1

00:00:05.970 --> 00:00:09.179

Town of Albion: it's not really a forum for your personal complaints.

2

00:00:10.200 --> 00:00:11.880

Town of Albion: We have grievance day available.

3

00:01:36.060 --> 00:01:40.530

Town of Albion: When you came in the door to web addresses that should answer many of your questions.

4

00:01:45.540 --> 00:01:46.530

Town of Albion: In the process.

5

00:01:51.120 --> 00:01:52.410

Town of Albion: And certainly.

6

00:01:53.670 --> 00:01:58.590

Town of Albion: All of us on board and the frustration so some of us are bold.

7

00:01:59.850 --> 00:02:04.710

Town of Albion: And I just want everybody to know with this revaluation has been in the works for years.

8

00:02:05.760 --> 00:02:10.350

Town of Albion: Previous board reappointed Mr Maxwell another turn the rebellious that.

9

00:02:13.260 --> 00:02:15.030

Town of Albion: This process is not a thorough.

10

00:02:16.710 --> 00:02:21.150

Town of Albion: Research in time and, while not the information with the state and county.

11

00:02:22.830 --> 00:02:25.410

Town of Albion: And that's one of the complaints that I heard from.

12

00:02:26.850 --> 00:02:27.390

Town of Albion: The town, we.

13

00:02:29.190 --> 00:02:30.060

Town of Albion: are out of work and.

14

00:02:31.830 --> 00:02:35.790

Town of Albion: I hope everyone realizes that no one could ever seen a band seven.

15

00:02:39.450 --> 00:02:40.080

Town of Albion: years.

16

00:02:43.980 --> 00:03:03.810

Town of Albion: etc so much down 8% is the amount of property and so for many thousands more what you said was like next one has been emailing us over the last couple years and it's simple bit different test made up, we got to go from that 83% better.

17

00:03:06.180 --> 00:03:07.230

Town of Albion: By doing that.

18

00:03:09.330 --> 00:03:12.210

Town of Albion: And just more of those are jackets are spending with it's.

19

00:03:13.320 --> 00:03:18.600

Town of Albion: A higher level of tax base a lower tax rate and the tax bill that should not change.

20

00:03:19.740 --> 00:03:22.650

Town of Albion: Over hopefully when all of us do our job.

21

00:03:25.170 --> 00:03:25.620

Town of Albion: and

22

00:03:26.970 --> 00:03:41.040

Town of Albion: For that, I would like to have one waiting definitely making comments they they might want to make surface off and i'm going to ask the question you've been doing it so i'll start calling people.

23

00:03:42.390 --> 00:03:46.470

Town of Albion: Thank you for bearing with me through that a little introduction.

24

00:03:49.770 --> 00:03:54.180

Town of Albion: I don't really have a lot of comments, most of the call with the.

25

00:03:55.650 --> 00:04:02.760

Town of Albion: Motion we've got worked out obviously there was some incorrect data that's a properties.

26

00:04:04.170 --> 00:04:08.160

Town of Albion: For some of the camps that were completed on inside and I got some photos to show.

27

00:04:10.860 --> 00:04:13.950

Town of Albion: I was on the phone Wednesday and Thursday, Friday I don't think I added.

28

00:04:15.090 --> 00:04:20.820

Town of Albion: 20 calls to three days back Thursday, Friday I don't think I had five calls a Thursday right.

29

00:04:22.500 --> 00:04:31.470

Town of Albion: So I don't know if people are waiting until maybe i'm setting a goal person or you know what is going on, but i'm not seeing that much this content.

30

00:04:33.360 --> 00:04:34.950

Town of Albion: What i've been doing on the phone.

31

00:04:36.930 --> 00:04:48.330

Town of Albion: office in the basement of my house like upstairs get something to eat or the bathroom I come back down to this call, like, I find the number to call the person back and retry or something.

32

00:04:49.980 --> 00:04:57.060

Town of Albion: xml probably 100 to 250 captions or sales to show people, what are the numbers.

33

00:04:59.370 --> 00:05:00.870

Town of Albion: Again, I really haven't seen.

34

00:05:02.490 --> 00:05:03.330

Town of Albion: That many.

35

00:05:04.470 --> 00:05:18.450

Town of Albion: All that much concerns I don't know is being backlog wait till a what's going on the other thing was I actually stopped all of the envelopes with the.

36

00:05:20.430 --> 00:05:28.560

Town of Albion: New assessment, I was quite taken aback by how many are not mobile I think of the 1400 properties of the throughout the state man.

37

00:05:29.610 --> 00:05:39.330

Town of Albion: I almost want to see happen towns that local assessment local people, we have one one first we see Diego California perfect back to the picture of my son with me.

38

00:05:40.560 --> 00:05:43.740

Town of Albion: So I mean a lot of times very good Connecticut.

39

00:05:45.120 --> 00:05:49.920

Town of Albion: Pennsylvania and it's probably the largest groups of people and on property efficient.

40

00:05:51.390 --> 00:05:56.010

Town of Albion: And that is causing some of the problems with spike in sales, because obviously you're getting.

41

00:05:57.060 --> 00:06:03.240

Town of Albion: people that have a different income, the people that are locally you're buying properties of the much higher.

42

00:06:04.380 --> 00:06:12.150

Town of Albion: value, but on the other hand, they're only paying with the people that are selling for asking so it's simple I mean.

43

00:06:13.620 --> 00:06:13.980

Town of Albion: But.

44

00:06:15.510 --> 00:06:21.840

Town of Albion: I really haven't seen I don't know how much of this is what I really don't see much money, think about phones.

45

00:06:27.120 --> 00:06:35.820

Devon Stewart: yep I am can you guys hear me yeah my name is devin Stewart I work for a New York state in the office of real property tax services.

46

00:06:36.750 --> 00:06:40.290

Devon Stewart: So i've been talking with Mike Maxwell right along his project.

47

00:06:41.280 --> 00:06:50.760

Devon Stewart: Our offices in Syracuse we help out not only, as we go county but you know all the counties in New York state anytime that's doing a reassessment we're there to.

48

00:06:51.330 --> 00:07:01.410

Devon Stewart: Help them along any any New York state legal questions and that type of thing, so I was you know talking with Mike right along throughout this evaluation and.

49

00:07:03.330 --> 00:07:06.330

Devon Stewart: just wanted to be here for the meeting and introduce myself.

50

00:07:12.420 --> 00:07:12.690

Town of Albion: Thanks.

51

00:07:14.010 --> 00:07:17.790

Town of Albion: i'm going to go right into some people that want to make comments.

52

00:07:19.800 --> 00:07:20.040

Town of Albion: and

53

00:07:21.120 --> 00:07:22.170

Town of Albion: Take care of that.

54

00:07:24.960 --> 00:07:28.830

Town of Albion: First up, we have William Hall, he would just stand up.

55

00:07:31.110 --> 00:07:32.880

Town of Albion: meetings we live, I live by not.

56

00:07:32.940 --> 00:07:34.800

Town of Albion: Center over over 45.

57

00:07:36.330 --> 00:07:39.900

Town of Albion: I don't want to change the subject, but the reason I come here was.

58

00:07:40.980 --> 00:07:42.990

Town of Albion: about the gravel back across the road.

59

00:07:44.100 --> 00:08:07.860

Town of Albion: I don't have free enterprise would just for winter we I was talking to the highway guy they are you going to read about over really Okay, and I probably wasn't the people are they enrolled me nothing about so I, my concern is is my house value that it goes down.

60

00:08:09.360 --> 00:08:23.190

Town of Albion: Because now there's gonna be all these truck hard for the breath and i'm just concerned, like the road who's going to fix the road, the town won't have this big budget, but he said he's a nice guy he worked with me on the driveway and he and.

61

00:08:24.210 --> 00:08:38.280

Town of Albion: He says he agreed to fix the road, but how am I going to fix the Rolling Stone oil, we got you know 3040 ton truck roll down there, how many times a day and it's already breaking up on the end of the road and the rich and lack.

62

00:08:39.870 --> 00:08:48.450

Town of Albion: And it's really small role on these rumors mind get it, but I like draw so I know tommy's gonna get hurt.

63

00:08:49.650 --> 00:08:53.040

Town of Albion: i'm for it but they're just got a lot of safety.

64

00:08:54.210 --> 00:09:00.780

Town of Albion: concern the speed, I mean six and more and I don't want to hear truck coming in and get loaded with the interest rate.

65

00:09:01.260 --> 00:09:12.690

Town of Albion: Steady here here in my roosters are woodpeckers i'm going to your trucks six in the morning or six months, so I don't know anything about it, like operations wonder work Saturdays.

66

00:09:14.340 --> 00:09:22.170

Town of Albion: Are till dark you only spread the newer there, and once the once this time of our way what they do with the dark they come in scream and then.

67

00:09:23.160 --> 00:09:35.610

Town of Albion: You live when you don't say no, but at some point it's still the country now we want to see growth we want us to come for the towel that rolls better everything but.

68

00:09:36.630 --> 00:09:46.470

Town of Albion: When i'm asking is, do you know a lot about it, their operations and how the world of the paper, the road are highly engaged or door, they can.

69

00:09:46.980 --> 00:09:55.920

Town of Albion: subcontract to come in and say hey let's put this fix this whole section and some answers okay yeah that's basically why i'm here because because of.

70

00:09:57.030 --> 00:09:57.720

All the dress.

71

00:09:59.640 --> 00:10:17.070

Town of Albion: And she didn't achieve So for me, I did was I got confused and i'm not here by my taxes, a lot of checks with different places trust me okay well we'll get into that on the as far as that goes, they have agreed that they will only operate Monday through Fridays.

72

00:10:18.540 --> 00:10:20.790

Town of Albion: Leave 8am to five.

73

00:10:22.050 --> 00:10:32.730

Town of Albion: I remember, we we got a whole bunch of information on that because they had to go to a huge process with the B E T shirt and everybody else to be approved.

74

00:10:33.390 --> 00:10:43.800

Town of Albion: On so they agreed to certain things they have agreed to help maintain the role now that's, not to say that they're gonna fix the right guys and.

75

00:10:46.050 --> 00:10:46.140

Town of Albion: That.

76

00:10:47.580 --> 00:10:59.550

Town of Albion: Is a group that has updated the objects, if he doesn't hopefully the TAO take a look the road is getting bad you're not keeping up the year end of the deal here very good he sees a.

77

00:11:00.720 --> 00:11:06.360

Town of Albion: should really speak out of turn, I guess, but he's a local guy a lot right, I mean I don't know if I agree guy.

78

00:11:07.500 --> 00:11:08.610

Town of Albion: visits and if.

79

00:11:10.890 --> 00:11:20.400

Town of Albion: You have problems or questions to picture yeah you know the safety issue i've been up to paradigm 35 hours actually doing 16,000.

80

00:11:21.570 --> 00:11:30.690

Town of Albion: calls the trooper and say look, you can control this area I know there's worse things on that list, but my wife always guided by car shutting them out.

81

00:11:31.230 --> 00:11:41.820

Town of Albion: Okay, because apparently it's hard to jog if they're common 30 or 70 a quarter mile away, you know any solar done which.

82

00:11:42.210 --> 00:11:59.970

Town of Albion: are walking like your MIC what you got going to be here at that might be able to help their legislators here and definitely let them know keep an eye on that would be great it's a great little part of town I love it we only I bought it two years ago when.

83

00:12:01.230 --> 00:12:01.530

Town of Albion: Okay.

84

00:12:05.760 --> 00:12:07.230

Town of Albion: need arose or.

85

00:12:16.560 --> 00:12:16.920
Town of Albion: Over.

86

00:12:18.690 --> 00:12:18.930
Town of Albion: here.

87

00:12:19.980 --> 00:12:20.280
Town of Albion: back.

88

00:12:23.370 --> 00:12:26.610
Town of Albion: At the auction and needlework silver's.

89

00:12:28.590 --> 00:12:29.340
Town of Albion: been waiting.

90

00:12:30.480 --> 00:12:38.340
Town of Albion: For 200% in manifesting in every property populated.

91

00:12:40.830 --> 00:12:48.090
Town of Albion: area with a band increased or decreased through and it just doesn't make sense that.

92

00:12:49.950 --> 00:12:51.420
Town of Albion: The balance that well.

93

00:12:53.640 --> 00:12:55.560
Town of Albion: that's the whole reason solving those.

94

00:13:00.420 --> 00:13:03.870
Town of Albion: Then it doesn't make sense of knowing completely.

95

00:13:06.780 --> 00:13:08.340
Town of Albion: understand how know right.

96

00:13:12.180 --> 00:13:14.580
Town of Albion: On my road their faculty that.

97

00:13:16.440 --> 00:13:17.970
Town of Albion: Have nothing to their home.

98

00:13:19.020 --> 00:13:19.710
Town of Albion: For it to be.

99

00:13:22.650 --> 00:13:25.470
Town of Albion: All about it, I was told about the Barber.

100

00:13:26.670 --> 00:13:28.320
Town of Albion: The research and look it up.

101

00:13:30.030 --> 00:13:32.670
Town of Albion: Well, they are for my sake but not.

102

00:13:33.780 --> 00:13:38.820
Town of Albion: The home, I was sold on tactical mind absolutely false.

103

00:13:40.140 --> 00:13:49.620
Town of Albion: way more ageless that actually had additional personal phone with a lot of personal in your bedroom four bathroom.

104

00:13:50.760 --> 00:13:51.570
Town of Albion: Nice time.

105

00:13:53.520 --> 00:13:53.610
You.

106

00:13:54.990 --> 00:13:57.870
Town of Albion: Know companies and I don't send somebody side.

107

00:13:59.340 --> 00:14:03.270
Town of Albion: Work that everybody else, be the best.

108

00:14:08.430 --> 00:14:26.400
Town of Albion: I don't know what is the mill rate is there is the tax tax rate per thousand so that's calculated by dividing the total assessment into the new budgets are into the current budget as far as what she's hitting at the House on borrowed itself or three something in.

109

00:14:27.660 --> 00:14:38.820
Town of Albion: The Pan the House and another 40 some acre lot of the pole barn and sold through 25 or 330 so it was used as a comparable for properties ahead land and.

110

00:14:39.540 --> 00:14:49.920

Town of Albion: Houses built probably up to 1960s 1970s, but obviously there's just more than one on sale, that would justify the numbers if there's problems with the House as far as.

111

00:14:51.750 --> 00:14:53.040

Town of Albion: deferred maintenance man.

112

00:14:54.630 --> 00:15:04.410

Town of Albion: Take some photos bring him in and over this real stuff is a pain, because basically like I need a new roof, so when you put the new refined, you have the racing assessment.

113

00:15:06.420 --> 00:15:12.570

Town of Albion: that's The only question, I have to say you mean, so I think as maintenance, so if.

114

00:15:13.080 --> 00:15:19.410

Town of Albion: You say I need a new roof Okay, so now, when you go find me put a new roof on you want to raise your assessment backup.

115

00:15:19.800 --> 00:15:25.440

Town of Albion: I don't want to be a stickler about but that's kind of where my feeling is a situation like that now role.

116

00:15:25.890 --> 00:15:39.900

Town of Albion: is to the point where squatting upstairs house and there's all kinds of waters, you can inside now whole different story, but just replace the roof i'm not making that adjustment, it says the exact reason can work for her best.

117

00:15:41.880 --> 00:15:43.230

Town of Albion: course of action at this point.

118

00:15:43.710 --> 00:15:55.890

Town of Albion: would be take some photos come in and see you agreements type of thing or it's already copied me on the phone, the best thing to do is wait till the most for me, first, I might have already made some adjustments and she might suppress receiving a second notice.

119

00:15:56.250 --> 00:15:59.490

Town of Albion: For the assessment index load, but you know.

120

00:16:01.020 --> 00:16:01.230

Town of Albion: i've.

121

00:16:02.280 --> 00:16:12.150

Town of Albion: done so much work in the last two months ago well another word what is it statuses I don't know we'll find out the first week in May with the notes as well.

122

00:16:13.980 --> 00:16:18.690

Town of Albion: Is a second round norris going out everybody that is called me I have.

123

00:16:20.640 --> 00:16:29.130

Town of Albion: An eye in the system in generating new notice for them, it was not an assessment has changed it will show whether it's change and the other thing is.

124

00:16:30.540 --> 00:16:43.320

Town of Albion: For some assessments that I can go a couple more calls, do you do look at this, you know this to do that, I take a second look at something in this year so i've actually race last five or six assessment service excellence.

125

00:16:44.220 --> 00:17:04.890

Town of Albion: But all those will be out the first week in may get the daily grievances and also give the times now is incident at all, and the phone number and email again for the actors are you were saying that your assessment went up by 100% yeah went from say 35,007 yeah and.

126

00:17:06.810 --> 00:17:07.380

Town of Albion: The death.

127

00:17:08.670 --> 00:17:10.440

Town of Albion: that's taxable.

128

00:17:16.050 --> 00:17:18.180

Town of Albion: hear that so.

129

00:17:24.780 --> 00:17:30.300

Town of Albion: And I also know the same the trailer looked at people.

130

00:17:31.410 --> 00:17:33.090

Town of Albion: And he had dreadlocks and.

131

00:17:34.920 --> 00:17:35.520
Town of Albion: Then, nothing.

132
00:17:38.700 --> 00:17:40.410
Town of Albion: Worse than what we thought.

133
00:17:43.680 --> 00:17:46.080
Town of Albion: It was everyone, I tried reaching.

134
00:17:48.000 --> 00:17:56.190
Town of Albion: It may have you know protocol every sale loans in town,
we have 35 to \$30,000.

135
00:17:59.130 --> 00:18:01.470
Town of Albion: yeah between \$35,000.

136
00:18:03.840 --> 00:18:08.280
Town of Albion: We just had a double wide just so last month.

137
00:18:09.300 --> 00:18:19.980
Town of Albion: 20 acres of land spotted 73 few minutes we're foot double
wide so 400 and \$770,000.

138
00:18:23.310 --> 00:18:23.610
So.

139
00:18:26.370 --> 00:18:26.730
Town of Albion: Now.

140
00:18:31.080 --> 00:18:31.860
Town of Albion: As I mentioned, though.

141
00:18:33.480 --> 00:18:38.460
Town of Albion: Yes, but specifically look at your person 1010 years ago
that house, but yet they're just.

142
00:18:40.020 --> 00:18:41.130
Town of Albion: promote the result.

143
00:18:45.240 --> 00:18:47.910
Town of Albion: Was the process patiently patiently.

144

00:18:51.750 --> 00:18:57.840

Town of Albion: For an hour fun on that crossroad that on 90 240,000.

145

00:18:59.880 --> 00:19:10.200

Town of Albion: People around and they have three new in ground pool holes I remodeled inside out to the very dark side and I just saw a.

146

00:19:12.990 --> 00:19:13.860

list of all.

147

00:19:16.260 --> 00:19:19.140

Town of Albion: factory that's kind of on the ground floor everything.

148

00:19:21.180 --> 00:19:23.160

Town of Albion: That paying that much money for a while.

149

00:19:24.960 --> 00:19:26.100

Town of Albion: When it was it was not.

150

00:19:27.300 --> 00:19:27.480

That.

151

00:19:30.030 --> 00:19:30.360

Good.

152

00:19:36.210 --> 00:19:39.330

Town of Albion: Well, good things in perspective is that how it.

153

00:19:40.440 --> 00:19:41.220

Town of Albion: operates.

154

00:19:46.800 --> 00:19:47.190

Town of Albion: there.

155

00:19:48.840 --> 00:19:50.310

Devon Stewart: There we go, thank you, I was muted.

156

00:19:51.930 --> 00:19:57.690

Devon Stewart: Yes, the only thing I would add just I just want to make sure everyone does realize you touched on this before, but.

157

00:19:58.440 --> 00:20:06.210

Devon Stewart: After talking with with Mike Maxwell about this, if you still don't agree with him about your assessment, that is, the answer is to go to.

158

00:20:06.870 --> 00:20:15.780

Devon Stewart: On grievance day at that point, it would you know be up to the board of assessment review, so you know it's good to talk to Michael and give them a call like he said.

159

00:20:17.220 --> 00:20:22.260

Devon Stewart: But if you still don't agree with his assessment after that that would be your best bet at that point would be to go to grieve and stay.

160

00:20:22.470 --> 00:20:29.820

Devon Stewart: And it would then be in the hands of the board of assessment review and you could plead your case there and show them that you know you don't believe these comps these.

161

00:20:30.450 --> 00:20:46.350

Devon Stewart: properties are comparable and it would be up to the board at that time to make a change so it's not a dead end if you, you know if you don't agree with Mike after speaking with them, but you still do have a chance to speak with someone else and possibly have a reduction made.

162

00:23:06.750 --> 00:23:12.840

Town of Albion: email, and you know kind of the schedule, I mean obviously some people just kind of show up anyways I mean we'll just try to the best.

163

00:23:14.040 --> 00:23:21.660

Town of Albion: couple in the room, with Mike at one time yeah very fluid, you know it doesn't get yeah.

164

00:23:23.190 --> 00:23:26.040

Not everybody else's business and so on.

165

00:23:30.180 --> 00:23:40.650

Town of Albion: I certainly expected to have more people sign up, but that was it Is there anyone else that wants to speak, or has a question regarding the.

166

00:23:41.340 --> 00:23:53.430

Town of Albion: rebel such I didn't beginning the meeting because we had that available to be here and Mike as well as another meeting and I don't know what God has planned but.

167

00:23:54.540 --> 00:24:02.670

Town of Albion: that's why I did it earlier, so if anyone else has comment or question now wouldn't be an opportune time to ask, as far as the rebellion which.

168

00:24:04.980 --> 00:24:10.860

Town of Albion: question why, why did we do it now it's all the coven normal ground instead of going on, no Rentals.

169

00:24:12.060 --> 00:24:12.960

All sorts of problems.

170

00:24:14.940 --> 00:24:22.350

Town of Albion: This time, to really talk right now, why do we raised our assessment, right now, because I said at the beginning, I don't think.

171

00:24:23.700 --> 00:24:38.310

Town of Albion: So it's it's a process that takes time when Mike was reappointed in 2019 at that time, he was directed to have the evaluation done in 2001.

172

00:24:39.000 --> 00:24:52.890

Town of Albion: And in order to do that successfully he has for nation state county so it's not something you just want to do is not good time exactly right but but anybody have non endemic.

173

00:24:56.520 --> 00:25:00.810

Town of Albion: it's a process, unfortunately, very bad time but.

174

00:25:02.400 --> 00:25:05.550

Mike you're done can you expand on that and.

175

00:25:07.470 --> 00:25:14.280

Town of Albion: Give a better reason than I did actually I think some of the aws also cause some of the increase in value.

176

00:25:15.570 --> 00:25:19.320

Town of Albion: I know i'm seeing them a nice things I think there's a lot more.

177

00:25:20.400 --> 00:25:29.220

Town of Albion: Out of town buyers coming into areas now buying properties that they don't want to be in congested area, so I think that is excellent cause some of the point and property values.

178

00:25:31.290 --> 00:25:32.580

Town of Albion: You know, but as far as.

179

00:25:34.020 --> 00:25:49.440

Town of Albion: Treating I think the other thing I don't think anybody realized I wanted was violent arguments first down with somebody who takes is one done by 1500 dollars, the reason why I suppose, because they figured over the last 10 years they overpaid by \$15,000.

180

00:25:50.760 --> 00:25:54.990

Town of Albion: And they want their money back, so I mean there's two sides of that coin.

181

00:25:57.780 --> 00:25:58.470

Town of Albion: Although there's.

182

00:25:59.910 --> 00:26:08.280

Town of Albion: No prices there's many people went up was as people went to the fly understand there was the town and county this little didn't gain any money for you to read.

183

00:26:09.060 --> 00:26:16.530

Town of Albion: All the budgets were kept in the tax rates were kept according to the budget, so if somebody one of dollars somebody went down, though.

184

00:26:17.700 --> 00:26:26.370

Town of Albion: There was no the town in the receive it, the town will receive an award from the street belden didn't hear before listing rates much same thing with accounting same thing with school.

185

00:26:27.420 --> 00:26:31.140

Town of Albion: So you got \$10 increase to somebody else and I got \$10 decrease.

186

00:26:32.430 --> 00:26:38.520

Town of Albion: Even so, even if this thing was that for even the thoughts of God, because the best time to do this let's cut this short.

187

00:26:39.240 --> 00:26:44.790

Town of Albion: So everybody that got an increase can say okay great we don't have to do the secrets, what are you gonna do about the people that got decrease.

188

00:26:45.030 --> 00:26:50.550

Town of Albion: Because they will not right you're not going to get that dollar decrease you gotta pay it well and go over to big.

189

00:26:50.970 --> 00:27:01.290

Town of Albion: Especially if they've been painted over a 10 year period after our call thousand dollars so it's you know it's great I agree that this is the greatest time in the world to do this, but the wheels are in motion.

190

00:27:02.160 --> 00:27:10.800

Town of Albion: given us three for years and years they don't have the Canada revenue money at the stage now they're driving up prices and they're suffering because they can't afford it.

191

00:27:12.240 --> 00:27:16.560

Or you can just buy it anyway, you have to understand that what I think what people.

192

00:27:18.630 --> 00:27:19.230

want to find that.

193

00:27:21.630 --> 00:27:36.360

Town of Albion: has no this is rural rural America, nobody can control burning to guess what we're not comparing any a couple years ago when you will be absolutely down to be this one particular, we were very particular multiple to face to face.

194

00:27:38.640 --> 00:27:50.070

Town of Albion: But when you compare you can compare apples to oranges, when it comes to rural America versus capital gains what he brought yeah you can't you can't compare that the outcomes as well, absolutely.

195

00:27:51.930 --> 00:27:56.280

Town of Albion: And the real estate was a sports event in the business 20 years, this is just.

196

00:27:57.900 --> 00:28:02.010

Town of Albion: general's office and they weren't sure what was what I got my paper, I think.

197

00:28:03.570 --> 00:28:04.800

Town of Albion: they're they're looking at.

198

00:28:06.420 --> 00:28:07.800

St brigid agreements or.

199

00:28:09.300 --> 00:28:12.000

Town of Albion: Thursday before ravens reasons we're here.

200

00:28:18.120 --> 00:28:18.540

Town of Albion: else.

201

00:28:21.150 --> 00:28:21.960

Devon Stewart: Oh sorry go ahead.

202

00:28:25.290 --> 00:28:26.700

Town of Albion: Hello doesn't like.

203

00:28:31.830 --> 00:28:36.630

Devon Stewart: This is devin Stewart I was just gonna say I agree with Mike as far as the comment about doing.

204

00:28:36.840 --> 00:28:38.610

Devon Stewart: doing a rebel during a pandemic.

205

00:28:38.610 --> 00:28:38.940

Your.

206

00:28:40.290 --> 00:28:40.890

Town of Albion: issue with.

207

00:28:42.930 --> 00:28:44.580

Town of Albion: A lot of people now.

208

00:28:48.150 --> 00:28:49.140

Town of Albion: it's not.

209

00:28:51.030 --> 00:28:53.910

Town of Albion: People across the board, if you came.

210

00:28:55.620 --> 00:29:03.300

Town of Albion: Back to 100% unless you have a database is my last year, your senior assessment.

211

00:29:04.800 --> 00:29:12.240

Town of Albion: And then you seen full market value, are you paying taxes on assessed and we do assessments more go back to 100%.

212

00:29:13.320 --> 00:29:16.530

Town of Albion: You know, ask the question last year, they did a direct answer.

213

00:29:17.580 --> 00:29:18.720

But it's not God.

214

00:29:21.030 --> 00:29:23.100

Town of Albion: But I think the problem is that.

215

00:29:24.240 --> 00:29:32.940

Town of Albion: Not everyone, not everybody money back or up the whole market that some people went way above market.

216

00:29:34.710 --> 00:29:38.370

Town of Albion: Some people just want a little bit about the market.

217

00:29:40.740 --> 00:29:50.880

Town of Albion: So if it's more across the board, you know years ago i've been on the board raise for for a couple years we did 8% nothing was 8% across the board.

218

00:29:52.770 --> 00:29:58.590

Town of Albion: And people we roll when we had a lot of people come in that was equal across the board.

219

00:29:59.730 --> 00:30:00.960

Town of Albion: So you know, a.

220

00:30:01.980 --> 00:30:06.690

Town of Albion: couple days and your three four days of deliberations outside here.

221

00:30:09.720 --> 00:30:10.980

Town of Albion: But basically, it was fair.

222

00:30:12.990 --> 00:30:20.730

Town of Albion: So I think you know i'm not saying it's unfair i'm just saying that's what people will get.

223

00:30:21.870 --> 00:30:31.770

Town of Albion: You know they're going to look at it's the data sunblock i'm going to do is real sweet old real property database and you can see, everybody and i'll sit around a little.

224

00:30:34.800 --> 00:30:45.990

Town of Albion: Lady I know when i'm 70 some thousand dollars little improvements nothing and are set, has been the same for several years and it was about.

225

00:30:47.730 --> 00:30:55.050

Town of Albion: And then you know she asked me how do I justify that as well, talking assessor the always going to agree.

226

00:30:57.900 --> 00:31:01.170

Town of Albion: So I guess that's and that's kind of what I want to put out there.

227

00:31:02.220 --> 00:31:06.690

Town of Albion: So you're saying the thing sat for several years and then strategy so.

228

00:31:08.280 --> 00:31:15.120

Town of Albion: That was where That was where the problem was with Denise and updates before all they did was a flat trend across the board, something.

229

00:31:15.720 --> 00:31:24.840

Town of Albion: wrong to begin with all she did was dancing percent to wrong assessment and move that it was never done when we just did this past fall we actually did.

230

00:31:25.470 --> 00:31:38.070

Town of Albion: A reappraisal of every single property, but she did an 8% trend everybody got an 8% increase well, maybe somebody didn't deserve 8% of the me somebody deserved the 20 somebody sort of the 10% decrease that's the problem.

231

00:31:38.970 --> 00:31:53.910

Town of Albion: And then we can be a perfect example the House way, and the one before that just sold in January or excuse me a closing the summer, it was assessed at 55,000 this gentleman got on the phone will be out the door well guess what he just paid 101,000.

232

00:31:56.220 --> 00:32:16.200

Town of Albion: And he's made me he wants to know how he can grieve it doors, as I said, your assessment what you paid for it well yeah i'm not going here then talk my realtors I just a real to send me a market analysis of property and probably just sold 426 realtor now told the couple is worth 100,000.

233

00:32:19.050 --> 00:32:31.200

Town of Albion: So where where Am I where Am I have to go with that there's an appraisal there's a mortgage anything else for 126,000 and the room you just told me this couple with your market analysis is this worth 100,000.

234

00:32:31.590 --> 00:32:44.010

Town of Albion: is sold in July, excuse me, is sold in September for 126,000 now listings for 25% loss because they're given three grants away if you know that \$50,000 plus the.

235

00:32:45.570 --> 00:32:46.290

Town of Albion: \$10,000.

236

00:32:47.460 --> 00:32:49.890

Town of Albion: buyers so that's that's not a realtor.

237

00:32:51.300 --> 00:32:59.130

Town of Albion: Talking about one specific thing bottom line is it probably will take paid \$126,000 an appraisal and there's.

238

00:33:00.150 --> 00:33:12.930

Town of Albion: This there's an appraisal news a mortgage for that amount of money they sent me to 17 to the county and said, this is what we paid for the property you're talking about one particular person does not even real time about very, very funny.

239

00:33:14.460 --> 00:33:28.230

Town of Albion: That you say somebody goes away hire somebody getting a lot that's just completely illogical it doesn't make sense, all we're

looking for example, we have a communication that suffer from the counter for not doing their job properly.

240

00:33:30.540 --> 00:33:36.420

Town of Albion: It can work one House gets older people need to be on their own.

241

00:33:42.390 --> 00:33:49.290

Town of Albion: we're here to ask questions about you know the evaluation process so we're trying to describe that everyone.

242

00:33:51.480 --> 00:33:52.110

i'm sorry.

243

00:33:55.980 --> 00:33:56.820

do have a question.

244

00:33:59.490 --> 00:34:00.810

For how many years six.

245

00:34:01.830 --> 00:34:02.190

seven.

246

00:34:03.750 --> 00:34:14.580

Town of Albion: And in that time you surely have done rebels and you're supposed to see every house or in this town.

247

00:34:15.930 --> 00:34:22.560

Town of Albion: I don't mean on the computer I mean us physically supposed to go there, I looked on the road.

248

00:34:23.640 --> 00:34:25.500

And I saw the picture of my house.

249

00:34:27.240 --> 00:34:30.660

Town of Albion: it's at minimum 13 years old.

250

00:34:32.340 --> 00:34:32.910

And I looked at.

251

00:34:34.950 --> 00:34:43.830

Town of Albion: That one there's a minimum of 10 years old, because the farm that needs to be there is not there was a huge annually.

252

00:34:44.910 --> 00:34:47.370

Town of Albion: increments instead of going home.

253

00:34:51.870 --> 00:34:52.080

Town of Albion: For.

254

00:34:55.200 --> 00:34:57.300

Town of Albion: Those that you're looking at our and all the photos.

255

00:34:58.380 --> 00:35:10.770

Town of Albion: I took quite a to do this fall, but the system in the va me to update the new photos in place the old phone, there was a bunch of the system, the Sullivan got worked out.

256

00:35:11.370 --> 00:35:20.760

Town of Albion: As far as raising assessments as well, when I first came here the town was at 100% there was no reason to do anything with the assessment.

257

00:35:21.210 --> 00:35:27.660

Town of Albion: As I got building permits, I would go out check building permits and when I checked the development, I would take up down the road make notes.

258

00:35:28.110 --> 00:35:41.190

Town of Albion: Change assessments accordingly on and so on, and then, when I got reappointed 2019 it was a really started to drop and the plan was to have complete update in 2021.

259

00:35:42.180 --> 00:35:51.480

Town of Albion: So that's why there was nothing done, but what you're what you're saying is why we're the increased incremental increases along the way, it would have still been.

260

00:35:52.830 --> 00:36:06.150

Town of Albion: He just said when 8% traveled across you had a whole bunch of people come in and complain, so thank will be done much about that much of a difference and as equalization may drop it all set the fact that the property values are going up, so I.

261

00:36:07.680 --> 00:36:21.720

Town of Albion: Because the properties was only for more than what they were assessed and your Internet it's been a boom, the last four or five years well and again they're not, unfortunately, we could be, we could be by 2023 if this trunk stays there equalization It could be that the 90%.

262

00:36:23.340 --> 00:36:26.580

Town of Albion: Because the properties even right now we're still selling the assessments.

263

00:36:27.810 --> 00:36:38.520

Town of Albion: i'm looking at the sales in Hastings was a lot of sales and they're they're coming into both the new ones I just put on in here the the three or four that i've seen my mom about this.

264

00:36:40.050 --> 00:36:48.690

Town of Albion: Okay, now, you said earlier, our equalization right was 83% and that was what we use for the assessments and then you put down.

265

00:36:49.740 --> 00:36:52.590

Town of Albion: All market value on the tax bill.

266

00:36:54.150 --> 00:36:54.450

Town of Albion: Okay.

267

00:36:56.370 --> 00:37:00.000

Town of Albion: So why are we not just.

268

00:37:02.250 --> 00:37:03.870

Town of Albion: Using i'll miss my house because.

269

00:37:05.520 --> 00:37:23.160

Town of Albion: it's assessed for one number and what you said was 100% of the value will look about \$30,000 more and that when I got my email this morning \$2,000 or.

270

00:37:24.330 --> 00:37:26.850

Town of Albion: So and i'm not the only one that dependency so.

271

00:37:28.290 --> 00:37:40.500

Town of Albion: What would you when I do the reassessment I do not look at any field assessed I don't care about we're doing complete reappraisal of every property what they weren't last year, the year before.

272

00:37:41.400 --> 00:37:53.460

Town of Albion: 83% 100% doesn't make a difference we're looking at a complete new slate I don't care what the assessments were previously looking at looking at what what the current market value is as of July.

273

00:37:55.290 --> 00:38:05.190

Town of Albion: We are takes the assessors will assess every parcel every year, that is the law okay.

274

00:38:05.700 --> 00:38:07.140

Devon Stewart: If I can just add on to that.

275

00:38:08.760 --> 00:38:10.200

Town of Albion: i've been keeping the assessments up.

276

00:38:11.820 --> 00:38:18.780

Town of Albion: i've been doing the new premise anything that's changed anything is burned down anything equalization rate has dropped.

277

00:38:21.990 --> 00:38:28.890

Town of Albion: There was no when we when I first got hired we understood that there was no way we're going to build I don't want you to really getting at.

278

00:38:29.190 --> 00:38:37.800

Town of Albion: Would you want me to trend another five or 6% of you know, I want you to visit every every year like you're supposed to according to New York State law.

279

00:38:39.030 --> 00:38:40.230

Devon Stewart: I can touch base on that.

280

00:38:41.430 --> 00:38:43.710

Town of Albion: Computer and go I.

281

00:38:44.280 --> 00:38:47.790

Town of Albion: This fall, I visited just about 95% of every single property.

282

00:38:48.150 --> 00:38:50.430

Town of Albion: In this town really yes.

283

00:38:51.870 --> 00:38:59.730

Town of Albion: I go by every single one, so I picked up some of the new construction that was no permits for that, so I picked up a lot of the errors that were there.

284

00:39:00.930 --> 00:39:11.430

Town of Albion: I probably measured 50 to 75,000 measurement Ross production, I can burn we're looking at the one two trailers actually you know what.

285

00:39:12.600 --> 00:39:16.380

Town of Albion: Those are rv he gets a property tax on this number one story.

286

00:39:17.850 --> 00:39:24.960

Town of Albion: And there was a couple other properties that I picked up that were never on the role, before I mean I i've been more than doing my duty again.

287

00:39:26.760 --> 00:39:31.860

Town of Albion: As far as keeping the assessment there's no way to keep up on the market is changed by heads and lift or your.

288

00:39:33.060 --> 00:39:37.710

Town of Albion: Marketing here is when completely well, not just here all over upstate New York, this one.

289

00:39:39.750 --> 00:39:40.440

you're supposed to do.

290

00:39:43.110 --> 00:39:53.910

Town of Albion: All the properties are supposed to be valued at the same percentage of assess whether 100 what is the three whether it's at whether it's 10 whether it's five we're all done at the same percentage.

291

00:39:54.810 --> 00:40:02.880

Town of Albion: So if somebody just by paying 100,000 for a house and the assessment is way in the blue I stopped more than you lauren the assessment on now.

292

00:40:06.510 --> 00:40:08.460

Town of Albion: i'm talking about before we did the reader.

293

00:40:11.460 --> 00:40:13.080

Can I ask you to interject there.

294

00:40:16.290 --> 00:40:17.160

Town of Albion: was here.

295

00:40:18.480 --> 00:40:19.710

Town of Albion: well versed in that.

296

00:40:19.950 --> 00:40:20.460

You.

297

00:40:21.870 --> 00:40:25.050

Devon Stewart: Yes, um what Mike is saying is.

298

00:40:25.410 --> 00:40:27.510

Town of Albion: As far as the originator so but.

299

00:40:31.440 --> 00:40:32.370

Devon Stewart: Are you guys able to hear me.

300

00:40:39.480 --> 00:40:40.530

Devon Stewart: Are you guys able to hear me.

301

00:40:47.310 --> 00:40:49.020

Devon Stewart: Yes, i'm here, are you able to hear me.

302

00:40:55.020 --> 00:40:56.130

Town of Albion: A second let's see here.

303

00:40:58.410 --> 00:40:59.640

Town of Albion: The audio is on.

304

00:41:21.900 --> 00:41:22.800

Devon Stewart: Are you able to hear me.

305

00:41:25.980 --> 00:41:30.510

Devon Stewart: I was just going to touch base and say exactly what Mike is saying, as far as a New York state.

306

00:41:31.050 --> 00:41:34.740

Devon Stewart: You know, as far as a legal standpoint as far as annually.

307

00:41:35.760 --> 00:41:47.760

Devon Stewart: Mike only needs to have an assessment on each property annually it's not a New York State law that they that assessors need to physically look at each property or change the assessments every year.

308

00:41:48.480 --> 00:41:57.660

Devon Stewart: As far as taking pictures of properties it's actually every six years for New York state so Mike has been doing everything correct this is typically how it does work.

309

00:41:59.250 --> 00:42:05.370

Devon Stewart: When assessments start to change and and start to drop below 100 and get to like 83 is this example.

310

00:42:05.970 --> 00:42:14.370

Devon Stewart: that's typically when a town board would decide okay let's have the assessor go out and do a full reappraisal, so this is typical of of what we see is.

311

00:42:14.910 --> 00:42:21.090

Devon Stewart: And also just to point out that 83% that's an average when when the state sets the great.

312

00:42:21.960 --> 00:42:34.410

Devon Stewart: We don't look at individual properties and individual assessments that's just an average to get the 83% so that's why you're rebels important at this point because to get that 83% some people might be.

313

00:42:34.950 --> 00:42:49.080

Devon Stewart: You know, close to 100 and other people might be closer to 60%, so this is why you know it's important once you start dropping below 100 it's important for Mike to go out and do a full review like this and get everyone set back to 100%.

314

00:42:51.720 --> 00:42:53.640

Town of Albion: notably on the doors of the sun all.

315

00:42:54.720 --> 00:42:56.610

Town of Albion: The other people at the county or the state.

316

00:43:00.120 --> 00:43:08.490

Town of Albion: In run that notice is is wrong when it shows you your current assessment and then shows you the new assessment through the change that's not a true change.

317

00:43:09.150 --> 00:43:24.180

Town of Albion: What we have to look at is what's your full market value was 20 24.1 that is cheap, so the assessment, the Tongue should want to buy up 30% So if you want from 100 230 the testers in that change.

318

00:43:25.560 --> 00:43:28.500

Town of Albion: How, you went from 100 250 hours of your text on.

319

00:43:30.990 --> 00:43:45.240

Town of Albion: The average increase in power was right around 30% the overall value of the town went up by 30% the overall tax rates of accounting town in schools with down by 30% because the total data tomlin have a 3%.

320

00:43:46.140 --> 00:43:53.730

Town of Albion: So I can show you the tax rates are using those bonuses, they all dropped by 30% the average increase the dollars 30%.

321

00:43:54.750 --> 00:44:01.980

Town of Albion: that's why I mean you're talking earlier about 8% and they said there was nothing to do with at the average increase was 30%.

322

00:44:02.430 --> 00:44:16.050

Town of Albion: So when you look across it and notice, if you see your full market value to 120 in the new value 125 you're probably not going to see an increase in depth, but obviously if it's more a lot more than double seven seats in.

323

00:44:18.360 --> 00:44:20.610

Town of Albion: The 30% is to me with what kind of like the guy.

324

00:44:21.870 --> 00:44:25.980

Town of Albion: that's on what your overall value the town was 30%.

325

00:44:26.970 --> 00:44:34.770

Devon Stewart: and also what Mike said before, was a good point the the levy itself does not change as Mike said just to touch base on that again.

326

00:44:35.250 --> 00:44:43.770

Devon Stewart: The amount of taxes, the overall amount the levy is still going to be the same amount so exactly what Mike said is you know some people's taxes.

327

00:44:44.190 --> 00:44:50.400

Devon Stewart: will go up a little bit there's that many people whose taxes are actually going down a little bit that many people who are staying the same.

328

00:44:51.360 --> 00:44:58.950

Devon Stewart: The town and the county are not going to get any additional money the levy is still the same the total will still be the same amount collected.

329

00:44:59.580 --> 00:45:09.390

Devon Stewart: So it's just getting everyone to pay their fair share, you know there's there's people in the past, anyone who is whose taxes are going up now, and you know it's kind of the point that.

330

00:45:09.900 --> 00:45:17.580

Devon Stewart: They were not paying their fair share before now so that's why a rebel is a good thing to get everyone to make sure we're at 100% and paying their fair share.

331

00:45:27.960 --> 00:45:28.470

Town of Albion: No.

332

00:45:29.760 --> 00:45:31.800

Town of Albion: One wakes up their owners job.

333

00:45:35.730 --> 00:45:39.150

Town of Albion: Improvement so people can see that they've done.

334

00:45:42.390 --> 00:45:48.750

Town of Albion: That are out there, somebody said in girl song for but it doesn't show in the inventory and.

335

00:45:50.280 --> 00:45:54.060

Town of Albion: That coupled with a look that up and what's your favorite word.

336

00:46:09.000 --> 00:46:10.050

Town of Albion: Without specific.

337

00:46:13.590 --> 00:46:14.820

Town of Albion: list Ellis ones.

338

00:46:16.440 --> 00:46:19.170

Town of Albion: And I don't know we normally do this.

339

00:46:20.490 --> 00:46:38.820

Town of Albion: But there has, there has been there's a lot of activity improvements to be aligned sure boring tests spread Jason steele after trying to get things, especially back in the wider Walter detweiler yeah we're just taking their time section both people to me.

340

00:46:40.920 --> 00:46:48.810

Town of Albion: But yes, when I wouldn't forgive me a CEO says a 3544 was done, I roll my assistant.

341

00:46:54.960 --> 00:46:55.350

Can.

342

00:47:00.030 --> 00:47:01.890

Town of Albion: you give me a specific ones you're looking for.

343

00:47:06.540 --> 00:47:06.810

Town of Albion: My.

344

00:47:07.980 --> 00:47:13.710

Town of Albion: Consider, it will legendary 83% reading it up 30% to 30% you.

345

00:47:16.500 --> 00:47:34.920

Town of Albion: know the average increase in town roughly around when you multiply one point 30 times at 305 on it and six, but the failures when i'm about ready on 30% and they have to trust well in the morning revolutionary agreement well exactly I just got those mistakes.

346

00:47:36.480 --> 00:47:37.920

Town of Albion: or something just came to.

347

00:47:39.270 --> 00:47:40.170

Town of Albion: Setting this up.

348

00:47:49.710 --> 00:47:50.100

Town of Albion: yeah.

349

00:48:03.540 --> 00:48:10.440

Town of Albion: All the assessment for re evaluate from sales to the 15 point, point.

350

00:48:11.490 --> 00:48:18.360

Town of Albion: I bought some property it's less than what I was asked that but yeah he raised me.

351

00:48:19.470 --> 00:48:19.950

Town of Albion: So.

352

00:48:21.090 --> 00:48:23.970

Town of Albion: i'm wondering how that's a good evaluation.

353

00:48:26.820 --> 00:48:32.730

Town of Albion: Our sale and you're assessing based on sales when did you when did you buy the problem.

354

00:48:35.790 --> 00:48:41.640

Town of Albion: was about a 2019 to 21st 20 25% increase.

355

00:48:42.660 --> 00:48:48.570

Town of Albion: It will be \$1,000 when I was already over that, based on my cell.

356

00:48:49.890 --> 00:48:53.400

Town of Albion: have to look into, particularly when you're done by phone and how you bought it.

357

00:48:54.900 --> 00:48:57.570

Town of Albion: I bought it for realtors realtor company like anyone else.

358

00:48:59.490 --> 00:49:00.450

Town of Albion: But keep in mind that.

359

00:49:05.640 --> 00:49:12.000

Town of Albion: reevaluated the entire town so for those specifics is pretty hard and that's why we have the.

360

00:49:33.210 --> 00:49:39.360
Town of Albion: dialysis means nothing to me at this.

361
00:49:43.800 --> 00:49:44.160
Town of Albion: point.

362
00:49:45.330 --> 00:49:45.720
one.

363
00:50:09.810 --> 00:50:11.940
Town of Albion: Was that the last thing.

364
00:50:22.680 --> 00:50:23.340
Town of Albion: cemetery.

365
00:50:26.190 --> 00:50:28.200
Town of Albion: Valuable data.

366
00:50:32.730 --> 00:50:33.540
Town of Albion: Sorry i'm.

367
00:50:36.210 --> 00:50:37.020
Town of Albion: In maven.

368
00:50:40.200 --> 00:50:45.570
Town of Albion: As somebody wants to hear what you will, about take a
look at our walk.

369
00:50:48.420 --> 00:50:50.760
Town of Albion: and run an errand God.

370
00:51:03.960 --> 00:51:04.350
Town of Albion: I didn't.

371
00:51:14.160 --> 00:51:14.790
Town of Albion: know.

372
00:51:20.160 --> 00:51:20.580
Town of Albion: know.

373
00:51:27.180 --> 00:51:28.200

Town of Albion: What it is so.

374

00:51:29.640 --> 00:51:30.390

Thank you so much.

375

00:51:37.350 --> 00:51:37.770

Town of Albion: Yes.

376

00:51:47.010 --> 00:51:47.370

Town of Albion: alright.

377

00:51:55.980 --> 00:52:04.740

Town of Albion: accusation that's not really that's not what we're going to do here, so if you have specific things you want to talk about or bring up.

378

00:52:05.970 --> 00:52:09.120

Town of Albion: is going to be available from enough we've heard from the State.

379

00:52:10.350 --> 00:52:12.210

She said we bring in some information.

380

00:52:15.420 --> 00:52:18.750

Town of Albion: Well we're not talking about it anymore Devon is our.

381

00:52:19.920 --> 00:52:21.630

Town of Albion: explaining that you follow the.

382

00:52:22.770 --> 00:52:25.830

Town of Albion: follow the procedure correctly.

383

00:52:27.120 --> 00:52:36.330

Town of Albion: burns aeroplan this the procedures and file directly and we've made it very clear that you can come and talk to them like.

384

00:52:37.050 --> 00:52:47.790

Town of Albion: At one of those opportunities or three minutes today and then there's another opportunity to go to the board of assessment review so continually pick on individual type things I don't think the game.

385

00:52:50.460 --> 00:52:55.260

Town of Albion: It there or so you can bring your thing and.

386

00:53:07.470 --> 00:53:16.410

Town of Albion: listen to what Devon said, all we have go with the town board is what the state tells us or the county tells us and we'll myself.

387

00:53:18.030 --> 00:53:19.050

Town of Albion: As well we're heading down.

388

00:53:21.960 --> 00:53:27.540

Town of Albion: everybody's had more than three minutes Doc, which is how we initially planned this meeting.

389

00:53:30.480 --> 00:53:40.470

Town of Albion: be reasonable answer most of the questions I understand that people are still going to be prosperity and get a path where you can bring your problems to.

390

00:53:42.720 --> 00:53:45.930

Town of Albion: continue discussion, and then the water.

391

00:53:48.090 --> 00:53:48.570

And you.

392

00:53:50.340 --> 00:53:54.840

Town of Albion: have two options provided us with websites well let's.

393

00:53:56.610 --> 00:53:57.930

Town of Albion: I don't know what more.

394

00:53:59.700 --> 00:54:04.050

Town of Albion: it's not we're not here to you know fire Mike Max or two.

395

00:54:05.100 --> 00:54:08.160

Town of Albion: down the road we will already know we're not learning.

396

00:54:09.630 --> 00:54:14.670

Town of Albion: So he was good enough to Devon was good enough and and give out.

397

00:54:15.750 --> 00:54:21.180

Town of Albion: Not opinions but facts on how the evaluation process is occurring.

398

00:54:22.740 --> 00:54:23.130

So.

399

00:54:24.570 --> 00:54:27.990

Town of Albion: we'll be able to sell me out we're quite.

400

00:54:29.760 --> 00:54:31.860

Town of Albion: quite well done more, that.

401

00:54:34.260 --> 00:54:42.360

Town of Albion: We could come up with a lovely day you know the big thing that I wanted everybody realized at 3% assessment.

402

00:54:43.980 --> 00:54:48.750

Town of Albion: That makes it really needs it work, the more in the accountability.

403

00:54:50.370 --> 00:54:51.930

Town of Albion: For school back on.

Town of Albion: Little slow like Okay, so we go.

420

00:56:58.830 --> 00:57:01.830

Town of Albion: we're going to make a resolution for that tonight.

430

00:57:50.220 --> 00:57:52.200

Town of Albion: 10 to two and six days.

431

00:57:53.910 --> 00:57:54.960

436

00:58:10.140 --> 00:58:14.340

438

00:58:19.320 --> 00:58:26.580

Town of Albion: But all these all of the grievances have been by close of business at eight o'clock on the first.

439

00:58:28.380 --> 00:58:38.640

Town of Albion: They cannot be carried over to somebody came in on June 30 agreements will be here only thing all the paperwork, everything has to be done by eight o'clock until the first.

440

00:58:40.800 --> 00:58:41.820

Town of Albion: Okay.

519

01:35:28.560 --> 01:35:29.880
Town of Albion: drag all the way.

520

01:35:33.000 --> 01:35:33.270
down.

521

01:35:42.360 --> 01:35:44.250
Town of Albion: A little bricks everything.

522

01:35:47.070 --> 01:35:47.730
That.

523

01:35:58.890 --> 01:36:01.320
Town of Albion: is the right way to go.

524

01:36:05.220 --> 01:36:05.580
Around.

525

01:36:09.840 --> 01:36:16.020
And I know it's also got part right here in Spanish start.

526

01:36:17.220 --> 01:36:17.850
Next week.

527

01:36:29.760 --> 01:36:30.600
Town of Albion: Something.

528

01:36:31.830 --> 01:36:32.790
Town of Albion: is aware of yet.

529

01:36:35.100 --> 01:36:41.700
Town of Albion: Give me a call last Wednesday and then Thursday fishel
letters, the tail water is expanding.

530

01:36:43.290 --> 01:36:47.820

Town of Albion: A 5000 square foot three story one room.

531

01:36:48.990 --> 01:36:52.020

Town of Albion: expansion and they are asking.

532

01:36:53.670 --> 01:36:58.350

Town of Albion: The IDA industry with an agency or.

533

01:36:59.670 --> 01:37:01.800

Town of Albion: call a pilot agreement, a solid.

534

01:37:04.950 --> 01:37:07.680

Town of Albion: Financial assistance and.

535

01:37:08.700 --> 01:37:19.560

Town of Albion: The public hearing or that conveniently day after tomorrow at 11 o'clock in the morning only by phone.

536

01:37:21.510 --> 01:37:35.550

Town of Albion: So they made it extremely convenient for us all the time, because I want everybody to know this is a operation that's assessed or \$6 million.

537

01:37:40.050 --> 01:37:41.850

Town of Albion: more of a break.

538

01:37:43.470 --> 01:37:48.450

Town of Albion: Now you know it's good to see business coming in, I agree i'm all for that.

539

01:37:49.860 --> 01:37:58.830

Town of Albion: They should have to pay their fair share of finger pointing and share the last about seeing increases that we see.

540

01:37:59.970 --> 01:38:14.070

Town of Albion: But again that's nothing to do with us the site va comes in and makes us agreement and earth and actually sending follow them on the carpet and he said listen, this is a sneaky we're doing this and the guy agreement yeah.

541

01:38:17.640 --> 01:38:18.030

Town of Albion: So.

542

01:38:22.290 --> 01:38:37.260

Town of Albion: yeah so if anybody's interested, I have this information, if you want to call involved that comment I don't know, maybe we can change from future I don't know one question I had her answer this the IDA.

543

01:38:39.870 --> 01:38:50.550

Town of Albion: Does anybody follow up with these companies, they offer these free trial that's okay say that they're on fire 50 full time employees does anybody.

544

01:38:51.270 --> 01:39:06.120

Town of Albion: follow up and say find out if they did actually be if those 50 or are getting back that's within our county if those 50 are living in our Community, and if they're spending money and other local businesses.

545

01:39:09.210 --> 01:39:10.020

local area.

546

01:39:12.150 --> 01:39:23.190

Town of Albion: Nobody knows, nobody knows, so when they're supposed to hire maybe only hire 30 so there's no fall no auditing of these.

547

01:39:24.270 --> 01:39:30.030

Town of Albion: So it's not a stale or wrong it's all these businesses that apply for up to the nba.

548

01:39:31.200 --> 01:39:36.030

Town of Albion: In theory, was a great idea to certain but i'm not sure that they're all through the other day.

549

01:39:37.350 --> 01:39:41.550

Town of Albion: So it's anybody's interested, please get all that most of us are probably.

550

01:39:45.390 --> 01:39:46.650

Town of Albion: Closer to retire.

551

01:39:49.860 --> 01:39:54.510

Town of Albion: So sorry if I get five minutes i'll stop there, you go.

552

01:39:57.570 --> 01:40:10.050

553

01:40:11.610 --> 01:40:21.900

Town of Albion: name or this year is offering two different signs one is may 12 at 530 in the other is June 23 at 10 in the morning.

554

01:40:22.950 --> 01:40:23.640

Town of Albion: I want.

555

01:40:25.050 --> 01:40:31.350

Town of Albion: To ask rick if he would possibly try to make sure that we all get registered for one or the other.

556

01:40:32.520 --> 01:40:34.500

Or the example.

557

01:40:37.320 --> 01:40:39.150

Town of Albion: So maybe we could set up a peer.

558

01:40:41.430 --> 01:40:41.850

Town of Albion: review.

559

01:40:43.170 --> 01:40:46.110

Town of Albion: I think technically lizard yeah like a picture.

560

01:40:49.320 --> 01:40:50.430

Town of Albion: If we want to.

561

01:40:51.990 --> 01:40:52.710

Town of Albion: Do it.

562

01:40:53.760 --> 01:40:54.720

Town of Albion: Come on.

563

01:40:56.280 --> 01:40:56.790

Town of Albion: well.

564

Town of Albion: By 32 of the projector and we can do it there together.

565

01:41:06.240 --> 01:41:09.240

Town of Albion: This work just to take photos.

566

01:41:10.920 --> 01:41:12.330

Town of Albion: Yes, if you have.

567

01:41:14.550 --> 01:41:16.710

Town of Albion: Yes, that that is acceptable.

568

01:41:17.730 --> 01:41:18.930

To be able to show the.

569

01:41:20.490 --> 01:41:20.850

Town of Albion: slide.

570

01:41:26.010 --> 01:41:26.430

Town of Albion: yeah.

571

01:41:29.160 --> 01:41:29.970

Town of Albion: We had one.

572

01:41:31.350 --> 01:41:31.620

here.

573

01:41:34.530 --> 01:41:40.260

Town of Albion: Every year, we also tell me, so you know we also get a lot more pathogens in the android.

574

01:41:43.740 --> 01:41:43.980

side.

575

01:41:46.530 --> 01:41:50.190

Town of Albion: Remember, we should register certificate yes.

576

01:42:02.070 --> 01:42:03.840

Town of Albion: Okay, so everybody knows about that.

577

01:42:08.040 --> 01:42:11.700

Town of Albion: All can maybe come a little bit more so there's no reason for.

578

01:42:12.780 --> 01:42:17.280

Town of Albion: matt Johnson contacted me regarding the solar law.

579

01:42:20.370 --> 01:42:23.370

Town of Albion: And he has ended up to ELENA.

580

01:42:24.990 --> 01:42:41.040

Town of Albion: will be attending our next meeting and prior to that next meeting will send us some information so that we can be see that she's going to talk about at that, so that we can get that law in places to be possible, rather than they.

581

01:42:42.720 --> 01:42:45.360

Town of Albion: Were there when.

582

01:42:46.650 --> 01:42:47.250

Town of Albion: The Marxist.

583

01:42:48.270 --> 01:42:48.630

and

584

01:42:50.400 --> 01:42:52.590

Town of Albion: Therefore Parish that.

585

01:42:54.510 --> 01:42:55.800

Town of Albion: we've worked with permission.

586

01:43:03.720 --> 01:43:06.840

Town of Albion: Sorry yeah what time.

587

01:43:18.780 --> 01:43:40.740

588

01:43:41.790 --> 01:43:42.720

Town of Albion: approve all the.

589

01:43:44.670 --> 01:43:50.130

Town of Albion: decatur rather one thing I wanted to start falling to make money without.

590

01:43:51.600 --> 01:43:53.400

Town of Albion: The wire boy yeah.

591

01:43:57.330 --> 01:44:00.600

Town of Albion: So there we have the meeting will be here.

592

01:44:02.970 --> 01:44:03.300

I didn't.

593

01:44:07.680 --> 01:44:07.980

Remember.

594

01:44:10.830 --> 01:44:11.460

Town of Albion: employees.

595

01:44:13.260 --> 01:44:13.860

With our.

596

01:44:19.410 --> 01:44:19.860

Local.

597

01:44:25.980 --> 01:44:28.050

Town of Albion: That over part time employees.

598

01:44:29.670 --> 01:44:32.040

Town of Albion: In one of the worst 139 our.

599

01:44:35.730 --> 01:44:37.320

Call flow.

600

01:44:42.660 --> 01:44:42.930

That.

601

01:44:45.180 --> 01:44:47.220

Town of Albion: First of all right if we allow that.

602

01:44:48.750 --> 01:44:50.700

Town of Albion: We want to be healthy.

603

01:44:54.300 --> 01:44:58.950

Town of Albion: So if a 40 hour, no longer a part time or.

604

01:45:00.240 --> 01:45:00.540

So.

605

01:45:03.390 --> 01:45:03.720

I think.

606

01:45:12.150 --> 01:45:12.750

Town of Albion: Whatever you.

607

01:45:14.400 --> 01:45:15.300

Town of Albion: Know yeah.

608

01:45:16.320 --> 01:45:17.490

Town of Albion: you're always early.

609

01:45:21.990 --> 01:45:23.760

Town of Albion: You want to do that now, or do you want.

610

01:45:25.560 --> 01:45:26.940

611

01:45:43.710 --> 01:45:44.520

620

01:46:35.880 --> 01:46:37.080
