74

00:11:31.560 --> 00:11:32.100

Town of Albion: Time.

75

00:11:44.280 --> 00:11:45.780

Town of Albion: Plans directions anything, for instance bucket truck yet.

77

00:11:51.990 --> 00:11:59.730

Town of Albion: Actually I didn't walk around with that right that was focused on with these guys because we had to stay what we were just just barely ahead.

78

00:12:00.600 --> 00:12:07.740

Town of Albion: Because we didn't want to open anything up because they won't be too far ahead of the game, you know when we got into that down by the bar.

79

00:12:08.190 --> 00:12:19.740

Town of Albion: It was a little more there was up in classes anything to say take more else but there came up with all the drains and working well, we got a couple drains that we're going to raise still apply the legion.

80

00:12:21.450 --> 00:12:34.080

Town of Albion: didn't get rolled afterwards so we're going to keep that up and roll that down we're trying to keep up with them guys they're going a little crazy in the last day there, so we got to heat it up role that down.

81

00:12:35.250 --> 00:12:38.580

Town of Albion: Other than that came up pretty good to know that you.

82

00:12:39.630 --> 00:12:42.510

Town of Albion: sent me an auction site oh yeah.

83

00:12:43.620 --> 00:12:46.410

Town of Albion: Right, he was going to find out about that for us.

84

00:12:47.790 --> 00:12:54.090

Town of Albion: Now, look into that you know they never did never responded to my questions.

85

00:12:55.980 --> 00:13:08.280

Town of Albion: And then, with this here so that I can get that in you guys got to fill I got all the slips and everything, but when you write that check, can you give me a copy of that check right away or for the county.

86

00:13:09.540 --> 00:13:18.420

Town of Albion: Then I gotta hand that and submitted so just soon as you give me that I can get it submitted, so it was actually going to be my next question is the dumps paperwork.

87

00:13:19.440 --> 00:13:27.360

Town of Albion: Things right here, I gotta have a copy that that's that's gotta I gotta have that path the noise just willing to write it just give me a copy of.

88

00:13:31.080 --> 00:13:34.830

Town of Albion: The of the list building yo yo yo yo.

89

00:13:36.000 --> 00:13:36.180

Town of Albion: yo.

90

00:13:37.380 --> 00:13:38.970

Town of Albion: yos I went through this you.

91

00:13:41.700 --> 00:13:59.910

Town of Albion: know we can't wait until next month or anything like that so that's why I wasn't bringing it up right oh I got it in just when you write that copy, so I can split that then we'll have a quick call us as we usually do the bills on Friday night okay version, though.

92

00:14:03.120 --> 00:14:11.070

Town of Albion: I know there's some question confusion, I just want to be great understand what's happening a 10 hour days back to the eight hour days.

93

00:14:12.060 --> 00:14:20.340

Town of Albion: No words we're still on the 10th we're not we didn't go on each because we had to stay with the county working with them until this was done.

94

00:14:20.790 --> 00:14:35.760

Town of Albion: And then, like right now with the sadness same way, because a new goal going on as we're going to lose two hours of Holland, every day, so you know right now with john you know and that's something else to bring up like I think i'm gonna have.

95

00:14:36.960 --> 00:14:46.380

Town of Albion: Jimmy or cherry because in the drive that third of truck because right now, without john we're only gonna be home with two trucks he met on the six.

96

00:14:46.920 --> 00:15:03.780

Town of Albion: No, no, he I think a reporter, he said, the 14th he will definitely be a six right, that was the first time, but then he had to see another doctor that didn't release therapy, he said, the 14th so we'll see what that.

97

00:15:06.390 --> 00:15:13.080

Town of Albion: Other doctors appointment, or is it no that's when he said that he will get released, but they told him I know I gotta have the paperwork.

98

00:15:14.910 --> 00:15:15.360

Town of Albion: So.

99

00:15:16.470 --> 00:15:25.950

Town of Albion: That was the first I thought to come back six and then he stopped down and seeing themselves the shop and he had to go see the other doctors real it's got three different doctors.

100

00:15:27.210 --> 00:15:36.300

Town of Albion: Okay what's the projection for the race, because we do get asked right right just as soon as we're done volunteering and we're going on, no, no, just just additional.

101

00:15:37.140 --> 00:15:51.330

Town of Albion: Seven days right right, that would be a week after that, so no we gotta get this and all of them will be also Okay, you mentioned and i'm not traveling on the spider you mentioned that you lose two hours on.

102

00:15:52.590 --> 00:15:54.570

Town of Albion: It what's the difference between four and.

103

00:15:55.920 --> 00:16:05.040

Town of Albion: They will equal for a while during the day, and once you once you get going and get rolling you know I don't I don't know if you ever noticed that but, once you get going.

104

00:16:05.550 --> 00:16:19.020

Town of Albion: To circle rolls along every day to get started checking the trucks getting over there and the line it all depends on the old earlier over in that line the Lord can get rolling first thing in the morning ready what's that.

105

00:16:20.490 --> 00:16:23.160

Town of Albion: They won't be there on Friday anyway, so I don't get nothing there.

106

00:16:24.180 --> 00:16:33.480

Town of Albion: that's that's the whole thing and I got to work with them, yes, until they're done with down we've got up stay on their schedule, so we can get everything we get any idea when they go back to.

107

00:16:34.650 --> 00:16:45.360

Town of Albion: back to the sands halt but, once we get our chance to Paul I don't care about everybody else I could go on to the it's going to tell when I was working with him last week.

108

00:16:47.310 --> 00:16:52.500

Town of Albion: I spoke to him about the towel I switched your ship, by the way, so the most important knows.

109

00:16:54.600 --> 00:16:55.350

Town of Albion: Like I.

110

00:16:56.670 --> 00:17:05.610

Town of Albion: went from 530 to seven in the morning 7535 30 what you know now you go to stop.

111

00:17:06.870 --> 00:17:12.000

Town of Albion: So it's daylight hours in the film they already worried about everybody's there and.

112

00:17:13.080 --> 00:17:22.500

Town of Albion: they'll Michael I said stay on another paper right no that shouldn't be about it, if we get hot lunch in the world and get that third truck.

113

00:17:23.580 --> 00:17:35.130

Town of Albion: usually done in a week or maybe just the hero, but I think we'll be all right all depends on how many peoples in the fit that Neil over an amway didn't pan out for people, so now they're all coming back.

114

00:17:35.640 --> 00:17:41.250

Town of Albion: To the county's get they're saying so now the lines, going to be a factor it up, and I know you've mentioned to me about.

115

00:17:42.720 --> 00:17:53.550

Town of Albion: kill you behind, yes, we have to count on a gate down there you know the other spot over that Scott room good sand and.

116

00:17:53.940 --> 00:18:04.770

Town of Albion: gravel because we cut the top of her up one spot all sad ones gravel i'm going to find out with the see what we have to do with that and because we already own it so.

117

00:18:05.460 --> 00:18:12.090

Town of Albion: We also do it for ourselves why keep running around Biden, if we can save yourself money, right here.

118

00:18:13.020 --> 00:18:25.710

Town of Albion: You don't want to take your money right that's why I mean you can averages out to right around 40 miles or something like that, without a permit, but only to find out what's going to take to get the permit for itself, or is there.

119

00:18:26.340 --> 00:18:33.270

Town of Albion: Because you gotta remember, there is a what the water laying down on the bottom that might have a big factor to that they might not even.

120

00:18:34.620 --> 00:18:51.720

Town of Albion: know so that's why I got to make sure find out through the first time, yes it's a Barber Barber Barber yo, on the other side of the bottle and maybe you could sneak in the back that landowner behind him yeah he's on one at all.

121

00:19:01.380 --> 00:19:03.870

Town of Albion: How many how many instances that have told.

122

00:19:07.710 --> 00:19:08.610

Town of Albion: You you will make an.

123

00:19:10.920 --> 00:19:17.790

Town of Albion: improvement, but all I didn't I did look on the map that's what I mean that's what i'd say it's a chat that it's a double.

124

00:19:18.990 --> 00:19:29.370

Town of Albion: Checking out deal Okay, the last question for you is one thing we've talked about it a couple times and I know you sort of put together.

132

00:20:53.250 --> 00:20:59.550

Town of Albion: Red Book because i've been reading up on some stuff in there and it did mention that at the end of the year, you have to come up with a.

133

00:21:00.930 --> 00:21:17.370

Town of Albion: He tried, he said he's given me those.

139

00:21:48.240 --> 00:21:48.930

Town of Albion: Okay.

140

00:21:51.840 --> 00:21:54.060

Town of Albion: get rid of this and we get this over say.

153

00:23:50.400 --> 00:24:03.150

533

01:12:17.910 --> 01:12:22.980

Town of Albion: say I have not called you back or email me I gave them all forms to be able to hold.

534

01:12:23.460 --> 01:12:32.250

Town of Albion: I also contacted Angelo shadow and 916 20 to receive no response from them, I call them back again on the 22nd.

535

01:12:32.520 --> 01:12:40.110

Town of Albion: I was told they were probably not interested in traveling that far, but they think about it and will call me if they were interested in that call.

536

01:12:40.950 --> 01:12:57.720

Town of Albion: or email me or contact me and the other way, a nice friend she asked him to you would be interested in checking it out, and he has declined to put in a bid on it exactly what what does it need to do we have to pressure test the boilers.

537

01:12:58.890 --> 01:12:59.340

Town of Albion: give it up.

538

01:13:01.140 --> 01:13:03.600

Town of Albion: Well, as operational it just doesn't hold pressure.

539

01:13:06.510 --> 01:13:09.840

Town of Albion: Right, one of them is operational or.

540

01:13:11.610 --> 01:13:14.730

Town of Albion: you've done all that work and documented.

541

01:13:17.250 --> 01:13:19.770

Town of Albion: I would say move in pattern road definitely.

542

01:13:21.420 --> 01:13:21.750

Town of Albion: Do.

543

01:13:22.770 --> 01:13:23.220

Town of Albion: They didn't.

544

01:13:30.600 --> 01:13:33.870

Town of Albion: Give me the bmj puzzler injection.

545

01:13:35.400 --> 01:13:46.740

Town of Albion: They have I have dealt with them somebody municipal building, in fact, we now have a preventive maintenance set up well done, they have responded immediately each time, each time I call them.

546

01:13:47.820 --> 01:13:53.490

Town of Albion: They get right back to the and they gone and pick stuff so there's a golf so that's.

547

01:13:54.630 --> 01:13:55.650

Town of Albion: Again forth on.

548

01:14:01.170 --> 01:14:04.500

Town of Albion: Whether I think is going to come and you guys have all seen us.

549

01:14:06.510 --> 01:14:07.620

Town of Albion: All board members.

550

01:14:09.330 --> 01:14:14.460

Town of Albion: So I will tell them to go ahead, no, no, whining we.

551

01:14:20.070 --> 01:14:23.040

Town of Albion: Okay that's all I had for all business anybody else.

552

01:14:28.140 --> 01:14:28.800

Town of Albion: we're.

553

01:14:29.940 --> 01:14:30.270

Town of Albion: going.

554

01:14:33.330 --> 01:14:36.330

Town of Albion: To take stuff out they bring more stuff back in.

555

01:14:38.700 --> 01:14:43.740

Town of Albion: In the in the problem is once they're given to him there is.

556

01:14:44.970 --> 01:14:46.320

Town of Albion: Any scrapping now.

557

01:14:47.670 --> 01:15:03.360

Town of Albion: So our local laws, other than possibly having a junkyard he doesn't have a junkyard she's not open to the public, like, I talked to him several times yeah yep I will bring anymore and.

558

01:15:05.130 --> 01:15:06.690

Town of Albion: I know he's brought in War Two.

559

01:15:07.860 --> 01:15:12.480

Town of Albion: We haven't seen a lot coming out we've seen my newest standard.

562

01:15:27.990 --> 01:15:29.880

Town of Albion: Big watchers backyard.

563

01:15:36.720 --> 01:15:38.250

Town of Albion: Nature you got another one.

564

01:15:41.100 --> 01:15:43.620

Town of Albion: All right, anything else under old know.

565

01:15:45.240 --> 01:15:46.500

Town of Albion: we're going on a new business.

566

01:15:47.550 --> 01:15:56.430

Town of Albion: Something that we came across with repairing a water line break is, we had to move live you live, your tanks, yes, thanks so.

567

01:15:57.570 --> 01:16:07.620

Town of Albion: adjusted Steve you're up you were kind of talking with the glider guy he was saying we got three choices basically leave it as is.

568

01:16:08.100 --> 01:16:17.790

Town of Albion: For small and tanks that were near the building, just like it was one large bank near the building or put a large bank across the driveway which we have to cultivate that or.

569

01:16:19.260 --> 01:16:23.820

Town of Albion: He was in favor of doing the large table waste right yeah.

570

01:16:25.260 --> 01:16:31.260

Town of Albion: So if we're going to do it, I guess, not will be 10 do that you got for small banks is.

571

01:16:33.000 --> 01:16:47.430

Town of Albion: not a good situation wiring or anything else that causes building, you know she will put the big tank across I don't work for gliders i'm not trying it didn't visit got need to collaborate and work on very pleasant, thank God be done right put the barrier brown the guardrails.

572

01:16:48.930 --> 01:16:58.470

Town of Albion: going to be a little bit expensive is dirt would win in the end it will save you money to something happens up here i'll do feel a little bird in front of their lower back up for me to.

573

01:17:00.000 --> 01:17:07.320

Town of Albion: start looking at the real situation, the problem we ran into before I think building comment on this, the.

574

01:17:08.340 --> 01:17:15.330

Town of Albion: We don't own the other side of the right way very far line is kind of like right there keep going going to happen hills.

575

01:17:23.370 --> 01:17:24.990

Town of Albion: Sorry, my mistake.

576

01:17:28.170 --> 01:17:32.340

Town of Albion: service that there is journals are 20 more for copper ground.

577

01:17:33.660 --> 01:17:36.330

Town of Albion: with you and that's we clearly on that.

578

01:17:38.160 --> 01:17:40.500

Town of Albion: gave us permission to their power their.

579

01:17:41.850 --> 01:17:43.740

Town of Albion: novel called Georgian.

580

01:17:44.940 --> 01:17:50.160

Town of Albion: For that, since that was your that was Dale Dale Dale.

581

01:17:52.110 --> 01:17:52.500

Town of Albion: Dale.

582

01:17:56.100 --> 01:17:56.940

Town of Albion: Dale but he did it.

583

01:17:58.650 --> 01:18:00.660

Town of Albion: Okay he's the guy quality yeah yeah.

584

01:18:04.710 --> 01:18:05.130

Town of Albion: yeah.

585

01:18:07.260 --> 01:18:13.290

Town of Albion: No worries or get tangled back in place so right now we don't eat.

586

01:18:15.840 --> 01:18:17.610

Town of Albion: don't you yeah but it's not going to be long enough.

587

01:18:19.530 --> 01:18:25.560

Town of Albion: God be I know he told me that day there nothing do or there's gotta be a Dean agency through through the driveway.

588

01:18:26.730 --> 01:18:28.200

Town of Albion: No, not at.

589

01:18:32.610 --> 01:18:40.740

Town of Albion: least leave that pepper to do not doing with a going on
yeah I gotta go you gotta you.

590

01:18:41.970 --> 01:18:46.560

Town of Albion: gotta do well, you didn't have to be good yeah that's how
they did do a.

591

01:18:47.820 --> 01:18:51.150

Town of Albion: generator at the bar that's kind of what.

592

01:18:52.710 --> 01:18:54.450

Town of Albion: won't stop yeah.

593

01:18:56.040 --> 01:18:56.490

Town of Albion: Okay.

594

01:18:59.340 --> 01:19:00.960

Town of Albion: that's that's the plan.

595

01:19:06.480 --> 01:19:12.420

Town of Albion: What a good point that should be definitely put down I
probably have any way to put down and get away with.

596

01:19:13.890 --> 01:19:13.980

Town of Albion: It.

597

01:19:15.330 --> 01:19:17.100

Town of Albion: You got big trucks running over yeah.

598

01:19:21.870 --> 01:19:22.170

Town of Albion: yeah.

599

01:19:24.420 --> 01:19:24.720

Town of Albion: yeah.

600

01:19:27.150 --> 01:19:27.780

Town of Albion: and

601

01:19:29.490 --> 01:19:49.020

Town of Albion: Okay what's anybody else got any other new business before we move into the tentative I want to discuss with the board we've got this article money we're going to be spending in that a webinar on the 19th to discuss it, but one thing that we.

602

01:19:50.550 --> 01:19:55.800

Town of Albion: are pretty sure that we can spend the money on is safety related items for the next.

603

01:19:57.960 --> 01:20:11.460

Town of Albion: And then, whatever you might want to call whether its wind storm or whatever it may be, so we can use that money to stack up for sanitizer.

604

01:20:12.570 --> 01:20:20.520

Town of Albion: hardhats best chainsaw chains oil and so on, so, so we need a place to put all this stuff.

605

01:20:23.100 --> 01:20:36.630

Town of Albion: Work there well that's what I want to discuss is getting the building something like what the Amish do, but are they I talked to the Amish and we're going to get three quotes anyway, but they recommend.

606

01:20:37.890 --> 01:20:45.240

Town of Albion: It for them to do that don't make a one sided like they normally do they get metal siding that matches the highway.

607

01:20:46.980 --> 01:20:47.580

Town of Albion: and

608

01:20:48.930 --> 01:21:12.450

Town of Albion: Our highway superintendent got all the old steel of the old building and he has offer to give us the the old stuff good stuff that the old building that would work out and a white room so with our current movie I failed to mention 10 but I don't know where we were funded up their.

609

01:21:15.990 --> 01:21:17.490

Town of Albion: Containers mobile.

610

01:21:22.050 --> 01:21:25.860

Town of Albion: yeah sure what size, it is low, you gotta.

611

01:21:27.300 --> 01:21:27.990

Town of Albion: Go back home.

612

01:21:29.220 --> 01:21:33.930

Town of Albion: I must be mobile and six basic hurt or treating, no, no.

613

01:21:37.230 --> 01:21:38.400

Town of Albion: No, no, maybe.

614

01:21:41.160 --> 01:21:43.470

Town of Albion: that's something that we need to work.

615

01:21:46.440 --> 01:21:49.170

Town of Albion: Because that would have an overhead door.

616

01:21:57.900 --> 01:21:58.380

Town of Albion: quarter.

617

01:22:00.630 --> 01:22:03.450

Town of Albion: push on both sides do.

618

01:22:11.880 --> 01:22:12.690

Town of Albion: You think else.

619

01:22:16.200 --> 01:22:21.510

Town of Albion: We don't think the sent all of you copies the.

620

01:22:22.560 --> 01:22:23.220

Town of Albion: Three chain.

621

01:22:24.480 --> 01:22:27.810

Town of Albion: And the tentative budget that amy presented us with.

622

01:22:32.430 --> 01:22:34.260

Town of Albion: And they were.

623

01:22:36.030 --> 01:22:38.700

Town of Albion: A ll 10.1 and just before.

624

01:22:39.720 --> 01:22:42.570

Town of Albion: DS I made it.

625

01:22:45.750 --> 01:22:49.350

Town of Albion: 2% raise the judge in the cleric.

626

01:22:50.370 --> 01:23:03.570

Town of Albion: And the reason I did that I spent a lot of time thinking about this, I talked to Randy and i've actually talked to all you guys and I know what your feelings are but anyway, my thought was everybody else got 2%.

627

01:23:04.890 --> 01:23:09.810

Town of Albion: or revenues were down last year, through no fault of their own just go with.

628

01:23:11.130 --> 01:23:24.090

Town of Albion: And it's my opinion that we progression into arrays given on what might happen, I know you think that things are going to change and it probably will, but we can address that next year, if they actually do.

629

01:23:25.980 --> 01:23:30.030

Town of Albion: that's where I was coming from that decision to change that.

630

01:23:32.280 --> 01:23:41.700

Town of Albion: That was one thing that I had a 16 20.2 buildings equipment capital outlay and wanted to raise that from 7500 to 10,000.

631

01:23:42.150 --> 01:23:55.680

Town of Albion: He goes we some of the things we talked about, and then we'll jump in we're changing the ceiling tiles converting to led lighting and that's where that those will come from rather than that.

632

01:23:57.270 --> 01:23:58.320

Town of Albion: miscellaneous.

633

01:23:59.490 --> 01:24:14.580

Town of Albion: thing that's more, for we decided to go with Christmas lights and things that the whole community could join that they wouldn't necessarily enjoy the led lighting here, but you know what i'm saying things.

634

01:24:15.900 --> 01:24:17.550

Town of Albion: That is more of a buildings.

635

01:24:20.730 --> 01:24:22.410

Town of Albion: So I brought that up to 10,000.

636

01:24:23.610 --> 01:24:30.810

Town of Albion: And the last one was a 36 20.1 safety inspection vs.

637

01:24:31.980 --> 01:24:41.100

Town of Albion: Bird has declined the 2% raise that everyone else was getting and based on his closing out of several more.

638

01:24:41.850 --> 01:25:02.310

Town of Albion: For minutes his time involved in traveling have been reduced quite a bit and he requested that we reduce the salary by 2000 bringing it down to 10,000 12,000 that's the other change there, the only other thing was to keep the.

639

01:25:08.370 --> 01:25:13.620

Town of Albion: overall tax increase point one 4%.

640

01:25:14.910 --> 01:25:26.400

Town of Albion: Which is pretty long I put into the appropriate reserved for 60,000 and the general fund and left the highway from on that 50,000.

641

01:25:28.350 --> 01:25:33.930

Town of Albion: So one of the things that rick and I learned from the alert budget workshop was.

642

01:25:36.810 --> 01:25:41.280

Town of Albion: This is going to seem strange to say, I think, but we literally have too much money.

643

01:25:42.570 --> 01:25:50.250

Town of Albion: So it's reasonable to use the money to keep the tax rate at a very low in Greece.

644

01:25:51.480 --> 01:25:58.260

Town of Albion: Without going overboard because we don't want to have to mean you don't want to have a year after year, put in that kind of money.

645

01:26:00.090 --> 01:26:00.840

Town of Albion: That we're just.

646

01:26:02.160 --> 01:26:03.810
Town of Albion: use the money for no reason.

647
01:26:05.970 --> 01:26:07.260
Town of Albion: that's very well.

648
01:26:10.800 --> 01:26:11.220
So.

649
01:26:12.570 --> 01:26:21.960
Town of Albion: If if if we're okay with these changes, and if you guys have any changes, you want to add, I can do that, whatever new that is prepare the preliminary budget.

650
01:26:23.070 --> 01:26:31.140
Town of Albion: which I would present or we were presented town clerk at a special meeting we.

651
01:26:32.250 --> 01:26:35.070
Town of Albion: Know on Thursday October 21.

652
01:26:37.230 --> 01:26:43.380
Town of Albion: That way, at that time, we can set the public hearing will already be set tonight.

653
01:26:44.430 --> 01:26:49.380
Town of Albion: preliminary budget for the 28th so we're done didn't 530.

654
01:26:51.360 --> 01:26:54.150
Town of Albion: i'm asking you guys that's okay i'm not done it.

655
01:27:00.540 --> 01:27:02.940
Town of Albion: I do have one question on Bernie.

656
01:27:05.670 --> 01:27:06.570
Town of Albion: Would the.

657
01:27:08.460 --> 01:27:11.760
Town of Albion: refresh stay the same, yes, yes.

658
01:27:13.710 --> 01:27:13.980
Town of Albion: yeah.

659

01:27:17.640 --> 01:27:27.330

Town of Albion: But now the wires all totally our initial data journals done i've got website point.

660

01:27:28.830 --> 01:27:34.980

Town of Albion: pretty much our poster Jesus, he was not detweiler subdivisions closed up now.

661

01:27:36.030 --> 01:27:38.490

Town of Albion: Those were the major pains.

662

01:27:39.990 --> 01:27:41.190

Town of Albion: So that.

663

01:27:43.500 --> 01:27:46.290

Town of Albion: Was loaded on whomever.

664

01:27:48.270 --> 01:27:56.700

Town of Albion: We will probably I mean that's one thing I was thinking to depending on who comes in, we get you know we'll have to negotiate their.

665

01:27:57.720 --> 01:27:59.340

Town of Albion: What they're going to expect that.

666

01:28:00.660 --> 01:28:01.140

Town of Albion: as well.

667

01:28:02.310 --> 01:28:08.190

Town of Albion: So we can tackle at that time and I don't think we can project know necessarily what they.

668

01:28:09.270 --> 01:28:09.750

expect.

669

01:28:12.330 --> 01:28:12.930

Town of Albion: involved.

670

01:28:15.600 --> 01:28:17.880

Town of Albion: The analysis available.

671

01:28:19.080 --> 01:28:20.400

Town of Albion: Hopefully, sooner rather.

672

01:28:21.510 --> 01:28:27.540

Town of Albion: than a similar document to the one from 2019 it would be important for parents to another town.

673

01:28:31.560 --> 01:28:32.520

Town of Albion: So some.

674

01:28:34.620 --> 01:28:38.550

Town of Albion: groundbreaking earth shattering change comes from them.

675

01:28:39.900 --> 01:28:41.730

Town of Albion: We can still potentially make some changes I.

676

01:28:48.270 --> 01:28:49.080

Town of Albion: Am.

677

01:28:51.000 --> 01:28:52.530
