

Town of Albion
Special Meeting: Hwy Pay
May 17, 2024

Present: Supervisor Mike Faulkner
Councilman Vern Mowers
Councilman Corey Holcomb
Councilman Steve Steinfeld
Councilman Rick Stowell
Recording Secretary: Amy J. Ford, Town Clerk

Supervisor Faulkner called the meeting to order at 10:30am.

Supervisor Faulkner stated as of now the starting pay for part-time help is \$16.50/hour, \$18.00/hour if they hold a NYS CDL license. After 5 years the maximum pay allowed for CDL B would be \$21.13/hour and for CDL A would be \$21.63/hour. Nobody that works for the Town of Albion is there yet. The Teamster Local #687 representative stated the board would not need to open the contract if they were to give raises.

The Board discussed mandatory training for the different equipment used.

A tier system was discussed that would reflect the pay rate according to the education/training received. Also discussed was how the workers now (MEO) could obtain a level of HEO.

The Board will hold another special meeting to discuss this issue more on May 31, 2024, at 8:00am.

Supervisor Faulkner called the special meeting to a close at 11:32am.

Respectfully submitted,

Amy J. Ford
Town Clerk
