154

00:19:01.110 --> 00:19:02.340

155

00:19:04.680 --> 00:19:13.920

Town of Albion: age we wait maritime museum and we all want our users to be able to are not all that out.

157

00:19:35.700 --> 00:19:37.350

Town of Albion: Any any questions for.

158

00:19:39.360 --> 00:19:40.620

Town of Albion: an experiment yeah.

159

00:19:43.230 --> 00:19:54.090

Town of Albion: Okay, but this time we're going to go back to the total Commission we have matt Johnson and ELENA Milan, who are willing to talk about the solar, wind law.

160

00:19:55.320 --> 00:20:02.520

Town of Albion: That we're looking at we currently have a more Doria and we're going to move into a law that regulate large scale, wind and solar so.

161

00:20:04.680 --> 00:20:17.370

Town of Albion: you're up hi everybody i'm matt Johnson planner, I hope, efficient and Lena let over here and she's going to be helping you out with us, primarily just kind of here to.

162

00:20:18.000 --> 00:20:29.190

Town of Albion: help her get the land land whatnot so i'm going to turn it off turn it over I guess what we first wanted to hear is what precipitated you want to do this, have you had.

163

00:20:30.240 --> 00:20:31.260

Town of Albion: A worries from.

164

00:20:32.280 --> 00:20:44.670

Town of Albion: Our people on so you start the interactive a little bit of both we about a year or so ago we were hit somewhat weinstein and i'll say by a project.

165

00:20:45.210 --> 00:20:55.890

Town of Albion: From another local town that own some land in our town and they were going to put up solar project on solar farm and we basically had no say about that at that time.

166

00:20:56.460 --> 00:21:09.540

Town of Albion: As it turns out, I think it's pretty much on hold because of the lions are newly owned by national grid and the brookfield energy in brookfield wouldn't give them the Okay, I think that's how I understood it.

167

00:21:10.230 --> 00:21:19.590

Town of Albion: So that project is, at least on hold, if not completely cancel so that being said, we wanted to move forward and control for.

168

00:21:21.570 --> 00:21:26.910

Town of Albion: The looks of the town, and you know other reasons, any large scale.

169

00:21:29.100 --> 00:21:44.190

Town of Albion: projects that might come into town, and as long as we were doing solar We discussed it kind of thought that when should be controlled now That being said, we don't want to stop any personal people you know individuals from putting solar or wind.

170

00:21:45.570 --> 00:21:50.190

Town of Albion: Power options on their own land we just want to stop large scale farms.

171

00:21:51.990 --> 00:21:56.610

Town of Albion: That right right now, you that town has a subdivision law that correct.

172

00:21:58.530 --> 00:22:05.130

Town of Albion: I don't believe so, no more, no regard for that no gardens that new page.

173

00:22:06.990 --> 00:22:13.170

Town of Albion: So there's there's no site plan law there's no Sony there's no other no longer now.

174

00:22:15.150 --> 00:22:20.310

Town of Albion: Okay, so yeah we can definitely help you with that i'll turn it over to lean on that.

175

00:22:22.200 --> 00:22:29.910

Town of Albion: So you guys got in your email a packet and basically breaks down the language that will go into both.

176

00:22:32.100 --> 00:22:34.080

Town of Albion: What No one.

177

00:22:35.430 --> 00:22:48.060

Town of Albion: will be martin's or the time of water now and backfill so the language is when they break down the Toronto area and opium from.

178

00:22:49.170 --> 00:22:52.590

Town of Albion: Eventually template templates that the nicer another New York state.

179

00:22:54.390 --> 00:22:55.380

Town of Albion: Energy development.

180

00:22:56.670 --> 00:23:12.690

Town of Albion: Work for the public to use of her municipality for us and also comes from top of that come you're using so it comes from conversations that Nice having and what sort of limits, I want to work on on that as well.

181

00:23:13.830 --> 00:23:14.430

Town of Albion: So.

182

00:23:15.540 --> 00:23:22.350

Town of Albion: We had a chance to look at that way and see if it if it's trying to fit some of what you're thinking you'd like to see.

183

00:23:23.550 --> 00:23:33.090

Town of Albion: me and I will add that new definition doesn't figure, and I want to look at and see you know what what definitions.

184

00:23:34.710 --> 00:23:45.960

Town of Albion: The other two pounds or regulations in the town, for instance for for large solar energy systems, you can break it down by here we generally speaking, like to break it down by.

185

00:23:46.530 --> 00:24:01.980

Town of Albion: Small solar energy systems which are your mail under your point five megawatts and then you're 25 megawatts and above would be large, and we also have some site and the size of them being you know categorize and one or the other.

186

00:24:03.300 --> 00:24:14.010

Town of Albion: Of course, the regulations don't have for small so energy systems, what some of my mental property will be different from your life I was megawatt.

187

00:24:15.480 --> 00:24:16.260

Town of Albion: Solar it over.

188

00:24:17.520 --> 00:24:19.230

Town of Albion: So that that's in there.

189

00:24:21.690 --> 00:24:33.360

Town of Albion: let's take a look at that what you're saying about you know looks at your timeline and you know what you're trying to control for that a lot of the things that you can do to manage that and we pull that.

190

00:24:33.930 --> 00:24:48.600

Town of Albion: Things like screaming fencing I have been used in other areas that helps reduce the you know the visa issues, no visibility is that people might happen leverage properties are on the road.

191

00:24:49.590 --> 00:24:55.980

Town of Albion: But designs and the therapy or something that are going to help you control and try to keep that world character that.

192

00:24:58.200 --> 00:24:58.710

Town of Albion: So.

193

00:25:00.120 --> 00:25:04.830

Town of Albion: we're going to talk about that, and you know there's different setbacks English.

194

00:25:06.030 --> 00:25:07.200

Town of Albion: And born there.

195

00:25:08.610 --> 00:25:14.190

Town of Albion: That not only from your own know that the residential property lot like.

196

00:25:19.710 --> 00:25:20.190

Town of Albion: That.

197

00:25:26.850 --> 00:25:39.000

Town of Albion: yeah yeah yeah like I said there's a number of things you could do that a lot sizes that symbol lot coverage setbacks screening.

198

00:25:40.800 --> 00:25:46.440

Town of Albion: So there's there's a lot, you can legally do that really kind of clamp down as well, I think.

199

00:25:47.340 --> 00:26:06.510

Town of Albion: The world in agreement that we're not against development we just like to be able to control the relevant to make sure that it's meets guidelines we want currently with those owning anything I think this is our only option right, yes, come up with the law regulates that.

200

00:26:08.190 --> 00:26:12.090

Town of Albion: So we were within this is the right path, yes.

201

00:26:13.350 --> 00:26:24.660

Town of Albion: Absolutely and you've done a moratorium which, from what I saw expires September night Thank you ever so you don't want to have something that I than.

202

00:26:25.770 --> 00:26:31.320

Town of Albion: One, so I think you get the next you wants, you know if you can get something.

203

00:26:33.390 --> 00:26:38.490

Town of Albion: You know, adopted by August, the end of August your your mission should be able to do.

204

00:26:41.370 --> 00:26:48.960

Town of Albion: This is that make this this isn't rocket science this pretty you know we've got this other communities and what.

205

00:26:50.490 --> 00:26:58.680

Town of Albion: way to do is have three maybe next month of like a wrap for you to really take apart.

206

00:27:00.510 --> 00:27:01.140

me awesome.

207

00:27:02.940 --> 00:27:11.160

Town of Albion: Then what they need to get next what they may be modified slightly better raises eventually in your control with you on applied.

208

00:27:13.230 --> 00:27:20.250

Town of Albion: I got that once we went over that we can get a semi polished final draft for dawn.

209

00:27:21.990 --> 00:27:23.100

Town of Albion: Okay, so at this point.

210

00:27:25.110 --> 00:27:25.650

You.

211

00:27:26.700 --> 00:27:31.140

Town of Albion: Probably we should take a little time go through this and a little more depth.

212

00:27:32.550 --> 00:27:34.380

Town of Albion: I can peruse it with you guys.

213

00:27:36.960 --> 00:27:53.310

Town of Albion: But I don't have any specific questions really yet, because I ever hasn't sunk in you know what I mean, so you know if we could get a chance to discuss that amongst ourselves, I communicate with you, and then by next month we have something.

214

00:27:54.630 --> 00:27:54.960

ready.

215

00:27:56.160 --> 00:27:56.490

Okay.

216

00:27:58.020 --> 00:28:08.250

Town of Albion: One thing you might want to think about during a process is maybe having a special work meeting to do like I don't know how busy your typical talent or meeting is, but you.

217

00:28:09.300 --> 00:28:18.390

Town of Albion: might want to have a special meetings just alluded to us, maybe not maybe not if you've got a really light agenda for June.

218

00:28:20.310 --> 00:28:32.220

Town of Albion: But yeah that option Okay, then the lemon can you can comment, but we could do it, maybe on the projectors below we would take a look at, we can.

219

00:28:33.810 --> 00:28:35.070

Town of Albion: Add delete were.

220

00:28:39.000 --> 00:28:39.330

Great.

221

00:28:46.890 --> 00:28:58.800

Town of Albion: plan, not your questions, and I think that gives us a spot to start, I mean I really had no idea where to even begin, so I definitely I asked all and he recommended that we are so.

222

00:29:02.310 --> 00:29:03.210

Town of Albion: that's where to start.

223

00:29:04.350 --> 00:29:06.750

Town of Albion: So thank you, as you have more to add.

224

00:29:07.980 --> 00:29:19.140

Town of Albion: Can we just kind of think about the maybe the week after our next word me as much or maybe never be like that we can move.

225

00:29:21.600 --> 00:29:22.260

234

00:30:34.770 --> 00:30:37.350

Town of Albion: To very briefly.

235

00:30:38.760 --> 00:30:40.440

00:31:45.300 --> 00:31:48.150  
Town of Albion: Well, hopefully, hopefully, the town for.

243  
00:31:49.470 --> 00:31:49.920  
Town of Albion: So.

244  
00:31:56.070 --> 00:31:56.340  
Town of Albion: Long.

245  
00:32:09.120 --> 00:32:09.510  
Town of Albion: Is.

246  
00:32:12.180 --> 00:32:12.480  
Town of Albion: That.

247  
00:32:14.790 --> 00:32:17.220  
Town of Albion: I can't even see it makes me sad.

248  
00:32:18.720 --> 00:32:18.990  
Town of Albion: You.

249

Town of Albion: Know it's when I come out.

250  
00:32:23.310 --> 00:32:23.730  
Town of Albion: yeah.

251  
00:32:25.980 --> 00:32:26.700  
Town of Albion: Go back.

252  
00:32:42.840 --> 00:32:43.920  
Town of Albion: And look again.

253  
00:32:45.570 --> 00:32:46.350

Town of Albion: I don't have a reaction to some medication said he was going to be here, but you've got worse I don't know but.

280

00:36:07.440 --> 00:36:08.970

281

00:36:10.860 --> 00:36:13.710

Town of Albion: mention that would have been nice if you could have done that, for us.

282

00:36:17.250 --> 00:36:22.980

Town of Albion: I was hoping, you could issue of report on the D O T training that they had a couple three weeks ago, or so.

283

00:36:23.790 --> 00:36:41.640

Town of Albion: From what I heard it went well they did learn quite a few things that they did not know so it was very useful, we know that much I have given Ted a contact to get multiple the playground that what to get that opened by June 1 of the latest and he said there shouldn't be any problem.

284

00:36:42.720 --> 00:36:53.670

433

00:53:50.190 --> 00:54:00.690

Town of Albion: And it's just becoming a money grab it's money it's wrong and they just about money, we are working there they don't pay their emt paramedics and stuff.

518

01:04:09.600 --> 01:04:10.680

524

01:05:00.210 --> 01:05:00.570

Town of Albion: We can.

525

01:05:01.590 --> 01:05:08.220

Town of Albion: use it that way right estimate budgeted SP eliana, you have the floor on the floor i'm asking is because we have other stuff that we have to get.

526

01:05:08.760 --> 01:05:16.770

527

01:05:17.250 --> 01:05:37.380

Town of Albion: Like leave, so I just didn't know okay well we'll have to do to get that kind of stuff I mean I always said honoring the Lord knows, I know that my job, but right, I did set up a capital reserve fund Okay, so that we can do things like that, that we need, but the fire part of it is.

528

01:05:40.200 --> 01:05:40.500

Town of Albion: That.

529

01:05:43.740 --> 01:05:56.820

Town of Albion: When you finish with a thing like that it comes off the line item yeah explain it any better than that right, but you can't any longer use it for that type of thing it.

530

01:06:00.570 --> 01:06:08.490

Town of Albion: was all the money don't think it's not there it's it is there, but we can only spend what is appropriate for within the budget yeah.

531

01:06:10.980 --> 01:06:11.340

Town of Albion: Any.

532

01:06:13.110 --> 01:06:14.190

Town of Albion: Comments questions.

533

01:06:15.360 --> 01:06:17.820

Town of Albion: motion to accept ocean second.

534

01:06:19.980 --> 01:06:20.550

Town of Albion: All in favor.

535

01:06:23.340 --> 01:06:25.440

01:06:28.740 --> 01:06:30.660

Town of Albion: And let me tell you have some.

537

01:06:33.300 --> 01:06:34.110

Town of Albion: last minute.

538

01:06:35.700 --> 01:06:36.210

Town of Albion: questions.

539

01:06:37.440 --> 01:06:40.500

Town of Albion: Right at like the money or what account right.

540

01:06:45.210 --> 01:06:59.220

Town of Albion: Under old business, I have, hopefully, some people notice it as they came in, if he didn't on your way out just before we get to the north to the left, we got carl's plaque up there just put it up, for me, the other day.

541

01:07:00.540 --> 01:07:01.530

Town of Albion: very nice, I think.

542

01:07:03.150 --> 01:07:03.600

Town of Albion: Probably.

543

01:07:06.600 --> 01:07:07.710

Town of Albion: Any other old business.

544

01:07:10.560 --> 01:07:16.740

Town of Albion: Under new business already touched on the sexual harassment, training, that the report that is required.

545

01:07:18.060 --> 01:07:26.430

Town of Albion: And then, again on June 23 so you guys in the highway, we need to get just so you know, maybe you can pass assignment that I will talk to them tomorrow as well, but.

546

01:07:27.750 --> 01:07:30.930

Town of Albion: The part time guys have to go to women.

547

01:07:32.310 --> 01:07:36.540

Town of Albion: Anyway, anybody that is important right now correct correct yeah.

548

01:07:42.990 --> 01:07:49.920

Town of Albion: I think it was Maybe it was heard that brought up the cannabis discussion and legalizing marijuana.

549

01:07:50.370 --> 01:07:57.690

Town of Albion: I had quite a talk with the town attorney the other day regarding that there are a couple she has attended a few webinars on it.

550

01:07:58.380 --> 01:08:17.370

Town of Albion: And there are going to be some more coming up, but it's definitely something that we're going to have to look into more as we move forward she didn't tell me a couple things if the town wants to opt out, we have to pass a local law by December 31 if we choose to opt out.

551

01:08:18.450 --> 01:08:36.840

Town of Albion: There is no revenue available from the Texas, that will be collected by the state or the county we're out, we lose any possible and come from that and that is subject to a permissive referendum, which means, if someone comes in and asks us to have a vote about it as a public vote of atmosphere.

552

01:08:39.750 --> 01:08:42.600

Town of Albion: We can, if we decided to stay in.

553

01:08:43.980 --> 01:08:54.900

Town of Albion: To potentially collect that revenue, we can regulate for town board can regulate time manner and place of dispensary's and growing.

554

01:08:57.090 --> 01:08:58.140  
Town of Albion: She did say.

555

01:08:59.160 --> 01:09:11.100  
Town of Albion: Without zoning it will be difficult, but, but it can be done, and we would have to do it as tell mode as of right now she said, the numbers are still up in the air, but it looks like it would be a 4%.

556

01:09:12.690 --> 01:09:17.490  
Town of Albion: tax to the county 1% will go to the county 3%.

557

01:09:19.620 --> 01:09:32.460  
Town of Albion: that's how it will turn out, I think I do think she said it was a 90% overall tax and 5% state and the other guy before he left the split between the county or not so that's something.

558

01:09:34.110 --> 01:09:38.220  
Town of Albion: To think about before the end of the year so we're going to have dinner or.

559

01:09:39.450 --> 01:09:40.170  
Town of Albion: or opt out.

560

01:09:41.460 --> 01:09:53.670  
Town of Albion: Just are aware of that it's coming, and she said it's very vague right now, because they passed the law without any background whatsoever so they're making it up as they go along.

561

01:09:55.440 --> 01:09:59.790  
Town of Albion: which was typical you know, unfortunately, your.

562

01:10:10.950 --> 01:10:12.540  
Town of Albion: Resolution number four.

563

01:10:13.680 --> 01:10:14.970  
Town of Albion: Is a correction.

564

01:10:16.590 --> 01:10:21.360  
Town of Albion: isn't enough resolution number two that it would that Nice lawyers report that I had sent in.

565

01:10:23.400 --> 01:10:28.440

Town of Albion: When I send it in I had a nice numbers, the town clerk's numbers.

566

01:10:29.580 --> 01:10:40.170

Town of Albion: Rather than her record of activities result I reported something else again is on there and I did have janice on there, which was also incorrect.

567

01:10:41.190 --> 01:10:52.500

Town of Albion: Which you'll notice on the new resolution yeah, this is not because janice is not an appointment or an elected official she just works out so she does not belong on this particular.

568

01:10:54.480 --> 01:11:00.300

Town of Albion: Resolution so meantime I took it upon myself to fax this.

569

01:11:01.920 --> 01:11:03.690

Town of Albion: Nice slurs and.

570

01:11:05.340 --> 01:11:12.870

Town of Albion: Make sure that it was correct and a guy actually called me and said that's correct so presented and.

571

01:11:13.320 --> 01:11:29.460

Town of Albion: It has to be posted for 30 days amy and then within 15 days of the end of that 30 days of posting, we have to mail it to Nice lawyers and then you guys will all be reinstated it's currently funny amy and like Maxwell are.

572

01:11:31.350 --> 01:11:31.950

Town of Albion: what's the word.

573

01:11:35.460 --> 01:11:40.260

Town of Albion: Know they're suspended within a retirement account, and I know what he's thinking about retiring so.

574

01:11:41.910 --> 01:11:46.050

Town of Albion: What that stands for the retirement New York state and local.

575

01:11:47.550 --> 01:11:50.160

Town of Albion: You know so and it was it had been.

576

01:11:53.250 --> 01:11:58.830

Town of Albion: long story short, it was communicated miscommunications back in 2019.

577

01:12:00.240 --> 01:12:08.550

Town of Albion: But for most of us are even involved and it's taken me this long to finally get it all straightened out what we are now correct.

578

01:12:09.630 --> 01:12:16.230

Town of Albion: vironment system is correct, everything is good and i'm not blaming anybody, it was simply miscommunication but.

579

01:12:16.770 --> 01:12:31.380

Town of Albion: And then, when the coven hit the paperwork and all that stuff and it was just screwed up from word go, but anyway now we're going to go everybody's environment should be set an accurate up to date so.

580

01:12:32.850 --> 01:12:35.880

Town of Albion: We have to sign this as a resolution to go to that.

581

01:12:42.630 --> 01:12:44.070

Town of Albion: Sorry, you wanna you want a.

582

01:12:46.290 --> 01:12:47.580

Town of Albion: motion to accept that.

583

01:12:51.000 --> 01:12:51.390

Town of Albion: Second.

584

01:12:52.950 --> 01:12:53.280

Town of Albion: Second.

585

01:12:54.450 --> 01:12:55.140

Town of Albion: All in favor.

586

01:13:14.010 --> 01:13:15.030

Town of Albion: copy of this one.

587

01:13:24.990 --> 01:13:26.850

Town of Albion: We don't need all sign, there are no.

588

01:13:31.860 --> 01:13:35.940

Town of Albion: More we're going to talk about this, but I don't think we're going to do anything yet.

589

01:13:36.960 --> 01:13:38.310

Town of Albion: Resolution number five.

590

01:13:43.350 --> 01:13:45.720

Town of Albion: I making the budget.

591

01:13:47.460 --> 01:13:51.090

Town of Albion: forgot to include a line to replace the roof.

592

01:13:52.800 --> 01:13:53.970

Town of Albion: So I spent.

593

01:13:55.380 --> 01:13:57.150

Town of Albion: Like six hours down here Sunday.

594

01:13:58.410 --> 01:13:59.490

Town of Albion: coming up with.

595

01:14:01.110 --> 01:14:12.660

Town of Albion: A way to take money from all whole bunch of other accounts to come up with enough money to pay for the roof, this goes to what I was explaining to you if you don't have an appropriation for an expense.

596

01:14:13.650 --> 01:14:31.320

Town of Albion: You can't just take, even though I just said, we got \$2 million you can't just get that correct, so I was able to come up with that, but then talking to some of the other board members, a little bit about it earlier tonight we may be able to.

597

01:14:34.470 --> 01:14:48.810

Town of Albion: Imagine what it might mm hmm the budget around it, so that we can just do a it's not a dude doing do from with it's just a new line item, so that we can take part of the unencumbered revenue that we have.

598

01:14:50.010 --> 01:14:51.750

Town of Albion: and utilize it in that.

599

01:14:53.010 --> 01:15:05.850

Town of Albion: That finance so just so that it's covered and presented in minutes discussing this but i'm going to attempt i'm going to clear it with laird petri.

600

01:15:06.900 --> 01:15:12.870

Town of Albion: And then we will have a special meeting probably next week, because the room is going to happen here pretty some some.

601

01:15:14.550 --> 01:15:22.860

Town of Albion: And we'll see if we can do the amended budget will do that, instead of this resolution, so that we didn't have the money to pay for that route.

602

01:15:23.880 --> 01:15:36.360

Town of Albion: Because I don't obviously don't want to hold up against that are doing so, but I wanted it recorded and minutes that discuss that and we're going to go one of those two ways I just don't know which way.

603

01:15:37.620 --> 01:15:43.800

Town of Albion: That apologize for getting to add that line of the budget, but I just did and that's the.

604

01:15:46.050 --> 01:15:46.590

Town of Albion: Final.

605

01:15:57.510 --> 01:16:11.670

Town of Albion: I don't think we really need to go into it anymore that central New York broadband Internet study that talked about earlier if anybody's interested, they can visit the website, I have one out the paperwork here so.

606

01:16:12.810 --> 01:16:19.080

Town of Albion: it's pretty important to get it out and let everybody know that they are trying to do something for our rural areas.

607

01:16:25.260 --> 01:16:29.880

Town of Albion: So Leo county has joined the empire state purchasing group called big net.

608

01:16:30.900 --> 01:16:33.570

Town of Albion: So what that means is that.

609

01:16:35.550 --> 01:16:38.010

Town of Albion: If we want to buy something.

610

01:16:40.920 --> 01:16:42.510

Town of Albion: it's actually.

611

01:16:43.980 --> 01:16:54.120

Town of Albion: allows vendors to put in bids for things like if we had known about this last year which weren't a member of the ledger so when the manager, but if it was available last year, we could have gone through this.

612

01:16:55.740 --> 01:17:00.750

Town of Albion: other words, we would have said Okay, we need a roof on admissible building and all these factors that.

613

01:17:03.210 --> 01:17:16.860

Town of Albion: go along yeah just stayed in this, then that would have been able to put in a bid on it so that's a good thing to know, and whether we use it or not, I don't know but still.

614

01:17:25.230 --> 01:17:36.000

Town of Albion: The public service Commission is asking for public comment regarding two proposals file by the Department of public service and the gas planning proceeding.

615

01:17:39.300 --> 01:17:55.470

Town of Albion: It will all be a virtual public hearing and may 12 and 13th 2021 solicit input and comments from your community regarding the proposals, proposals are believe available online, although I don't see it here.

616

01:17:57.120 --> 01:17:58.050

Town of Albion: When the dates again.

617

01:17:59.100 --> 01:18:03.060

Town of Albion: May 12 and 13th so tomorrow and Thursday.

620

01:18:21.720 --> 01:18:22.470

Town of Albion: You can.

621

01:18:23.730 --> 01:18:25.590

Town of Albion: get this piece of paper for me and sign up.

622

01:18:31.650 --> 01:18:39.180

Town of Albion: As we mentioned earlier, as I mentioned earlier, the annual update document is completed and submitted to the state.

623

01:18:40.920 --> 01:19:03.000

Town of Albion: And I just wanted to mention this to department heads and the board, you know it's early we're coming up on budget time and I want people to start thinking about what they want to do for potential increases in bernal budgets or races things like that.

624

01:19:05.820 --> 01:19:08.100

Town of Albion: And a tough couple years ago good and all that.

625

01:19:09.570 --> 01:19:09.780

718

01:28:45.600 --> 01:28:47.580

Town of Albion: And I took pictures that I never.

719

01:28:49.020 --> 01:28:50.610

724

01:29:15.300 --> 01:29:17.700

725

01:29:20.310 --> 01:29:23.460

Town of Albion: yeah we probably around we got will get the Doc so.

726

01:29:25.050 --> 01:29:25.350

Town of Albion: Far.

727

01:29:30.090 --> 01:29:44.730

Town of Albion: The paper technically we don't have to repair mailboxes quite often we we do just because we do, but I will I will have 10 or someone contact you probably heard.

728

01:29:46.020 --> 01:29:48.630

Town of Albion: Under the weather so you're 29 church street.

729

01:29:50.190 --> 01:29:56.970

Town of Albion: Sex I mean, so you know your mailbox over to Mexico street and that's where they usually don't.

730

01:29:58.110 --> 01:30:08.430

Town of Albion: know, I was there when I first got here didn't have a lot, so I put it there, and for last year I need to back.

731

01:30:09.540 --> 01:30:11.820

Town of Albion: away for the weekend crisco survive.

732

01:30:14.610 --> 01:30:15.870

Town of Albion: taken up here.

733

01:30:20.700 --> 01:30:21.120

Town of Albion: and

734

01:30:23.580 --> 01:30:24.000

Town of Albion: The.

735

01:30:25.350 --> 01:30:25.980

Town of Albion: One that.

736

01:30:27.720 --> 01:30:27.900

Town of Albion: I.

737

01:30:29.910 --> 01:30:31.020

Town of Albion: have been asked about.

738

01:30:33.210 --> 01:30:41.520

Town of Albion: Every year after the snow melts they kind of put often people around the sidewalk on the church to sign up for.

739

01:30:42.750 --> 01:30:50.220

Town of Albion: sidewalks are in pretty bad shape and yeah I cleared all the dirt and grass and everything off of it, and I know I know that it's.

740

01:30:51.390 --> 01:30:56.730

Town of Albion: broken up into three, but why haven't I don't think you haven't lived here terribly long.

741

01:30:57.750 --> 01:31:04.320

Town of Albion: We had a village and 2013 the village was dissolved and.

742

01:31:05.370 --> 01:31:14.250

Town of Albion: Certain things were absorbed by the town, but but not everything was, and I think there's still some question is.

743

01:31:15.450 --> 01:31:17.910

Town of Albion: What supposed to be done and we supposed to do it.

744

01:31:19.230 --> 01:31:27.240

Town of Albion: So I follow my responsibility or now that at this point now it's in sometimes it is, but neither.

745

01:31:28.410 --> 01:31:34.620

Town of Albion: So we're still kind of hashing that out there's been some recent talk things like that.

746

01:31:40.080 --> 01:31:43.800

Town of Albion: So I don't have a good answer for you right on sorry for that.

747

01:31:45.000 --> 01:32:03.210

Town of Albion: that's worth hopefully will come to some kind of agreement here before too many moments, but one thing i've learned i've been on the board now for this, I mean the my second year, and things do not move very quickly and it's not necessarily our fall just example quick.

748

01:32:05.040 --> 01:32:11.850

Town of Albion: So, but I will, I do have a note here, I will talk to 10 of them, hopefully, he will contact you or someone will be there very long term.

749

01:32:17.130 --> 01:32:18.420

Town of Albion: Questions comments.

750

01:32:19.560 --> 01:32:21.810

Town of Albion: Or should do with your OSHA second.

751

01:32:23.400 --> 01:32:25.920  
Town of Albion: All in favor but I second.

752  
01:33:11.310 --> 01:33:12.330  
Town of Albion: exam decided.

753  
01:33:15.690 --> 01:33:17.670  
Town of Albion: Rather than working for.
