody up to date on that. Any
other new business.
706
01:36:39.930 --> 01:36:43.440
Mike Faulkner: starts next week. Sorry. The roof that starts in there.
7 0 7
01:36:45.030 --> 01:36:45.210
Mike Faulkner: Were
708
01:36:46.290 --> 01:36:49.230
Mike Faulkner: Maybe not. First, but I ran a business.
7 0 9
01:36:55.020 --> 01:36:56.310

```
```

Mike Faulkner: Or public service.
7 1 0
01:36:57.330 --> 01:37:02.490
Mike Faulkner: Yeah, they're offering a webinar tomorrow. And again,
January 20
7 1 1
01:37:04.440 --> 01:37:10.950
Mike Faulkner: And they're inviting a representative from our staff to
attend these virtual workshops
712
01:37:12.390 --> 01:37:13.860
Mike Faulkner: Regarding resources.
7 1 3
01:37:17.280 --> 01:37:19.380
Mike Faulkner: Okay, nothing else. Second,
714
01:37:20.610 --> 01:37:21.270
Mike Faulkner: All in favor.
7 1 5
01:37:25.560 --> 01:37:26.160
Mike Faulkner: Second,
716
01:37:35.760 --> 01:37:36.240
Mike Faulkner: How's it going,
717
01:37:36.630 --> 01:37:38.280
Paul Baxter: Good, how are you tonight. Good to see you.
718
01:37:39.360 --> 01:37:39.570
Paul Baxter: So,
719
01:37:40.050 --> 01:37:41.490
Mike Faulkner: What has to happen for the moratorium.
7 2 0
01:37:42.570 --> 01:37:48.030
Paul Baxter: Basically, you need to pass a local law, the town needs to
pass a local law and it's
7 2 1
01:37:48.990 --> 01:37:59.670
Paul Baxter: The reason you're doing it and the duration and all of that.
And it's pretty that the the imposing the moratorium part is pretty
straightforward. You have a local law that you need to do the normal

```
```

722
01:38:00.330 --> 01:38:07.170
Paul Baxter: Local law procedure you make it available for the public to
see public hearing and follow up with Albany and then you
7 2 3
01:38:07.680 --> 01:38:09.540
Paul Baxter: Got the free time, you need to
724
01:38:09.570 --> 01:38:15.570
Paul Baxter: Develop your local love whatever controls you choose to
impose
725
01:38:16.590 --> 01:38:16.860
Mike Faulkner: Okay.
726
01:38:17.520 --> 01:38:17.880
So we
727
01:38:19.170 --> 01:38:25.170
Paul Baxter: Have Matt Johnson, get in touch with Mike and he can
provide. We work with all the communities. I'm doing this so
728
01:38:26.460 --> 01:38:28.830
Paul Baxter: There's a well trodden path.
729
01:38:29.310 --> 01:38:30.120
Mike Faulkner: I think perish. I
730
01:38:30.840 --> 01:38:33.000
Paul Baxter: Perish certainly doesn't we helped her for that one.
7 3 1
01:38:34.080 --> 01:38:34.530
Mike Faulkner: Does to
732
01:38:35.040 --> 01:38:36.330
Paul Baxter: Sandra has one, two. Yep.
7 3 3
01:38:37.620 --> 01:38:38.700
Mike Faulkner: Okay. Thank you, sir.
734
01:38:39.120 --> 01:38:40.620

```
```

Paul Baxter: Already, good to see you. Happy New Year.
735
01:38:40.980 --> 01:38:41.430
You to
736
01:38:44.490 --> 01:38:44.850
Mike Faulkner: Thanks.
737
01:38:46.260 --> 01:38:49.320
Mike Faulkner: Okay, we're done. Thank you very much. Appreciate it.
738
01:38:52.800 --> 01:38:57.150
Mike Faulkner: Okay, I'm going to be in touch with you on this emergency
preparedness thing to
739
01:38:58.020 --> 01:39:00.000
Paul Baxter: I'd be happy to. Happy to help you on that.
740
01:39:02.850 --> 01:39:03.540
Paul Baxter: Moratorium
74
01:39:06.570 --> 01:39:14.670
Mike Faulkner: I've been wicked BUSY LATELY. So I've kind of few things
have fallen by the wayside, but now kind of caught up. So I should be
able to move
742
01:39:15.810 --> 01:39:16.290
Paul Baxter: Very good.
74
01:39:16.980 --> 01:39:18.000
Mike Faulkner: Okay. Talk to you soon.
74
01:39:18.330 --> 01:39:19.920
Paul Baxter: Okay. Dr. Soon, Mike. Good to see ya.
745
01:39:20.490 --> 01:39:21.480
Mike Faulkner: Bye bye.
