1

00:00:05.850 --> 00:00:14.490

Town of Albion: We are here for the material for the approval TV agreement between spectre East llc in the town of Albion.

2

00:00:15.299 --> 00:00:24.600

Town of Albion: You stick notice of the 10 million hold this meeting march 9 2021 at 630 at the outlier Albion municipal building the bridge street help not.

3

00:00:25.500 --> 00:00:35.850

Town of Albion: New York regarding granting a cable TV franchise agreement by and between the town of Albion and spectrum northeast llc and also known as charter communications.

4

00:00:36.780 --> 00:00:43.980

Town of Albion: If anyone wants to see the agreement, it is available to view during normal business hours in the town clerk's Office here in this building.

5

00:00:45.690 --> 00:00:49.320

If anyone has any comments or anything.

6

00:00:50.430 --> 00:00:52.590

They can feel free to bring that up.

7

00:01:13.980 --> 00:01:16.680

Town of Albion: What what are you agreed to.

8

00:01:25.770 --> 00:01:26.880

Town of Albion: Be this town.

9

00:01:29.070 --> 00:01:38.970

Town of Albion: have this agreement based on the public service Commission so that spectrum can come in work on Poles wires.

10

00:01:40.830 --> 00:01:46.200

Town of Albion: public spaces, without having to get special permit to come in and every time they want to work on stuff right.

11

00:01:47.550 --> 00:01:47.910

So.

12

00:01:49.620 --> 00:02:04.650

Town of Albion: We had the ability to charge, I think it was up to 5% correct call and we opted not to do that because, basically, they would just turn around kickback and charge all the customers to make up that difference so.

13

00:02:05.520 --> 00:02:17.040

Town of Albion: Nobody names anything from a really long run, so this that's what it's all about and it's a this is for 50 year agreement, we could have reduced it 10 years.

14

00:02:18.690 --> 00:02:35.160

Town of Albion: But they have to have it's a requirement of the public service Commission and just makes sense, all did pretty good job of explaining it last last meeting I know you weren't here, but do you have anything to add to that all make more sense for everyone know basic basically.

15

00:02:36.690 --> 00:02:41.430

Town of Albion: If you oppose a franchise fee, not only does the.

16

00:02:42.840 --> 00:02:49.110

Town of Albion: Cable provider, have the opportunity to charge that back directly to the people who received.

17

00:02:50.340 --> 00:02:56.580

Town of Albion: But they can also deduct that amount of money that they fall in real property taxes for the facilities, they have.

18

00:02:57.660 --> 00:03:06.270

Town of Albion: So they enter that actually in a couple different ways, because they're not they are not going to count anymore, unless you can charge the.

19

00:03:06.960 --> 00:03:16.170

Town of Albion: rate that was so much access to what they would pay real property tax exceeded it but, again, that would come out the highest of your cable TV subscribers.

20

00:03:16.800 --> 00:03:33.210

Town of Albion: Which is also something that anybody who receives their cable TV services through other means, such a satellite does not have to pay so basically you're you're creating a subsidy from the cable TV customers to everybody else in town.

21

00:03:35.940 --> 00:03:38.310

Town of Albion: And we have to not not to do that so.

22

00:03:39.480 --> 00:03:43.980

Town of Albion: There is no there's no money exchanging hands in your direction disagree.

23

00:03:46.050 --> 00:03:51.060

Town of Albion: Any other questions about Florida in both ways for 15 years, yes, well.

24

00:03:52.200 --> 00:04:01.170

Town of Albion: As with anything you know I mean there's those clauses in there or well, like any other corporation go sneaky little P that idea we got the doctor is left.

25

00:04:01.920 --> 00:04:15.720

Town of Albion: There there's This is nothing to do with your programming or anything like that this is simply giving them the right to come in and be able to work on the polls and wiring and things like that.

26

00:04:17.160 --> 00:04:21.780

Town of Albion: without having to get a permit to do that, every time they want to come into town.

27

00:04:22.590 --> 00:04:36.300

Town of Albion: it's also probably worth noting that this is a non exclusive franchise that they've granted to this company and the only company wanted to come and provide similar services to the town perfectly free to do not have anything.

28

00:04:39.330 --> 00:04:40.110

Town of Albion: else that wants to.

29

00:04:44.340 --> 00:04:45.720
Town of Albion: Okay, that sounds good.

30
00:04:47.520 --> 00:04:49.410
Town of Albion: Any other questions.

31
00:04:52.320 --> 00:04:54.210
region vote to.

32
00:04:57.420 --> 00:04:58.620
Town of Albion: move into a German.

33
00:05:01.200 --> 00:05:02.190
Town of Albion: You can write.

34
00:05:03.330 --> 00:05:04.410
Town of Albion: An action item.

35
00:05:08.520 --> 00:05:09.390
Town of Albion: urine the.

36
00:05:10.530 --> 00:05:12.810
Town of Albion: movie review second.

37
00:05:14.280 --> 00:05:16.080
Town of Albion: All in favor Aye.

38
00:05:18.330 --> 00:05:23.880
Town of Albion: Alright, we will open this meeting of the town board
regular meeting.

39
00:05:28.020 --> 00:05:29.820
Town of Albion: Call it to order at.

40
00:05:31.140 --> 00:05:31.920
Town of Albion: 36.

41
00:05:36.750 --> 00:05:37.080
So now.

42
00:05:40.230 --> 00:05:42.060

We will hope to.

43

00:05:44.670 --> 00:05:52.110

Town of Albion: The franchise agreement between us and charter communications do I have a motion to accept the franchise agreement which.

44

00:05:54.600 --> 00:05:59.520

Town of Albion: Motion made by lani seconded by deck on favor turn.

45

00:06:02.220 --> 00:06:05.700

Town of Albion: Although I have a problem with the 15 year.

46

00:06:07.050 --> 00:06:10.290

Town of Albion: Just to note that are left to provide.

47

00:06:30.330 --> 00:06:34.950

Town of Albion: Did you all have a chance to read the previous two months we meeting minutes.

48

00:06:38.550 --> 00:06:40.710

Town of Albion: Every elements changes problems.

49

00:06:43.260 --> 00:06:56.310

Town of Albion: and close the workshop in January eight organizational and if the new normal regular board meetings for the January, February regular board meetings and special orient moratorium on Twitter.

50

00:06:58.320 --> 00:07:00.450

Town of Albion: We are, we are already approved.

51

00:07:01.890 --> 00:07:03.060

But that's fine.

52

00:07:04.620 --> 00:07:05.670

Town of Albion: So all those the.

53

00:07:11.130 --> 00:07:11.550

Second.

54

00:07:13.980 --> 00:07:16.290

Town of Albion: By rick second and my day on favorite.

55

00:07:20.490 --> 00:07:21.090

Town of Albion: Okay.

56

00:07:23.640 --> 00:07:26.160

Town of Albion: Can I have a motion to approve.

57

00:07:27.180 --> 00:07:37.140

Town of Albion: Before this meeting we we did a talent audit books, make sure that we get that in the Minutes that we did that, and we all that.

58

00:07:38.340 --> 00:07:39.720

emotion through.

59

00:07:41.250 --> 00:07:44.640

Town of Albion: Water ocean, but second by.

60

00:07:45.750 --> 00:07:47.130

Town of Albion: Money on favorite.

61

00:07:50.460 --> 00:07:50.940

Town of Albion: Okay.

62

00:07:52.620 --> 00:07:58.140

Town of Albion: paperwork out of the way we'll move right into like Maxwell are assessor because I know he has another meeting.

63

00:08:01.260 --> 00:08:05.700

Town of Albion: I handed you a hand up this is how.

64

00:08:06.720 --> 00:08:09.360

Town of Albion: Korea, the county ran the impact nurses.

65

00:08:10.800 --> 00:08:12.450

Town of Albion: If you look on.

66

00:08:13.260 --> 00:08:24.810

Town of Albion: Where it says prior rate under the county and show that the tax rate of return on \$10 and change per thousand once we increase the assessments that we got \$7 and one of the time.

67

00:08:26.490 --> 00:08:48.570

Town of Albion: And the origin of the next line is the lb in town, the tax rate for \$6 and change once the video is going to increase it up to \$4 and 50 cents in pw school and 1685 \$12 and 14 cents plus high school 125 down to 18.

68

00:08:49.830 --> 00:08:53.640

Town of Albion: And then you got the player in the lake which are pretty powerful.

69

00:08:54.810 --> 00:09:01.230

Town of Albion: So when he once they compile these breaks they then your second page of agents.

70

00:09:04.290 --> 00:09:11.910

Town of Albion: Of the neon this was this next one of your notices by stress out to me and figure that would be this person is assessment.

71

00:09:13.470 --> 00:09:15.240

Town of Albion: 2021 62,000.

72

00:09:16.410 --> 00:09:26.850

Town of Albion: Current year it's only 62,000 so the market value in 2024 74,699 in the market value now still only 62,000.

73

00:09:28.230 --> 00:09:35.880

Town of Albion: weapon they compile all the rates had this assessment that in place last year, he would pay roughly about \$600 less than tax.

74

00:09:41.730 --> 00:09:47.400

Town of Albion: you're going to see some of these, and they will call you and you're going to hear the most about it was one on the next page.

75

00:09:50.070 --> 00:09:58.920

Town of Albion: I have a problem with this Notice ways written, because under that net change where it shows it stupid because it's not apples to apples.

76

00:10:00.240 --> 00:10:02.790

Town of Albion: And you'll see how it is on the next page it doesn't.

77

00:10:04.620 --> 00:10:13.830

Town of Albion: want to place it should show the changes on the market, it shouldn't show it on the assessed value such value one was that 100%

loans that eat something percent so really to change their doesn't mean anything.

78

00:10:14.970 --> 00:10:17.880

Town of Albion: market value of the last line over is really where you want to.

79

00:10:19.230 --> 00:10:19.650

Town of Albion: Look.

80

00:10:21.780 --> 00:10:22.650

Town of Albion: On the next one.

81

00:10:23.880 --> 00:10:28.110

Town of Albion: Obviously, this one, this is one of the ones where there was a lot of activity that.

82

00:10:29.220 --> 00:10:41.400

Town of Albion: Either I missed or somebody must have whatever but there's a lot of stuff there that didn't get on the road before, so the assessment and 2020 was at 39,195.

83

00:10:44.520 --> 00:10:53.160

Town of Albion: And market value was roughly almost 47 now 295 so the text on this individual property are going up \$2,454.

84

00:10:54.840 --> 00:10:56.160

Town of Albion: That would be the least for.

85

00:10:58.830 --> 00:11:06.270

Town of Albion: Every property owner will get one of these notices, the first way is already went out to us some gap by the end of the week that we send them out in batches.

86

00:11:07.980 --> 00:11:09.180

Everybody will get these.

87

00:11:10.500 --> 00:11:16.710

Town of Albion: The following page a little more information on, there will be printed on the back side of all these notices.

88

00:11:18.000 --> 00:11:27.420

Town of Albion: I will try to explain as best I can but what you really want to have everybody understands Marty though don't look at anything else other than that for the changes.

89

00:11:28.080 --> 00:11:36.630

Town of Albion: The assessed value that change means nothing it's really was market value in 2020 what's the market value now and then we'll see if they have changed.

90

00:11:37.770 --> 00:11:43.050

Town of Albion: The average assessment probably won't have somewhere around 30% So if you went from.

91

00:11:44.370 --> 00:11:50.160

Town of Albion: 70 to roughly 90 \$500 we probably won't see much change the next.

92

00:11:52.950 --> 00:11:53.970

Town of Albion: next page is.

93

00:11:55.140 --> 00:11:59.730

Town of Albion: All the information that they get a hold of me to schedule meetings.

94

00:12:01.980 --> 00:12:03.780

Town of Albion: Little blurb or what the sales are from.

95

00:12:05.070 --> 00:12:12.870

Town of Albion: When they're going to be Jewish, for the first time, the text but it's not usually the 2021 school than the 2022 towns county.

96

00:12:14.550 --> 00:12:28.380

Town of Albion: phone number is there that they call it the only dates and times are mentioned, there will, age, the phone for people who melvin because I was saying no one's going out another time The other thing is I left a copy of a.

97

00:12:30.570 --> 00:12:38.460

Town of Albion: question here with me if somebody wants to come in and fill it out why they think assessments and arrow that morning, welcome to.

98

00:12:39.120 --> 00:12:49.140

Town of Albion: The can also send a letter essential fast to the town, they can email me The other thing is all the assessments are updated on the squiggle county.

99

00:12:49.710 --> 00:12:59.580

Town of Albion: image make file so to Google, so we can kind of image me what Albion look up everybody's assessment motown there's also listening here that amy has.

100

00:13:00.120 --> 00:13:09.510

Town of Albion: was also three books right there i'll give you guys a couple of these sales books, with all the sales that we have they'll be here so somebody wants to come in and look through that warm welcome to.

101

00:13:10.140 --> 00:13:15.540

Town of Albion: When they call me, I will pull the sales that i'm using if they want a copy of it, I will mail them on.

102

00:13:18.150 --> 00:13:28.260

Town of Albion: The biggest thing i'm taking notes, please be patient with the phone calls as there's only one line no voice messages are going to be us and there's gonna be no in person meetings at this time.

103

00:13:30.360 --> 00:13:50.550

Town of Albion: Now, the second part, there will be in person meetings in May, I have to civil the role for four days in May, so I put down the four days i'm going to be here 70 to 8070 and then June 2 I will be here if somebody wants to come in, we can order the assessment, I get more information.

104

00:13:52.530 --> 00:13:59.970

Town of Albion: There is a problem with real estate talking with a Var we got to change that because I didn't realize people are working so hard to change that but.

105

00:14:00.900 --> 00:14:11.130

Town of Albion: in person, meetings and make the only difference between them and the meetings now is once you come in and make if we make agree on what the day you should be you have to sign the stipulation.

106

00:14:12.390 --> 00:14:26.790

Town of Albion: When you call me in the next couple of weeks, I will review the assessment i'll change it, and then you're going to be sending a notice the first week in May, when the tended to roll thumbs up so you come in and say hey Mike I think.

107

00:14:27.960 --> 00:14:39.390

Town of Albion: This is wrong natural is OK, I will change the system from 198% of noticing it says the change the 90,000 then all this, the dates and times i'm sitting with role and also listen, we agreed.

108

00:14:41.190 --> 00:14:42.090

Town of Albion: They still want to.

109

00:14:43.110 --> 00:14:56.310

Town of Albion: Take another bite at the apple you're more than welcome to come in those other four days and sit down and go over it again, but may I be any changes, then here's the stipulation you sign you're not going to see for assessment with you because that's.

110

00:15:00.240 --> 00:15:10.020

Town of Albion: The only thing I can tell you is, I will be very helpful as I can, with everybody, and I will be if somebody calls up and wants to be whatever I will even phone.

111

00:15:11.220 --> 00:15:17.580

Town of Albion: Just hopeless to the I will be as bend over backwards to help anybody who buys, this is a.

112

00:15:18.900 --> 00:15:31.530

Town of Albion: Most people, the only go to sometimes a lifetime, it is tough, I am the way we can tax increase taxes are a nightmare for everybody, but on the other hand, when I look at some of this.

113

00:15:32.670 --> 00:15:40.320

Town of Albion: let's Take, for instance, this gentleman who's text one down \$600 so the last five years, maybe \$3,000 more taxes and the show.

114

00:15:41.340 --> 00:15:51.180

Town of Albion: He has no money down and underpaid the 600 has the money he might not know that he has the money, but he has someone so there's two ways to look at it.

115

00:15:52.470 --> 00:15:56.220

Town of Albion: The other thing is, I know you will get a phone call from the minus 600.

116

00:15:57.660 --> 00:16:00.420

Town of Albion: toward I know you're going to call it from the plus 3000.

117

00:16:03.540 --> 00:16:14.760

Town of Albion: The bottom line is where is everybody is, what do you think the property is worth in the camp style of the texts are none of us have that much control over Texas Oh, we do with some extent you guys go to some extent license.

118

00:16:15.930 --> 00:16:20.670

Town of Albion: So we roughly \$100,000 in the town right now you're probably looking at.

119

00:16:21.750 --> 00:16:22.680

Town of Albion: Probably looking at.

120

00:16:24.090 --> 00:16:25.380

Town of Albion: 713.

121

00:16:26.910 --> 00:16:30.780

Town of Albion: Pretty close to 3000 during the one school district if you're in the.

122

00:16:33.270 --> 00:16:36.300

Town of Albion: Last guy school decision by looking at 32 to \$33.

123

00:16:37.650 --> 00:16:46.290

Town of Albion: So hundred thousand dollar property or anything they were 3030 \$400 in your pocket Texas before any exemptions are taken off.

124

00:16:47.790 --> 00:16:58.080

Town of Albion: All the letters awesome give people the exemptions, it will show that they have a star enhanced are seeing you're a veteran and they'll be calculated in there.

125

00:16:59.430 --> 00:17:01.320

Town of Albion: The star exemption will change.

126

00:17:02.400 --> 00:17:11.220

Town of Albion: what's going to happen is they'll give us a funky break by sometime maybe for now that should give us before we should be for the tend to roll comes out.

127

00:17:12.270 --> 00:17:14.700

Town of Albion: No, I think it back it won't be until after.

128

00:17:16.290 --> 00:17:24.630

Town of Albion: After the roles, I think it's In June we give us a different rate some formula they used to figure out the star exemption and I.

129

00:17:25.080 --> 00:17:34.020

Town of Albion: sure exactly what it is supposed to be 30 but it might go to 32 or 33 and the enhanced supposed to be 16 and zero to 62 or 63.

130

00:17:34.890 --> 00:17:54.510

Town of Albion: it's the changing level times, the rate that's the formula that I don't keep track of we can get it from our liaison once everything is set, now the liaison that was working with me they took a survey of all the properties and they asked me the value was at.

131

00:17:56.910 --> 00:18:12.150

Town of Albion: One point old three so what they said what we're about to present over what the SP the time to be worth, which is good because I mean we have a little leeway there we lower a few here and there will be back down to 100% and that's pretty much what we're going to declare from the top.

132

00:18:14.010 --> 00:18:31.770

Town of Albion: And the sales are still coming in hot just 300 Barber just sold \$170,000 my estimated about 140 I don't know where the money's coming from as I I don't know but they're still coming in every.

133

00:18:33.570 --> 00:18:36.300

Town of Albion: Day, no say a lot on Barber they sold.

134

00:18:37.980 --> 00:18:43.890

Town of Albion: Was there sits on that little pond so I sleep with the two lights in the House over three of them 35,000.

135

00:18:45.270 --> 00:18:48.540

Town of Albion: It was assessment for some was wrong 190 I think all together.

136

00:18:49.740 --> 00:18:59.730

Town of Albion: So I mean any anything with land 10 1520 acres a decent house on the sales 150 to 250,000 so.

137

00:19:01.050 --> 00:19:08.820

Town of Albion: In double wides if you look through the catalog there and i'll be you guys these two copies she has three leave here I mean.

138

00:19:10.530 --> 00:19:23.130

Town of Albion: Even that stuff back in the notes, you want to call it there, they can adapt my other whatever that class was over a couple of sold for \$70,000 and there's no like Christie it's a goal path.

139

00:19:24.240 --> 00:19:25.560

But that's what they support.

140

00:19:27.750 --> 00:19:29.850

Town of Albion: me here's lb cross road.

141

00:19:31.590 --> 00:19:53.700

Town of Albion: Building 546 square feet of 300 acres overnight \$4,000 55 caster road 10 acres 420 square feet, I mean it's like a box So for me some thousand clearly already in place to live.

142

00:19:55.080 --> 00:19:56.400

Town of Albion: And everybody wants to be your.

143

00:19:57.420 --> 00:19:58.350

Town of Albion: English yourself.

144

00:20:01.620 --> 00:20:10.290

Town of Albion: Double wides or what it really is taking off doing the sales here at 600 1300 16 under 37.

145

00:20:13.350 --> 00:20:20.640

Town of Albion: Just across the board follow them, the average number whites in decent shape 13 1400 square feet you're pushing hundred thousand now.

146

00:20:22.410 --> 00:20:33.960

Town of Albion: I don't know if anybody bought longer later, but for why suddenly realized why some of these prices, the way they are, because my understanding is provide for our person six \$7 please so that's the other day.

147

00:20:37.920 --> 00:20:46.530

Town of Albion: So when they when they call Now I will give my 10 or 15 minutes on review everything the sport, we have the House so big bathrooms by.

148

00:20:47.280 --> 00:20:53.160

Town of Albion: heating system so much land it's going to be up to them to tell me why they don't think it's worth that much.

149

00:20:54.000 --> 00:21:10.110

Town of Albion: And i'm really good at finding state I got no problem changing because i'm not that perfect the doing this for 30 years and I realized, they will receive things I will get hopefully 6000 houses between beginning of August till the end of November, so I didn't make a mistake.

150

00:21:11.430 --> 00:21:27.960

Town of Albion: got really good land on that day, good, so I mean I will back away these houses that are not on the interior I would be if somebody stay we've got a couple of those keeps that they buy and usually the upstairs is finished.

151

00:21:29.790 --> 00:21:36.060

Town of Albion: I want to see a picture, because what happens is two years later it sells itself \$50,000 more when I got such boring.

152

00:21:37.410 --> 00:21:39.780

Town of Albion: So I would prefer they showed a picture of the upstairs.

153

00:21:43.050 --> 00:21:50.040

Town of Albion: And again, if you guys have something that you see that you really think I should take a look at it just email me now, and you know i'll address.

154

00:21:52.020 --> 00:21:56.220

Town of Albion: Everything probably has to be cleaned up by about 15 13th of April.

155

00:21:57.750 --> 00:22:05.040

Town of Albion: This first round, because then they get attentive already they'll come out to me first they will show all the changes that I made from these hearings.

156

00:22:06.630 --> 00:22:13.080

Town of Albion: In your thinking, the hearings that he's capable of those games with them and Mrs Mrs aid, you know realize that Mr.

157

00:22:13.680 --> 00:22:23.310

Town of Albion: Jones got can't back to the word like Google and I find a camp, like the risk assessment is more like Lord estimate first it's hard to raise, but before then, I can still raise.

158

00:22:24.930 --> 00:22:29.520

Town of Albion: And I will I played with the Ferris and do the best I can do my ability.

159

00:22:31.590 --> 00:22:34.950

Town of Albion: And I did find a camp and like I mentioned, where it was but.

160

00:22:36.630 --> 00:22:58.200

Town of Albion: Neither you seem to be like that work under circumstances that was pretty writing I don't know if there was ever I have to go over with you i'll send you a copy, where it was, but I Google that showed up at the area, so they are already paid 240,000 from the original house and waiting.

161

00:23:00.090 --> 00:23:01.410

Town of Albion: and expect you know they.

162

00:23:02.640 --> 00:23:07.710

Town of Albion: want to call upon the overflow or something that's back in but that's neither here nor there.

163

00:23:10.710 --> 00:23:13.050

Town of Albion: So that's pretty much where we stand.

164

00:23:15.270 --> 00:23:28.590

Town of Albion: In person may reason idol I don't see any reason why we have to do it in person, right now, I can talk to me on the phone I can mail information if they want the information here last minute stuff but.

165

00:23:29.730 --> 00:23:46.380

Town of Albion: It may hopefully things will be more wind up, I will be completely annihilated by then i'm getting my second child and other week and i'll feel more comfortable, because I have people heart conditions, and I assume I catch anything, and only then sure, a lot of your.

166

00:23:48.960 --> 00:23:58.350

Town of Albion: The online stuff is great, the one line and look up and down the assessment roles, if you when you can find properties that sold I tell you.

167

00:23:58.920 --> 00:24:13.050

Town of Albion: You know these are the properties that are used, you can actually go in Google of this picture down line on the county website, so the island nation, I know a lot of your seniors are going to be able to most of the most valuable, I see the paper trail making mail stuff.

168

00:24:15.570 --> 00:24:20.820

Town of Albion: that's pretty much all I got he's got questions I know we have one question.

169

00:24:22.650 --> 00:24:27.990

Town of Albion: The time when you send out these packets that you're talking about letters.

170

00:24:30.330 --> 00:24:47.460

Town of Albion: Why, there was a little glitch I asked somebody I said, do we have in our evaluation there's guidelines they said anything under 80% you don't have sent out the impact, you can, but you don't have to send them out as much protocol.

171

00:24:48.570 --> 00:24:58.500

Town of Albion: When he sets up the domain, we got back to what she said was 85 yeah one of the other ways and still be so I was under the impression, when I was going to do is put.

172

00:24:59.100 --> 00:25:07.170

Town of Albion: Hastings out force that put yourself to look to would be like this, but so, then I already started putting some out to work we're.

173

00:25:08.190 --> 00:25:09.870

Town of Albion: going to give you any parting.

174

00:25:11.190 --> 00:25:25.650

Town of Albion: From the kind of differ from the state, but like back in January, I had to fill out paperwork with us, because we were eligible for up to \$5 pride ourselves in a rebel are we still yeah sure, so those guidelines.

175

00:25:27.030 --> 00:25:35.280

Town of Albion: I mean doing this for 30 years that we didn't buy the book notices already started going out they actually the assessments we're online as of March 1.

176

00:25:36.120 --> 00:25:43.200

Town of Albion: i'll new assessments in my mind, since I think two weeks i've already had three for a phone call from some of your.

177

00:25:43.770 --> 00:25:50.730

Town of Albion: Property owners already I don't know why they are online looking at the assessments, but they were and they called me one, though, why I reached your assessment.

178

00:25:51.300 --> 00:26:05.130

Town of Albion: Assessment Alto this letter comes out so yeah you can you have mailed them now Mike the 401 out the rest of them are going on man.

179

00:26:09.660 --> 00:26:11.580

Town of Albion: Did you get yours okay.

180

00:26:13.440 --> 00:26:23.280

Town of Albion: No well what I did was talk of the town Aaron and all the people have 810 parcels I bunch always together and got those all looks like a couple hundred too long.

181

00:26:24.120 --> 00:26:30.300

Town of Albion: And then the single one is gone now another bunch of all tomorrow morning and rest of the day, Thursday morning.

182

00:26:30.960 --> 00:26:47.940

Town of Albion: But there was three or 400 1400 all together and they think we're already down to about 900 that we actually had to do single single ones for there was a lot of leaving a lot of property owners, a lot of parcels between all state Liam.

183

00:26:51.360 --> 00:27:01.860

Town of Albion: Business associates and people like that at 810 12 parcel they watch them all together posted Shin Chan ago no mistakes, I understand.

184

00:27:03.030 --> 00:27:08.790

Town of Albion: But again, a lot of those hours they've already been in the band, so one of the things you would get yours managers out.

185

00:27:10.470 --> 00:27:17.490

Town of Albion: Friday or Saturday to you should have should have yours, like my wife and I were before it's also.

186

00:27:18.600 --> 00:27:20.280

Town of Albion: Why not wanting to.

187

00:27:22.110 --> 00:27:27.360

Town of Albion: waver getting in the mail that's all it's just a matter of getting out and.

188

00:27:29.790 --> 00:27:40.320

Town of Albion: Normally the normal to even hasty we're putting them out and things just don't want a whole line as well because everybody's supposed to be using the same concept of work so.

189

00:27:41.430 --> 00:27:46.290

Town of Albion: You mentioned that you don't think that they're going to be any problem, but I showed you I showed you the law.

190

00:27:46.770 --> 00:27:56.430

Town of Albion: The real property tax law 5051 I can't remember the number, I know you got 60 days that they have to be out prior to the tentative date.

191

00:27:57.390 --> 00:28:10.200

Town of Albion: And it's the role which is may 1 and that would bring it back to March 1 what you mentioned, I talked to the State Devon Devon is them in conversation with you right, yes, you said that they were mailed out last week.

192

00:28:11.820 --> 00:28:14.040

Town of Albion: that there should not be any problem with with.

193

00:28:15.270 --> 00:28:23.250

Town of Albion: The \$5 because the town gets \$5 per partial you're aware of that, yes, I well I don't.

194

00:28:26.910 --> 00:28:27.240

Town of Albion: know.

195

00:28:29.220 --> 00:28:46.410

Town of Albion: you're pretty sure if you think you've been doing it for 30 years pretty sure that will still be entitled to giving that stated, yes okay good I mean they never went out on all the projects i've ever worked in boys well for the first 10 days of March 1 and it's not a.

196

00:28:47.490 --> 00:29:02.280

Town of Albion: job that situation okay well that's not what the state know it's right communicated with me button, as long as you're good with it, I mean I mean one of the 1300 parcels here.

197

00:29:03.810 --> 00:29:06.660

Town of Albion: yeah before then you take away our state lean into the.

198

00:29:07.980 --> 00:29:18.180

Town of Albion: 13 times five be 6500 we could just hold back that if we don't get it, we can all back that 60 \$500 out of your salary for doing this correctly.

199

00:29:19.500 --> 00:29:20.880

Town of Albion: between a fair fair.

200

00:29:24.630 --> 00:29:29.640

Town of Albion: Second, I wish you held up because i'm sending out second notices next you know by Friday.

201

00:29:30.990 --> 00:29:32.820

Town of Albion: On pace for people.

202

00:29:34.560 --> 00:29:35.850

Town of Albion: And people are going to be so.

203

00:29:38.640 --> 00:29:50.970

Town of Albion: They get a letter saying there's so much going up, and then I mastered it on the pay their taxes online people are going to be yeah, the sooner the better, I guess, my thing is what katie katie in devil.

204

00:29:52.020 --> 00:29:56.970

Town of Albion: comes today yeah and I can also table the other times I did.

205

00:29:59.190 --> 00:30:00.690

Town of Albion: It wasn't the money there's hope.

206

00:30:01.980 --> 00:30:09.810

Town of Albion: it's that that \$5 they've been very stingy about their money very, very, very stingy about I don't know any of the time they've ever gotten one.

207

00:30:11.130 --> 00:30:11.730
Town of Albion: Two bucks.

208
00:30:12.930 --> 00:30:13.410
Town of Albion: We always.

209
00:30:15.150 --> 00:30:15.870
We always get.

210
00:30:17.100 --> 00:30:28.650
Town of Albion: I can tell you right now it's the first time, this time the revaluation has been this thorough has been because it's never been this sort of they kind of every year before they never actually one property, the property property.

211
00:30:29.880 --> 00:30:39.030
Town of Albion: And it's the same in the settings in Hastings I don't they don't know why are you crying when it was all mark 5% so they kind of moved everybody 5% and.

212
00:30:40.230 --> 00:30:45.030
Town of Albion: kind of a little magic and that's what they did they never did the extensive on that I just did.

213
00:30:46.110 --> 00:30:52.590
Town of Albion: And then I can tell only because of the changes that i've seen here in Hastings and the same.

214
00:30:53.730 --> 00:30:56.220
Town of Albion: The people work together they both times.

215
00:30:58.110 --> 00:31:05.370
Town of Albion: And Hastings I have virtual properties are going to play thousand dollars in taxes, because about half the inventory.

216
00:31:09.270 --> 00:31:14.760
Town of Albion: We have all three of the more assessment review numbers here you guys have any specific questions.

217
00:31:16.740 --> 00:31:29.460
Town of Albion: You go every single person in the town, personally, yes, everyone I could get to by driving the right way, obviously that's really in a walk to the rear land.

218

00:31:30.930 --> 00:31:32.640

Town of Albion: But everything that I can get to with.

219

00:31:33.720 --> 00:31:34.530

Town of Albion: will drive.

220

00:31:36.840 --> 00:31:45.270

Town of Albion: Growth by you did not have a home, no, no, no we're not going to get a readout several years ago and it.

221

00:31:48.450 --> 00:31:56.490

Town of Albion: became your House and look inside you to have to do a retiree evaluation of the property.

222

00:31:58.230 --> 00:31:58.710

Town of Albion: We didn't.

223

00:32:02.790 --> 00:32:07.980

Town of Albion: know there were companies, I need to get out of the measures because there was obviously permits that.

224

00:32:10.110 --> 00:32:19.350

Town of Albion: have this or they didn't have them or something that changed dramatically or something I measure I probably measured 1500 separate properties.

225

00:32:21.180 --> 00:32:22.200

Town of Albion: But first.

226

00:32:24.750 --> 00:32:27.150

Time that I met you in any way so.

227

00:32:31.410 --> 00:32:35.700

Town of Albion: that's what that was, and that was part of the whole to do the something was not really.

228

00:32:36.840 --> 00:32:46.290

Town of Albion: If you wanted to pay me \$40 a person who I wouldn't want that each one got out measure that one inside all that that that was not part of the reason.

229

00:32:49.470 --> 00:33:01.380

Town of Albion: there's more than the drive by and we looked at the time it took pictures updated the pictures update, there was a lot of changes that I would inventory, but if it was graduated from this buildings at it comes down.

230

00:33:03.060 --> 00:33:06.780

Town of Albion: There was enough Denise did such a great job or ustream mobile homes on.

231

00:33:08.280 --> 00:33:15.300

Town of Albion: That weren't even on the road, I don't know where they weren't they weren't even on the road, there was no night product to.

232

00:33:16.380 --> 00:33:18.420

Town of Albion: his attention to mobile home time.

233

00:33:20.040 --> 00:33:24.990

Town of Albion: The road is out here remember, I told you that there's people there that been over 10 years.

234

00:33:27.060 --> 00:33:27.960

Town of Albion: And roll.

235

00:33:29.430 --> 00:33:30.450

Town of Albion: star for people who.

236

00:33:36.210 --> 00:33:37.200

They live in another.

237

00:33:41.040 --> 00:33:46.800

Town of Albion: If their mailing address should still shows up as the property name shows right.

238

00:33:56.370 --> 00:33:59.430

Town of Albion: We have to, we have to learn the enhanced start.

239

00:34:01.140 --> 00:34:01.530

Town of Albion: But that's.

240

00:34:02.700 --> 00:34:09.000

Town of Albion: Even what you're saying they're living with her son, you can be in a nursing home for years so give me an answer right now.

241
00:34:11.640 --> 00:34:12.690
Town of Albion: For quite a few years.

242
00:34:14.190 --> 00:34:15.060
Town of Albion: who's living in up.

243
00:34:18.240 --> 00:34:18.780
For you.

244
00:34:23.820 --> 00:34:32.070
Town of Albion: Yet, but she sold, you know as a type of situation because she's local session you come back there she made that's we can take it away, thank you, thank you so.

245
00:34:34.170 --> 00:34:34.830
Town of Albion: I mean I don't.

246
00:34:36.510 --> 00:34:37.170
Town of Albion: know.

247
00:34:39.960 --> 00:34:40.320
I.

248
00:34:41.880 --> 00:34:45.420
Town of Albion: Other questions because individual things aren't really yes.

249
00:34:50.250 --> 00:34:59.040
Town of Albion: you send me the information I woke up solution for millionaires the mailing address is different than the property address.

250
00:35:02.520 --> 00:35:03.420
Anything else right.

251
00:35:09.330 --> 00:35:10.290
Town of Albion: updated the county.

252
00:35:14.190 --> 00:35:14.550
website.

253
00:35:34.020 --> 00:35:34.950

Town of Albion: county legislator.

254

Town of Albion: Anything else.

531

01:08:15.930 --> 01:08:17.340

Town of Albion: Well, thank you nice to see you thanks.

532

01:08:22.140 --> 01:08:22.860

code enforcement.

533

01:08:24.270 --> 01:08:28.560

Town of Albion: For before you go into your you're talking till nine.

534

01:08:29.640 --> 01:08:38.820

Town of Albion: He approached me and I think sent everybody a copy of that local law school just today Rebecca got back to me on then there's some changes that she.

535

01:08:39.870 --> 01:09:00.810

Town of Albion: would prefer to make because this law from 2017 and you have to actually refer to the changes and that paragraph was missing from this particular law so she wants to make changes which I talked to her about before the meeting, and he said, as long as we do it.

536

01:09:01.980 --> 01:09:07.470

Town of Albion: The next meeting, and then have it approved by the meeting that's.

537

01:09:13.110 --> 01:09:14.820

Town of Albion: public hearing them yeah.

538

01:09:16.740 --> 01:09:19.590

Town of Albion: So, but what i'll do is get the changes from her.

539

01:09:20.700 --> 01:09:23.160

Town of Albion: Before next meeting, and then we'll be able to set.

540

01:09:26.490 --> 01:09:28.950

Town of Albion: So we won't spend a lot of time on that tonight.

541

01:09:31.890 --> 01:09:33.120

Town of Albion: Sorry from.

542

01:09:34.950 --> 01:09:38.130

Town of Albion: every kind of slow month at one from every novel.

543

01:09:39.660 --> 01:09:41.940

Town of Albion: In \$75 in.

544

01:09:43.020 --> 01:09:46.830

Town of Albion: renewal fees one certificate of occupancy.

545

01:09:48.000 --> 01:10:01.890

Town of Albion: To certificates or compliance and I have been working with several realtors and operating buyers we got a lot of construction going to happen this training.

546

01:10:03.480 --> 01:10:07.830

Town of Albion: Like my kid said earlier, people are buying this property.

547

01:10:08.850 --> 01:10:14.670

Town of Albion: Like crazy and I already seen two sets of commercial plans for.

548

01:10:16.770 --> 01:10:29.280

Town of Albion: All cabins and Rentals in a couple of house parcels that you're very large houses and they're going to be a lot of construction going on in the spring I.

549

01:10:30.300 --> 01:10:30.930

Town of Albion: can see it.

550

01:10:32.460 --> 01:10:39.510

Town of Albion: In that slower girl split I looked into them a little bit, and then it looks like there's a good potential there.

551

01:10:40.770 --> 01:10:44.190

Town of Albion: Are some property value increases.

552

01:10:46.140 --> 01:10:55.230

Town of Albion: So the one she had acne and I get on the end of the road, known as the 47 acres owned by a partner and.

553

01:10:57.420 --> 01:10:59.460

Town of Albion: You know split it into three parcels.

554

01:11:05.070 --> 01:11:06.780

Town of Albion: Because there's stuff going on there.

555

01:11:10.830 --> 01:11:14.580

Town of Albion: We don't need to spend a lot of time on this is just something i'm proposing or.

556

01:11:16.470 --> 01:11:20.280

Town of Albion: At what point do we need to start thinking about actual zoning.

557

01:11:24.300 --> 01:11:30.120

Town of Albion: should not throw it's been tried and it never seems to work out well okay.

558

01:11:36.060 --> 01:11:36.540

Town of Albion: I don't.

559

01:11:37.980 --> 01:11:40.200

Town of Albion: like to hear about stuff in other towns.

560

01:11:42.210 --> 01:11:45.450
Town of Albion: The planning of the more.

561
01:11:47.670 --> 01:11:48.960
Town of Albion: I will give it to approve.

562
01:11:51.030 --> 01:11:57.540
Town of Albion: Well there's the road in that yes, and phase owning policy will be.

563
01:11:58.740 --> 01:12:00.690
Town of Albion: presented by the planning board.

564
01:12:01.980 --> 01:12:03.420
Town of Albion: He did not have one.

565
01:12:04.920 --> 01:12:12.600
Town of Albion: yeah it's unlawful for the town board to act as a planning board for the purpose of the administration of zoning policy.

566
01:12:14.910 --> 01:12:23.070
Town of Albion: Because the big promoted conflict with due process if someone doesn't like your policy they come to the planning board.

567
01:12:24.480 --> 01:12:30.090
Town of Albion: To discuss policy, and if you turn them down, then they can appeal to the sound board.

568
01:12:33.510 --> 01:12:39.240
Town of Albion: So, probably don't want to delve into that on right now.

569
01:12:49.650 --> 01:12:50.580
Town of Albion: you're going to hang around right.

570
01:12:55.980 --> 01:12:57.780
Town of Albion: falsely funny Europe.

571
01:12:58.950 --> 01:13:01.770
Town of Albion: Well, you know, last Monday we start Court again.

572
01:13:03.060 --> 01:13:06.960

Town of Albion: same procedures we started last December, but then people total.

573

01:13:08.550 --> 01:13:13.530

Town of Albion: we're getting notified new people because some of this stuff has been going on for a year.

574

01:13:15.030 --> 01:13:16.320

Town of Albion: In some of the people in.

575

01:13:18.570 --> 01:13:30.450

Town of Albion: biggest thing we've had lately is inspections state shut down brought it back to December 1 didn't tell anybody they're all very they're exempt and then they must they have plenty of them already.

576

01:13:31.950 --> 01:13:43.740

Town of Albion: Inspections but anyway, and the other thing is what we're looking at is we're trying to come up with a viable solution or what we can do, I have two cases one was the old joke Eric down there.

577

01:13:45.900 --> 01:13:52.860

Town of Albion: For the eight he's got a problem and the other words Buddhist we still hanging out there was no more about two years old.

578

01:13:54.510 --> 01:14:05.250

Town of Albion: I think we need to get with Rebecca and find out if you've got anything going on with the Buddha says, you know, two months ago she told me she had me the information the next day.

579

01:14:06.570 --> 01:14:13.290

Town of Albion: I never seen as you come in here one time in you and I talked her about it, she was going to jump onto it and maybe she jumped at higher title.

580

01:14:15.030 --> 01:14:15.330

I will.

581

01:14:16.860 --> 01:14:24.420

Town of Albion: Try and follow up again that's, the only thing we can do it, I mean if it comes from you, if I contact her she's just you know this.

582

01:14:25.590 --> 01:14:26.460

Town of Albion: Probably double jeopardy.

583

01:14:32.760 --> 01:14:33.570

Town of Albion: Questions everybody.

584

01:14:37.710 --> 01:14:38.130

Town of Albion: Thanks.

585

01:14:46.140 --> 01:14:50.580

Town of Albion: The monthly call report for February, where they had 15 calls.

586

01:14:51.930 --> 01:15:19.980

Town of Albion: The beginning February check register Valence was 30,547 for monthly expenses for February were 1600 dollars 70 cents, so the checking Valence moving forward to march, it was \$28,941 30.

587

01:15:20.700 --> 01:15:28.140

Town of Albion: actually have a thing under new business, but I think i'll move it up and talk about it now underneath the fire department, because it's for the fire department.

588

01:15:31.260 --> 01:15:35.760

Town of Albion: Is for led lighting for the fire department I got a.

589

01:15:37.200 --> 01:15:37.530

Town of Albion: Little.

590

01:15:42.780 --> 01:15:44.520

Town of Albion: The electrical services.

591

01:15:45.570 --> 01:15:48.810

Town of Albion: to install I think if all you did.

592

01:15:50.460 --> 01:15:59.790

Town of Albion: to install 50 new 52 new array led forefoot lamps that five gig color to replace all amps and the truck bay.

593

01:16:00.300 --> 01:16:21.300

Town of Albion: lamps who have a five year warranty and 50,000 our lifespan Labor is removal of old lance included for a total of \$995 which is significantly cheaper than the other company that we had in here, and this is a local company as well, so i'm in favor of that.

594

01:16:22.920 --> 01:16:26.790

Town of Albion: And to even further offset that 995.

595

01:16:27.840 --> 01:16:37.350

Town of Albion: firm has made a generous donation personal donation of \$250 towards that cost so that reduces and even further.

596

01:16:38.400 --> 01:16:42.240

Town of Albion: In my opinion, it's a no brainer but obviously it's go through the board.

597

01:16:43.320 --> 01:16:47.310

Town of Albion: Approval as well, so any questions or comments about the.

598

01:16:48.330 --> 01:16:48.690

Town of Albion: mission.

599

01:16:52.200 --> 01:16:53.940

Town of Albion: or the second.

600

01:16:55.080 --> 01:16:56.160

Town of Albion: All in favor I.

601

01:16:57.300 --> 01:16:58.560

Town of Albion: Can I get a copy of those.

602

01:16:59.670 --> 01:17:02.670

603

01:17:05.430 --> 01:17:05.730

Town of Albion: Be.

604

01:17:09.960 --> 01:17:10.260

Town of Albion: Think.

605

01:17:15.630 --> 01:17:20.220

Town of Albion: it's a big deal and we took we have a lot from carl's.

Town of Albion: Do you feel.

655

01:25:10.530 --> 01:25:11.100

Town of Albion: Good right.

656

01:25:14.400 --> 01:25:15.420

Town of Albion: From parker's.

657

01:25:18.480 --> 01:25:22.050

Town of Albion: he's written down and then morin's she has written down.

658

01:25:25.710 --> 01:25:29.880

Town of Albion: yeah what else yeah else one was really poorly.

659

01:25:42.660 --> 01:25:46.110

Town of Albion: You want more just what it is.

660

01:25:57.900 --> 01:25:58.290

Town of Albion: Second.

661

01:26:24.480 --> 01:26:25.140

business.

662

01:26:26.310 --> 01:26:33.750

Town of Albion: to set a date for the solar and wind up appearing.

663

01:26:37.140 --> 01:26:39.240

Town of Albion: I my original plan was to do.

664

01:26:41.070 --> 01:26:42.450

Town of Albion: To open at the same time.

665

01:26:43.680 --> 01:26:43.980

Town of Albion: same.

666

01:26:45.390 --> 01:26:54.060

Town of Albion: For the other Muslims we're going to put the other law for another month I think we can do this sooner, although we have to.

667

01:27:00.660 --> 01:27:08.310

Town of Albion: Be in town paper nice five days before the hearing, so my original thought was what did I say today.

668

01:27:10.140 --> 01:27:16.140

Town of Albion: Is the 23rd because that is the Tuesday yeah that works for everybody.

669

01:27:17.400 --> 01:27:19.950

Town of Albion: turned 60 public hearing them.

670

01:27:21.360 --> 01:27:22.170

Town of Albion: solar and wind.

671

01:27:27.390 --> 01:27:28.290

Town of Albion: So if you get that.

672

01:27:29.520 --> 01:27:30.870

Town of Albion: If you were to get back to them tomorrow.

673

01:27:33.090 --> 01:27:33.450

Town of Albion: Right.

674

01:27:34.470 --> 01:27:35.010

calendar.

675

01:27:38.070 --> 01:27:41.790

Town of Albion: Paper comes out Monday I get it in the mail on Monday.

676

01:27:45.540 --> 01:28:16.230

Town of Albion: Tuesday march 23 from the county that.

677

01:28:17.340 --> 01:28:17.730

Town of Albion: forward.

678

01:28:20.850 --> 01:28:23.100

Town of Albion: So that will allow us to.

679

01:28:24.630 --> 01:28:35.040

Town of Albion: The local law 120 21 and then that will give us time over we have six months for them to come up with what we want to do long term for your.

680

01:28:36.120 --> 01:28:36.450

When.

681

01:28:40.050 --> 01:28:41.640

Town of Albion: and apparently coordinator.

682

01:28:43.140 --> 01:28:47.790

Town of Albion: Is that other other places they're having questions too long.

683

01:28:48.960 --> 01:28:55.230

Town of Albion: I think part of that's because the governor open it up to make it so easy now for these companies to put in things and they're just.

684

01:28:56.310 --> 01:28:58.770

run roughshod over local municipalities.

685

01:29:10.170 --> 01:29:10.980

Town of Albion: i've already thought.

686

01:29:12.450 --> 01:29:14.010

about the CD.

687

01:29:15.750 --> 01:29:16.110

Town of Albion: well.

688

01:29:17.250 --> 01:29:17.730

Town of Albion: provider check down.

690

01:29:25.830 --> 01:29:31.110

Town of Albion: Below availability of speaking at a higher interest rate for the tech fair and please make sure that whatever that is.

691

01:29:32.910 --> 01:29:33.270

Town of Albion: and

692

01:29:34.710 --> 01:29:48.540

Town of Albion: That would be my boat and just keep it where it is in the money market because we get any any additional interest for 14 months correct and I don't want to tell you any money at that time, maybe.

693

01:29:50.640 --> 01:29:53.490

Town of Albion: Point one zero percent more right.

694

01:29:55.290 --> 01:30:02.100

Town of Albion: The one we we actually we did I have 14 months we would make a half of a percent yeah.

695

01:30:04.500 --> 01:30:04.800

So.

696

01:30:06.000 --> 01:30:11.220

Town of Albion: I agree, I agree with you that there's really no sense of moving up and how.

697

01:30:15.060 --> 01:30:20.430

Town of Albion: Their numbers your tank on your lady from keeping even told me the issues.

698

01:30:25.800 --> 01:30:26.580

Town of Albion: That we see.

699

01:30:29.580 --> 01:30:30.780

Town of Albion: Okay, new business.

700

01:30:32.850 --> 01:30:39.120

Town of Albion: need to adopt this public employer emergency plan for television that Paul and I put together.

701

01:30:40.920 --> 01:30:57.540

Town of Albion: I did get some feedback from Jim hollenbeck from the Union, he had no problems with how it was written, he was comfortable with it didn't have any suggestions for changes you guys have had plenty of time to review it and make comments such so.

702

01:30:59.880 --> 01:31:06.810

Town of Albion: Can I hit we don't have a public hearing it's just something that's got to be adapted on the shelf in there, so that we say we have a.

703

01:31:07.950 --> 01:31:11.100

Town of Albion: Have a motion to it out of the lawyer health emergency plan to.

704

01:31:13.320 --> 01:31:13.950

Town of Albion: Have a second.

705

01:31:15.720 --> 01:31:16.950

Town of Albion: All in favor of.

706

01:31:23.010 --> 01:31:26.310

Town of Albion: Anything interesting nom nom nom while.

707

01:31:28.800 --> 01:31:30.420

Town of Albion: They just asked us to adapt it.

708

01:31:31.980 --> 01:31:32.250

Town of Albion: shot.

709

01:31:38.850 --> 01:31:58.800

Town of Albion: Okay, you probably noticed that the flag was not there in that Highland the other night for broke broke it down, so I had sex Jesse to take care of it, he went and bought some new row and the new flag, because the old like with someone tattered was terrible, but it was definitely free.

710

01:32:02.430 --> 01:32:08.310

Town of Albion: started to try and put it up and realize that it definitely wasn't safe unilateral.

711

01:32:10.860 --> 01:32:12.660

Town of Albion: So he's agreed with Ted.

712

01:32:13.740 --> 01:32:14.220

Town of Albion: I think.

713

01:32:15.870 --> 01:32:18.300

Town of Albion: toby how the world has a truck.

714

01:32:19.530 --> 01:32:19.890

Town of Albion: morning.

715

01:32:27.270 --> 01:32:28.590

Town of Albion: Tomorrow morning at eight o'clock to.

716

01:32:29.760 --> 01:32:30.180

run that.

717

01:32:31.290 --> 01:32:34.560

Town of Albion: Take care of that, so we will have a new leg up tomorrow.

718

01:32:44.910 --> 01:32:48.060

Town of Albion: And then we were going he was giving us the lower.

719

01:32:50.220 --> 01:32:50.700

Town of Albion: possible.

720

01:32:57.000 --> 01:32:59.730

Town of Albion: and the last thing that I hadn't business.

721

01:33:07.200 --> 01:33:07.440

Town of Albion: means.

722

724

01:33:25.710 --> 01:33:28.230

Town of Albion: If those things open it up for us.

725

01:33:29.610 --> 01:33:30.000
